## About the Author

יהוה בן יהוה (YAHWEH BEN YAHWEH) was born October 27, 1935, in Kingsfisher, Oklahoma.

He received a Bachelor's Degree from Phillips University, Enid, Oklahoma; a Master's Degree in Economics from Atlanta University, Atlanta, Georgia; and studied law at Oklahoma University.

יהוה בן יהוה (YAHWEH BEN YAHWEH) was a tactical instructor while serving in the United States Air Force. He received an honorable discharge.

יהוה בן יהוה (YAHWEH BEN YAHWEH) came to Miami, Florida, alone in 1979 to become the Spiritual Leader and Founder of the Nation of יהוה (YAHWEH). Although He took a vow of poverty that same year, within 12 years he guided the Nation and those who followed His teachings and principles to amass an economic empire in Miami and throughout the United States worth over \$250 million.

Under His direction, the Nation of יהוה (YAHWEH) has grown to encompass disciples, followers, and

supporters in over 1,300 cities within the United States and 16 foreign countries: such as, Ghana, Nigeria, Great Britain, Canada, and the Caribbean. The University of יהוה בן יהוה (YAHWEH BEN YAHWEH) for which He established the curriculum, and for which He has received great acclaim in educational excellence, currently has locations in both Miami, Florida and Atlanta, Georgia.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is bringing about changes in the lives of individuals by causing them to take a different approach to life. This approach is based on the Scripture which reads, "It is more blessed to give than to receive."

יהוה בן יהוה (YAHWEH BEN YAHWEH) is here giving. That which He is giving cannot be measured in terms of monetary wealth. יהוה בן יהוה (YAHWEH BEN YAHWEH) is giving the world the keys to success in life -- politically, economically, educationally, socially, and spiritually.

# Introduction

To remain in the Kingdom of **יְהוָה**, you must exhibit moral behavior. In order to rule the world, you must exhibit royal and moral behavior. In order to rule the world, you must be godly--meaning godlike. Since I am the Mighty God, and you want to be a god, then you must have moral behavior. There is no escaping that fact.

**M-O-R-A-L. Moral** behavior. You must go to the library and pull out several dictionaries and look up the definitions and synonyms of moral. Then look up every word that defines moral. The definition of moral includes being just, upright, honorable, honest, straightforward, virtuous, excellent, good, and godly; having the right conduct and the right character. The definition of moral also includes following good rules and conforming to the laws of **יְהוָה**.

In addition, the definition of moral includes being chaste, principled, exact, precise, impartial; being just plain right, being a lover and practitioner of truth, and

being well-behaved. Moreover, the definition of moral includes being of a good report, being free from guilt, having a nature fit to serve יהוה, having righteous actions, and acting in accord with “divine” law. All of the above are a “part” of the definition--not all, but a part of the definition of moral.

In order to get a thorough understanding of moral, look up each one of the above words, then look up the words that define those words. After which, you must apply all that you have learned to יהוה בן יהוה, because יהוה בן יהוה is a moral Man. He exhibits moral behavior. יהוה בן יהוה is upright. יהוה בן יהוה is a just Man. יהוה בן יהוה is exact. יהוה בן יהוה is precise. יהוה בן יהוה has restored our natural nature.

All that you research and learn, I am all of that. And if you keep your mind focused on Me, as you do your research, you will never be lost. Moreover, you will be transformed into a high moral person. After reading this book, you should use all of the available time you have elevating yourself mentally and morally. You will be free to learn of Me, and I guarantee you that as you learn of Me, you will become renewed in the spirit of your mind. You will become a new creature. Praise יהוה!

When you learn of Me, you will not walk like you used to walk. You will not

---

## Introduction

---

talk like you used to talk. You will not act like you used to act, because you will not be like you used to be. Therefore, it is important that I teach you moral behavior. This is the most important teaching that I can give to you and require of you. **MORAL BEHAVIOR IS NOT AN OPTION IN THE KINGDOM OF יהוה, IT IS A REQUIREMENT.** You are required to be of good moral behavior. You do not have a choice!

---

---

## Chapter One

---

---

# Judah Has the Propensity to be Moral

The whole world is waiting on you, Judah, to be the chief ruler in moral behavior. The whole world is waiting on you, Judah, to rise up to moral behavior. They are waiting on Me to raise you from immoral behavior to moral behavior. The whole world will throw you out of office if you are immoral, just like all other immoral people are being thrown out of office on the planet Earth. Now the blessing is that יהוה has blessed you with special genes and chromosomes from Himself, which are designed to enable you to be the highest moral person on the planet Earth.

You, the tribe of Judah, from the so-called Black man of America, are the only people on the planet with this propensity. You are the only ones with the “potential” to be perfect, upright, and moral--godly; and the world is waiting on you. Do you accept the challenge? You cannot rule except you accept the challenge. And when I show forth you to the world--without spot, blemish, or wrinkle--they will just give

---

us their kingdoms. They will say, "You are who we want to rule over us." They will say, "We will just give you our gold and silver, if you will just show us how we can have moral behavior. We do not want the kinds of leaders we now have. We want someone with morals! Judah, you got it! Come on and rule over us. Come on, Judah!"

---

---

## Chapter Two

---

---

# My Representatives Must Be Moral

If I give you a job in the Kingdom of יהוה and you prove yourself to be immoral, no one will want you to rule over them. Though they be immoral, they do not want you over them as an immoral leader. They want to be able to look up to a moral man. They want to be able to look up to an upright man. They want to be able to look up to a just man. They do not want you over them if you are immoral! So from this day, I am demanding morality from all of My representatives! If you are moral, that means you conform. Conform to what? Conform to the laws, statutes, judgments, and commandments of יהוה, and you follow the rules that יהוה בן יהוה has set down; you follow the rules that יהוה בן יהוה has established before you.

I want you to know, I expect My representatives to be moral. What does that mean? It means that there has to be a change in a twinkling of an eye. You are going to have to give up the corruptible body and take on the incorruptible body. Now what

---

### Morality: The Foundation to Heaven

---

does that mean? It means that you have to give up the corruptible mind and take on the incorruptible mind. And when you do this, you then become a part of My body.

**I AM INCORRUPTIBLE.** I cannot be corrupted. No one can take Me from יהוה--  
My purpose, My mission, My goals, My divinity among you. No one can take My  
Godhead. No one can destroy that. I cannot be tempted by Satan. Acts 13:35 reads:

"Wherefore he saith also in another psalm, Thou shalt not suffer thine  
Holy One to see corruption."

---

---

## Chapter Three

---

---

# How Do I Get Eternal Life?

Some of you want to know, "Well, if I die believing in יהוה, what will happen?" Psalm 16:9-10 tells you what will happen:

"Therefore my heart is glad, and my glory rejoiceth: my flesh also shall rest in hope."

Isn't that nice? Read on.

"For thou wilt not leave my soul in hell; neither wilt thou suffer thine Holy One to see corruption."

Do not worry, יהוה will not leave your soul in hell, neither can I be corrupted because I am the Holy One. I am here to change you from the corruptible to the incorruptible.

First Corinthians 15:52-53. This is a must! This is reality:

"In a moment, in the twinkling of an eye, at the last trump; for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed."

---

Morality: The Foundation to Heaven

---

For this corruptible must put on incorruption, and this mortal must put on immortality."

You will become immortal when you have a change of mind; and, as a result, death will be swallowed up in victory. Read Verses 54 and 55:

"So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory.

O death, where is thy sting? O grave, where is thy victory?"

Did that sink into your mind?

How do you get eternal life? You get eternal life through the Son, בן יהוה. יהוה. So I am here bringing about that which was written--the change. I am putting it into effect. I am bringing about a change: from corruptible to incorruptible. The citizens of The Nation of יהוה must demand it, because as a citizen in The Nation of יהוה, it demands that you change too.

Everybody in the Kingdom of יהוה must change. Do not point your finger at another and say, "Why don't you change? When you change, I'll change." If you do that, then you will be following that person to hell. You cannot take the chance on following another person to hell. Now that you realize **you** must change, go ahead and change. **You** can. Conversely, no one will be able to point a finger at you and say, "When are you going to change? You said you had changed."

---

---

## Chapter Four

---

---

# Moral Behavior Must Become Natural

Once I open your eyes to what morality is, and you study moral, it is over. No one will be able to hide from you. Up to now, people could hide. You probably judged morality on someone's sexual behavior only, or probably on their use of dope or their use of profanity--simple things. That was your sense of morality--whether a person was smoking, drinking alcohol, using drugs, lying, and stealing. But there is so much more. I pointed out to you earlier that as you study and learn of Me, you will discover that the definitions of moral will tell you that you are going to be studying a long time. You would never dream that such a small word could be so big. Moral behavior is a big word. You can't just read about moral behavior, but you must memorize it, absorb it-- take it into your mind--and make it a part of your nature. It must be natural to you.

When you are moral, you do not care who steals. Moral behavior is honesty.

---

## Morality: The Foundation to Heaven

---

If everybody around you is stealing, you will never join, because you will be honest-- showing forth moral behavior. You will never join the pack: The pack is always wrong. Have you ever noticed that those who will be saved are of the remnant? This means that the masses of the people will choose immorality.

You have been ignorant about moral behavior. So from now on, you will be “conscious” of moral behavior. You may have said, “Well, I’m coming to יהוה, and I love the Word of יהוה בן יהוה. I want to be saved, but I don’t know how to act. I don’t know how to treat our King. I have never had a king. Nobody has ever taught me how to treat a king, not to even think about the King of all kings. The only king I had ever seen was in the movies: He was big, fat, and had a great big pig, pheasants, chickens, and stuff in front of him. He was drinking wine and burping and carrying on. I saw a bunch of women dancing for him. That is all I ever saw. I don’t know how to behave in the presence of a king. I don’t know what good manners are. Nobody has ever taught me.” You must admit that this scenario is the truth.

What could be better than teaching people how to be like יהוה? how to be godly? how to be honest? Not just simply “saying” you should be honest. That is not teaching you how to be honest. You are not taught honesty in the public school.

---

## Moral Behavior Must Become Natural

---

Honesty is not a term paper. Honesty is not a semester.

Some colleges offer ethics. Many people have gone all the way through college and hold degrees, and have never been taught moral behavior. Then what have they been taught? They have been taught **immorality**--immoral behavior. In other words, they have been taught unrighteous conduct. Instead of being taught to have the right conduct, they have been taught to have the wrong conduct.

You have been taught everything wrong. And if you stand up in the public school system and attempt to teach morality, you are ostracized and kicked out of the school, even if you are a teacher. They have to get rid of you because they do not want moral students. Immoral rulers do not want a moral nation. They want a people that they can play upon and rob. What they do is they teach you immorality, but their laws are based on morality. Why? Because you are automatically going to fall into every trap this world has set for you, as there are tens of thousands of laws on the books--all of them based on morality.

**Thou shalt not steal.** There are a thousand laws on the different ways you can steal: white collar crime, blue collar crime, straight-out old plain crime, and so on. Embezzlement is different from thievery. Embezzlement is different from burglary. Burglary is different from strong arm. A strong arm crime is different from a crime

---

## Morality: The Foundation to Heaven

---

with a weapon. Extortion is different from blackmail. All of this is stealing and corruption. All of these crimes are covered by laws. For every criminal act that you do, there is a law on the books that says it is wrong, and that says it is against the law. Immoral rulers do not teach you morality, which would make you a law keeper. You are taught immorality so you will forever be a victim of their lawyers, and their judges, and their prison system, and their jail system. People will shoot and kill one another, destroy their families, and destroy themselves because they have been taught immorality. They have been taught to have a devil mind.

When children are taught corruption and immorality from birth through high school and college, most of them will go for it; it will seem like the natural thing to do. They may be told that something is wrong, but your children will say it is not wrong, and they will tell you everybody is doing it. The question in their minds is not about whether it is right or whether it is wrong. They have been programmed and conditioned and brainwashed to go along with everybody. Everybody else is doing it. But they do not notice that everybody else is being destroyed. Everybody else is going to jail. Everybody else is falling in the trap. You are fixed to fall whether you are a doctor, a lawyer, a teacher, or a professional: you are tempted with a little money, and that is called a "sting operation." Everybody in America can be trapped on immorality, because that is all they know.

---

---

## Chapter Five

---

---

# יהוה בן יהוה Is Come Teaching Morality

The devil is so slick that he can tell you up front that he has everybody in the world so corrupt that "Everybody got his price." Have you ever heard that statement before? This is a universal saying: "Everybody got his price." That means everybody is immoral. Well, he cannot buy Me. I am One that he cannot buy. Hallelu יהוה! Isn't that refreshing? Imagine how difficult My job is. I have come to a people who have been raised like animals from birth--immorally, and yet I am come teaching morality. It is automatically going to be unattractive to the majority of the people. Why? Because immorality says, "I can do what everybody else is doing. I don't care anything about whether it is right or wrong. Everybody I know lies, steals, and cheats. So hey, man, you can't say nothing to me. Other nations do it."

Have you ever heard people say that? Other nations do it. Look who the

standard is. It certainly is not יְהוָה. You do not say יְהוָה does it. You do not want to hear about יְהוָה, because you know that יְהוָה is good; and good is proper and fit, well-behaved, excellent, and of good morals. You do not want to hear about that because the immoral rulers have programmed you to love filth. They have caused you to grow up loving the idea of hell. Matthew 7:13 says,

“Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat”:

The way to hell is broad and wide because the immoral rulers have programmed your mind to love that which is wicked and immoral. That is what you love! You have been taught to love that which is immoral.

You have been taught to hate rules. You might say, “I know יְהוָה is God! I know that. I looked יְהוָה up in the dictionary, encyclopedia, and so on. I know it. But I am not ready for that.” What is it that you are not ready for? You are not ready for right conduct. You are not ready for righteousness. You are not ready for the rules and the laws of יְהוָה. You are not ready to walk that straight and narrow road. That is what you are talking about. Why? Because the immoral rulers told you, “You do your thing.” While you do your thing, they are ruling over you. If you were wide awake, you would understand that it is not your thing. You are doing the immoral

things because never in your life have you had a class in **moral behavior**. Have you?

Well, how can you be expected to be well-behaved when you have never been taught moral behavior?

Do you believe what you are learning is necessary? Do you believe that you need to change? Where does this change take place? This change takes place in your mind! And once you have changed in the mind, you will eat differently. Oh, yes, you will dress differently too. You will not dress like the devil anymore. You will not try to talk like someone else anymore. My people are destroyed for the lack of knowledge, according to Hosea 4:6, which reads,

"My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of יהוה, I will also forget thy children."

This Scripture tells you that two generations are lost. That is the whole bag of wax. When the parents and the children are lost, what is left for the grandchildren? All that is left is hopelessness.

---

---

## Chapter Six

---

---

# The Universe of יהוה: The University of יהוה

When the Masons translated our Bible from Hebrew into English, they should have told you that you are destroyed for the lack of the knowledge “of יהוה.” Remember, you are not destroyed just for the lack of knowledge, because if I let you think that, you will go running off trying to go to college to get a higher level of immorality. When you receive a degree from the colleges and universities today, you become a scientist in immorality. You become a philosopher of immorality. Your whole game is to see how skillful you can be at breaking a person down who has a little bit of morals, into being immoral. I have watched people do this. Then they laugh at you when you fall into the immoral trap: “Did you see him, man? He fell, boy. He has been crooked all his life, man. I knew he was going to fall.” How did you know he was going to fall? You knew he was going to fall because you knew he

was immoral.

“I knew he was going to get caught stealing . . .” Stealing is immoral. If you are moral, then that means you are honest. No one can go to jail for stealing if he is honest. You cannot get caught stealing if you are honest. You can only get caught stealing if you are immoral. Now you can understand why those in power have never taught you moral behavior. Can you see it clearly? You cannot change until you can see the need to change. The problem among our people is immorality. **I AM THE ONLY MAN ON THE FACE OF THE EARTH THAT HAS EVER SET UP UNIVERSITIES ACROSS AMERICA TO CHANGE OUR BEHAVIOR FROM IMMORAL TO MORAL.**

Invite your family and friends to watch *The Universe of יְהוָה* videos. Watching *The Universe of יְהוָה* videos is like being in school. Get a degree in יְהוָה. If they ask what is the age group, you tell them there is no particular age group. What is the tuition? The tuition is that you watch with a sincere mind to be the best. Some have been wanting to go to a university all their lives. What course can be higher than morality? They may ask, “Well, what’s being taught?” You tell them to watch and find out because they are not going to want to hear anything about morality. Do

not tell them in the street about morality because they do not want to hear it. If you tell them morality, then they will say, "What is that?" Just tell them to watch *The Universe of יהוה* television show and you keep passing them *The Wonderful World of יהוה* Catalog and say, "I am just letting you know what is going on: The University of יהוה."

יהוה בן יהוה has set up universities all across America via *The Universe of יהוה* television show. By watching *The Universe of יהוה* video tapes, you can learn how to be a god and how to rule the world forever. These are some of the subjects you can view on *The Universe of יהוה* television show and from the wide selection of video tapes: How to Rule the World Forever, How to be Kingly or Queenly, Being Rich Is Simple, and so on.

Let all of your children watch *The Universe of יהוה* videos. After they come home from the public school, they will see the difference between what they learned there as opposed to what they learned from watching *The Universe of יהוה* videos. This will enable them to choose the difference between right and wrong.

After they come home from the public school, play one of *The Universe of יהוה* videos and let your children learn how to become princes and princesses, future

kings and queens. They will enjoy learning how to be superior and supreme, how to be the greatest, and how to be perfect. Watch *The Universe of ירוה* videos and you can learn how to be rich, prosperous, and successful. There are courses on success, prosperity, and how to get rich. These videos will teach you how to be economically independent and self-sufficient forever. These are just some of the different subjects you will be taught when you watch *The Universe of ירוה* videos. Attend The University of ירוה by watching *The Universe of ירוה* videos!

## Chapter Seven

---

---

# Morality vs. Immorality

False leaders are going around telling Black people that our salvation is in economics and going into business. Black people being in business have not saved anyone yet. They really are not interested in saving you either. They are only interested in getting a dollar out of your pocket so they can send their children to college--not caring whether your children go or not. **I AM HERE TO DESTROY ALL SELFISHNESS AND INDIVIDUALISM.**

*The Universe of 777* videos teach brotherhood: Wanting for your brother what you want for yourself instead of wanting **from** your brother **for** yourself. That is why My people will not help another Black person get rich. They will say, "I am not gonna help you to get rich because you don't care nothing about me. I'm just going to give to other nations; I already know they don't care nothing about me. That's just

to keep you from taking a shot at me.” My people have these thoughts. You know that’s right. That is why you will walk past everything Black and give your business to other nations, because you hate Black people too. White folks hate niggers, Chinese hate niggers, Japanese hate niggers, Russians hate niggers, Englishmen hate niggers, Mexicans hate niggers--all of them hate niggers, and guess what? You hate niggers too. I know you don’t want to be a nigger anymore. What a blessing this is. יהוה is incredible. יהוה is wonderful.

I am going to show you the opposite of what the immoral teachers have taught you. I believe that you are awake enough to realize all that the immoral teachers have taught us is what keeps us divided against one another. We realize that we should cooperate and work together, but when we come together as a group, we fuss and fight.

Your immoral teachers have destroyed you so completely with immorality--immoral teachings--that when you sleep with each other, you do not like each other--you know, after “that minute.” Immorality means that I am selfish, I do not care about you. Consequently, nine out of every ten people that get married today get a divorce with hatred. They try to destroy each other: “If I can’t have the house, it is better to split it in half. Well, get me a saw then, I’d rather saw the sucker in half: it’ll

rain on both of us, because I would rather burn it up than to see you have it. You think you're going to take my house that I worked all these years for and paid all my money on? You're going to divorce me? -- You'll never see my kids again. Alimony? Child support? I'll go to jail first. -- You want you a husband, honey? I got mine, go find yours. I don't want you interested in my man." And you feel like that 'till you see a man that looks good to you, then you do not care if he belongs to somebody else or not. As a matter of fact, you hope he does, then he will not be so quick to mess up your good thing. Who taught us all of this? The immoral teachers taught us all of this. That is immoral and self-destruction. We can laugh about it because we have seen it some place. Who knows, you might have been a party to these types of actions.

Why is it you cannot live without each other until you sleep together for two or three months? After three months, the only time you come together is for "that minute." After "that minute," you will say, "I can't stand that person: he gets on my nerves. Let me tell you how no good he is, honey. Let me tell you. You think you got it bad, you ought to see this person I got; he ain't no good no way, he don't know what he's doing. I've had much better along the way." Have you heard such? I believe you have. Who taught you this? The immoral teachers taught you this. What

kind of behavior is this? This is immoral behavior. They have made you where you cannot get along with each other. Even though you make love to each other, you still do not like each other.

The immoral teachers have taught you to lay with a man because he offers you money. You look down on the sister on the corner, and you refuse to accept the fact that you are a high-class one (prostitute). While she calls it do it for \$20, you call it, pay my rent. You call it buy my groceries every week; she gets \$20 a lick and buys her own groceries. You want somebody to buy your groceries. I know I am telling you the truth. "Sugar daddy! Here comes my sugar daddy!" Do you know what sugar daddy means? You even have a husband, and he doesn't know about your sugar daddy. Some have the ice man to pay this; the milk man to pay that; the garage mechanic, for a favor every now and then, he keeps your car running, and sneaks a little gas in your car. You run from him as long as you can, but every now and then you have to pay up. Do you know what I am talking about? Haven't you heard about this? But you are supposed to be different from the girl walking on the street corner, right? Yeah, you are different: you do not walk on the street corner.

Who taught you this? The immoral teachers. Where did these ideas come from? The immoral teachers. In a moral society and in a moral culture, you are

---

### Morality vs. Immorality

---

taught adultery is death; and when you are caught, you are killed. In America, when you get caught in adultery, it is called divorce--so you can do it again. It is not about stopping because you got caught; it is, "Well, I got caught that time, the man beat my butt good, and he divorced me. I got me another chump on the line, you know." Who taught you this? Your immoral teachers have taught you this. Have these immoral teachings helped you or destroyed you? They have destroyed you. Have these immoral teachings been a blessing to you or a curse to you? They have been a curse to you. Do you want a blessing? Then the blessing requires what kind of behavior?

#### MORAL BEHAVIOR.

I am a moral Teacher, and what this means is that the immoral teachers of this world have produced you. Their immorality--their immoral teachings have produced an immoral product. So the fact that I am teaching the opposite, what kind of people am I producing? **I AM PRODUCING A MORAL PEOPLE.** An immoral people are looked up to, right? No, they are looked down on. So by My teaching you the opposite, will the people of the world look up to you? Yes, they will. Why? Because you will be moral.

---

---

## Chapter Eight

---

---

# Moral: Discernment of Good and Evil

Moral by definition means “of or concerned with the judgment or the goodness or badness of human action and character.” To study this definition, you have to write down the words judgement, good, action, and character. Again, moral means “**pertaining to the discernment of good and evil.**” You must be able to tell the difference between good and evil. If you just learn good, you will know evil when you see it, because it is the opposite of good. The bad you have already seen, so there is really no need to waste time teaching you what is wrong, because that is all you know.

Everything you have been reading about is what you already know. Do you get the picture? All the jokes I have been cutting are jokes you already know, which are about immorality. You are full of immorality, because you ate it. Yes, you ate it, and

even more, you loved eating it too. What is the "it" you loved to eat? The "it" you loved to eat was the fruit of immorality.

Moral also means "designed to teach goodness." **Designed to teach good.**

Good is a big word because I went around the country teaching that יהוה בן יהוה IS THE "GOOD" SHEPHERD. I AM THE GOOD SHEPARD. I taught that in every major city in America. That is what I taught--good. If you "think" you know what good is, then you do not know. You definitely do not know. The definition says, "teaching goodness." Let us study *good*. Let Me prove to you that you do not know what good is. Goodness is a part of morality. To be good is to be moral; to be moral is to be good.

Good means "having positive or desirable qualities." You have four words right there. To be good is to be positive. To be positive is to be moral. To prove that the wicked teachers do not teach morality, goodness, or positiveness, you have to enroll in courses and buy books that are not available in schools, called success courses, or you have to buy books on positive thinking. The only person who can be successful on his job and move up into management or be successful in business is a "positive thinker." Well, if you did not learn how to be a positive thinker from

---

### Moral: Discernment of Good and Evil

---

grade school all the way through college, then what in the world did you learn? You learned negativity.

The opposite of positive is negative. A person who thinks negative cannot rule. A person who thinks negative cannot be successful. A person who thinks negative makes everybody around him miserable. A person who thinks negative thinks lowly of himself. He does not have high esteem about himself. He does not feel good about himself. A negative person feels bad about himself. A negative person is depressed and depressing. That is what you learned from the wicked ones--negativity. A negative person upsets everybody around him. A negative person gets on your nerves, and loves to do so. Who taught you to be negative? The wicked ones. And what institution have they set up to teach you to be negative, and to make sure that you would be negative? They have set this up in their educational institutions.

You learned to be so negative that you hated school, and many dropped out. Those who did not drop out, did not study. There was so much negativity that many said, "I don't need to study any more of this, I'm already negative. I'm nothing, don't look to be nothing, my grand pappy was nothing, my daddy is nothing, and there's no hope for me to be anything but nothing. The immoral teachers got everything; ain't no hope for us, I'm just negative. Don't come talking to me about getting something.

Black people ain't nothing. Black people ain't . . .” (You can supply your own words from your negative mind.) Have you ever said, Black people ain't . . .? Who taught you? The wicked ones. In what institution did you learn this? You learned this in school. No wonder you are destroyed. Can you see how you have been destroyed?

You are the first among a few in America who can understand how we, the so-called Black man, have been destroyed. Now you can see clearly why the immoral teachers refused to teach you moral behavior. Now you can understand why it was written in Hosea 4:6 prophesying,

“My people are destroyed for the lack of knowledge.”

What they lack is moral behavior as taught by יהוה בן יהוה.

# I Will Restore You

The wicked rulers know there are two trees: There is the tree of good and evil, and there is the Tree of Life. And though there be the tree of good and evil, you know there is good, but you are only taught evil. You are taught so much evil that when your mother and father try to give you some rules for good behavior at home, you cannot wait to get away from those old crazy people. And you say such things as, "My mother makes me sick, always trying to lay down some rules for me. Everybody else stays out all night. Why do you want me to come in? You old fogey thing you, you get on my nerves."

You continue with, "Everybody else is out all night, here I got to run home like some little bitty kid. I'll just leave! I'll go and stay somewhere where there are no rules." You would even say, "If my momma lets me, can I come stay at your house?"

I see you don't have no rules over there. My momma keeps on trying to make me clean up my room, make up my bed, and wash the dishes. I get sick of doing that stuff, trying to be clean. I like to be dirty. I love being negative and immoral. I learned that from television, kindergarten, grade school. I already know how to be immoral. Here she comes with her mess trying to straighten me out. I don't want that foolishness she's talking about. Straight? Nobody at my school is straight. What she trying to do, make a freak out of me or something? I'll be the only fool walking around right. She's trying to make a freak out of me! Everybody is crazy, she's trying to make me smart. I don't want no people making fun of me."

If you wear glasses to school, you had better not be halfway smart. "Bookworm!" You needed glasses and stayed half blind all through school because you did not want anybody to call you smart: "You trying to be smart, huh? Every time I look around you got a book. What are you doing? Trying to be better than everybody else?" And you would say, "No, I ain't trying . . . " "Well, come on then, let's go play fool; let's go play crazy." So you ran throughout your school life trying to prove you were a bigger fool than everybody else. Have you ever seen this happen? You did this many a time because you wanted to be accepted.

Morality means "good; not bad or poor; serving the end desired; suitable." To

---

## I Will Restore You

---

be taught morality is to make you suitable. That is elevated. The definition of good is "serviceable." The wicked teachers have taught you to be unserviceable--even to yourself. You are taught to hate serving. You want someone to serve you. Yet, your oppressors get rich serving you: That is how they make their money. That is how all nations and people that get rich do so--by serving. They get rich by providing a service that you are basically either too ignorant to provide for yourself or you are too lazy. You are usually both ignorant and lazy. So you would rather pay someone else to do what you could learn to do if you were not lazy; but, then, the immoral teachers taught you immorality, which makes you lazy.

Immoral teachers taught you immorality, which is to be ignorant, so they can serve you bread and sell you flour. They come around and make sure you do not learn how to make flour out of wheat. They serve you flour. You have gotten so lazy and ignorant, you don't know how to take flour and make bread. The immoral teachers took all of that from you through immoral teachings, so they could get rich selling you a loaf of bread for \$2.00: bread that doesn't cost a penny. But they get paid for their service, and you wonder how they got rich.

Everything you want done, you call a service man: A man who provides you with service, and you give up your money. And the more you love some material

object, the more it costs you to have it serviced. You buy a computer, and it costs you three-fourths the price you paid for the computer to get it serviced when it breaks down. When the repairman comes out and puts a new chipboard in--it only takes him five minutes to walk in your house, unscrew it, slip it in, screw it back together, and he gets paid, and is gone. And if the computer costs you \$400, he will charge you \$300 to fix it; because without the chip, it is no good. And you are too ignorant to know how to fix the chip yourself, or where to buy it. You are too lazy to go learn. So those that serve you get the \$300.

Ninety percent of the time--nine out of every ten times--your car stops on the highway, it is the battery. You are driving a car and don't even know that. And most of the time the battery is not down, it just sounds like it is down. All you have to do is know that there are two poles: a positive and a negative: one of them is either loose, or you have a lot of white stuff around it, called corrosion. And if you shake all of that loose and pop the cable, and stick it back on the pole, you can start up and go on off and save yourself all that money. Other than that, you were probably too lazy to look at the tank and see that you have run out of gas. Or you were too lazy to put water in the car and it overheated on you, caught fire, burned up--almost cooked you alive. Am I talking practical talk?

---

## I Will Restore You

---

I am teaching you morality. Good is from the word moral! By definition, good means "not spoiled or ruined." We have been both spoiled and ruined. The Bible says, "My people are spoiled." Who spoiled you? The immoral teachers. And you are snared in holes, which are prison houses; and you have become a prey--all because you have been taught immorality, according to Isaiah 42:22:

"But this is a people robbed and spoiled; they are all of them snared in holes, and they are hid in prison houses: they are for a prey, and none delivereth; for a spoil, and none saith, Restore."

None saith restore you but Me, יהוה בן יהוה. **None!** None saith I will restore you.

I am the only One saying **I WILL RESTORE YOU!**

The immoral teachers have taught you immorality so you can be robbed. They have taught you immorality so you can be spoiled. The immoral teachers have taught you immorality so you can be snared in a hole: a hole is a pit, and a pit is a down condition: this means you are so low that you are below the surface of the Earth. The immoral teachers have taught you immorality so they can hide you in their prison houses.

The immoral teachers have taught you immorality so you can be a prey and so no one can come and deliver you. The immoral teachers have taught you to be a spoil. That is immoral, and that is what immoral teachings have done. They have set

up schools with immoral teachers all across America. Now here I am, saying, **I WILL RESTORE YOU, MY PEOPLE.** I will set up a school, and you do not have to have money to come to it. Just come on and learn. Come on and let Me restore you. Come on and let Me teach you morality so you will no longer be a prey to anyone else. Let Me raise you up out of these holes and take you out of prison--your mental prison.

This is not about hating anyone, but this is about understanding what the immoral teachers have done to you, so you will stop letting them continue to do it! You must understand how you got in this predicament. Therefore, I am letting you see how you have gotten into this predicament. I am also letting you see that **THE ONLY WAY OUT IS ירהוה בן ירהוה**. Show Me another way. Nobody else is taking you out. What is the only kind of teaching that is going to get you out? **The only kind of teaching that is going to get you out is moral teaching: good teaching!**

---

---

## Chapter Ten

---

---

# Able To Be Used

Good means “able to be used.” In your present state of mind, you are unable to be used. The immoral rulers closed down a steel plant and moved it to South America where those people said, “We are able to be used, bring it on down here.” You said, “I ain't gonna be used. You are unable to use me, sucker.” When you have moral teachings, you are **able** to be used. Then you will come and you say, “יהוה בן יהוה, use me 'till you use me up! Raise me up! Use me! I am **able** to be used. Come on, יהוה בן יהוה, use me! I am **able** to be used! I am able! Use me!”

The immoral teachers have told you that it is bad to let someone use you. As a result, you run around trying to use everyone you can. While you are trying to keep from being used, you are busy trying to use people. It is called “get over on somebody.” When you have the idea of trying to get over on somebody, it means you

do not want to be used, but rather you want to use somebody. Consequently, when you want to get over on and use somebody, that is immoral.

Instead of trying to get over on somebody and use them, you should be saying, "How can you use me? I have a typing service. Can you use my typing service? Because I know if you use my service instead of someone else's service, it would be better. Let me type it for you. They charge \$10 a sheet, I will do it for \$9. You can use my service for \$9 a sheet. And I type better. (The immoral teachers have taught you to want to charge the maximum and give the least because you want to get over on somebody.) I am able to be used very efficiently because I trained myself to type faster, with fewer mistakes than anybody else. I am neater, and I use a better quality of paper. I will give it back to you on time, in time, as I promised because my word is my bond. **I am a moral person.** When I give you my word, I will keep it. And I will do it for you cheaper, because I am qualified. **I am able to be used.** Come on and use my typing service. **I am able!"**

Being able means to be qualified, willing, and productive. Use me. I take the greatest pleasure in the universe that My Father, יהוה, is using Me to take you who have been destroyed, and to make you something. I know that by יהוה using Me, it

---

### Able To Be Used

---

glorifies His name. And that is My pleasure because I just take glory in יהוה being glorified. I get great joy in My Father being glorified. That is My greatest joy. Use Me, יהוה, 'till you use Me up!

It is a disgrace when you are not able to be used. To be good is to be able to be used. This means that the immoral teachers have brought you through their system and their institutions where you are unusable. Being unusable can cause you to be fired from a job; and, as a result, you sit around waiting on welfare, food stamps, and some trick program from the government. You lay around under trees moaning and groaning and crying and feeling sorry for yourself, and being negative and depressed. You go around seeking to rob, to steal, or to do something crooked to somebody because you have been taught by immoral teachers to be immoral and unusable.

If יהוה had taught you moral behavior all of your life, then you would not want to work for those who are immoral: You would be so busy working for yourself and working for each other. You would be saying, "Let us use one another's talents and create a national treasury of wealth. I am able to be used. Are you able to be used? Well, let us put our able bodies together!"

Evidently, you can see the divinity of My teachings. You have to admit that

---

### Morality: The Foundation to Heaven

---

what I am teaching you is “divine.” Why? Because I am Divine Mind. My Mind is “divine.” It is obvious that My Mind is consumed with goodness. I must be moral to teach you morality. And I demand morality. Can you see the benefit of Me demanding that you be moral, good, able-bodied men and women? Can you see the benefit of Me demanding that you be able to be used? Can't you see wealth is going to come to us? We do not need anyone else. We just need to be able to be used by one another: You will be the doctor, I will be the lawyer; another person will be the engineer, and someone else will be the farmer; and you will be the technician, another person will be in the army, and someone else will be this part of the ants; you will gather the honey, and another will gather the flowers; someone else will gather the wheat, and another will build the automobile; someone will build an airplane, while another will pilot the ship. I will teach you to do all of this.

## Chapter Eleven

# יהוה בן יהוה: The Mighty God

You had better give up this mortal body and take on immortality. Immorality is death. Immorality is sin. Immorality is destruction. You want moral teachings because through moral teachings, you can have eternal life. You want to live forever in the Kingdom of יהוה as a moral person. Besides, יהוה will teach you to be godly. Only the Mighty God would teach you to be godly. The immoral teachers must be devils because they have taught you to be devilish. Oh, what a day! Oh, what a time this is!

The subject is "Moral Behavior." In Matthew 11:28-30, יהוה tells us to,

"Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light."

If you are attracted to יהוה, your soul is definitely seeking rest. Even if you do not

know it, it still is. **YOU WILL FIND REST UNTO YOUR SOUL IF YOU TAKE MY YOKE UPON YOU AND LEARN OF ME.** This means that you must enter My school--The University of יהוה. You do not have an option in taking the yoke of יהוה בן יהוה upon you: you must learn of Me. This is all about **learning**. You are now in school. Of course, this solves all problems, and I do mean **all** problems. **IT WILL BE IMPOSSIBLE TO DIE IF YOU TAKE MY YOKE UPON YOU AND LEARN OF ME.** It cannot happen, and it will not happen. There is only one way that you can die. As a matter of fact, you are already dead. This is a simple matter. And if you do not like My voice, then you are not one of My sheep. But I do know that My sheep know My words, which are a joy and a rejoicing to their heart, according to Jeremiah 15:16, which reads,

“Thy words were found, and I did eat them; and thy word was unto me the joy and rejoicing of mine heart: for I am called by thy name, O יהוה of hosts.”

I am here to make you a god. If you want to be like God--godly, then this is what I am offering you.

Do you understand that Matthew 11:28-30 puts you in school? **YOKE IS A DISCIPLINE, AND YOU HAVE TO TAKE MY DISCIPLINE UPON YOU AND LEARN OF ME.** I caution you: You are not taking My yoke upon you and

learning of Me just by reading this book or getting a dictionary and looking up the words and writing them down. You are still going to be destroyed if you do not take My yoke upon you and **learn** of Me. This must be taken “in” you. **I AM HERE TO PUT THE LAWS OF יהוה IN YOUR INWARD PARTS**, as written in Jeremiah 31:33, which reads,

“But this shall be the covenant that I will make with the house of Israel; After those days, saith יהוה, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people.”

**THE ONLY WAY YOU CAN BE MY PEOPLE AND FOR ME TO BE YOUR GOD IS FOR YOU TO “ACCEPT” ME WRITING MY LAW IN YOUR INWARD PARTS: IN YOUR HEART, IN YOUR MIND.** If all you are going to do is look in the dictionary and write definitions on a piece of paper, and you can not say anything about Me unless you look at your paper, then My law is not in your mind. And the proof is when you talk about Me or give a discourse, you do not have a feeling. How can you feel something that is not in you? My law must be a part of you. Therefore, My law can only become a part of you by diligently exercising 2 Timothy 2:15:

“Study to shew thyself approved unto יהוה, a workman that needeth not to be ashamed, rightly dividing the word of truth.”

---

## Morality: The Foundation to Heaven

---

This book is going to help you to do just that--rightly divide. Moral behavior will enable you to rightly divide. It will qualify you to rightly divide. Studying My books, watching My videos, and listening to My tapes will help you to rightly divide; it will **qualify** you to rightly divide the word of truth. Ecclesiastes 12:13 says,

“Let us hear the conclusion of the whole matter: Fear יהוה, and keep his commandments: for this is the whole duty of man.”

Most of the duty? No. The whole duty. You cannot keep something you do not know about.

Psalm 82:6 tells you that ye are gods:

“I have said, Ye are gods; and all of you are children of the most High.”

Do you know how to be a god? Can you study and become a god? NO! If you know how, you do not need Me. I do not have a problem with that. You have always had the Book, but you have never become a god.

John 1:12 says,

“But as many as received him, to them gave he power to become the sons of יהוה, even to them that believe on his name”:

**IF YOU “RECEIVE” ME, THEN I WILL GIVE YOU THE POWER.** You cannot receive all the power at once. You can only receive this power precept upon precept. That is why I have to hang around, and the Book says, for a long time. I

think I will have to be around a long time. But does that mean you have to look in My face to become the sons of יהוה? No! No! You must do as I say. **IF YOU OBEY ME, THEN I WILL GIVE YOU THE POWER.**

Isaiah 9:6 reads,

“For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.”

**The - Mighty - God**--three words. Now you have heard that you are gods. Moreover, you have just read that **THE MIGHTY GOD** is among you. Thus, your job is to become godlike.

Matthew 5:48 says,

“Be ye therefore **perfect**, even as your Father which is in heaven is perfect.”

Who is your Father? יהוה בן יהוה is your Father. **And I am in Heaven.** I am in **Heaven**, though I be in this body. You, too, can be in Heaven with Me. It takes place in the **mind**. That is why some people can live in physical comfort, as comfortable as a creature can have it, and still be in hell. So where is hell? Hell is in the mind. Then you see another fella living in a tent or an old car, and he is just as happy. He is not in Heaven, but he is blissful. His ignorance, they say, is his bliss. But it is definitely a state of mind.

---

## Chapter Twelve

---

---

# You Can Be Unbound

Being unbound is all about moral behavior: “Righteous,” “just,” “upright”, “honest”, “straight-forward,” “open,” “honorable,” “good,” “excellent,” “well-behaved,” “right conduct,” “principles,” “ethical,” “truth,” “right,” “rules,” “teaching,” “conform,” “virtuous,” “chaste,” “action,” “mind,” “feelings,” “will,” “character,” “nature,” “judgment,” and “caution.”

If we just learn moral behavior, we will overcome Satan **totally**. This one subject is powerful enough to overcome the devil--**totally**. This one subject is powerful enough to bring his kingdom crumbling down, to rescue our people, and to take leave.

There is no way the immoral teachers can continue to survive with people living in their midst who are constantly growing and who live moral lives. The

---

### **Morality: The Foundation to Heaven**

---

immoral rulers have built their government and their system on unrighteousness, which is why they need so many jails--a penal system. One of their strongest support legs is the penal system.

---

---

## Chapter Thirteen

---

---

# Morality Pays Off

Morality pays off. All who do not want to be moral, I do not want them to be around Me. To claim to be My disciple means you have given up the world. Being My disciple means you are totally devoted to serving יהוה. **YOU MUST BE “TOTALLY” DEVOTED.** You must give up all pretense. Your only wish is to be moral. You must want to be good, honest, honorable, and open. You must want to be just, chaste, virtuous, well-behaved, and excellent--all the time.

To claim to be My disciple, you must be righteous, upright, erect, perpendicular, rectitudinal, honest, honorable, good, principled, and ethical--all the time--twenty-four hours a day. You must follow the rules of the Kingdom of יהוה. You must follow the teachings of the Kingdom of יהוה. You must exercise caution. You must conform to the will of יהוה. In addition, you must develop a “righteous”

character. That is what being My disciple full-time means. Now if you do not want to be like this, then you must continue to study and learn of Me. Glory!

All of My disciples believe and practice having everything in common, as written in Acts 2:44-47, which reads,

“And all that believed were together, and had all things common;

And sold their possessions and goods, and parted them to all men, as every man had need.

And they, continuing daily with one accord in the temple, and breaking bread from house to house, did eat their meat with gladness and singleness of heart,

Praising יהוה, and having favour with all the people. And יהוה added to [The Nation of יהוה] daily such as should be saved.”

Because My disciples have all things in common, they no longer say, “This is mine,” as written in Acts 4:32-34,

“And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common.

And with great power gave the apostles witness of the resurrection of יהוה בן יהוה: and great grace was upon them all.

Neither was there any among them that lacked: for as many as were possessors of lands or houses sold them, and brought the prices of the things that were sold.”

The enemy of morality taught you the opposite of this. Your enemies--the enemies of יהוה--teach you individualism. They teach you materialism: To love mammon

---

## Morality Pays Off

---

more than you love יהוה. Matthew 6:24 says that you cannot love both:

“No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve יהוה and mammon.”

The word *mammon* is defined as “**materialism**.” The dictionary defines *materialism* as money, cars, houses, things, and clothes.

You did not come into the world with materialism as one of your requirements. You came into the world with milk as your only requirement. You came without clothes. You came into the world without personal or material possessions. You came into the world without any knowledge of materialism. And יהוה formed you, created you, as He wanted you to be. You did not come into the world with possessions, but check out how people leave, and tell Me what they take with them. You come in without anything, and you take nothing with you when you go out. This proves that your attachment in between is misguided, and that there is something more important than the possession of materialism.

One thing that יהוה gives you at birth is good health and unlimited potential. He teaches you that if you seek Him first, then He will add all materialism. Do not worry about materialism. Matthew 6:33 says,

“But seek ye first the kingdom of יהוה, and his righteousness; and

all these things shall be added unto you.”

T-H-I-N-G-S. How many things? All things.

There are people who came to Me and wanted to know, what is the 1-2-3 of your success? And I replied, “יהוה.” They said, “I know, I know, but what's the 1 through 10 of your success?” And I said, “You really want to know?” They said, “Yes!” And I said, “יהוה.” They said, “I know, but let's leave God out of it. See, I'm Baptist, and You are Yahweh, and another man is Methodist, and we should all be able to get together. You got a secret 'cause I see you all are successful. So, let's leave God out of it.” And I replied, “But He is our success. **RIGHTEOUSNESS IS OUR SUCCESS.**”

People who are immoral and do not wish to be moral cannot see the value of righteousness. They cannot perceive morality. They feel like there is a trick, there is a gimmick, there is a way to get around יהוה. And when they see people who are wicked and wealthy, they seek to do the same. But as you can see, from the President on down, no matter how much power you have, if you are immoral and unrighteous, then you are headed for a big fall, a big scandal, a big slander--total destruction; and perhaps a loss of your credibility. All is lost when you choose immorality.

The government of America is totally torn asunder. Satan's house is divided

---

## Morality Pays Off

---

against itself. Let us see if the government of America can continue to stand. Mark

3:24-26:

“And if a kingdom be divide against itself, that kingdom cannot stand.

And if a house be divided against itself, that house cannot stand.

And if Satan rise up against himself, and be divided, he cannot stand, but hath an end.”

The government of America is divided against itself; therefore, it has an end. So what is going to happen to all people who trust in the American government? They have an end too. I wonder if the end of such a powerful government and country is going to be a pleasant one? They have proven to the world that they are liars, corruptors, and deceivers. The whole world sees them. And some of My people think because the grocery stores are open, the movie houses are open, and the beer joints are open, that all is well. Oh, but you had better read that there is an end here.

I am come teaching righteousness, which is without end. Although there are rich men in government, you see that they will have an end. All their riches are coming to an end. They are on their way out. **They have an end.** This is it. You are looking at the end. They establish committees every day just to make sure there is going to be an end. But I am teaching you righteousness which is without end. This

makes Me a unique Teacher in America.

## Chapter Fourteen

---

---

# Traditions of Men Are Not of יהוה

On December 25th, the rulers of darkness will be celebrating a lie--a whole bunch of lies. They call it Christmas. And everything that you hear about Christmas is not in the Bible. I challenge you to show Me in the Bible where the Son is born December 25th. Find it! Show Me in the Bible where the Creator, יהוה, said to worship the Son's birthday. Go find it! You have been going to church all of your life: where in the Bible is that? It does not exist. Then if יהוה did not say do it, why are people doing it? Traditions of men? Yes, you are following the traditions of men. They go against the commandments of יהוה, according to Matthew 15:3, which reads:

**“But he answered and said unto them, Why do ye also transgress the commandment of יהוה by your tradition?”**

The rulers of darkness have trees that they decorate with silver, as described

in Jeremiah 10:2-3, which says:

“Thus saith יהוה, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them. For the customs of the people are vain . . .”:

Christmas is a custom, but the Word says, it is vain. Why do people keep celebrating Christmas when they know the Bible, the Word of יהוה, says **do not**? It means that people love their traditions and their customs more than they do יהוה. And here יהוה says that this is all vain.

Since יהוה says it is vain, then there must be something very important about that word that we should consider. Vain by definition means “not yielding the desired outcome.” Celebrating these customs and traditions of Christmas is not going to bring about the desired outcome. Another definition of vain is “unsuccessful.” Christmas is not meant for success. The only people that have success (in the beginning) from all of this deception are the merchants--the businessmen.

In order to go along with Christmas, you have to have another lie--Santa Claus. They say that he leaves the North Pole and he is in a sleigh--with twelve reindeers pulling his sleigh. The only ones who would pull old Saint Nick would be some old silly twelve tribes of Israel. The only ones dumb enough to pull a roly-poly Saint Nick would be the twelve tribes who have the mind of the beast. Reindeers are

animals; they are beasts. So you have to have the mind of the master, the beast, to pull him around. But we just read that it is coming to an end. It is vain. It is not going to be successful forever.

Christmas teaches your children a lie: Santa Claus. They make you accept the lie by giving you gifts. You know it is a lie, but you want the gifts. I heard some parents say, "Oh, you're so big now, you don't believe in Santa Claus? Well, you won't get no gifts this year." You would say, "I believe!" Didn't you lie and say that? Yeah, you did. You stayed up all night trying to catch Santa Claus coming when you first started disbelieving because you wanted to catch him. Didn't you try to stay up all night long to catch him? No matter how hard you wanted to stay up, you fell asleep; and the next morning you woke up with presents under the tree.

Vain means "futile." It is just worthless; of non-effect. Vain also means "fruitless." It is going to be a fruitless thing. Vain: "Lacking substance or worth." The customs of the people are unsuccessful, vain, and worthless. Vain is defined as "hollow." Hollow by definition means "empty; of no value." You spend all your money and get junk in return. You go deep in debt. It takes you a whole year to try to get out. By the time you get out of debt, it is time to get back in. And you go buy gifts, hoping you get some: "I got \$100 worth of gifts last year, and I spent \$200. I

will not be a sucker again. I might get \$100 worth of gifts next year, but I am only spending \$50." Everybody is trying to profit. Everybody is trying to get more than they give, because everybody is greedy. It is all vain.

Another definition of vain is "idol." Satan has you worshiping idols. Vain is defined as "showing undue preoccupation with or pride in one's appearance or accomplishments." Christmas is all about: If I made it big--I made a lot of money--I want to show off to all my relatives. I will buy big-time gifts to show that I am important: "I want you to check out my accomplishments. I did well this year. I am giving you all a few of these crumbs. Don't you wish you could be big-time like me? Bow down, bow down, little ones. Big daddy's got crumbs for you." Have you seen people like that?

Christmas is all about merchandise. It is all about materialism. This is really a pagan season: a time for wickedness. The Bible says all of this is vain. All of this is unprofitable, unsuccessful, wicked, and of no value. It all has an end. Jeremiah, Chapter 10, verse 3, continues,

"... for one cutteth a tree out of the forest, the work of the hands of the workman, with the axe."

Verse 4 reads,

---

Traditions of Men Are Not of יהוה

---

“They deck it with silver and with gold; they fasten it with nails and with hammers, that it move not.”

Now, isn't that a Christmas tree? And Verse 5--

“They are upright as the palm tree, but speak not; they must needs be borne, because they cannot go. Be not afraid of them; for they cannot do evil, neither also is it in them to do good.”

Why follow a custom, a tradition, that can do you no good? Celebrating Christmas cannot do you any good--it just takes from you. יהוה calls this the way of the heathen, according to Jeremiah 10:2, which reads,

“Thus saith יהוה, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them.”

Learn not the way of the heathen. Did you obey יהוה or disobey Him? You disobeyed. Did your parents obey or disobey? They disobeyed. Did you learn the ways of the heathen or not? Yes, you learned the ways of the heathen. Has it blessed you or cursed you? It cursed you. Did it put money in your pockets or take it away? It took it away. Then what is the value of holding on to something that only takes away from you? There is no value. Christmas is all in vain and, therefore, immoral.

## Conclusion

I would like to once again thank you for reading My message of truth. It is time for us to wake up nationwide. It is time for our people to come to יהוה. Return to יהוה, and join the Kingdom of יהוה, for the end of this wicked world is at our very door. Come to יהוה while you still have a chance. Run to יהוה, fly to יהוה, for the Kingdom of יהוה is at hand.

Second Timothy 2:15 teaches you to study the Divine Mind of יהוה בן יהוה, which means to research all the facts about יהוה בן יהוה, seek to understand the “nature” of יהוה בן יהוה, and then learn how to apply all this information to better your life individually and our nation, Israel, as a whole. Study also means that you should not be ashamed, rightly dividing the word of truth. So I invite you to study and do your research. I command you to study at least one hour every day.

A wide selection of books, audio cassettes, and video tapes that you will need

to study יהוה בן יהוה are listed in *The Wonderful World of יהוה Catalog*. Get a free copy of this catalog by writing or calling PEESS (address and phone number at the end of this chapter). Contained in the catalog is the solution to all of your problems and the problems of the world. Some examples of our bestsellers are: (1) *You Are Not a Nigger*. (2) *Divine Dietary Laws for Hebrew Israelites and the World* shows you how to have perfect health. Research has proven that all sicknesses and diseases can be traced to improper eating habits. Discussed in this book are the "divine" laws governing what you should and should not eat according to the Bible. (3) *יהוה Judges America* gives you Biblical facts on the judgment of America as written in the Holy Bible. Decoded and deciphered in this book are all the plagues by which America will be judged by יהוה. A must reading for every family who wants to survive the final destruction of America. (4) *The Messiah Revealed* introduces you to your Saviour and Redeemer. So that you will not be fooled by the anti-Christ of this world, you must read this book NOW because the One the whole world is waiting for has come in the flesh!

(5) *Concentration Camps* is written to explain why the government is shutting down military bases all around the country, and it shows how all federal, state, and local agencies are being used to execute the government's plans to turn these bases into concentration camps for all dark-skinned people. (6) *The Kingdom of יהוה --Heaven* contains the "good news" that was promised to be preached unto all the world for a witness unto all nations. In *The Kingdom of יהוה --Heaven* is a message of redemption for you, your family, and the whole world.

Also, I would like to encourage you to listen daily to the cassette tape lessons. While you are traveling the dangerous roads and highways, and while you are in your quiet study room, or while you are lying down on your bed with the lights out, you can listen to your cassette lessons and let יהוה בן יהוה bless your mind and bless your home. Also, you should be playing the music of יהוה in your home and invite your friends to play the music of יהוה in their homes also. We have an ever-growing selection of good music that causes your soul to rejoice and uplifts your spirit in our *Wonderful World of יהוה Catalog*.

I would also like to invite you to watch the most talked about show on cable television, *The Universe of יהוה*, which is waking up people all across America to

the truth about the mysteries of the Bible.

All videos shown on *The Universe of יהוה* are listed in our *Wonderful World of יהוה Catalog* and the entire collection may be purchased through PEES. These are videos that the whole family may watch at your leisure. Build your video library with videos that are based upon the King James Version of the Holy Bible. At last, videos that are educational, motivating, and uplifting. A delightful pleasure for the entire family. Remember, a family that studies the law of יהוה together will grow and prosper individually and as a whole.

We want you to know that we are now a worldwide movement. People all over the world can now learn more about יהוה and בן יהוה by accessing our world wide web page on The Internet (see our address at the end of this chapter).

Also, it is very important that you accept יהוה as your God, and believe on the name יהוה בן יהוה, the Son of יהוה. You must have your original Hebrew name.

Isaiah 62:2 says,

“And the Gentiles shall see thy righteousness, and all kings thy glory:  
and thou shalt be called by a new name, which the mouth of יהוה  
shall name.”

If you are tired of having a slave name after being freed for over 100 years, and you are ashamed to have a slave name that your foreparents were forced to take during

slavery, then you may select a Hebrew name from the Old Testament of the Holy Bible. After selecting your holy Hebrew name, you are commanded to study your holy Hebrew name. When you know who **you** are then you will know who **I am**.

Return to יהוה today. Join the greatest and fastest moving organization on the planet Earth, helping our people here in the land of North America. We, the so-called Black people of America, are the ones standing in the greatest need of help. We need help more than anyone on the Earth.

I urge you to pay יהוה and yourself first and don't touch it. If you do not pay יהוה and yourself first, you are robbing יהוה as an individual, as a family, and as a nation. It is impossible to be blessed and not pay יהוה and yourself first. If you love Me, keep My commandments, and I command you to pay יהוה and yourself first. You'll understand the mystery as you keep it. Send all tithes and offerings to PEES.

Malachi 3:6-10 reads,

"For I am יהוה, I change not; therefore ye sons of Jacob are not consumed.

Even from the days of your fathers ye are gone away from mine ordinances, and have not kept them. Return unto me, and I will return unto you, saith יהוה of hosts.

But ye said, Wherein shall we return? Will a man rob יהוה? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings.

Ye are cursed with a curse: for ye have robbed me, even this whole nation.

Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith יהוה of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

You must govern your life accordingly.

The Sabbath is observed in the quietness of your own home every week at the appointed time and day. You are commanded to keep the Sabbath as written in Exodus 31:16, which reads, "Wherefore the children of Israel shall keep the Sabbath, to observe the Sabbath throughout their generations, for a perpetual covenant."

Ezekiel 20:19-20 reads,

"I am יהוה your God; walk in my statutes, and keep my judgments, and do them; And hallow my sabbaths; and they shall be a sign between me and you, that ye may know that I am יהוה your god."

Proverbs 13:22 reads,

"A good man leaveth an inheritance to his children's children . . ."

All the information you need about our Sabbath is found in *The Shabbath Home Study Guide*. Order your free copy today from PEESS (see mailing address and toll free number at the end of this chapter).

All believers in יהוה are commanded to keep the appointed feasts where ever

## Conclusion

יהוה chooses to place His name, as written in Deuteronomy 16:16-17:

“Three times in a year shall all thy males appear before יהוה thy God in the place which he shall choose; and in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before יהוה empty:

Every man shall give as he is able, according to the blessing of יהוה which he hath given thee.”

These are the appointed Feasts of יהוה. You should not miss one feast.

### **PASSOVER/FEAST OF UNLEAVENED BREAD MARCH**

### **FEAST OF WEEKS MAY**

### **FEAST OF TABERNACLES SEPTEMBER**

The whole world is coming into the knowledge that I am the Messiah, the Redeemer, the Reformer. יהוה בן יהוה is the only name of the Son. If you fear My name, יהוה בן יהוה, the Son of Righteousness shall arrive with healing in His wings.

Malachi, Chapter 4, verse 2, reads,

“But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall.”

Spread the news about יהוה. Spread the news about His Son, יהוה בן יהוה.

Testify about יהוה בן יהוה and the mighty works that יהוה בן יהוה is doing and

accomplishing all across America--the greatest works that have ever been done in the history of our people here in America. Also, go out and make friends among our people.

Once again, always remember that יהוה is God. And besides יהוה, there is no God. I love you and care about you, and I am offering you educational materials that are best for you. So you may order these items for you and your family. If you would like to have the best self-improvement information in the world for you and your family, information that will help you instead of hurting you, then send for *The Wonderful World of יהוה Catalog*.

Our motto is one God, one mind, one love and one action; and above all, never forget that יהוה loves you and so do I, יהוה בן יהוה. Shalom, shalom.
