## About the Author

יהוה בן יהוה (YAHWEH BEN YAHWEH) was born October 27, 1935, in Kingsfisher, Oklahoma.

He received a Bachelor's Degree from Phillips University, Enid, Oklahoma; a Master's Degree in Economics from Atlanta University, Atlanta, Georgia; and studied law at Oklahoma University.

יהוה בן יהוה (YAHWEH BEN YAHWEH) was a tactical instructor while serving in the United States Air Force. He received an honorable discharge.

יהוה בן יהוה (YAHWEH BEN YAHWEH) came to Miami, Florida, alone in 1979 to become the Spiritual Leader and Founder of the Nation of יהוה (YAHWEH). Although He took a vow of poverty that same year, within 12 years He guided the Nation and those who followed His teachings and principles to amass an economic empire in Miami and throughout the United States worth over \$250 million.

Under His direction, the Nation of יהוה (YAHWEH) has grown to en-

compass disciples, followers, and supporters in over 1,300 cities within the United States and 16 foreign countries: such as, Ghana, Nigeria, Great Britain, Canada, and the Caribbean. The University of יהוה (YAHWEH), for which He established the curriculum, and for which He has received great acclaim in educational excellence, currently has locations in both Miami, Florida and Atlanta, Georgia.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is bringing about changes in the lives of individuals by causing them to take a different approach to life. This approach is based on the Scripture which reads, "It is more blessed to give than to receive."

יהוה בן יהוה (YAHWEH BEN YAHWEH) is here giving. That which He is giving cannot be measured in terms of monetary wealth. בן יהוה יהוה (YAHWEH BEN YAHWEH) is giving the world the keys to success in life -- politically, economically, educationally, socially, and spiritually.

## ***Introduction***

The so-called Black people of America are the chosen people of Almighty God, יהוה, the people of the Old Testament Bible, Hebrew Israelites from the tribe of Judah, The Nation of יהוה.

Prophecy in the Old Testament said to look for the coming of the Son of יהוה, who would come in His Father's name, יהוה, St. John 5:43:

*"I am come in my Father's name, and ye receive me not: if another shall come in his own name, him ye will receive."*

The Son of יהוה is here. His name is יהוה בן יהוה. I am here to save My people from over 400 years of destruction: non-ethical actions. We have been suffering because we turned from the laws of יהוה. Isaiah 9:6 says,

*"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace."*

Second Chronicles 7:21-22 reads,

*"And this house, which is high, shall be an astonishment to every one that passeth by it; so that he shall say, Why hath יהוה done thus unto this land, and unto this house?"*

*And it shall be answered, Because they forsook יהוה the God of their fathers, which brought them forth out of the land of Egypt, and laid hold on other gods, and worshiped them, and served them: therefore hath he brought all this evil upon them."*

יהוה בן יהוה is here to cause His people, the lost sheep of the house of Israel, to return to יהוה. I am causing My people to know who יהוה is, and I am causing My people to keep the laws of יהוה. I am here to teach the so-called Black man of America about his true Hebrew Israelite history, language, culture, name, and land.

It was promised that if you "receive" Me, you will learn what is necessary to be saved from your troubles, your worries, and your problems. I teach the solution to all the world's problems and, of course, you are free to receive My message, and you are free to reject My message. יהוה is free to receive you. No enemy can prevent יהוה from receiving you. And יהוה is free to reject you. But יהוה is the type of God that will only reject you if you first reject Him and His laws. I am offering you a lifeline. You have been singing a song "Throw me the lifeline, throw me the lifeline . . ." Well, here I am. I heard you. I am throwing you the lifeline. Will you take it?

## *Introduction*

---

יהוה is the God of gods, the King of kings, and the Lord of lords. How do we love יהוה? We love יהוה with all of our mind, with all of our heart, and with all of our soul. We should love our Hebrew brothers and sisters with all of our mind, with all of our heart, and with all of our soul. It is the duty of a Hebrew man to lead in righteousness, and the duty of a Hebrew woman to follow in righteousness. If either turns from the law of יהוה, from such turn away. Our Hebrew Israelite motto binds our Nation together. Our motto is:

One God, one mind, one love, and one action. We are all for one and one for all. We want for our brothers and sisters what we want for ourselves. If I have a bowl of soup, you may have half of my bowl of soup, and anything else.

These are all ethical teachings grounded in the Old Testament of the Bible: the foundation of ethics. Ethics is the principles of any civilized society. Let everything that has breath praise יהוה!

## Chapter One

### ***Ethics: The Old Testament***

We are Hebrew Israelites, the children of Abraham, Isaac, and Jacob. We are the children of Israel, the children of the Most High, יהוה, Himself. This book will teach you the truth, the whole truth and nothing but the truth: the Word of יהוה.

There are those who say that the Old Testament is dead. There are those who say that it does not count anymore. Well, if the Old Testament is dead, then look at us. We are the Old Testament, we are being resurrected, and we are very much alive. Since we live the words of the Old Testament, look and compare our works; and you will see that our works prove that the Old Testament is very significant, and it is something to be reckoned with. For we are living the Old Testament as well as the New Testament. The fact that we are living the Old means that we are from the beginning.

Anyone who says the Old Testament does not count is saying that the Creator

does not count, and that the beginning does not count. I read from the Old Testament, Genesis, Chapter 1, verse 1: In the beginning, יהוה בן יהוה, the Son Himself, created the Heavens and the Earth. Not the Father, but the Son created the Heavens and the Earth. Maybe that is why there are those who want to discount the Old Testament, because when the Son comes on the Earth, if you deny the Old Testament, you deny His beginning--His works of old. He will be incomplete.

What can be more important than knowing what the Son of יהוה did in the beginning? These are My works from the beginning. I am יהוה בן יהוה, and I created the Heavens and the Earth and all that is in them. That is the work of the Son of יהוה, and it is unethical to deny reality. My subject is **ETHICS**, which is from the Old Testament. One day we will get to the New. But right now, we are dealing with the Old, which is new.

If you do not understand the Old, then when you first understand it, it is new to you. There is no such thing as the Word of יהוה being old. In terms of not being important (old in time) depends on whether you are God or not. The children of יהוה, the children of the Most High, know that a thousand years of your time is but a day with the Creator. Glory! Isn't that beautiful to know? It would be so good if

you had a certain kind of heart in you. It would also be a blessing if you had the kind of heart that would cause you to fear Me, and keep all My commandments--always. If you did, it would be well with you, and it would be well for your children forever, according to Deuteronomy 5:29:

*"O that there were such a heart in them, that they would fear me, and keep all my commandments always, that it might be well with them, and with their children forever!"*

When you look at America today, you see unethical practices. Well, maybe you do not know what ethics means. Ethics is a subject you need to study. Ethics is a subject that, occasionally, is taught in college, but almost never taught in grade school or high school. Ethics is a subject that is almost never taught in the so-called Black colleges. Until recently, we, as a people, did not go to those other colleges and universities anyway. Therefore, by the time we started attending, ethics as a subject was no longer taught. So ethics has become a word that we are unfamiliar with. And even when you go to the dictionary and look up the definition, we will generally settle for simplicity in definition, which means we never get a complete understanding of the word. We simply take the first sentence and try to remember a part of it, and repeat it to someone who may be inquisitive, but never really knowing--nor did we care to know--the full definition of any word. This is the way we were taught.

## Chapter Two

### ***Ethics***

Ethics by definition is “a system of moral principles; rules of conduct recognized in a group or a culture.” Ethics is “the branch of philosophy dealing with values, related to human conduct with respect to goodness and badness, rightness and wrongness.” Ethics deals with “the motives of the individual in regard to the ends and rewards of the actions of goodness and badness, rightness and wrongness in regard to ethical, moral principles.” Notice that the word *ethics* includes the word *moral*; and, of course, the definition of moral includes the word ethics. Both are from the foundation of the laws of יהוה, meaning that anyone who says the Old Testament does not count (and it contains the laws of יהוה) then it means that the enemy of יהוה is saying His laws are no good. Only the enemy of יהוה would say that the laws of יהוה are no good.

If you refuse to teach the laws of יהוה, as found in the Old Testament, then you

are saying moral principles--ethics (learning the difference between good and bad) do not count anymore. I maintain that any person, who would become human, would have to not only know the difference between good and bad, right and wrong, but would also have to be able to apply the righteous standards of conduct for group living. Without that kind of teaching, you have chaos and anarchy in society: you have dope and drugs; alcoholics and prostitutes. Without the teaching of right and wrong, good and bad, you have people who sit around and wait for those who are productive to go to work; and their job becomes going into your house and stealing your possessions. And they feel as if they are doing God a favor by hitting you in the head as you are on your way home to take what you may have earned while you were at work. That is what happens when there is no ethics.

Nothing is sacred when men are without the knowledge of ethics. Nothing is regarded as sacred or as desirous or as valuable. Human life becomes cheap when you have a country that does not teach ethics. When you elect a person from that group, or culture--whether an actor from Hollywood or a peanut farmer from Georgia--into the highest office, you have a man there who has no knowledge of good and bad, right and wrong; and the value of life is cheap.

Men without the knowledge of ethics become men of war and warmongers, and

they seek to get and take from others because they feel they are physically--in war weapons--mightier than another. This is the result of no ethics being taught or required. And yet the American government has ethical conduct laws for the Senators and Congressmen. And as long as they are all immoral together, and as long as one does not displease the bigger group, he can be as immoral and unethical as he wants. But when some in the group decide that they do not like what the other is doing, then they bust him: using the laws of יהוה.

You go to jail for breaking the laws of יהוה because the laws of the country are based on the laws of the Old Testament. It is written in the Old Testament, Exodus 21:23, life for life, and it reads,

*"And if any mischief follow, then thou shalt give life for life,"*

Moreover, Exodus 20:13 says,

*"Thou shalt not kill."*

When you go out and kill a man, the state, the government, arrests you. Why? Because you have killed a person. Then they say, "Thou should not have killed him." You say, "So?" And they say, "We are going to take your life for having done so." They are going to try and give you the electric chair. Where do they get that from? They get that from the Holy Bible.

If the foundation law of the Bible is the ground for capital punishment when you break the laws of יהוה then wouldn't it be just and right for the people who come up under such law to be taught the law so that they would learn to respect the law and honor the law? If they know the law, they could avoid breaking the law.

O if there were such a heart in My people that they would fear Me and keep all My commandments always, and be ethical, that it might be well with them. If they remain ethical, it would be well with their children for ever.

We are dealing with ethics. When you know the laws of יהוה and you keep them, you are being ethical. And if you remain ethical, you will inherit land with cities. You do not need a gun for this, all you need is ethics. According to Deuteronomy 6:10:

*"And it shall be, when יהוה thy God shall have brought thee into the land which he swore unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee great and goodly cities, which thou buildedst not."*

### Chapter Three

## ***Ethics: A System of Moral Principles***

The problem in the world today is unethical people dealing in the world. In accordance with Webster's dictionary, encyclopedias, and other scholarly works, ethics is a "system of moral principles." Notice the word "system." Ethics is "a system of moral principles." **Any society, any nation without ethics, or a system of moral principles, is a group of lawless outlaws. They are a group whose word is not their bond. They are a people where greed reigns supreme. Lust is the order of the day.**

A people devoid of ethics, a system of moral principles, are immoral people--a group of degenerates. They are a base people. They are a group or a nation or a society that have no regard for their neighbors or the possessions of others. A nation or a society devoid of ethics or a system of moral principles, covets their neighbors' possessions. They are heathens. They are unprincipled. They lie and love to lie.

They build a system on criminal "injustice." It is an unjust system for the righteous-- but it is called a "criminal" justice system. This means that there is a bunch of criminals in charge of justice.

Any society that is ruling the world without ethics and a system of moral principles loves the criminal, rewards the criminal, and punishes the victim. They will tax you without representation. They will declare free enterprise but will not allow you to freely be an entrepreneur. They force you, if you do not have the power of mind to resist, to become one of their agents working for them collecting taxes. When you make a mistake in a system being built on lies and fraud in your reporting for them, they will take your business and seek to put you in jail.

Oh, Hallelu **יהוה**! Welcome to America, where a group of people are in charge that are unethical and they are unprincipled. When a group or a society or a nation that is unethical creates a school system where you are taught how to become a servant to criminals, then you are going to make ethical mistakes--and become unethical. They have trained you, all your life, to be a liar, a thief, and a cheat; to be dishonest and to be disloyal--then when you turn around and do these things, they are lying in the bushes, lying in the cut, or hiding out waiting to trap you. And if they cannot trap you, they will seek to **entrap** you. America is built on bribery. You can

buy the judge. All of these things are against the laws of יהוה as found in the Old Testament.

America is a country where you have dishonest weights: A box may read a pound, but when the box is carefully examined, the gross weight is one amount but the content is another amount. Do not worry about how it looks inside because the box is big. Have you ever tried to open up some of those boxes--cookies and things--and taken the plastic container out? The goods are about half way down the plastic container that is stuffed in that very tall box. It makes you feel like you are getting cheated just a little bit. It is deception for Me to buy a tall box and when I open it, the content equals half the box. However, when I read the fine print, it tells Me that the box is not really full. That is dishonest. That is unethical.

Our history, our law--the law of יהוה--is built upon ethics. Ethics is another word for righteousness. Ethics is one of the many definitions of moral. Have you ever wondered why millions of men study morality, righteousness, chastity, and virtuousness in secret? Why are millions of men required to keep righteous teachings and moral teachings a secret? Is it because the wicked cannot rule in the face of righteousness? Is it because righteous teachings are stronger than unrighteous teachings? Men who have a proclivity to be honest are entrapped to keep the

learning of honesty a secret so that the dishonest can rule without opposition.

The schools teach you to do your own thing, and when you go and buy a car, you want to do your own thing: it is called "stick the pedal to the metal." But they have a lot of traps for you, and sometimes you do not see the signs. One block is 40 miles per hour and the next block is 30 miles per hour, but you did not see it. And guess what? You see a little light flashing, and a strange sound goes off in your ears; your heart almost stops beating because you know that it is the police. You are going to pay a big fine and maybe go to jail. And if you get too sassy, he will hit you upside the head and take you to jail. You will pay a bigger fine, pay a bond, and pay the criminals in the system. Understand, they have a "system." I think you know what I am talking about.

I am now mixing in the world of reality in which you live, and then I am going to show you the world in which you can live. I am here to destroy the works of Satan. **I AM BORN TO DESTROY THE WORKS OF THE WICKED ONES.** You may say, "What? The wicked ones have atomic bombs and hydrogen bombs. They can fly at night and drop bombs on people's houses and see them in the dark. You have got the nerve to come against that kind of people?" My answer is, right! I have the nerve, the fortitude, the perseverance, and the correct attitude; and I also have

weapons that Satan cannot fight against.

I teach My followers to carry no weapons. That is why we do not allow weapons to come into our midst. We search against weapons. No weapons. You may say, "Well, how can we win against the most sophisticated and highly armed people on Earth?" You must understand that My battle is a spiritual one, and the enemy to יהוה can only fight on a carnal, physical level. My battle is ethical. I am fighting a battle of ethics. I am fighting with a system of moral principles. Your enemy teaches you pornography, Satanism, and sadism. They teach you brutality in movies and magazines. They teach you to chain women up and beat them; and while they are tied up, they taught you to do all kinds of weird things to them. Does this society teach that? I come along and teach that this type of teaching is wicked and evil, and I show people how it is wicked and evil, and why it is wicked and evil. I am causing people to turn from such wickedness.

Satan's game is to induce you into an unethical type of activity. My purpose is to come and turn you from your evil ways. Every time I succeed in turning one of you from your evil ways, Satan has just lost another one. I am building and adding to My numbers those who want to do right. Those who want to do wrong must remain out there with Satan.

Those who come among us and pretend they want to do right, soon find out that the only thing going on among us is righteousness. So after a while, some get tired and go out and show that they are black devils. They are black devils who spread lies, innuendoes, and rumors. Here I stand--I have to fight every color. Although I teach, and have taught from the beginning, that Lucifer, the original devil, was black, it is only when they (the media) finally hear the part "white devils," they want to print that ("white devils") as if that is all I said. But I teach the devil is in all colors. I have always taught it. Now they pretend like this is a sudden revelation. The point is, I do not believe in the skin-color game, which means I do not believe in white supremacy. Guess what? Neither do I believe in black supremacy. I believe in supremacy. I am supreme and I teach all who follow Me to become supreme; and if you do not know what supreme is, you must look it up.

## Chapter Four

### ***We Must Overcome Individualism***

Ethics is a system of moral principles. System is defined as “a group of interacting, interrelated, or interdependent elements forming or regarded as forming a collective entity.” Now think about that: A group of us interacting with one another, becoming interdependent with one another, thereby forming a collective whole, who have and practice moral principles. When you can take a group of disorganized individuals and individualists who have been taught by their oppressors the trick of individualism and make them an interdependent group, that is power, isn't it?

Black folk will teach you individualism; brown, red, yellow, and white folks will teach you individualism: Go get it for you, yourself, and that will get it. We were all taught “me, myself, and I”; but when you get in trouble, guess who is going to help you? You and yourself, that is who. That is what you have been all your life: “me,

myself and I.” When you get in trouble, you want to holler “we.” No, no. It does not work like that. So when you get in trouble “we” are not in trouble. “You” are in trouble, because that is what you have been all the time--“you.”

When you are all for yourself and you get in trouble, that is all you have--“you.” Self had better be strong because that is all you are going to have is self. If you have some people who you thought were your friends, get in trouble, and you will discover you have unethical people all around you--people who do not feel interdependent with you. They feel independent of you, just as you felt when you were doing pretty good. When you are an individual, at any time, trouble can come up. My people are known to stand on the sidelines and laugh at you when your trouble comes: “Ha, ha, ha, look at him, boy, he has trouble.” They will laugh and talk about you and down you. Do you know what I am talking about? But in our community, it is different.

When you are in The Nation of יהודה, we have a motto that if you are for me, I am for you. Now sometimes there are people that come among us that make it difficult for Me to stand with them, but I will stand. I will be getting black eyes, kicked around, and beat up on; My name slandered and everything, but I will stand anyway until you turn from Me. Things will be going pretty good for you until you

turn. When you turn from Me, then I will turn from you. And I do make a difference, because I am not alone.

In the Bible, the Word of יהוה tells Me that wisdom is a defense and money is a defense, and you must have both to be properly defended. Money without wisdom will not take you too far, because your money can run out and you are still without. If you have wisdom and do not have money, you still have a problem. It takes both. **I have both wisdom and money.** I am so rich, I do not carry money. I do not need any. I used to hear that rich people do not carry money. I thought that was crazy until I became rich. Then I understood, you do not need money. Everybody all over the Earth knows My face. When I get ready to fly, I just go get on the airplane and fly. Somebody will buy My ticket. No problem.

Wherever I go, somebody will also be there to pick Me up. I do not care where I go--I have bedrooms all over America. Oh, yes, I do--and protection. Praise יהוה. Why? Because I come in the name of the Protector, so I travel in protection, and I make it the same way for every one of My disciples. That is right, My disciples fly all over America in My name, and stay in the finest suites that are made on the planet. Isn't this wonderful? They stay in My stead.

My disciples have purchased mansions in every major city of America, and I have not seen them. My children sleep in them, but I have not. I still do not have one that is personal that you can go to and say, "That is where יהוה בן יהוה lives. Look at that! That is His island right there." I do not have that. The press can't find anything. Oh, one day, I probably will have one. It is not paramount: it is not important to Me. I am too busy making sure all of My disciples have mansions.

## Chapter Five

### ***How To Be Successful Eternally***

I am proving that you can be rich and be good, and that being good will make you rich, and it will last. You have to understand there is a system, and you have to understand the system in order to be successful eternally. I am not building temporary wealth. The wealth that I am building, it does not make any difference if the physical building is torn down or not; it is irrelevant. If it is destroyed, then we will build it right back. We are like ants. It is no big deal.

I am a Man who delights in giving you the kingdoms of the world. It is My good pleasure to make you rich. I love doing that. I get the biggest kick out of you being rich; that just tickles Me. Can you imagine coming to a downtrodden people, a despised, a rejected people that nobody wants anything to do with, and try to change them? Can you imagine coming to a people who are castigated, cast out as evil, thrown into a ghetto, held down, oppressed, depressed, full of fear, superstitious, and

ignorant, and try to change them? And then I come to this people who are hardheaded, stiffnecked, rebellious, and full of hate for one another; and who hate their own kind, hate their own hair, hate their lips, and try to change all of that. I have come to this kind of people, to raise them up, and to make them rich in spite of themselves. I have to be Somebody unique to stick with a bunch of crazy folk until they get some sense. Praise יהוה. Most people would have left, but I know the system of moral principles.

Again, the definition of system is "a functionally related group of elements as the human body . . ." Understand the grouping of that statement: We are a functionally related group of people. **WHEN YOU COME INTO THE KNOWLEDGE OF יהוה, YOU WILL UNDERSTAND THAT WE ARE A FUNCTIONALLY RELATED GROUP AS ONE NATION IN יהוה.**

## Chapter Six

### ***The Nation of יהוה: A Functional Physiological Unit***

We are not Negroes, Colored, Blacks, or Afro-Americans. We know who we are. We are The Nation of Israel, The Nation of יהוה, the tribe of Judah. And we are a functionally related group of humans, chosen by יהוה Himself--the Creator--to rule the Earth forever. Now, if you do not believe this, you will not say that. If you do not understand this, then you cannot relate to this. It is a blessing just to understand that you are chosen to be a functionally related group. We are related to one another. And we are demonstrating that we are functional.

The rest of My people, the only thing that they know about "functional" is illiteracy. They are functionally illiterate. And those who are not functionally illiterate are a group of individualists, where each one is trying to outdo one another. I am not trying to outdo anybody. I am greater than everybody. I come greater than

the whole. I am creating a whole group of functionally related. We are coming into the knowledge of the system of moral principles.

System is "a functionally related group of elements of the human body, regarded as a functional physiological unit." That is what we are. We are a functional, physiological unit, as one. I do not stand up and say: Black people should do right, Black people should get it together, Black people need to pool their money, Black people should keep their money in the community, Black people ought to do . . . Everybody is an expert on Black people.

I have read all the Black newspapers from across the country. I have read all of them. I paid for all of them. And they all read the same. Everybody in every city is an expert on Black people's problems: Problems with teen pregnancy, black on black crime, unemployment, AIDS, and other social diseases. Everybody knows the problem, but nobody brings the solution.

Preachers come to town and the preachers all over the city speak on how Black people need solutions to their economic problems; and they charge people to hear that, and they take up a big offering. They will say, "We got a \$100 arm over here. We got \$50! \$20!" After you listen to these folks, you have an even bigger problem. You have less money than when you went to the meeting. You solved their problem,

but what about your problem? At foot-stomping, hand-clapping, big-time meetings, they say all the things you love to hear--smooth things. But when the meeting is over, you have less money in your pockets, and you are better educated than ever to the problems. And as a result, you go back home with no solutions. In Miami and across the country, I am demonstrating solutions.

In seven years, we have never had a teen pregnancy, without a husband and a father. Not one! Not one of My children are delinquents. At The University of יִהוּדָה, not one case of delinquency. Our school is right across the street from a public school, and the students hang out the windows like monkeys. They come over those fences, playing hookey. I do not know how those kids do that, but they go up and down those fences just like monkeys or something. When school lets out, they start throwing eggs, fighting, and cursing; and they have police officers in the school. We do not have any of those problems.

System is "a group of physiological complimentary organs or parts; a system of complimentary principles, based on morals; a group of interacting mechanical or electrical components; a network of structures and channels as for communications, travel, or distribution." We have all of that going on across the country. I am the only Man of any color to ever open up a national chain of grocery stores in one day.

I organized and set up and opened the same day, across America, in 11 major cities, and others followed--a system, a network. (Like that which sits on the top of Yachin and Boaz: those two free standing pillars with the Pomegranates on top [1 Kings 7:15-22].) We have a national network going successfully: one that cannot fail because it is a system of moral principles.

System: "A structurally or anatomically-related group of elements or parts."

That is so good to Me. Moreover, system is "a set of interrelated ideas, principles, rules, procedures, laws, or the like." A set grouping: that is what we are. **We are a set of interrelated ideas.** Can you imagine? We, The Nation of יהוה, are a set of interrelated ideas: One mind. We have one God, one God mind; and then we have one love, and one action--a set of interrelated ideas of principles. That is within the definition of morality: A system of moral principles; a set of interrelated ideas, rules, procedures, laws, or the like--the laws of יהוה. That is the answer.

If you need help, return to יהוה and you will get it. Without יהוה, you are without help; with יהוה, you have help. You are not alone. You will learn how to function. You will be in the right set. You will have the right ideas functioning inside your head. You will have answers and solutions. That is what I demonstrate.

Since we do not have promiscuous sex, then we do not have gonorrhea. Not one case among us. No gonorrhea. No syphilis. No herpes. No clam dip. (Other nations call it chlamydia; I call it clam dip.) I am solving the problems. We do not have sickness among us--not physical, because I teach the laws of יְהוָה and His dietary plan. Since we do not eat the abominable things, we do not suffer from the sicknesses that these abominable things cause. Another definition of ethics is "the rules of conduct recognized in a group or culture." Ethics is that branch of philosophy dealing with values, relating to human conduct, with respect to rightness and wrongness of certain actions.

## Chapter Seven

### *Victims of Unethical Teachings*

Ethics obviously should be taught in school. Ethics teaches the rightness and wrongness of actions dealing with human beings. It also deals with the goodness and badness of motives, and it deals with the end of such actions. That is ethics. However, that is not all of ethics, but it is a "part" of ethics: values relating to human conduct with respect to the rightness and to the wrongness of certain actions, and to the goodness or to the badness of the motives, and the end of such actions.

A society with rulers who are unethical will not give you a square deal. They will not be on the level with you, and they will come to you pretending to be good while they have an ulterior motive. It becomes deception and fraud when they do not share with you that hidden agenda--that hidden motive. Rulers who are unethical will take your money, your wealth, and your property under false pretenses, which makes it bad and wrong. They will give you false advertising--deceptive advertising. They

will tell you that you can get a product at a certain price and it is on sale. When you get to the store, it is "bait and switched." That is unethical. That is wrong. That is bad.

If ethics were taught in the school system, then all of the students would grow up knowing the difference between ethical and unethical, good and bad, right and wrong. What type of society is it that forbids ethics in their school system? Wake up and look at it. What type of training did you receive? One that caused you to be free from mistakes or one that taught you to make mistakes? All of your life you have been taught to make mistakes. When your enemies fall out with you, they will audit your books. They will say, "We know we taught him how to be bad. Let's look into his life and discover what mistakes he has made. We know he made mistakes. Let's go find them!" It is not hard to find, because we were taught to make mistakes. Almost any citizen in America can go to jail on practice. "Yeah, yeah, sure, man. You signed those statements saying this is true--under the penalty of perjury. And you know you were lying." So when they finally catch up with you, you already feel guilty--the fight is gone. I mean, you don't have no real fight inside. You are a victim of unethical teachings.

You need Me in your life to correct all of the unethical teachings you have been

a victim of. When you are not conscious of this reality, you are unable to protect yourself. A whole nation of people have been beguiled by wicked, unethical teachers who sit in high places, who sit in places of authority with the power to send other wicked men after you to put you in jail if you do not bow to their will and their command and their subpoena and their call. They have even ruined innocent men. If you try to be a leader, they will get you.

They are known to bust our leaders. They will put you in jail for "thinking" about having some gold plumbing. Man, you don't have to steal no gold, just--they said you "thought" about it. That is wicked! But when you have those kinds of thoughts, they do not have to prove it, they just say you "thought" about it. So you are going to jail. And when you are an individualist, you think you are riding high and you are thinking: "I got it made, I am smart, I am educated, and I am clean--can't nobody bother me." These unethical people will show you a thing or two.

Oh, they also get after Me. But I am still standing, because I am not alone: יהוה is with Me. You need My Man behind you. My Man is incredible. My Man is unstoppable. My Man cannot be arrested. My man cannot be subpoenaed. And My Man gets after anybody that gets after Me. My Man will contend with you if you contend with Me. My Man is יהוה, the Creator. You need My Man. He gave Me

the right system: the rules of conduct. He gave Me the right and wrong of the matter; the good and the bad of the matter.

Ethics implies "high" standards. Of what? Honest and honorable dealings. Think about this. Ethics is a secret teaching. Morality is a secret teaching. Moral principles are secret teachings. And you have to be showing a good character--walking around with good character--to be invited to join the brotherhood of those who learn moral teachings in secret. Then once you learn the secrets of morality, you have to keep it a secret. So there are certain men that do not have to worry too much about going to jail, because they know good from bad. They know right from wrong. They know ethics and they practice it. When you practice righteousness, that is your garment and your shield against Satan having power over you. Oh, it is a protection.

I teach My disciples, if you are driving in a 30 mile per hour zone, drive 29. Whatever the sign says, do under it. And if you get stopped anyway, say, "Yes sir, officer." Be humble, be honorable, and be honest. I have seen My people put in a trick in My life time. I have seen them stopped by unethical police officers, who are mean and wicked, and they say, "Nigger, what is your name?" You get ready to tell them, and the other officer says, "Do not say a word, nigger." The other says, "Boy, did you hear what I said? What is your name?" You look at the other officer, and he

says, "Nigger, you'd better not say a word. If you say a word, I'll beat your brains out." The other one says, "If you don't answer my question, I'm going to beat your brains out." That is between a rock and a hard place. You have got to make up your mind what you want to do with your life about that time, don't you? I have seen My people beaten to the ground behind that one.

One officer says, "What's your name?" He goes to talk, the other one hits him. One officer asks him again, "What's your name?" He won't say anything. Then he hits him. I have watched My people beaten to the ground just like that. And then you go out and you are going to talk bad and tough? They love to call back-up. No matter how cooperative you are, it doesn't mean anything to unethical people. Your protection is to be ethical in *יהוה*. Ethics implies high standards of honest and honorable dealings. It deals with the methods used in business, in professions, or even on a personal level.

If you want welfare in this country, they put you in a position where you almost have to lie: You just got pregnant and you tell somebody, "I don't know who the daddy is." You may not. I understand. You may have been laying with two or three men at once. You might not know. This unethical society teaches you to have one man to pay the rent; a car note man, a clothes man, a food man, and a husband. And

you don't know who the baby's father is until the baby gets here (unless, of course, you bought the unethical teachings of a doctor that cut your insides out. You got so afraid till you aborted). But when the baby comes, the husband says, "Well, I don't remember nobody who looks like that in my family." And he may be told that the kid took looks from way back. This is an unethical country.

## Chapter Eight

### *The Root of Ethics*

What I have shared with you thus far is the basic definition, the working definition, of ethics, so that you have some idea of what we are dealing with. The root of ethics is found in the Bible, the Old Testament, and it brings up the question of Lucifer. Lucifer was a bright and morning star--a bright man in Heaven. He was one of the leading angels of יהוה and was blacker than a coal. Lucifer wanted to be worshiped. He wanted to be יהוה. He was jealous. He seduced a third of the angels of Heaven and went to war against יהוה. And, of course, going against the Creator, he lost the war.

When Lucifer lost the war, he was cast down to the Earth where Adam was. Adam had been given the garden, and all Adam had to do was dress and keep it. In the meantime, יהוה had already performed an operation. He knew that this was coming off so He performed an operation on Adam and came up with Eve. Eve was

hanging out in the garden too. And you ask, "Well, why would יהוה, being God, create Heaven and then allow Lucifer to even come about in the first place? Was that ethical on the part of יהוה to allow such a thing to happen?" יהוה allowed war in Heaven and then he cast Lucifer out, and here comes Lucifer causing war in the garden: he seduced Eve, who in turn seduced Adam.

Lucifer knew the laws of יהוה and approached Eve with the law. She started talking to him in Genesis, Chapter 3. Since she listened, everything that יהוה said would happen, if you eat of the tree of good and evil, happened. So she had sex with Lucifer and produced Cain. Adam produced Abel with Eve. As a result, wars--confusion, individualism, greed, lust, fear; superstition, and ignorance; disease and destruction--have been on Earth these last 6,000 long years.

We, the children of Israel, the children of יהוה, the sons of יהוה, have been catching hell for 6,000 years from unethical rulers of all colors. We have had 6,000 years of experience under unethical rulership. יהוה gave us the Promised Land, Canaan. And a hundred years after we were in Canaan, we were living a peaceful life--tending to our crops, our herds, our cattle, and our animals, but the heathens around us seemed to have been a little jealous. I am talking about the "roots" of

ethics.

The traditions of Israel (that's us) were not the camel-riding nomads of the desert. Our traditions were different from the camel riders. These camel riders were nomads (wild-ass men). Nomads had no special home, they just roamed from place to place like wild animals. You know how the animals do--when the seasons change, they go north; and when the seasons change again, they go south. Well, nomads follow animals. They have minds like animals. יהוה gave us Canaan. Those nomads were our enemies, and they came and destroyed our harvests and our herds, as written in Judges 6:3-4:

*"And so it was, when Israel had sown, that the Midianites came up, and the Amalekites, and the children of the east, even they came up against them;*

*And they encamped against them, and destroyed the increase of the earth, till thou come unto Gaza, and left no sustenance for Israel, neither sheep, nor ox, nor ass."*

## Chapter Nine

### *Practicing Ethics Is Rewarding*

Practicing ethical conduct is rewarding. Ethics is goodness, rightness, righteousness, right conduct, holiness, sanctification, uprightness, honesty in principle and action. Ethics is being rectitudinal in your mind. Ethics is striving and working towards being honorable, chaste, and virtuous. These are words that we should not only be able to call, but these are words that we must also master in order to be able to apply them in our lives. I am having a good time talking about this because I practice ethics.

I am rewarded for being ethical. For example, when I pulled up on ירוה Resort property one day, some police officers were going by. In passing, they waved and, of course, I waved back. They backed up and came onto the property. I don't know how they knew it, but at any rate, one of the officers said, "First, we want to welcome You back." I almost had a cardiac arrest, because I didn't tell anybody I was going

away (publicly). I thought I had done a pretty good job of slipping away. After welcoming Me back, I heard them say distinctly, "Welcome back." (I didn't want to believe that was what they said.) They said, "We want to thank you for buying up property in Liberty City and cleaning it up from drugs and crime. And we want to thank you for buying this property, the Saxon, and cleaning it up from drugs and crime. We want you to buy more property. In fact, would you like to have a list from us?" These were Miami City police officers.

People in the police department are coming up and saying to Me, "We are glad You are here, יהוה בן יהוה. Do You want a list from us? We can give You a list of some terrible places. We want You to have it. We support You, יהוה בן יהוה. We are the police and we believe in You and in what You are doing. We see Your results." Now the officers that said that were ethical officers. Unethical police officers would not have said that to Me. Unethical police officers love to see drugs in the neighborhood. They may be selling some. They may be taking payoffs from those who sell it. The police department has ethical officers in it, and they are happy to see a moral Man on the scene today, with a plan from יהוה.

I do not need a gun for this! The people with guns (the police officers) already

back Me up. I inherit all things. Whatever I need, I inherit that! I do not have to buy the Earth, I am going to inherit it. It is My inheritance. I buy enough to show My character, My nature, My will, and My desires. I am the Good Shepherd. All right-thinking people appreciate what I am teaching.

The police officers went on to say, "Wherever you go, our jobs are easier. And there are no more deaths. So, we want you to get more property." And I said, "Well, as soon as we get a little more money, we will." And they wanted us to know that they were really appreciative and I said, "Well, wonderful, and I will be supporting you; we will support you." And, of course, they know I am a moral Man, and I support moral behavior regardless of who you are. So here was a situation where My works were concrete in the results I achieved, because I am practicing the Old Testament.

Now those who practice the New Testament are unable to do the same kind of work. Those who practice the New Testament have buildings on every corner--several in a block. They even march and demonstrate and, yet, are unable to eradicate problems in the community. My practicing ethics, ethical conduct--and teaching you, My disciples, to practice ethical conduct--we have gained respect even from the criminals, which proves that we have power with יהוה and with man when we

back Me up. I inherit all things. Whatever I need, I inherit that! I do not have to buy the Earth, I am going to inherit it. It is My inheritance. I buy enough to show My character, My nature, My will, and My desires. I am the Good Shepherd. All right-thinking people appreciate what I am teaching.

The police officers went on to say, "Wherever you go, our jobs are easier. And there are no more deaths. So, we want you to get more property." And I said, "Well, as soon as we get a little more money, we will." And they wanted us to know that they were really appreciative and I said, "Well, wonderful, and I will be supporting you; we will support you." And, of course, they know I am a moral Man, and I support moral behavior regardless of who you are. So here was a situation where My works were concrete in the results I achieved, because I am practicing the Old Testament.

My practicing ethics, ethical conduct--and teaching you, My disciples, to practice ethical conduct--we have gained respect even from the criminals, which proves that we have power with יהוה and with man when we

practice ethical conduct.

You must read Deuteronomy 6:10-25, it is a section dealing with “warnings against disobedience.” What does this title mean? It means a warning against disobeying the laws of יהוה because that is unethical; in short, it is a warning from יהוה for being unethical or practicing unethical conduct.

If you obey יהוה, you will inherit land that you do not have to fight for; you will inherit cities that you do not have to fight for. I am demonstrating it here in Miami and across the country. Any forward-thinking person with any vision can see that I am bringing this about with perfect peace, because I am the Prince of Peace.

Deuteronomy 6:10-11 reads,

*“And it shall be, when יהוה thy God shall have brought thee into the land which he swear unto thy fathers, to Abraham, to Isaac, and to Jacob, to give thee great and goodly cities, which thou buildedst not.*

*And houses full of all good things, which thou filledst not, and wells digged which thou diggedst not, vineyards and olive trees, which thou plantedst not; when thou shalt have eaten and be full”;*

What great blessings. Without the subject of ethics, we would have little occasion to look at these verses in any detail or for any reason. But just think, we have יהוה our God. It says, “thy” God. Now, if He is not your God, then He will not be doing this for you. But for all of those whose God He is, He will be doing this for

them.

That is like being the President's man: All who are not the President's man, do not get what the President's man gets. And if you are the teacher's flunky--as they say in the public school--well, you are the apple polisher; you get certain little privileges. If you do not polish apples, you do not get what the apple polisher gets. Sometimes they get to leave the classroom and walk the halls; they get a little pass and run messages back and forth. If you do not polish the apple, then you do not get to run up and down the halls. You do not get to have a special pass if you are not the pet. Have you ever seen that happen in your life?

## Chapter Ten

### ***Practice Ethical Conduct***

We belong to יהוה. Those who obey the will of יהוה receive good things from Him. How do you obey His will? You obey His will by practicing ethical conduct. Keeping the law means being ethical. And what am I teaching? Ethics. What am I saying are the benefits of practicing ethical conduct? You have a God who will bring you into a land that He has already promised your patriarchal fathers--Abraham, Isaac, and Jacob. He will bring you into this land not through what you did, but for what He promised them. You are blessed by being the children of Abraham, Isaac, and Jacob. And you will receive this inheritance, not because of your personal relationship with יהוה, but because of Abraham, Isaac, and Jacob's relationship with יהוה. But there is a contingency fee here, as described in Deuteronomy 5:29, which reads:

*"O that there were such an heart in them, that they would fear me,*

*and keep all my commandments always, that it might be well with them, and with their children for ever!"*

The children are going to be blessed only if they also obey and practice ethical conduct. What does that mean? Obeying and practicing ethical conduct means to practice being good, godly, righteous, holy, perfect, pure, and devoted. It means having a reverential conduct, chaste conduct, virtuous conduct, and honest conduct. If you practice these ethical and moral principles, then you will actually inherit land and cities already built. People have built these houses and have filled them with all good things. And יהוה is going to cause them to run off and leave the good land. You are going to inherit it--if you just be ethical.

When you get thirsty, you will not have to go dig a well, it will already have been dug. All you will have to do is to just turn the spigot on. When you turn the key and walk into a house, you will look out toward the back yard and there will be vineyards with grapes for miles on the trees. Whew! I have to watch you with getting all these grapes. I can see your eyes: You want some sugar already. There will even be sugar in the house. You will have olive trees--black olives and green olives. You will not have to plant anything, and you will be able to eat to the full. If you just be ethical, all this will happen for you.

You will even take the old beat up wastes and restore it, and make it like new, according to Isaiah 61:4, which reads,

*"And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations."*

When this is done, then you can walk in these waste cities and stay in them, and they will all be new from top to bottom. And you will know that they are new because you will have repaired them. (I had to bring in the reality because I do not want you to have a spook mind about this.)

## Chapter Eleven

### *Become an Ethical Servant of יהוה בן יהוה*

Some of My brothers had a vision of a turn-key job. You know how we have been taught: "Can't wait to get to Heaven, going to sit right down. When I get to Heaven, the only thing I'm going to do is shout and dance all over God's Heaven. Heaven! Heaven! Shout all over God's Heaven. When I get to Heaven, I'm going to sit right down!"

Now, if you have a mind of going to Heaven and sitting down, you will lose your inheritance in Heaven. You will find yourself right back in hell. You must understand that "sit down" is a spiritual thing. Your mind is on the carnal, so you actually see yourself in a physical chair. That is so sad when your mind is on that level. When I speak of sitting down, I am talking about your mind being bound to a chair-type mentality. While everybody else is up busy like the ants, producing and accomplishing, you are sitting down in the mind: a sit-down mind.

You want everybody to serve you. So the server gets rich while you pay out; therefore, you will soon be poor. I am the world's greatest Server. I am your Servant. I serve you in ways that you would never think. Maybe if you study, you will discover just as one of My little brothers who said to Me, "I have discovered you are the greatest Servant, יהוה בן יהוה." A servant is one who takes care of the needs of someone. I supply you with all your needs. And since I supply you with all of your needs, that makes Me the greatest Servant of all because I am a Supplier.

If you need comfort, I comfort you. I serve you with comfort. If you need counseling, I counsel you. If you need instructions, I give you instructions. If you need housing, I provide you with housing. If you need clothing, I provide you with clothing. If you need food, I provide you with food. If you need wisdom, I give you wisdom. If you need knowledge, I give you knowledge. If you need understanding, I give you understanding. If you need honor, I give you honor. If you need prestige, I give you prestige. Whatever your needs are, I provide. If you want to rule, I will teach you how to rule. That makes Me the greatest Servant of all. He who would be the greatest of all, let him be the servant, according to Matthew 23:11, which reads,

*"But he that is greatest among you shall be your servant."*

I teach that if you want to rule the world, you must learn how to serve ethically. You

must become an "ethical" servant. Do you want to be rich? Then you must become an "ethical" servant. Well, how did Henry Ford get rich? He got rich by serving the needs of the people who wanted to ride. The brothers say, "Well, the wicked rulers gave us an illusion. We want to have all of his luxuries, like the one that he's riding around in, advertising." But we are not doing what he did to be able to ride.

You want to live equal to the owners of Ford Motor Company without doing what the owners are doing. So all your money ends up in the owners of Ford's pockets. Those who are trying to live as the owners live are just suffering from an illusion. You have a vehicle that you can hardly afford to take care of. The cars that the stockholders of Ford Motor Company ride around in are just cars that came off the assembly line that were given to them to advertise. And when the cars they are driving break down, they are going to put them in the repair department and drive another new one off the lot. You can- not do that because you are not an owner of anything.

You want to live like the owners without doing what the owners do: they serve the needs of the people, and they provide for the needs of others. That is how the owners get rich. They will tell you, you want to get rich? it is simple. They are right, it is simple. I can give you that: Find the need and fill it. If a bunch of people have

that need and you fill it, guess what? You're rich! So getting rich is no big deal. But you have to be willing to fill the needs of others. And your enemy has taught you to feel like you are above others--it is called false ego. When you feel you are above others, then you think you are too high to serve and fill the needs of others. You want others to fulfill your needs, and those who do are getting rich from your pocket.

The Jewish family makes sure that there is a doctor, a lawyer, and a CPA (certified public account) in their family. They make sure that there is a hospital owner and an administrator in their family. They also make sure that there is a contractor, an electrician, and a plumber in their family. They make sure that a member of the family owns a lumber company and a cement factory. They also make sure that a member of the family owns an automobile manufacturing plant and a rubber plantation. And they make sure that they own vineyards and farms. So everything that they need costs them nothing, because they just play it off on each other.

## Chapter Twelve

### ***How Did We Get To Be Unethical?***

Ethics, when properly understood and practiced, will cause you to be brought into the land which יהוה promised, and will cause יהוה to give you great and goodly cities full of ethics. Would you like to inherit land with cities in it? Not a city--but "cities." Praise יהוה. Well, then all you have to do is follow what I am teaching you: Be ethical. Being ethical means what? It means that you must be good, be right, be righteous, be holy, be virtuous, and be chaste. You must exhibit the will of יהוה and demonstrate a righteous character. Let your nature be like the nature of יהוה: Be honest, honorable, and upright; be well-behaved; practice moral principles, and all these things will come to you.

Why weren't we taught ethics from birth? It is because our parents did not know this. So let us not be angry with them--they just did not know. Well, why did our parents not know this? It is because those who oppressed us did not allow them

to be taught ethics. Well, how did we get to be in a position where we were oppressed in the first place? Because we went away from the laws of יהוה. And when we failed to practice the laws of יהוה, He put us in this condition. We were told that if we forgot יהוה, we would be made a proverb and a byword, as written in 1 Kings 9:5-9, and it reads:

*"Then I will establish the throne of thy kingdom upon Israel forever, as I promised to David thy father, saying, There shall not fail thee a man upon the throne of Israel.*

*But if ye shall at all turn from following me, ye or your children, and will not keep my commandments and my statutes which I have set before you, but go and serve other gods, and worship them:*

*Then will I cut off Israel out of the land which I have given them; and this house, which I have hallowed for my name, will I cast out of my sight; and Israel shall be a proverb and a byword among all people: And at this house, which is high, every one that passeth by it shall be astonished, and shall hiss; and they shall say, Why hath יהוה done thus unto this land, and to this house?*

*And they shall answer, Because they forsook יהוה their God, who brought forth their fathers out of the land of Egypt, and have taken hold upon other gods, and have worshiped them, and served them: therefore hath יהוה brought upon them all this evil."*

We were told what would happen if we forsook יהוה. The Scripture says that all kinds of curses would come upon us, catch up with us, and destroy everything we touched, as written in Deuteronomy 28:15, which reads:

*"But it shall come to pass, if thou wilt not hearken unto the voice of*

### *How Did We Get To Be Unethical?*

---

*יהוה thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee”:*

Deuteronomy 28:32 is a very important Scripture because I want to answer the question, “How did we get into this condition?”

*“Thy sons and thy daughters shall be given unto another people, and thine eyes shall look, and fail with longing for them all the day long: and there shall be no might in thine hand.”*

Have we been given to another people? Have our sons and daughters been given to another people? Yes. Why? Because we disobeyed יהוה. To be given to another people, to be sold in slavery to another people, is a curse from יהוה. Why? Because we did not listen to His commandments.

Now, do you admit that living in America has been a curse for us? Are you tired of the curse? Then the answer is simple. Whatever got you into the curse, do the opposite, and it will get you out. What got us into the curse? Disobedience. What will get us out from under the curse? **Obedience**. What got us into hell (being given to another people)? Unethical conduct. What is going to get us out? **Ethical conduct**. That makes Me a Good Man to come and rescue you. I am offering you a lifeline. You have been singing a song, “Throw me the lifeline, throw me the lifeline . . .” Well, here I am, I heard you. So now I am throwing you the lifeline.

Will you take it? That is the issue. It is so simple.

I am here to make an appeal to all people to be moral, to practice ethical conduct. I realize that not all people will accept the challenge to be moral and to practice ethical conduct. But the mercy of My Father, יהוה, is to send Me and to offer you the solution, and to provide you with clear arguments--so clear that even if you are a fool, you do not have to fall victim to unethical conduct. You have been suffering long enough. I promised to come after 400 years, according to Genesis 15:13, which reads,

*"And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years":*

I am here.

I know the problem because I have been a part of it. You cannot claim that I have not suffered what you suffered. I was suffering before most of you were born, so I know the problem. I can explain the problem better than most. You know the problem, and the problem is--you never found the answer. I come with the answer--the solution.

I have proven what got us into trouble: We disobeyed the laws of יהוה, and we were unethical. So we and our sons and daughters were given to another people.

If you are tired of being under another people, then I am come to take you away from them. **I AM HERE TO TAKE YOU FROM THEM**, and they cannot do anything about that. I am here to fulfill My promise to your patriarchal fathers-- Abraham, Isaac, and Jacob--and that was to bring you into a land that would have many great, goodly cities in it; and to give it to every one that receives Me and accepts My solution of righteousness, holiness, and ethical conduct. I am going to "give" it to you, according to Joshua 24:12-13:

*"And I sent the hornet before you, which drove them out from before you, even the two kings of the Amorites; but not with thy sword, nor with thy bow. And I have given you a land for which ye did not labor, and cities which ye built not, and ye dwell in them; of the vineyards and olive yards which ye planted not do ye eat."*

Maybe יהוה בן יהוה is unable to do the same thing today. Maybe He cannot do it. Well, Hebrews 13:8 says,

*"יהוה בן יהוה the same yesterday, and to day, and for ever."*

## **Conclusion**

Study also means that you should not be ashamed, rightly dividing the word of truth. So I invite you to study and do your research. I command you to study at least one hour every day.

(2) *Divine Dietary Laws for Hebrew Israelites and the World* shows you how to have perfect health. Research has proven that all sicknesses and diseases can be traced to improper eating habits. Discussed in this book are the "divine" laws governing what you should and should not eat according to the Bible. (3) *יהוה Judges America* gives you Biblical facts on the judgment of America as written in the Holy Bible. ## Conclusion

(5) *Concentration Camps* is written to explain why the government is shutting down military bases all around the country, and it shows how all federal, state, and local agencies are being used to execute the government's plans to turn these bases into concentration camps for all dark-skinned people. (6) *The Kingdom of יהוה--Heaven* contains the "good news" that was promised to be preached unto all the world for a witness unto all nations. In *The Kingdom of יהוה--Heaven* is a message of redemption for you, your family, and the whole world.

Also, I would like to encourage you to listen daily to the cassette tape lessons. and thou shalt be called by a new name, which the mouth of יהוה  
shall name."*

If you are tired of having a slave name after being freed for over 100 years, and you are ashamed to have a slave name that your foreparents were forced to take during

slavery, then you may select a Hebrew name from the Old Testament of the Holy Bible. After selecting your holy Hebrew name, you are commanded to study your holy Hebrew name. When you know who **you** are then you will know who **I am**.

Return to יהוה today. Join the greatest and fastest moving organization on the planet Earth, helping our people here in the land of North America. We, the so-called Black people of America, are the ones standing in the greatest need of help. We need help more than anyone on the Earth.

I urge you to pay יהוה and yourself first and don't touch it. If you do not pay יהוה and yourself first, you are robbing יהוה as an individual, as a family, and as a nation. It is impossible to be blessed and not pay יהוה and yourself first. If you love Me, keep My commandments, and I command you to pay יהוה and yourself first. You'll understand the mystery as you keep it. Send all tithes and offering to PEES. Malachi 3:6-10 reads,

*"For I am יהוה, I change not; therefore ye sons of Jacob are not consumed.*

*Even from the days of your fathers ye are gone away from mine ordinances, and have not kept them. Return unto me, and I will return unto you, saith יהוה of hosts. But ye said, Wherein shall we return?*

*Will a man rob יהוה? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings.*

*Ye are cursed with a curse: for ye have robbed me, even this whole nation.*

*Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith יהוה of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."*

You must govern your life accordingly.

The Sabbath is observed in the quietness of your own home every week at the appointed time and day. You are commanded to keep the Sabbath as written in Exodus 31:16, which reads,

*"Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, for a perpetual covenant."*

Ezekiel 20:19-20 reads,

*"I am יהוה your God; walk in my statutes, and keep my judgments, and do them; And hallow my sabbaths; and they shall be a sign between me and you, that ye may know that I am יהוה your god."*

Proverbs 13:22 reads,

*"A good man leaveth an inheritance to his children's children . . ."*

All the Information you need about our Sabbath is found in *The Shabbath Home Study Guide*. Order your free copy today from PEESS (see mailing address and toll free number at the end of this chapter).

יהוה chooses to place His name, as written in Deuteronomy 16:16-17:

*"Three times in a year shall all thy males appear before יהוה thy God in the place which he shall choose; in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before יהוה empty:*

*Every man shall give as he is able, according to the blessing of יהוה which he hath given thee."*

These are the appointed feasts of יהוה. You should not miss one feast.
