Dedication

This book is dedicated to יהוה בן יהוה (Yahweh Ben Yahweh), the One who was sent from יהוה (Yahweh) to resurrect and to restore the Widow's Son to the "true" knowledge of his history, culture, LANGUAGE, land, and realization of the true and living God, יהוה (Yahweh).

This book also serves as a token and expression of the promised establishment of the Kingdom of True Holiness and Righteousness – The Kingdom of God, יהוה (Yahweh), at the coming of His Son, יהוה בן יהוה (Yahweh Ben Yahweh).

Who is יהוה בן יהוה

יהוה בן יהוה (Yahweh Ben Yahweh) came to Miami, Florida, alone in 1979 to become the Spiritual Leader and Founder of the Nation of יהוה (Yahweh). Although He took a vow of poverty that same year, within 12 years He guided the Nation and those who followed His teachings and principles to amass an economic empire in Miami and throughout the United States worth over \$250 million.

Under His direction, the Nation of יהוה (Yahweh) has grown to encompass disciples, followers, and supporters in over 1,300 cities within the United States and 16 foreign countries such as, the Caribbean, Great Britain, Canada, Nigeria, and Ghana. The University of יהוה (Yahweh), for which He established the curriculum, and for which He has received great acclaim in educational excellence, is currently located in both Miami, Florida and Atlanta, Georgia.

Who is
יהוה בן יהוה

יהוה בן יהוה (Yahweh Ben Yahweh) is bringing about changes in the lives of individuals by causing them to take a different approach to life. This approach is based on the Scripture which reads, "It is more blessed to give than to receive."

יהוה בן יהוה (Yahweh Ben Yahweh) is here giving. That which He is giving cannot be measured in terms of monetary wealth. יהוה בן יהוה (Yahweh Ben Yahweh) is giving the world the keys to success in life – politically, economically, educationally, socially, and spiritually.

Introduction

The title of this book is **AN INTRODUCTION TO HEBREW– THE LANGUAGE OF GOD יהוה**.

All languages have a beginning that can be traced through scholarly research. But the Hebrew language could have been one that would elude you as to where it originated. The “true” Hebrew language was first introduced by יהוה (Yahweh) through His Son, יהוה בן יהוה (Yahweh Ben Yahweh).

יהוה בן יהוה (Yahweh Ben Yahweh) taught us that every land is attached to a language, and to a specific people who speak that language. He taught that people from England speak English and when they are addressed in conversation, they are called Englishmen. A man from Spain speaks Spanish, and when he is addressed in conversation or in writings, he is called a Spaniard. This logical deduction remains the same when used with every land and people – except the so-called Black man of America.

We have been called Black without a Black language and land. We have been called a lot of other proverbs and bywords, like Negro,

Introduction

but no Negroland or Negro language exist. This is true with every name that we have been called. Only when the very Spirit of Truth was sent to us by יהוה (Yahweh) has there ever been a root for us to attach ourselves other than the African continent.

But now since יהוה בן יהוה (Yahweh Ben Yahweh) has revealed to us that, yes, we have a language, and, yes, we have a land, God, and history; and since He has awakened us to this marvelous light, we have also discovered that we can only exist as a people when we receive this knowledge. By definition, people are described as having a language and land. In time past, we were not a people, but are now the people of God יהוה (Yahweh) – I Peter, Chapter 2, verse 10:

"Which in time past were not a people, but are now the people of God יהוה (Yahweh): which had not obtained mercy, but now have obtained mercy."

This means that language is only unimportant when you don't have one. If you don't have a language, a land, a culture, or a God, you don't exist. יהוה (Yahweh), through His Son, יהוה בן יהוה (Yahweh Ben Yahweh), has reestablished the Hebrew people, the Hebrew language, the Hebrew culture, and now we have our Hebrew God.

Introduction

Our roots can now be planted in our language so we can grow in the knowledge of our true selves. We have been given the language of the prophets, kings and, queens. With the coming of יהוה בן יהוה (Yahweh Ben Yahweh), we have been given the language of the Most High God, יהוה (Yahweh), the Creator of all. His land is our land; His language is our language. Therefore, יהוה (Yahweh), through His Son, יהוה בן יהוה (Yahweh Ben Yahweh), would like to introduce you to our Hebrew Language. Shalom, shalom.

Some Facts About The Hebrew Language

- **God's (the Creator of ALL) “true” name, יהוה (Yahweh), is Hebrew.**
- **The Bible, the King James Version, was translated from the original Hebrew tongue.**
- **Hebrew is the language of God, יהוה (Yahweh), who created heaven and earth (Genesis 1:1).**
- **God, יהוה (Yahweh), speaks the Hebrew Language (Exodus 5:3). In the Book of Acts, Chapter 7, verse 6, it reads where יהוה (Yahweh) spoke to Abraham (a Hebrew -- Genesis 15:13-14) concerning the future of his seed.**
- **The Hebrew Language is not only a means of communication but it is also an operational agent designed to create and form the character of all things (Psalm, Chapter 33, verse 6):**

“By the word of the Lord, יהוה (Yahweh), were the heavens made; and all the host of them by the breath of his mouth.”
- **The Hebrew Language is concise, to the point, and meaningful.**

Some Facts About the Hebrew Language

- The Hebrew Language has a "ciphered" numeral system in which the letters of the alphabet have numerical value and are used as numbers (see the Hebrew Alephbets).
- The Hebrew Language differs from English and European concepts of language: it is written from RIGHT to LEFT.
- The Hebrew Language was proposed as the National Language of the United States:

During the American Revolution, a movement was launched to replace English with Hebrew as the official language of the new nation.

In 1776, anything associated with the British monarchy had a bad taste to the American rebels. Hebrew, on the other hand, was held in high regard by the former colonists, who viewed it as:

- the mother of all languages,*
- the key to the Scriptures, and*
- the cornerstone of a liberal education.*

They had named their towns after those cited in the Bible, such as Salem and Bethlehem, and their children were named after Biblical figures.

Until 1817, annual commencement addresses at Harvard were delivered in Hebrew, and at Yale the language was required for freshmen. Many lower schools also stressed Hebrew.

Several members of the new Congress reportedly urged that English be banned altogether and replaced by Hebrew. Though the idea never caught on, Hebrew remained a required course at many major American universities well into the 19th century.
