About the Author

יהוה בן יהוה (YAHWEH BEN YAHWEH) was born October 27, 1935, in Kingsfisher, Oklahoma.

He received a Bachelor's Degree from Phillips University, Enid, Oklahoma; a Master's Degree in Economics from Atlanta University, Atlanta, Georgia; and studied law at Oklahoma University.

יהוה בן יהוה (YAHWEH BEN YAHWEH) was a tactical instructor while serving in the United States Air Force. He received an honorable discharge.

יהוה בן יהוה (YAHWEH BEN YAHWEH) came to Miami, Florida, alone in 1979 to become the Spiritual Leader and Founder of The Nation of יהוה (YAHWEH). Although He took a vow of poverty that same year, within 7 years He guided the Nation and those who followed His teachings and principles to amass an economic empire in Miami and throughout the United States worth over \$250 million.

Under His direction, The Nation of יהוה (YAHWEH) has grown to encompass disciples, followers, and supporters in over 1,300 cities within the United States and 16 foreign countries: such as, Ghana, Nigeria, Great Britain, Canada, and the Caribbean. The University of יהוה (YAHWEH), for which He established the curriculum, and for which He has received great acclaim in educational excellence, currently has

locations in both Miami, Florida and Atlanta, Georgia.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is bringing about changes in the lives of individuals by causing them to take a different approach to life. This approach is based on the Scripture which reads, "It is more blessed to give than to receive."

יהוה בן יהוה (YAHWEH BEN YAHWEH) is here giving. That which He is giving cannot be measured in terms of monetary wealth. יהוה בן יהוה (YAHWEH BEN YAHWEH) is giving the world the keys to success in life—politically, economically, educationally, socially, and spiritually.

Dedication

This book is dedicated to the spiritual resurrection of the righteous people of the Earth and to the establishment of the Kingdom of Shalom--the Kingdom of God, יְהוָה.

Acknowledgments

I will forever thank My Father, יהוה, for the dedicated people whose tireless efforts have contributed toward the completion of this book.

“The Lord, יהוה, gave the word: great was the company of those that published it” (Psalm 68:11).

May יהוה keep and guide you. Always remember that יהוה בן יהוה loves you and so do I, יהוה בן יהוה.

Introduction

The Feast of Tabernacles is the third of the three greatest festivals given to Israel by יהוה. **THE MOMENT YOU COME TO KNOW AND UNDERSTAND THAT THE SO-CALLED BLACK MAN OF AMERICA IS ISRAEL, THEN YOUR KEY TO UNDERSTANDING THE BIBLE WILL BE OPENED.**

YOU MUST COME TO KNOW AND UNDERSTAND THAT ISRAEL IN THE BIBLE IS THE SO-CALLED BLACK MAN OF AMERICA. When you understand this, then keeping the high holy days of יהוה will begin to make sense to you. It is written in the Old Testament that these festivals (high holy days) are to be commemorated forever.

Chapter One

The Feast of Tabernacles

The Feast of Tabernacles marks the end of the year-long harvest season and celebrates the abundance of crops which יהוה has given you. Unfortunately, in the hills of North America, you have run from the land. You had hundreds of thousands of acres--millions of acres, and now you have been reduced from some thirty to fifty million acres, all the way down to three hundred thousand. This is it. And this means that יהוה has taken from you the ability to feed yourself, because you turned your back on יהוה.

When you lose the ability to feed yourself, you become a victim of whoever feeds you: they are able to exploit you, take advantage of you, and charge you whatever they wish. You will pay whatever money you have in order to eat, and that is a horrible position to be put in: when you are reduced to something less than a

baby: The baby depends on his parents to feed him, and he can only cry and holler and complain until someone decides to feed him. When you turned your back on the laws of יהוה, turned your back on your God, יהוה, He took from you the ability to feed yourself. Therefore, you are dependent upon others to feed you, and it so happens that they are not your “true” parents.

People who grow the crops you eat have established manufacturing and distribution systems, wholesale systems, and retail systems, and you are outside of all of that. And it does not occur to you to consider doing any of these things. Even when someone tells you that you should feed yourself, go to the farm, and establish your own economic system, you refuse to hear it. No matter who warns you, no matter who teaches or tells you, you still do not hear it. Subsequently, that warning goes the same as if you were talking to a baby and said, “Baby feed yourself.” The kid will not feed himself. He does not know how. Why? Because he is dependent.

The moment the baby starts growing up and seeing a little bit of independence, the first thing he does is what? He tries to feed himself. The sign of the baby growing up is when he tries to feed himself, and he no longer wants you to feed him when he is in that state of mind. He would rather throw it on the floor. He wants to

eat with his own hands. He may be messy, but he still wants to do it **himself**. And sometimes you just have to go ahead and put him in a highchair, put paper all around it, and let the kid go for it. He makes a mess when he first starts off: He cannot find his mouth all the time. It is not always where he wants it to be. Contrastingly, you have not grown from the baby carriage stage to the point where you are sitting up and trying to walk. You want to sit in the highchair; you want to take the spoon and imitate the adult, and feed yourself. You are not in that state of mind, which is a terrible state of mind to be in.

So here you are faced with the Feast of Tabernacles, which you had not heard about anyway until you came in contact with Me. The Feast of Tabernacles is a law, a high holy day which belongs to you: This is your high holy day. You are supposed to be celebrating the abundance of your crops. But because you are so new to Me as My baby--you are My baby, I still have to hold you, change you, pet you, feed you, give you bottles, prepare for you--do all these things for you because you are not yet ready to feed yourself. Something takes place inside the baby's head when he decides he wants to try to do it himself. Something has to take place in your head before you will ever dream of feeding yourself.

It is pretty rough when you get a raise on your job this year, and they raise your food bill twice as much as it was last year. You don't like it, but you don't want to grow your own food either, do you? You have been taught to hate growing food, haven't you? **The source of all wealth comes from the land.** This is what the Feast of Tabernacles teaches Me to teach you. The source of all wealth comes from the Earth. **THE FIRST STEP IN CONTROLLING YOUR OWN DESTINY IS TO CONTROL YOUR OWN LAND.** You do not have to move to another country, neither do you have to move to another location. You do not have to have a state given to you. You can just **take** what you want where you are.

When you have that kind of mind, then the baby has just begun to **take** that spoon. He does not care whether he is in Mississippi, Arkansas, Alabama, Oklahoma, Tennessee, California, or Florida--"Give me the spoon." He has no question about what he wants. Food is what he wants, and he wants to feed himself. So the Feast of Tabernacles immediately brings to your mind that you are to be celebrating an abundant crop, but you are not. This means that you have to celebrate the Feast of Tabernacles from another perspective at this time.

Wouldn't it be glorious if you owned a few thousand acres of orchards--apple

trees? thousands of acres of orange trees? thousands of acres of banana trees? and all the fruits you can think of? Orchards of pears, avocados, and pecans? You have had some of these things in your yard. Our grandparents had those things in their yards. In fact, that is how you survived: your grandparents had pigs and cows and goats and sheep and two or three hundred chickens; plus, they grew a garden every year. Do you remember those days? And all that they could not eat during the season, what happened to it? They canned it. When did they eat it? They ate it in the winter.

How much money did your grandparents have to **spend** at the grocery store when they grew their own gardens? None. How much **do you have** to spend at the grocery store now? And you are wondering why you **are suffering**? You are wondering why you are poor? And you are wondering **why you do not** have enough? The answer is, these things are happening to you because **you have abandoned** your God, יהוה, who teaches you to plant in the Earth and **let Him multiply** it for you--sometimes a hundred fold.

This means that you can get a watermelon that has four hundred seeds in it; you plant one seed, and it will give you a vine with twenty watermelons on it. Can you

imagine getting twenty watermelons in the place of one? What will happen when you plant four hundred seeds out of just one watermelon? What will happen when you plant 10 percent of your crop next year? You would need to buy some more land just to plant your seeds. The wealth from the watermelons you sold would enable you to buy more land, which would only make you richer. But you do not like that idea, because buying a farm means work.

So the Feast of Tabernacles is not simply a time whereby you gather together in a building and sing, dance, and shout praises and glory to the name יהוה, but it is also a remembering session. And aside from it being a unified session, it is a session where you remember and you give thanks. But what about this abundant crop? Well, as I stated earlier, something is going to have to take place in the mind of your “baby head” before you can think about going back to the land and feeding yourself physically. You are first going to have to learn how to feed yourself **spiritually**.

Chapter Two

Renewed in the Spirit of Your Mind

In order to be able to feed yourself **spiritually**, you have to first let a **spiritual** renewing take place in your mind. You have to be “**spiritually**” renewed in the spirit of your mind, according to Ephesians, Chapter 4, verses 22-32, which reads:

22 “That ye put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts;

23 And be renewed in the spirit of your mind;

24 And that ye put on the new man, which after יְהוָה is created in righteousness and true holiness.

25 Wherefore putting away lying, speak every man truth with his neighbour: for we are members one of another.

26 Be ye angry, and sin not: let not the sun go down upon your wrath:

27 Neither give place to the devil.

28 Let him that stole steal no more: but rather let him labour, working with his hands the thing which is good, that he may have to give to him that needeth.

29 Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers.

30 And grieve not the holy Spirit of יהוה, whereby ye are sealed unto the day of redemption.

31 Let all bitterness, and wrath, and anger, and clamour, and evil speaking, be put away from you, with all malice:

32 And be ye kind one to another, tenderhearted, forgiving one another, even as יהוה for יהוה בן יהוה sake hath forgiven you."

This is the brotherhood. This is the only way to live with one another.

Verse 30 says that you are grieving the Spirit of יהוה. You are grieving יהוה, the Creator. You shouldn't do that. But you are going to continue doing it until the day of your redemption. It grieves יהוה that you do not obey His will and keep His laws. He also is punishing you for not remembering how to feed yourself. All that you are learning has been sealed until the day of your redemption, but in Verse 24, you are told to put on a **new man**. Moreover, in Verse 23, you are told to be renewed

in the spirit of "your" mind. That is where you are to be renewed: **IN THE SPIRIT OF YOUR MIND**. "Be renewed" means **change**. **IT IS TIME FOR A CHANGE**. **IT IS TIME FOR YOUR REDEMPTION. THIS MEANS YOU MUST COME BACK TO KEEPING THE LAWS OF יהוה**. Your not keeping the laws of יהוה has caused you to become corrupt.

During the celebration of the Feast of Tabernacles, there is a booth usually located in the rear of the auditorium. You are required to go in that booth and spend a few minutes to give honor and reverence to יהוה, and to think about the fact that you once lived like that for a period of time, after you were delivered from Egypt. You must remember that when you step inside. You are supposed to sleep in those types of booths for eight days and eight nights for ever, once out of the year--which is during the Feast of Tabernacles.

All of Israel's feasts are ordained by יהוה. This means that when you begin to keep them, you will be blessed in a special way. And it also means that whatever you touch will just turn to gold; it will turn to prosperity. You deserve the best. Just return to your Father, יהוה, and see if I will not open the windows of Heaven and pour you out a blessing that you will not have room enough to receive it, as written

in Malachi, Chapter 3, verse 10:

"Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD, יהוה, of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

But you have to be willing to work.

You are rewarded for obeying anything that is ordained by יהוה. While your enemy is losing his businesses--his plants are shutting down, people are being unemployed--you will find yourself going up. The Nation of יהוה is just going straight up, and all that you are doing is going straight up.

YOU MUST BE RENEWED IN THE SPIRIT OF YOUR MIND. If you take the seed from an apple and plant those twelve seeds ~~instead of~~ throwing the core away, you would have an abundant crop, which means you ~~would be~~ rich. At least the following year you would not have to buy an apple--~~not the year~~ it grows up and bears fruit. It may take a couple of years (in three years it is ~~supposed~~ to mature and bear fruit) but the moment it starts to bear fruit, you can ~~cease having~~ to buy apples, and you will then be able to also sell a few.

Chapter Three

Solar Time: Original Time

The feasts are ordained by יהוה and are commemorated per “solar” time. I do not go by the time of the god of this world. I make reference to it because you live in his system, but this is only “temporary”--until I change it. I am definitely going to change it. I am changing every square inch of the whole planet--don't worry about it. **I AM CHANGING THE WHOLE EARTH FROM WICKEDNESS TO RIGHTEOUSNESS; FROM A LACK OF KNOWLEDGE OF יהוה TO WHERE THE EARTH IS FULL OF THE KNOWLEDGE OF יהוה**, as prophesied in Habakkuk, Chapter 2, verse 14:

*“For the earth shall be filled with the knowledge of the glory of יהוה,
as the waters cover the sea.”*

That is what I am here to do, and I shall accomplish it.

Every knee is going to bow to יהוה, according to Romans, Chapter 14, verse 11:

"For it is written, As I live, saith יהוה, every knee shall bow to me, and every tongue shall confess to יהוה."

If you have arthritis, you had better get someone to crack your joints or give you some Cortisone shots or something so you can get down on your knees and bow. The only way you are going to live on this Earth is your knee bow to יהוה--and your tongue confess that יהוה is truly God. יהוה **IS TRULY THE ONLY SOVEREIGN ONE.**

I live, go, count, and reckon by "solar" time. This is the **original** time. Man changed the laws of יהוה. Your oppressors, who gave you their names--like Johnson, Smith, Culpepper, Underwood, Snellgrass, Pepper, and Greenleaf--also changed the calendar of יהוה so they could rule over you. As long as you are disobedient to what your Creator said to do, your enemies will rule over you. Someone is going to rule over you.

Daniel, Chapter 7, verse 25, reads:

*"And he shall speak **great** words against the most High, and shall*

wear out the saints of the most High, and think to change times and laws: . . ."

This devil is something, isn't he? He did not speak small words. This Scripture says he spoke **great** words, not in behalf of the Most High. The Most High--you cannot get higher. When you get high, He's higher than that. And here is someone who had the nerve to speak against the Most High, and the thought entered his head to change times: This is a calendar. To change time is to change the calendar. What is the danger in changing the calendar--the time? The danger is you will not know what time it is. This means that your enemies, the enemies of יהוה, were concerned about time for some reason.

There was something about time that the devil wanted to hide from the masses of the Earth. I wonder what that was? I wonder what it was about **time** that he wanted to hide? It had to be something. It had to be mighty important that he had the nerve and the unmitigated gall to come and speak great words against the Most High. The man who had this thought was not the Most High, which means that this man, in order to change the time, had to get rid of the original timekeepers. Oh, you had not thought about that? Once he got rid of the **original** timekeepers, then it became easy

for him to hide something about time that had to do with him, and it was so important that he said, "I got to change this." He realized that the only way he could change this was to have the nerve to speak **great** words against the Most High.

So you have to ask, "Who were the timekeepers?" The timekeepers were those who not only believed in the Most High, but they also obeyed and kept His laws--kept His time. As long as the children of God, the children of יהוה, kept His time, this fellow, who felt he needed to change time and hide it, could not change it. He would never have been able to get away with whatever he wanted to hide and do.

I DECLARE THAT YOU, AS A SO-CALLED BLACK MAN OF AMERICA, ARE ONE OF THE CHILDREN OF יהוה; therefore, YOU ARE ONE OF THE "ORIGINAL" TIMEKEEPERS. But Satan had to get rid of you first, and he did: he killed you. You are walking around dead to the knowledge of what time it is--the "true" time, the real time--and who it is that time concerns. Once you come into the knowledge of the "real" time--the "real" calendar--and into the knowledge of the one who spoke those great words against the Most High, יהוה; and, even more, when you come into the knowledge of "why" he spoke those **great** words against the Most High, יהוה, then you will get in step with time and move on time.

You will get rid of everyone who is not right "in" time and have something wrong "about" time.

When you understand time, you will then understand the mystery in Ecclesiastes, Chapter 3, verse 1 which says,

"To every thing there is a season, and a time to every purpose under the heaven."

This means that this fellow who has the nerve to speak **great** words against the Most High has a time and a season. As a result, he can extend his time and extend his season of rulership as long as the "original" timekeepers **are dead** to the knowledge of time and dead to the knowledge that they are the **timekeepers**. So all you have to do as the "original" timekeeper is to come back into **the knowledge** of your own history and culture, and who you are in relationship to **the Most High**, and then you can bring time back on course, because all the **foundations are** out of course according to Psalm, Chapter 82, verse 5:

"They know not, neither will they understand: they walk on in darkness: all the foundations of the earth are out of course."

You can go get the clock, and say, "No, time is a little wrong here. I am going to set

time like it is . . . let's see . . .”

Chapter Four

Why Was Time Changed?

ONLY A WICKED MAN WOULD SPEAK GREAT WORDS AGAINST יהוה AND THINK TO CHANGE TIMES. Obviously, the wicked man is worried about time. What does this mean? This means that time has something to do with his wicked rule. Do you admit that the wicked people are ruling the world? Wicked people are indeed ruling. Well, the world doesn't belong to the wicked. יהוה, the Creator, is righteous; therefore, His children are, by nature, righteous. So the wicked man has killed off the righteous children from the knowledge of "solar time" and he has given them his time.

All of what I am telling you goes back to the Garden in Genesis. Lucifer wanted to live forever after being kicked out of Heaven, so he knew the only way he could continue to live, or he figured, was to snake his way into the Garden; to mix his

seed with Eve, knowing that Eve was going to mix with Adam. He figured he could live at least "physically" through having children with Eve, and he did: Lucifer had a son by Eve, and his name was Cain. He was not Adam's son. Eve said that she had gotten a "man" from god, as written in Genesis, Chapter 4, verse 1:

"And Adam knew Eve his wife; and she conceived, and bare Cain, and said, I have gotten a man from the Lord."

She did not say this is a son of mine and Adam. She did not say that. You read your Bible. I have already read it. I am calling your attention to this one. Eve never said this is Adam and my son. She said I got me a **man** child from god. She did not say what "kind" of god, because there are gods many. Read 1 Corinthians, Chapter 8, verses 5-6:

5 "For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,)

6 But to us there is but one God, . . ."

There are many gods--many of them.

When Eve went to hollering in the Garden about she had gotten her a **man** child from god--you got to put the story together and understand what god she is

talking about. She was talking about Lucifer, that's who. Lucifer is the god of evil; the god of darkness, the god of lies, the god of greed and malice and hatred, the god of division, the god of murder, and the god of destruction. This is who Lucifer is. Everything you see wicked going on today, there are people who just love it. They love wicked actions. As a matter of fact, wicked actions just turn them on. This is their "turn-on."

When Eve took her corruption to Adam, they were kicked out of the Garden. Even after Cain came on the scene, he proved that he was just like his father the devil, and killed Abel, according to Genesis, Chapter 4, verse 8:

"And Cain talked with Abel his brother: and it came to pass, when they were in the field, that Cain rose up against Abel his brother, and slew him."

Abel was a righteous man. יהוה said to Cain, "Although you have done this hideous crime, yet, I am still going to give you a chance to rule, Cain. And if you do well, I will let you rule over the Earth and My creation for ever," as written in Genesis, Chapter 4, verse 7:

"If thou doest well, shalt thou not be accepted? and if thou doest not

well, sin lieth at the door. And unto thee shall be his desire, and thou shalt rule over him."

And יהוה said to Cain, "I am going to give you ample time to prove your rulership."

That was enough to make Cain be concerned about time.

Cain was given rulership by יהוה. Therefore, it is not difficult to get rid of him--not when you are יהוה conscious. It is not difficult to get rid of the wicked on Earth. I have the strength to drive them off the planet, and I am going to do it anyway. I have told them to their face that I am going to chase every last one of the devils off of this planet. I am not going to leave him any place. This means the Earth is going to be clean in time. Somewhere in time, it is going to be clean.

In the meantime, the devil has bluffed the people of the world with atomic bombs, cobalt bombs, hydrogen bombs, big war machines, jet aircrafts--all of these weapons. He is just bluffing the world out. He has enough atomic weapons to kill every man, woman, and child five hundred times. He has five hundred bombs for each individual. There were two questions asked in Revelation, Chapter 13, verse 4:

"... Who is like unto the beast? who is able to make war with him?"

Here is the wicked man. יהוה said, "Cain, if you do well, I will let you rule forever," as you just read in Genesis, Chapter 4, verse 7. According to Genesis, Chapter 4, verse 6, Cain was wroth with Abel:

"And יהוה said unto Cain, Why art thou wroth? and why is thy countenance fallen?"

Cain was wroth because he was jealous of his righteous brother Abel. יהוה told Cain that he would be able to rule over him and rule over everything **IF** he would just do well. What did Cain do? Cain killed Abel. And because he did that, יהוה gave Cain and all his descendants 6,000 years to rule from that point, though he had murdered Abel. Although Cain's father had caused war in Heaven and had subdued and tricked a third of the angels, who were living in Heaven, to join him in his revolution against the Most High, יהוה, he was still given 6,000 years to rule.

Do you get the picture now? Do you understand why the wicked man had to change the time?

Chapter Five

Who Changed the Laws of יהוה?

In Daniel, Chapter 7, verse 25, the devil changed the laws. Whose laws? Obviously, they were not his laws. They were the laws of יהוה. So they took away from you the knowledge of the Feast of Tabernacles, Passover and Feast of Unleavened Bread, Memorial Blowing of Trumpets, and the Day of Atonement. The devil also took away the knowledge of keeping the **Sabbath** Day holy (keep the **seventh** day holy, not Friday--but the **seventh** day holy). Evenmore, he also took away the law "thou shalt not kill," and all of the other 365 laws or more. He just changed all that dealt with the laws.

The devil changed the **seventh** day to a Sunday. You can go back in history and see when this was done. The Catholic Pope changed the laws in 321 A.D. It is right in your books; but being ignorant, you were raised up thinking January is the

new year. You ought to know better. What can grow in January with ice on the ground? It couldn't possibly be a "new" year. New means you have gone through the death stage and life is regenerated. That is spring. You don't know how to think like that because you have been blinded by the wicked man, who changed the times and the laws.

There are wicked yellow people, wicked brown people, wicked red people, and wicked black people. In fact, the most wicked people I have ever known on Earth are black. There is no one as bad as a wicked black person. He is the most wicked fellow who ever lived. He knows everything, and he will not change for anything. He just tears down everything. He is a horrible fella.

The devil was given 6,000 years to rule. This means that whoever is to be the ruler, after his (the devil's) time is up, can never take his place of rulership as long as he does not know what time it is (as the timegiver), and as long as he does not know his place as the timekeeper. **A TIMEKEEPER IS A LAW KEEPER.** So the devil hid time: He has given you several kinds of calendars. He has given you calendars that are so dumb, only the most stupid people on Earth would follow them. The dumbest time in the universe is 1999. How did they get to 1999 from zero?

Then they tell you this is A.D.: 1,999 years after the death of Jesus. Then they also say B.C. (Before Christ). So you go from zero to infinity. You are way out there somewhere and you count down to zero. Isn't that dumb? Isn't that incongruent to logic? You started way out there somewhere and counted down to zero, and then this baby Jesus was born and you started from zero and have now counted up to 1,999. How could you fall for that? You had to be dead to go for that one. If you go for that, you will go for anything. You will go for Santa Claus if you go for that. If you believe that, you will go for the Tooth Fairy: Put your tooth under a pillow or something. You will also believe in Cinderella.

THE EARTH CANNOT COME TO PEACE WHEN THE TIMEGIVER IS NOT RECOGNIZED. The Author of time has to be recognized in order for peace to come upon the Earth. The Earth is following the wrong time. If you plant your crops at the wrong time, you don't get the results you want. You are in the wrong time because the Author of time is not recognized by the timekeepers. The timekeepers do not know who they are, so they certainly do not know what time it is. A people who go from way out there down to zero or from zero to 1999 will go for anything.

So you really don't know anything about how you got the calendar you are using today. You don't know how many calendars have already been in existence before the one you are using now. There may be three or four who follow what I teach and will do the research. When they do, they will discover the "real" time is **solar time**.

In the meantime, how can you be blessed ignoring the Author of time? How can you be blessed following after the enemy of the Author of time? You have had the Bible in your hands all your life, but you did not know that time had been changed from the time that belongs to יהוה (**solar time**), to the wicked man's time (lunar time).

Chapter Six

You Have Been Taken Out of the Old Testament

The wicked man took you out of the Old Testament, which contains the knowledge of the so-called Black man of America's "true" history, culture, language, name, and land. The Old Testament is where you will find out all about yourself. He took you out of the Old Testament, and he put you in the New Testament only. He called your church a New Testament church. And when it became a New Testament church, you no longer had knowledge of your past. Even today, you have no knowledge of your history, culture, language, and land. You have no knowledge of time, and you have no knowledge of your God. You just have no knowledge period. And you are running around hollering, "I know!" The moment you learn the "true" time, you are going to get up and go to work.

I have a record, and I can prove mathematically the day this civilization began. Some people will tell you that the devil has, or the wicked man has, 6,000 years to rule, but he cannot go and identify that moment in time. I can, because I was the One who was there and gave him his time. And since I was there and gave him his time, then it means that I know the end of his time from the beginning of his time. This is how his end can be calculated from his beginning, as affirmed in Isaiah, Chapter 46, verse 10:

"Declaring the end from the beginning, and from ancient times the things that are not yet done, saying, My counsel shall stand, and I will do all my pleasure":

I have his end calculated to perfection. I don't have it close: I have it calculated to the day. From his start, according to **solar time**, it is now over 6,000 years. The devil, the wicked man, has no years left on My holy calendar, according to **solar time**.

Your enemies, the oppressors of the world, never thought I would really come. This is why they teach that lie about the "rapture," like you are going to change a body "physically" and go running off into the air somewhere. You had better study

the planets. You don't want to go off out there somewhere and can't get back. If you know the laws of physics, and you know the laws of motion, then you know you don't want to leave from here going out nowhere. You may never get back to the planet once you get off this thing--not at 45 million miles an hour going around the sun. In the meantime, **the devil has no years left.**

Mark, Chapter 13, verse 20 tells you something else about time:

"And except that יְהוָה had shortened those days, no flesh should be saved: but for the elect's sake, whom he hath chosen, he hath shortened the days."

Why am I going to cut his time short? I am going to cut his time short for the elect's sake; for the chosen, the family of יְהוָה. It is because of you: you are chosen to rule. In order for you to be safe, I had to come early and cut Satan off. I am on time. I am not really early--I am "on time" because I promised Abraham that I would come at the end of 400 years, according to Genesis, Chapter 15, verse 13:

"And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years";

That is why Elijah had to come first, as foretold in Malachi, Chapter 4, verses 5-6:

5 *"Behold, I will send you Elijah, the prophet before the coming of the great and dreadful day of יהוה:*

6 *And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse."*

Elijah is a Hebrew name and it means Eli. *El* means God; *JAH* means Yahweh: God is יהוה. Therefore, Elijah is a name that says, "God is יהוה." Elijah had to come first, then I am to come. He had to prepare the way, then **I AM** to come. **I AM HERE.** You cannot deny it.

I am doing the works of Him that sent Me. I am doing the works that the Bible said I would be doing. I am judging those who have been afflicting you for over 400 years, as I said I would in Genesis, Chapter 15, verse 14:

"And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance."

I am bringing you out with **great** substance. I have the power to cut time short. Therefore, I am going to cut this devil's time short and put you in Heaven. In addition, I am going to give you **all** his kingdoms, thus fulfilling that which is written in Revelation, Chapter 11, verse 15:

"... THE KINGDOMS OF THIS WORLD ARE BECOME THE KINGDOMS OF יהוה, AND OF HIS CHRIST [יהוה בן יהוה]; AND HE SHALL REIGN FOR EVER AND EVER."

You don't need a gun for this. **You do not need a gun for this!**

The children of Israel did not need a gun when יהוה got ready to drown Pharaoh and his army. He drowned them in the Red sea. They are over there in a Red sea now. I have already started gathering these devils together in the valley of Jehoshaphat. They call it the Middle East. I am doing that. I am gathering them over there, and I am using this devil from right here in America to gather all the nations together just as it is written in Joel, Chapter 3, verse 2:

"I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land."

I have already told them about this, and if you want the details, you need to read My book, יהוה **JUDGES AMERICA**. You had better read My book. In this book I give graphic and explicit details, and they are plain and clear. I sent every leader on Earth this book. I gave graphic and explicit details on just how to take this devil. **He can be taken!** And he **will be taken!** **He will be taken!** The only devils that will be

spared are those who do not take part in it: They can live a little while longer. **I AM GOING TO LEAD THEM INTO CAPTIVITY JUST LIKE THEY LED YOU INTO CAPTIVITY. THOSE THAT LEAD INTO CAPTIVITY SHALL GO INTO CAPTIVITY**, as prophesied in Revelation, Chapter 13, verse 10:

"He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints."

Don't tell Me I don't have the power to lead them into captivity. Don't you see them over there? I have never lied. Everything I have ever said, without exception, has come to pass!

What does that say to you? **It says that if everything I have ever said comes to pass, then what I am saying now shall also come to pass. And all that I am going to say is going to come to pass, because I and My Father are ONE**, as recorded in John, Chapter 10, verse 30:

"I and my Father are one."

I don't have words to say to you outside of יהוה. It is what יהוה says to Me that I say to you, and this is written in John, Chapter 5, verse 30:

"I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I seek not mine own will, but the will of the Father which hath sent me."

Therefore, this proves who יהוה is. This proves who I am: that we are connected.

My Mind is connected to His Mind. Praise יהוה!

I speak the words of Him that sent Me. I do not have words. They are His words, and they are in Me. Can't you tell? **I AM THE BOOK.** I know it from Genesis through Revelation. I know all about it. I know what you see and what you cannot see. I know what every teacher taught on Earth, but no teacher knows what I know. I know the teachings of every teacher who has **ever** taught on the planet. I studied them. I mastered what they taught, but it was **not enough.** It only took you to a point. I could not just go to a point, I had to go **all the way.**

So here we have a man who was given **6,000 years** to rule. Can you now understand why he spoke **great** words against יהוה **and then** turned around and changed the times? He did this so he could make you **think** that through might--through power of arms--he could stay in power forever. **He even** came up with and gave you evolution: He taught you that you came from a monkey. Even more, he

taught you about a “big bang theory.”

The devil talks on TV and writes books as if he were here on Earth six million years ago. He will say, “About six million years ago, we think this probably happened.” How can someone who just got here yesterday tell Me something about six million years ago? He has only been living 6,000 years; therefore, he cannot tell Me anything beyond that. He can only tell you when you don’t know the Author of time.

After the devil spoke great words against the Most High, יהוה, the first thing he had to do was to wear out the saints. Who are the saints? The saints are the children of יהוה: The very flesh and blood of יהוה. The bone and flesh and blood of יהוה Himself are the saints. So the devil had to wear out the saints of the Most High. To make his plan work, he had to keep speaking **great** words against the Most High. He had to keep writing and teaching lies: teaching Christianity, keep teaching false religion, keep teaching his philosophy. All down through history, he has built institutions of lies. He just kept writing and teaching lies.

After awhile, the saints got so tired of resisting his lies, they said, “He has

6,000 years to rule anyway. Go on, let him rule. I don't have to worry about it. God said He's going to come back and get me after this time. I'll just let him come get me. Shoot! Forget it!" That's what you did: "Let bygones be bygones. Who cares about it?" That was your attitude. "Who cares about history, man? Shoot, this man's going to write what he wants to write. The rulers say what they want to say. They are going to do what they want to do anyway." That fulfills Daniel, Chapter 7, verse 25:

"And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: . . ."

When people talk like that, they are "wore out." You know what "wore out" means? It means that you don't want to do it any more. You're worn out. You're just tired of doing it. "Shoot, are you kidding? I'm not going to do this again. I am 'wore out,' you hear me? I'm tired of running this race. Let somebody else run it. I'm sitting down, **now!** I'll be drinking my kool-aid while you all are running."

The moment he got the saints "wore out"--it's logical--then he changed the time. He reasoned, "Well, I got them licked; they are 'wore out,' so they're not going to rise up and try to keep the truth going. Now I can put my calendar on them

because now I have worn them out. They're tired of writing, tired of standing up -- I got 'em following the sequence."

The first thing the devil did was wear the saints out. After he got you "wore out," then he changed the times and the laws. Once he had done that, Daniel, Chapter 7, verse 25 tells you what happened, and it reads:

"... and they shall be given into his hand until a time and times and the dividing of time."

And then you shall be given into the hand of the wicked as slaves. It happened. You have been given over into the devil's hand; therefore, he is ruling over you--just by changing the time and changing the laws. He took you away from the Feast of Tabernacles, which means he took you away from your laws. And this verse also says that you would be given into his hand: until a time and times and the dividing of time. So right away, your enemy taught you to hate math. Do you hate math? You really don't like math. Tell the truth. In school, you know you didn't like no calculus and geometry . . . right? You didn't care anything about trigonometry. You had enough trouble just doing one plus one is two. You didn't want anything complicated, except 10 divided by 5 equals 2. You didn't care anything about

dividing time, right? And yet the **key** to the saints knowing the end of the devil's rule is knowing when the time is divided right. Divide means to **separate**. So someone had to come and be able to separate you from the wrong time into the right time. That is a separation. This is why יהוה commands His people to come out of her in Revelation, Chapter 18, verse 4, which reads:

"And I heard another voice from heaven saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."

Sins and plagues are upon this land. We have plagues of drugs, plagues of crime, plagues of syphilis, and so on. It was reported that syphilis has skyrocketed eighty percent. It is an epidemic infinitely worse than AIDS, and yet all they talk about is AIDS. Syphilis is the worst in the history of the world. They act like syphilis and gonorrhea do not exist anymore.

They have you out here with a little pill and a little rubber and a few other little things, a little juice, a little stuff sliding around . . . and you are taking chances . . . and you are going, "Well, she looks clean. She looks like she ought to be clean to me." But if you keep the laws of יהוה, you will never have AIDS, you will never

have syphilis, and you will never have gonorrhea. You will never have any of these things. But if you step outside the law of יהוה, you are through! Because this is what is waiting on you: eighty percent. That means eighty women out of every 100 women have it! This is worse than pointing a shotgun at your head, pulling the trigger, hoping it does not go off! "I am going to pull it, but I hope it won't go off."

Chapter Seven

יהוה Is the Judge

Although it looks like the devil and the wicked will never be wiped out, the Divider of time, in Daniel, Chapter 7, verses 26-27, says:

26 *"But the judgment shall sit, and they shall take away his dominion, to consume and to destroy it unto the end.*

27 *And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him."*

Judgment. The only way that you can have Judgment Day is for the Judge to come.

I AM THE JUDGE. Nobody else has come as the Judge but Me. Therefore, I am able to give you wisdom, knowledge, and understanding on both sides of all that you need to know so you can make a righteous judgment. And you don't have to worry

about whether My judgment is going to sit, it tells you in the Scripture that it is going to sit. So I am telling you, **My judgment is going to sit!**

The saints of יהוה are going to take away this devil's dominion. The saints are not going to "inherit" it--they are going to "**take**" it. This is why they do not like you in this country. You wonder why you are hated. Why is it that your oppressors don't like Negroes, Colored people, and Blacks? They will let everybody come into this country, and they can be black as they want to be, and they are alright. Blacks from different countries--blacker than the so-called Black man of America, can come in and buy up half of the country. In fact, they own forty percent of all the hotels in the country right now.

Blacks from Africa, blacks from wherever they want to come from, come right into this country and just set up in business and set up a little community and take over your neighborhood. Anybody who wants to can take over your neighborhood. It is no big deal taking over your neighborhood. You will spend all your money with whoever comes into your neighborhood, as long as it is not one from among the so-called Black man of America. As soon as you discover the owner of the store looks like you, you will not be going in that store any more. Something is wrong with that

store. You just have to go to a store of another nation. They have to be someone other than your kind. And you will spend every dime you can get with another nation. It is the truth, isn't it? You don't even have to agree, because I am telling you the truth anyway, even if you never agree.

My judgment shall sit. The saints of יהוה are going to **take** away this wicked man's dominion. **Dominion is rulership.** Do you want it? What has kept you from taking it? You don't know how to take it, and you have never known how to take it. You can't take it with a rock. You can't even take it with a machine gun. The worst thing you want to do is give all the so-called Blacks of America a tank and all the weapons of the army. You would really see death then.

What am I proving? I am on this subject to prove to you one thing: that **you cannot take this dominion with a gun.** No weapon formed by the hands of man can give it to you, according to Isaiah, Chapter 54, verse 17:

"No weapon that is formed against thee shall prosper; . . ."

YOU'RE GOING TO HAVE TO BE RENEWED IN THE SPIRIT OF YOUR MIND, as foretold in Ephesians, Chapter 4, verses 23-24:

23 *"And be renewed in the spirit of your mind;*

24 *And that ye put on the new man, which after יהוה is created in righteousness and true holiness."*

YOU NEED A NEW MIND-SET TO TAKE THIS DOMINION. How can you take it? You have to come back to being a saint of יהוה. A saint, not just of god, because there are gods many. Let's tell it like it is: **You have to become a saint of יהוה.** The saints are the only ones who can take dominion from the wicked. Others fight against the wicked, but the wicked is still in dominion. In different spots on the Earth, he still has his little country, so he is still in dominion because the original timekeepers have been out of time: they lost the time. Their clocks have stopped working.

The devil is programmed for violence, so you are not going to get it through violence. Daniel, Chapter 7, verses 25-26 tells us that judgment is going to sit. The saints of יהוה are going to **take** away his rulership, consume him, and destroy his rulership. You are going to have to become a saint of יהוה in order to take away his dominion. You have to be a **superhuman** to get this job done. Ordinary people cannot do this.

The word saint means "any of certain persons of exceptional holiness of life, formally recognized as such by the Christian church, especially by canonization." (That's when those Catholics got hold to it: Canon law.) The word Saint also means "a designation in certain religious groups applied by the members to themselves; a person of great holiness, virtue, or benevolence."

Look what you have to become. Holy. Benevolent. Eleemosynary. Charitable. This is the only way you are going to "take" away the dominion of the wicked. You cannot take it because you say you want to take it. You can't just go do it. You don't even know how to do it. Though you say you want it, are you ready to go to work?

Another definition of the word saint is "to canonize; to recognize or revere as a saint." Being holy is enough to turn most people off, isn't it? To be holy is the hardest thing for anyone who looks like you and Me to come to be. You will say, "I don't want no holiness church; I don't want no holiness people around me; I don't want no holy rollers around me. You can't do this, you can't do that. To be holy, you can't smoke, you can't get drunk, you can't mess around. I mean, what am I going to do, man? Ain't no fun in life. I mean, if I have to go through all that just to rule,

I'll just hang where I am."

Further, saint means "a holy person, canonized person; martyr, founder, sponsor, patron, backer, Maecenas, or supporter"--all this is of יהוה. You have to be a backer of יהוה. You have to be a supporter of the laws of יהוה. All of this is what a **saint** is. Saint means "promoter": Promoter of the laws of יהוה. In addition, saint is synonymous to "benefactor, helper, philanthropist." This is the opposite of this world. What does this world teach? This world teaches greed and individualism: Get all you can for yourself. Philanthropy is to be charitable and giving and sharing with others. And this is the kind of personality and the kind of character you are going to have to adopt, take, receive, and have in order to **take** the rulership of this world from the wicked. You can't be just like the wicked and think that the Creator is going to give you rulership. יהוה is not stupid. He is not going to give you rulership over the wicked and you still have a weak character. You are going to have to be a **saint**.

The word saint means "well-wisher, guardian, angel, an angel of God, life saver." A **saint** is all of these things. Do you want to be some of that? You have to want to be **ALL** of that.

Back to Daniel, Chapter 7, verse 27:

"And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, יהוה, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him."

This is what I am come to do. And it starts with keeping the high holy days. It starts with keeping the laws of יהוה. When you keep the laws of יהוה, then you will come into the knowledge of time. You must return to being the **original timekeeper**. Time is short. This means that you are going to have to give up your wicked ways now. Are you ready? This also means it is time to make a change! It is time for a change, and you are the one who is going to make it happen!

Chapter Eight

The Whole Earth Is Going to Come to The Feast of Tabernacles

Since you are not feeding yourself off the physical land at this time, then those who “receive” יהוה בן יהוה and become citizens of The Nation of יהוה are the abundance of your crops. It is time for you to be resurrected from your mental and spiritual graves of ignorance back into the knowledge of your Father, יהוה. It is time for you to be resurrected back into the knowledge of who you are, your nationality being Hebrew Israelites; that you are not Colored, you are not Black, you are not Negroes, you are not African Americans, and you are not niggers. You are a child of יהוה--a Hebrew Israelite by nationality. This gives you the knowledge that you should keep the high holy days that have been prescribed for you by your Father, יהוה, who is the Creator, not only of Israel, but of all things--seen and unseen.

You have learned that your feasts are commemorated by **solar time**, and you have also learned how important **solar time** is. Further, you have learned who the **original timekeepers** are and that they keep time of the original Giver and Creator of time, יהוה. Moreover, you have learned that this is the love, compassion, and charity that יהוה has for you, which has caused Me to be raised from among My people. I have been sent to you to resurrect you into the knowledge that is your own: knowledge that will make you take you out of poverty into riches. It will make you take your place in the civilized world of today, where you will give up savagery, hatred for yourself, and distrust of one another. And it will also make you begin to show forth to the world that something unique has happened to you, which is causing you to come together with other Hebrew Israelites to build a **perfect** society: one that, ultimately, the whole Earth is going to migrate to. The society that I am building is a model for the planet Earth.

Everyone is going to come to the Feast of Tabernacles to worship the King of Israel, according to Zechariah, Chapter 14, verse 16 and Isaiah, Chapter 2, verse 3:

16 "And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD, יהוה, of hosts, and to keep the

feast of tabernacles."

3 "And many people shall go and say, Come ye, and let us go up to the mountain of יהוה, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of יהוה from Jerusalem."

All the nations of the Earth are going to come with great joy and say, "Come, let us go up to the house of Jacob. Come, let us go up to where the Hebrew Israelites are. Come, let us go where The Nation of יהוה is. Come, let us go where the followers of יהוה are. Come, let us go and let the God of the Israelites teach us how to have the peace, joy, and prosperity that the followers of יהוה have." That day is imminent.

Chapter Nine

The Kingdom of Heaven Will Be Indestructible

Because I am building the Kingdom of Heaven itself, then you have to come to know that it will never, ever be destroyed, as prophesied in Daniel, Chapter 2, verse 44:

"And in the days of these kings shall יהוה the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever."

There have been various men who had been raised up from among you and had claimed to be gods or the Messiah or prophets. They taught moral precepts as well as economic programs. Their works flourished for a time, but upon their death, their works splintered, fell apart, and died.

I AM SELF-PROCLAIMED AS יהוה בן יהוה, GOD IN THE FLESH AS THE SON--BOTH AT THE SAME TIME. You have learned why I am **SELF-ANNOUNCED, SELF-PROCLAIMED, SELF-RAISED, SELF-TAUGHT, AND SELF-LUMINOUS.** You have discovered why I am, and why it was necessary. But that being what it is, you must look at the facts--anyone who is concerned about Me being in the flesh or what would happen if My flesh suddenly ceased to exist, should read the Bible. I read where if you believe in the Holy Bible, you have to believe all of it.

I also read in the Holy Bible that the Creator Himself, the Father of Adam (which some people call God, whose name is יהוה), used to come and walk in the Garden in the cool of the evening in Genesis, Chapter 3, verse 8:

"And they heard the voice of יהוה walking in the garden in the cool of the day: . . ."

Even more, He used to talk to Adam until Adam sinned and broke His law. יהוה walked and He talked with Adam. He didn't want to get sunburned, so He came in the cool of the evening when the rays of the sun were not as hot. He walked, and then there was no more history of Him. Maybe He gave up His body, but the Earth

continued.

Then I read where יהוה came and walked again and talked with Enoch. Yes, He walked and talked with Enoch. Here we have the Creator who can come and walk and talk with Adam and then just disappear. And all of a sudden, He is back on the scene walking and talking with Enoch. Then He really did something that was puzzling: He took Enoch off the planet--his whole body and soul. Enoch never died on the planet, and he wasn't even God, as described in Genesis, Chapter 5, verse 24:

"And Enoch walked with יהוה: and he was not; for יהוה took him."

Then יהוה disappeared from the scene again. Maybe He went off on the mother plane or whatever. Maybe He gave up the body again. But the next thing you know, He's talking to Noah. Abraham was after the flood. Noah was before the flood, during the flood, and after the flood. Before the flood, the people were wicked. And יהוה said He was angry with the wicked, so He drowned the whole planet, as recorded in Genesis, Chapter 6, verses 5-7:

5 *"And יהוה saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually."*

6 And it repented יהוה that he had made man on the earth, and it grieved him at his heart.

7 And יהוה said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them."

יהוה killed everyone on the whole Earth except for eight people, as written in Genesis, Chapter 7, verse 13:

"In the selfsame day entered Noah, and Shem, and Ham, and Japheth, the sons of Noah, and Noah's wife, and the three wives of his sons with them, into the ark";

Noah had three sons: Ham, Japheth, and Shem. All flesh that moved upon the Earth was destroyed in the day of Noah, according to Genesis, Chapter 7, verse 21:

"And all flesh died that moved upon the earth, both of fowl, and of cattle, and of beast, and of every creeping thing that creepeth upon the earth, and every man":

Since all flesh was destroyed, this means that all people of the Earth today come from those three. All nations you see on the Earth speaking their various tongues--whether you hear nations speak in Spanish, Russian, Dutch, and so on, it doesn't matter what they say--they all come from one father, **Noah**, and his three sons.

All people on Earth are family, but they are fighting and killing one another. All over the Earth you have family members fighting and killing one another because they have lost the knowledge of their "true" Father, יהוה. It is not only the so-called Black man of America who has lost this knowledge, but the whole Earth has also been deceived away from the knowledge of יהוה, according to Revelation, Chapter 12, verse 9, which reads:

"And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

This is why wars are on the planet Earth today. Think about it.

So here we have, after the flood, יהוה. You didn't see Him anywhere, and then all of a sudden, He was talking to Abraham. He came and visited Abraham with two angels standing by His side. Some people think all three of them were angels. Of course, Lot was on the scene then too. Read Genesis, Chapter 18, verses 1-2:

1 "And יהוה appeared unto him in the plains of Mam're: and he sat in the tent door in the heat of the day;

2 And he lifted up his eyes and looked, and, lo, three men stood by him: and when he saw them, he ran to meet them from the tent door,

and bowed himself toward the ground,"

So יהוה came and He talked with Abraham, and Abraham ran and fixed Him some barbecue. This is why you still love barbecue today. (It is right in your Bible.) Abraham fixed יהוה barbecue: a young, fat calf, as in Genesis, Chapter 18, verse 7:

"And Abraham ran unto the herd, and fetcht a calf tender and good, and gave it unto a young man; and he hasted to dress it."

And while He was eating barbecue under a tree, Abraham's family saw Him. The Book says Abraham was a friend of יהוה, which is recorded in James, Chapter 2, verse 23:

"And the scripture was fulfilled which saith, ABRAHAM BELIEVED יהוה, AND IT WAS IMPUTED UNTO HIM FOR RIGHTEOUSNESS: and he was called the Friend of יהוה."

A friend is someone you can talk with and express yourself to; one who will understand when nobody else will understand. A friend will walk with you when it is tough, and not just when it is good.

Proverbs, Chapter 18, verse 24 says that a friend will stick with you closer than a brother:

"A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother."

A friend will be with you when it is good and when it is bad; when it is hard and when it is soft. So here was יהוה talking to Abraham, **His friend**. They were friends, can you imagine? Can you imagine how wonderful it is to be a **friend** of יהוה? to actually be able to sit down and eat barbecue with יהוה?

But here was יהוה talking and eating with Abraham, and while this was going on, He said, "I have come to this area because I have heard of the sins of Sodom and Gomorrah." So the two angels went on into Sodom and Gomorrah. יהוה said, "I am going to have to destroy this city." But then, Abraham stood up for the city of Sodom and Gomorrah. He said, "Well, what if I can find fifty righteous men, would You destroy a whole city and You have fifty righteous men in it?" That really upset יהוה: He got really upset with Abraham challenging Him like that. He said, "But if you find fifty, I will spare it." So he went out and looked. He did not find fifty. So Abraham was determined. He was fighting for the people. He said, "Well, if I can find forty?" יהוה said, "Yes." Abraham could not find forty. "But, I will find thirty." He worked his way down to ten. יהוה said, "If you can find ten, I will save

the city!" Read about this in Genesis, Chapter 18, verses 20-33:

20 *"And יהוה said, Because the cry of Sodom and Gomorrah is great, and because their sin is very grievous;*

21 *I will go down now, and see whether they have done altogether according to the cry of it, which is come unto me; and if not, I will know.*

22 *And the men turned their faces from thence, and went toward Sodom: but Abraham stood yet before יהוה.*

23 *And Abraham drew near, and said, Wilt thou also destroy the righteous with the wicked?*

24 *Peradventure there be fifty righteous within the city: wilt thou also destroy and not spare the place for the fifty righteous that are therein?*

25 *That be far from thee to do after this manner, to slay the righteous with the wicked: and that the righteous should be as the wicked, that be far from thee: Shall not the Judge of all the earth do right?*

26 *And יהוה said, If I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes.*

27 *And Abraham answered and said, Behold now, I have taken upon me to speak unto יהוה, which am but dust and ashes:*

28 *Peradventure there shall lack five of the fifty righteous: wilt thou destroy all the city for lack of five? And he said, If I find there forty*

and five, I will not destroy it.

29 And he spake unto him yet again, and said, Peradventure there shall be forty found there. And he said, I will not do it for forty's sake.

30 And he said unto him, Oh let not יהוה be angry, and I will speak: Peradventure there shall thirty be found there. And he said, I will not do it, if I find thirty there.

31 And he said, Behold now, I have taken upon me to speak unto יהוה: Peradventure there shall be twenty found there. And he said, I will not destroy it for twenty's sake.

32 And he said, Oh let not יהוה be angry, and I will speak yet but this once: Peradventure ten shall be found there. And he said, I will not destroy it for ten's sake.

33 And יהוה went his way, as soon as he had left communing with Abraham: and Abraham returned unto his place."

You work to find ten righteous men in America, and I will save America from destruction.

The point is, you know that יהוה was on the scene. This is the point. And then no more record of Him. Maybe He left His body again, but everything continued. It was up to the people to obey or not to obey what יהוה had taught. So, no matter if

My flesh should suddenly cease to exist or if I just disappear, it is up to you today to obey or not to obey what I am teaching you.

Chapter Ten

You Have Had 6,000 Years to Make A Choice

For over 6,000 years, you have had an opportunity to obey the laws of יהוה or not to. You have had the opportunity to eat from the Tree of Life in the Garden or to eat from the tree of good and evil. This has been your choice for over 6,000 years.

You have read that the children of Israel were put in bondage in Egypt, and then יהוה raised up Moses. He didn't just leave Moses by himself, יהוה came in person. Moses said I would like to see Your face myself. And guess what? יהוה came down to the top of the mountain on one of His beautiful mother planes. He shook the mountain. He caused everything in Heaven to shake and tremble. And then Moses was able to go up the mountain to see יהוה, and to talk with Him face to face, as written in Exodus, Chapter 33, verse 11:

"And יהוה spake unto Moses face to face, as a man speaketh unto his friend. And he turned again into the camp: but his servant Joshua, the son of Nun, a young man, departed not out of the tabernacle."

Then Moses was also able to come back down the mountain, get seventy witnesses, called Elders, and take them up the mountain. They, too, saw and talked with יהוה. And then יהוה came down and had dinner with Israel, and they too saw Him in the clearness of His body, as described in Exodus, Chapter 24, verses 9-11:

9 "Then went up Moses, and Aaron, Nadab, and Abihu, and seventy of the elders of Israel:

10 And they saw יהוה, the God of Israel: and there was under his feet as it were a paved work of a sapphire stone, and as it were the body of heaven in his clearness.

11 And upon the nobles of the children of Israel he laid not his hand: also they saw יהוה, and did eat and drink."

יהוה wrote the law with His own finger. This is all in the Bible. Have you ever read in the Bible that יהוה wrote the law with His own finger? Exodus, Chapter 31, verse 18 validates this, and it reads:

"And he gave unto Moses, when he had made an end of communing with him upon Mount Sinai, two tables of testimony, tables of stone, written with the finger of יהוה."

Did you think that He didn't have hands? What does that prove? It proves that יהוה is a **true and living Man**; and as a true and living Man, He comes and goes. Since He is coming and going in different bodies, then that makes יהוה able to have the power to **incarnate**. **I AM INCARNATE**. That is who I am.

I am universal, and that means **all**. Everyone loves Me. All nations love Me. Don't you think they don't. I can tell you of a surety that the only reason the other nations have not taken Me from you is because they feel sorry for you. They want you to go ahead and get all you can get from Me--and hurry up, so they can come and enjoy Me. They would take Me from you "if" they could. You just have to swallow it. If you have hate in your heart, you just have to give it up.

I HAVE COME TO YOU "FIRST!" THEN I AM COME TO ALL THE NATIONS. ALL NATIONS ARE MY CHILDREN. ALL NATIONS ARE THE FAMILY OF יהוה. You had better believe it. **I AM THE ONLY ONE WHO CAN BRING ALL NATIONS TOGETHER IN LOVE ONE TO ANOTHER. I AM THE ONE. I AM BORN TO DO THIS**. When I get on your case and have to teach you real hard and "shock" you real good--they understand. Sometimes it makes them uncomfortable, but I try not to make them too uncomfortable.

I have proved My case that the God of Israel has come in the form of a man: walking, talking, breathing, and was even born. The God of Israel is born from a woman. That shouldn't be hard for you to understand since you "say" you believe in the Holy Bible. You have already said you believe the Son of יהוה was born from a woman. So My saying it should not disturb you at all. You just have to understand **I AM** here, and **I AM** born of a woman. You just have to accept this.

You cannot prove anything about something that happened 1,900 years ago, because you were not there. You don't know what He said, nor what people wrote that He said. But you are here today to witness what I am saying. I am here to defend what I say Myself. And I have proved that the Son of יהוה had to announce Himself because others said, "I know," while at the same time they were worshipping "they knew not what." Isaiah, Chapter 9, verse 6 affirms that I was born:

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

This is who I Am. I am all of this. Read Verse 7 and look at My work:

"Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the LORD, יהוה, of hosts will perform this."

This is My work. This means I am here establishing a **government**. All of the governments of the world are *de facto*, and they will admit they are *de facto* in their writings. If I had come establishing another *de facto* government, I would be no different from the rest of the world, and that would be a waste of time. Obviously, I had to come to establish another kind of government that will not be temporary like the governments of this world.

From the beginning of the wicked rulership of this civilization, for over 6,000 years, there has been one government after another, one revolution after another: one *coup d'état* after another; one violent overthrow after another violent overthrow--and this is going on right now. They have all been *de facto* governments, **and all *de facto* governments are going to end up in hell**. Because they are government *de facto*, no matter what their excuse or their reason for whatever they do, I am here to tell you--all of them are going to end up in hell!

All *de facto* governments are masquerading in the place of יהוה as if they are

the Creator of the people of the Earth, and they are not. The One that is born of a woman in Isaiah, Chapter 9, verse 6, is going to become the **Mighty God**. But He is born of a woman! That means He goes through a metamorphosis. I am that One. I am going through that metamorphosis. I am the One who is eating the butter now, but I am beginning to eat the honey. Soon, I will not eat butter anymore, as written in Isaiah, Chapter 7, verse 15:

*"Butter and honey shall he eat, that he may know to refuse the evil,
and choose the good."*

Chapter Eleven

יהוה בן יהוה Is Building Government *De Jure*

I am building a government. The classification of the government I am building is government *de jure*, which is the **DIVINE, THEOCRATIC GOVERNMENT**. I am building a government where the people of the Earth will have to receive all of their orders, directions, and systems from יהוה--straight through His Son to them! Man will have nothing to do with it. יהוה Himself is going to rule all the planet. And the beauty of it is to watch יהוה make it happen, even when it looks like it is impossible.

I came to Miami by Myself. I have not built on the back of another man. Even more, I am not building on top of the work of another man. I am not standing on the shoulders of another man. I am not trying to make what another man built work. And

I am not trying to take what another man did in the past from among us and make it work. There have been great men to rise up and do great works among us, but I have not come to take over anything another man has done and try to put it back together again: like Humpty Dumpty which fell from the wall, and all the king's men couldn't put it back together again. I have no need to try to do such. It is a busted egg. I am the One with the power to create a new bird with a new egg. That is who I am.

Men have created many nations. Wonderful! Wonderful! I have no problem with that. Therefore, the world cannot have a problem with Me building The Nation of יהוה. It makes Me more powerful than all the other men put together, because they have built nations that have come and gone. I am building The Nation of יהוה, which shall last forever. **THE NATION OF יהוה SHALL RULE THE EARTH, THE UNIVERSE, AND THE GALAXIES FOREVER. THE NATION OF יהוה SHALL RULE INTERGALACTICALLY.** This is what I am building. I am building a unique people and, of course, that raises a question in some minds: "Well, if your body disappears, יהוה בן יהוה, what will happen to your work?" **I AM SETTING UP HEAVEN!** It is written that Heaven shall never be destroyed. **I AM SETTING THE STRUCTURE OF HEAVEN.** That is why those who know

understand that **I AM THE GRAND MASTER ARCHITECT OF THE UNIVERSE. WHAT I BUILD CANNOT BE DESTROYED.** Praise יהוה!

I am teaching you to live by the law of יהוה. **I SAID, I AM TEACHING YOU TO LIVE BY THE LAW OF יהוה. AND WHEN YOU LIVE BY THE LAW OF יהוה, YOUR HOUSE SHALL NEVER FALL. YOUR HOUSE SHALL GO ON FOREVER.** There will always be new citizens added to My house, and, therefore, increasing My government. You and no one else can sit in My seat. You can sit in the seat I create for you, but no one can ever sit in "My" seat.

I AM THE ONE WHO POSSESSES 360 DEGREES OF KNOWLEDGE.

You have lots of trouble trying to master one of My degrees. You make excuses and find other things to do instead of mastering just one of My degrees. One of the biggest tricks in the world is to go to a college or university thinking you are going to get a degree. It may be a degree, but it is not one of Mine. You get a very inferior product; because they tell you up front, if you are "conscious," the best you can ever get is a bachelor's degree. You can never get more than one degree from any college or university. One degree is all you can get. After you get the bachelor's degree, they

tell you you can master it. They call it the mastery of that (batchelor's) degree. It is not two degrees. It is just another step up, they say, of the mastery of that degree. The master! And it is really B.S. Do you know what B.S. means? It means that you become the master of the BS degree. Some call it a bachelor of science.

And then the next step up is a doctorate degree. What does that mean? You become a philosopher of that which you are supposed to have mastered in the first place. Your Ph.D. is just some more of that same stuff--piled higher and deeper: They just pay you more money to spread that stuff around. It is not very good fertilizer any way, because you have never been able to use it to free yourself to become self-sufficient nor to become independent. You have never been able to use it to gain power nor wealth. Neither have you been able to raise yourself nor your people to become productive citizens of America, like all other immigrants who have come to this country do. With all of those different degrees, none of them have been able to do it. They have been unable to accomplish it because what they need is the "right" degree. They need the degree that comes from the **Creator**. This is the degree that I come with: the **Divine Degree**, from government *de jure*.

What a blessing it is to wake up and become “conscious” of the tricks you have been put in. I have already set the case for you to understand that it would not make any difference if My body disappeared. I have already taught you how to be rich: I have already set the laws in motion. I have already set the house where you live in motion. It cannot be wiped out. You cannot fight that which you cannot see. All you can do is see My government increase, as you read in Isaiah, Chapter 9, verse 7. It is increasing by the day.

If you have doubts about Me, you have come like the Queen of Sheba: She came with hard questions, as written in 1 Kings, Chapter 10, verses 1, 6-7:

1 “And when the queen of Sheba heard of the fame of Solomon concerning the name of יהודה, she came to prove him with hard questions.”

6 “And she said to the king, It was a true report that I heard in mine own land of thy acts and of thy wisdom.

7 Howbeit I believed not the words, until I came, and mine eyes had seen it: and, behold, the half was not told me: thy wisdom and prosperity exceedeth the fame which I heard.”

You may have doubts, but as you continue to study, you will become confident that

יהוה really is God. I am this Child in Isaiah, Chapter 9, verse 6 that is born. **Born**.

And the government is going to be upon **MY** shoulders.

Chapter Twelve

יהוה בן יהוה Is The Prince of Peace

As you read in Isaiah, Chapter 9, verse 6, I am the Prince of Peace, and I have a name that is unusual: **MY NAME IS WONDERFUL**. I let people see that I **AM WONDERFUL**, just like My name. I am a **WONDERFUL PERSON**. I am the **WONDERFUL ONE**. And when you experience Me, you will say, "Oh, בן יהוה יהוה is **WONDERFUL!**" And I am **THE COUNSELLOR**. There is no problem you can have that I cannot give you "divine" counsel. When you come to Me, you get peace and rest in your mind from whatever your problems are in life, because I am able to counsel you in any area of life.

Also, it tells you My name is the **MIGHTY GOD**. Think about it: A Child becomes the **MIGHTY GOD**. And at the same time, He becomes **THE PRINCE OF PEACE**. Would you admit that the world needs peace? If you admit that the

world needs peace, then you will also admit that the world needs the **PRINCE OF PEACE**. Do you want to have peace on Earth? If you want to have peace on Earth, then come and join hands with Me, and follow the precepts that I espouse. If you follow the precepts that I teach, then you will have peace as an individual. Your family will also begin to have peace and, as a result, you will have peace in the community, peace in the city, peace in the county, peace in the state, peace in the country, and peace in the world. This is who I am: **THE PRINCE OF PEACE**

I am come with the total solution to all of the problems of the world. I HAVE THE ABSOLUTE SOLUTION. I do not come discussing crime. I have come with the solution to criminalities. I have come with the solution to crime. I do not discuss drugs, and talk all about how they are a problem. I have reduced crime. It is gone. It does not exist within The Nation of יהודה: People who have ever had anything to do with drugs are free from them today. You cannot follow Me and be on drugs. It is impossible! You just cannot be on drugs! Neither can you follow Me and be an alcoholic. It is impossible! Totally! This is the solution, isn't it? When you make it impossible, that is the solution.

Those who have "received" Me do not shoot one another. Obviously, I have

a solution. You will not hear those who have “received” Me using profanity: You cannot curse and follow Me. It is just impossible! You cannot steal and follow Me. So you can lay your purse down where My people are and it will be there when you return. If you leave it, when you come back, everything you had in it will be in it.

Thieves cannot follow Me. Thieves do not like Me. They will say, “I don’t like יהוה בן יהוה because He won’t let me steal.” No, I cause people to give it up and become honest. Neither do liars like Me. Liars just cannot follow Me. They try to hang, but they end up leaving. Isn’t it beautiful to find out that there is a perfect society somewhere on Earth? I am developing this kind of society in the Earth. The only kind of men that can come to Me are honorable men: Men who desire to be honorable, upright, rectitudinal, straightforward, honest, good, and peace-loving. These are the only kinds of men who can come to Me.

When I first began My mission, I had a wide, open-door policy: Anyone could just come. Then I was taught real well that it is best not to take in scavengers, abominable shrimps, crawdads, and all those kinds of folks. I had to leave those kinds of people alone. I had to set up a screening process. You cannot come to Me now. I have shut My doors to wicked, crazy, and stupid people. Although some may

put on some white and try to "look" like they are Mine, but if they are not Mine, I will identify them as not being Mine. You cannot be Mine and then do the opposite of what I teach. That, too, is impossible.

Here I am as the **PRINCE OF PEACE** on the Earth, and it is full of war, rumors of war, and destruction on every side. I have come to you **first**, I have come to America, and I have come to the world saying, "If you want peace, join hands with Me." It is not going to do you any good to join hands with *de facto* governments. Join hands with Me. **I AM BRINGING PEACE UPON THE EARTH.** It is not a promise--something in the distant future. I have established **peace** where I am. And I have an ever-growing and widening circle of peace around Me.

IF YOU WANT PEACE, THEN JOIN HANDS WITH ME, AND I WILL SHOW YOU HOW TO HAVE AN EARTH FULL OF NOTHING BUT PEACE. YOU ARE ONE PART OF THIS WHOLE FAMILY. THE ONLY WAY THERE IS GOING TO BE PEACE ON EARTH IS FOR THE WHOLE EARTH TO COME BACK TO THE PRINCE OF PEACE, THE AUTHOR OF PEACE, יהוה.

Chapter Thirteen

The Kingdom of יהוה Is Going To Consume All Other Kingdoms

Regardless of what is going on in the Earth, Isaiah 9, verse 7 says that My government is going to increase, and the peace that I am bringing is going to increase without end. **WITHOUT END!**

Read Daniel, Chapter 2, verse 44, again:

"And in the days of these kings shall יהוה the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever."

This is the kind of kingdom that I am building. The kingdom that I am building is going to consume all other kingdoms, and is going to break all other kingdoms in

pieces. This is what I am here to do. I am here to break every government on Earth in pieces and consume them--all by Myself. Just consume them. That's it. They will not be any more! The only thing that I am going to allow to exist on My Earth is what "I" build. This is My Earth. Man did not create it. I created man. I put him upon My Earth. Do you think I am going to let man run it like he wants to? It is not his to run like he wants to. I am going to run it like "I" want to. Then I have the nerve to come, get on the Earth that I made, and then take up residence. I have the nerve also to be born among the most powerful people on Earth, and then stand up without a weapon formed by the hands of man, and tell the most powerful government on Earth that they are going to have to move over--give up their watch.

I AM HERE TO SET NEW TIME IN MOTION. You have to give it up. There is nothing anyone can do about it. You don't need a gun for this one. Noooo! No! No! No! Earthquakes do real well. Tornados do a wonderful job. Hurricanes are furious. Volcanos are devastating. Lightning strikes are awesome: They can tear up your computer and your phone.

Even insurance companies will insure against everything but יהוה. They will insure everything you can think of, but to insure anything against יהוה, they say--

"Well, we cannot handle acts of God." I am talking about the Man who is the Creator of all things. **I AM HIS SON.** I am speaking in His stead. I am speaking what He says. When you hear Me say I am going to consume every government, that is יהוה talking. I have 144,000 men coming to Me who understand everything I am saying. I am not worried about those who don't understand. Those who don't understand, I will let the 144,000 teach them. I know who to teach.

Now let Me bring something else to your attention: The Feast of Tabernacles is all about the **power** that I have. **I WILL BLESS THEM THAT BLESS ME, AND I WILL CURSE THOSE THAT CURSE ME.** And if you will come and join hands with Me and become My follower, supporter, friend, believer, and disciple--I will bless you. **ALL THE NATIONS OF THE EARTH THAT BLESS YOU WILL BE BLESSED. AND IF ANYBODY ON THE EARTH CURSES YOU, THEN THEY WILL ALSO BE CURSED, BECAUSE IT IS ONLY THROUGH YOUR RETURNING TO YOUR FATHER, יהוה, THE CREATOR, THAT WILL CAUSE ALL THE FAMILIES OF THE EARTH TO BE BLESSED,** as recorded in Genesis, Chapter 12, verse 3:

"And I will bless them that bless thee, and curse him that curseth

thee: and in thee shall all families of the earth be blessed."

IT IS IN THE CHILDREN OF יהוה THAT ALL THE NATIONS OF THE EARTH ARE TO BE BLESSED. THIS IS WHY I AM COME.

I have come to the so-called Black man of America **first** because he needs Me first, and because he needs Me most. Everyone knows that the so-called Black man of America is the most downtrodden people on Earth. Yet no one has the key to help him get out of his morass--the abyss of hell. No one has been able to raise him up and to raise him out of it but Me. And so all the nations that bless him are going to be blessed. I am here to teach them that, and all they have to do is try it.

When you help Me, I make your life good. I make you richer: I make your business more popular. There are businesses failing: they are going down all over the country. But every man in business that blesses Me, helps Me, treats Me right, and treats Me good is always going to be prosperous; he is always going to have it good. He will never fail as long as he helps Me, because I am going up. While everything else is going down, I am going up. The Bible says that what יהוה raises up will never come down. So when you attach yourself to what is always going up, that is a blessing. I love יהוה!

The Feast of Tabernacles is celebrated in the fall (some people call it autumn) at the completion of the agricultural year. It is for you to recall to your attention the long pilgrimage you took through the wilderness. The Feast of Tabernacles is also celebrated to commemorate the renewal of your covenant with יהוה. Covenant means "agreement." You made an agreement with יהוה in mount Horeb, as written in Deuteronomy, Chapter 5, verse 2:

"יהוה our God made a covenant with us in Horeb."

YOU, BEING HERE AND ALIVE THIS DAY, MADE THAT AGREEMENT, BUT YOUR FOREFATHERS BROKE THE AGREEMENT. THIS IS WHY YOU ARE IN SLAVERY IN AMERICA TODAY.

You have served over 435 years of servitude in America, and it has been because your forefathers turned their backs on יהוה. I have taught and am teaching you now that **you must stop blaming white people for your condition.** They are not responsible for your condition. They have done a good job of beating your behind. You needed beating. יהוה chose white people to beat you real good, and they did; and they are still doing a pretty good job. You need a little more beating

than you get. They really don't beat you up like you should be beaten up. You need a lot more beating than you are getting. יהוה used them as a "whipping boy." They know it. They are supposed to whip you. Anytime you turn your back on your God, you are causing white people to suffer. As a matter of fact, you are causing all the nations of the Earth to suffer.

The so-called Black people of America blame everybody for their problems. Every problem you have you blame somebody else: "If it wasn't for my teacher, I would have done this. If it wasn't for my football coach, I would have been the star. If it wasn't for white people, I would have been . . ." Yeah, yeah, yeah! You are just a liar. You wouldn't be anything because יהוה is tearing you up. I am not going to let you blame white people anymore. You cannot follow Me and do that. "If it wasn't for the white man who put me in slavery . . ." No! **YOU PUT YOURSELF IN SLAVERY. YOU WERE PUT IN SLAVERY WHEN YOUR FOREFATHERS TURNED AGAINST THE LAWS OF יהוה.** You may not like to hear it, but I don't care if you don't like to hear it.

Let us see why you are in slavery. Let us see why you are on the bottom of civilization. Let us see why you live in poverty and cannot move to riches. Let us

see why you live in the ghetto and cannot get out. Let us see why you are always down and out. Let us see why you hate your brother. You don't just hate white people, you hate everybody. You hate everything. You just hate! You hate hate! And you lie too: You say, "I love everybody." You are a loving liar. You don't love everybody.

Some of the biggest liars on Earth are Black folks. "Yeah, I'll see you at ten o'clock." You know you won't be there. You may never come, and won't call either. You have no courtesy, no business ethic, no kind of work ethic--nothing. You will have people waiting on you for two hours, and don't call. And know it. Then you wonder why you fail in everything you do. I am real, that's all. This is just the way it is. Somebody needs to tell you how you are. You are no good. There's only one way you can be good, and that is in יהוה. He is the **good God**. Yes, He is the **God of good**. How are you going to be good without Him? You cannot. I am the only One producing **good** people. Now you can be good by nature, but you need some help.

First Kings, Chapter 9, verse 5, reads:

*"Then I will establish the throne of thy kingdom upon Israel for ever,
..."*

Now look at this. Not the Israelis in North Africa, but **ISRAEL--forever!** Continue:

"... as I promised to David, thy father, saying, ..."

Now, this tells you who your father is. You haven't known who your father is. That is why when you get to be a TV star, you holler, "Hi Mom!" What about your daddy? Nobody ever says, "Hi Dad." Is it because you have never known him? You have never met him? He left early? Maybe he was a transient--in at night and out in the morning before you went to school? No, you have to know who your **father** is. This deals with your history.

Through your father, you know your culture. You are the only one in America without a culture. Knowing your father gives you your culture. When you study David you will find that David was a king of Israel. So when you find out that your father was a king, what is that putting inside of your mind? It is putting inside of your mind **ROYALTY, RULERSHIP, KINGDOM, RICHES, HEIRSHIP, INHERITANCE, and KINGSHIP**. I should hope that you would one day want to be a king like David was.

Chapter Fourteen

The Whole Family Is Blessed

I am here to make every man who follows Me a king. “Is יהוה בן יהוה a chauvinist? He is going to make all the men kings? Here we go again. All the other nations put the women in the background. Is יהוה בן יהוה coming to put women in the background again? Is He is going to hold us all down into the background on the bottom?” This is what all *de facto* governments have done: held women in check--on the bottom. This country has done it too. They say it is a free country, but they pay their women a fraction of what they pay their men for the same job. How can that be fair when they are doing the same work? A man gets more money for the same job? Well, I don't believe in that.

If you are a sister, don't get upset with Me because I said I am going to make all the men that follow Me kings, because I am also going to make you a **queen**. This

is the beauty of יהוה: He blesses everybody as a family: not just the men, not just the women, but He blesses the whole family.

I am going to make all brothers landlords. That is what I am already doing. Don't get jealous if you are a sister, because I am going to make you a landlady. You are an equal owner with the brothers. This is the beauty of the coming of בן יהוה יהוה: He blesses everyone as a family. Not just the men, not just the women, but He blesses the whole family.

First Kings, Chapter 9, verse 5 says that David is your father and that there shall not fail thee a man upon the throne of Israel:

"... There shall not fail thee a man upon the throne of Israel."

Here I am. You have been here in America for over 435 years without a king on the throne of Israel for you. **HERE I AM: THE KING OF ISRAEL.** You cannot vote for Me. No, this is not negotiable. I don't have to spend any money running for office. I came by Myself--**King of Israel.** When I came to Miami with nothing, **I was King of Israel. I was born King of Israel.** Nobody has ever taught Me how to become King of Israel. No one has taught Me how to be King. You have not

known how to treat a king, and I have not taken a course in kingship, and neither have you. But I am establishing the Kingdom of Heaven through the “**King’s dome.**” I am making it happen. I am **born** to do it!

Chapter Fifteen

Who Caused Slavery In America?

You cannot vote Me in as King of Israel. Therefore, you cannot vote Me out. If you don't like Me--go! That is how beautiful this is. There are countries where the people cannot get out. They are forced to stay there. There are countries that force people to do slave labor; and if they do not, they cannot go on a strike. Yes, there are countries like that. Countries will send the army in and beat the people until they go to work, and they shoot those who object. And after they shoot up enough people, the rest will say, "I don't want to be shot," so they will go to work for whatever amount they say.

They are in hell in these countries, in *de facto* governments, against their will, and that is most European countries: most Europeans are in their country against their will. You don't believe it? Let them open up the borders and see how fast they

run out. Wherever there is some freedom, they will leave. What does that prove? It proves that they are being held against their will. And they are good people. The wicked people are holding them there. When they get a chance, they will blow them away, won't they? They will shoot them. They will shoot them right there. And they will not hold any trials about it. Then if they don't watch out, another wicked group will take over. I am come with **superior** wisdom: government *de jure*.

Read 1 Kings, Chapter 9, verses 6-7:

6 *"But if ye shall at all turn from following me, ye or your children, and will not keep my commandments and my statutes which I have set before you, but go and serve other gods, and worship them:*

7 *Then will I cut off Israel out of the land which I have given them:*
..."

As you can see, you will get cut off from the gift of יהוה. If you or your children turn from following Me, you will get cut off from what יהוה has given you. This is going to be true for ever.

Do you see now that this is not white people's fault? You must stop blaming the white people from right now. From right now, you are no longer going to say,

“White people--this is why I’m in trouble.” You are going to stop that. It sounds hard to you doesn’t it? You may wonder to yourself: “You mean to tell me the way white people have treated us--they hanged us on trees, burned us on stakes, burned crosses on our lawns, beat us, mistreated us, killed us without a cause, and you are trying to tell me . . . We have suffered police brutality all across the country, and we have been victims of prejudice and racism and all these terrible things, and you’re trying to tell me . . .” Yes, you have got to go beyond the symptom. What white people did and are still doing to you is just a symptom. You must go to the cause. I am showing you the cause: **YOU TURNED FROM FOLLOWING יהוה**.

As long as you are allowed to blame white people, you will never return to יהוה. This is your excuse not to return to following your Father’s laws. All those who continue to reject or resist what I am saying, you are witnessing the hell they are catching. The wrath is just beginning for them. All of My people who resist what I am saying, hell is just heating up for them. What did My people do? My people served other gods, and most of them are still serving other gods, as written in Deuteronomy, Chapter 29, verses 24-28:

24 “Even all nations shall say, Wherefore hath the LORD, יהוה,

done thus unto this land? what meaneth the heat of this great anger?

25 Then men shall say, Because they have forsaken the covenant of the Lord God, יהוה, of their fathers, which he made with them when he brought them forth out of the land of Egypt:

26 For they went and served other gods, and worshipped them, gods whom they knew not, and whom he had not given unto them:

27 And the anger of the LORD, יהוה, was kindled against this land, to bring upon it all the curses that are written in this book:

28 And the LORD, יהוה, rooted them out of their land in anger, and in wrath, and in great indignation, and cast them into another land, as it is this day."

You have been worshiping other gods, right? Do you believe in other gods? יהוה said, "Well, if you do, I am going to cut you off out of your land." You have been cut off so hard, you don't know where you came from. You thought Kunta Kinte was it. You didn't know, and something inside of you said, "Well, I don't think that's it either."

Alex Haley didn't find the right answer because he died as Alex Haley. He went all the way over to Africa, said he met all his kinfolks--met Kunta Kinte. This man came back to America, Alex Haley. He made a lot of money. That is the nature

of America. You can make a lot of money in this country not telling the “whole” truth. This man went over there with a slave name, and came back with a slave name. He voluntarily came back a slave. The people in Africa have some other kinds of names. He did not take his family’s name. He came back Haley. There is much truth you have to learn.

Back to 1 Kings, Chapter 9, verse 7:

*“Then will I cut off Israel out of the land which I have given them;
and this house, which I have hallowed for my name, . . .”*

This is יהוה talking now. You forgot the **name**. You have been calling Me by some other kind of name. I don’t recognize that other kind of name. I only recognize you when you call Me by “My” name. **MY NAME IS יהוה בן יהוה**. I answer either way: If you say יהוה, I will answer; or if you say יהוה בן יהוה, I will still answer.

Continue 1 Kings, Chapter 9, verse 7:

*“. . . will I cast out of my sight; and Israel shall be a proverb and a
byword among all people”:*

What is a proverb? It is right here in the Bible. It says the people who are cut off out of their land and don’t know they are Israel, and who are worshipping other gods, are

going to be called proverbs or nicknames like coons, jigs, spades, burrheads, spivs, and shoes. Do you remember when we used to call one another shoes? That was way back. You have to be old to know about "shoes." Later you were called Negro, Colored, Black, and Nigger. Most famous is "nigger." Even you call yourself nigger and colored; you also call one another nigger. Nigger! You want to see some of us get mad? You just let a nigger get mad: "You black, cuckle bird, big-lipped, big-nosed, Nigger." You can get down with that one, can't you? That means you accept the proverbs and the bywords. It is promised (in the Holy Bible) that you would be called a proverb and a byword among all people. You want to get mad because someone calls you a "rascal." It is written that they would do this: You would be called by nicknames among every nation on Earth.

I heard on the news that over in Japan they had some prostitutes or somebody over there and they said, "You are just like niggers in America who destroy the neighborhood and make everything low-life." Then they came back later and apologized. They meant what they said. Niggers are guilty of that. Niggers do tear down neighborhoods. Wherever a nigger goes, he tears it up. He will turn Heaven into hell over night. A nigger will tear down a brick house with his hands. Niggers

are terrible. Aren't you glad I came with the book *You Are Not a Nigger*? This book teaches you how not to be a nigger.

Any time a whole nation of people call one another nigger, call themselves niggers, call their brothers and sisters niggers, don't you know something happened to cause that? Now you are finding out what happened. What happened is **YOU TURNED FROM FOLLOWING THE LAWS OF YOUR OWN GOD, יהוה**. This is why you are going through all the suffering you are experiencing today. And at this house--you are that house--which used to be very high, every one that passeth by you, in America, is astonished. Among themselves they hiss and whisper, and they say, "Why in the world hast יהוה done this to the niggers?" as related in 1 Kings, Chapter 9, verse 8:

"And at this house, which is high, every one that passeth by it shall be astonished, and shall hiss; and they shall say, Why hath יהוה done thus unto this land, and to this house?"

These are the little children from Gentile nations--Japanese, Chinese, and so on--who are asking this question.

Verse 9 says they know why, and it reads:

"And they shall answer, Because they forsook the LORD their God, יהוה, who brought forth their fathers out of the land of Egypt, and have taken hold upon other gods, and have worshipped them, and served them: therefore hath יהוה brought upon them all this evil."

The same people that יהוה brought out of Egypt are these same people suffering as a byword and a proverb. These same people are the so-called Black people of America today. Oh, this is rough, isn't it? This is why you cannot get up in America.

You can own your city where you are. You can own your ghetto, and turn it into a beautiful place. That is what I did: It's called responsibility. Why do you have a problem with Me saying we can come and buy your city and take over the ghetto and make it beautiful? You don't want to work. You have taken hold upon other gods, and you are worshiping and serving them. You are worshiping and serving other people. That is why יהוה has brought upon you all the evil you can see. Is that clear enough?

Are you going to stop blaming other nations for your troubles? Do you understand it now? You must blame yourself. I don't care what nation you are from or your nationality, if you are catching hell on this Earth, it is because you have turned away and you have forgotten the knowledge of יהוה.

Chapter Sixteen

יהוה בן יהוה Is In Your Midst

You are living evidence that Israel is overcoming the sting of Satan. **You are overcoming.** You are proof that Israel has overcome the bite of the poisonous serpent. You have received an antidote which has saved your life. What a blessing. I am so happy to know the name--יהוה. I am also happy to know the power of the name--יהוה. This name was in written historical evidence long before I took up this body. Glory to יהוה, the Supreme One, the Erudite One, the Elite One, the Majestic One, and the Luminous One! Glory to His name! Just His **NAME**!

The more you know about this name, the more your soul will rejoice. You cannot keep quiet and know about this name. This is why Deuteronomy, Chapter 10, verse 17, says that יהוה is God of all gods:

"For the LORD your God, יהוה, is God of gods, and LORD of lords, a great God, a mighty, and a terrible, which regardeth not persons, nor taketh reward":

He is God of all gods because this **name alone** gives you **mind power** over every other entity there is--except יהוה. How wonderful it is! I am excited about the name יהוה.

The Feast of Tabernacles is celebrated in the autumn at the completion of the agricultural year to recall your attention to Israel's long pilgrimage through the wilderness. You did not get enough of the wilderness when you left Egypt at Passover. It was your forefathers who were delivered from Pharaoh in Egypt: not some other people--but you. You wandered in the wilderness forty years, as written in Numbers, Chapter 32, verse 13:

"And the Lord's, יהוה, anger was kindled against Israel, and he made them wander in the wilderness forty years, . . ."

That forty years was a **sign** of four hundred years that you would wander in the wilderness of the hells of North America. All you had to do was add a zero to forty, and it turned out to be four hundred years. But your wandering right after deliverance was a **sign** of today. **THEREFORE, THE FEAST OF TABERNACLES ALSO**

COMMEMORATES A RENEWAL OF THE COVENANT: YOUR AGREEMENT WITH יהוה AND HIS AGREEMENT WITH YOU.

The Feast of Tabernacles is also known scholastically as the Feast of Ingathering, as described in Exodus, Chapter 23, verse 16:

"And the feast of harvest, the firstfruits of thy labours, which thou hast sown in the field: and the feast of ingathering, which is in the end of the year, when thou hast gathered in thy labours out of the field."

Now I must take a moment and give you the **spiritual** understanding of this. Since you do not have any "physical" crops, then what is the ingathering? **The ingathering is first the resurrection of My people in the nick of time, and then gathering them together in one nation as The Nation of יהוה at the end of this civilization's rule.** That song "Satan, We're Going to Tear Your Kingdom Down" that your ancestors knew would happen one day will then become a reality. **You** just thought that was the old saints. You didn't have a good understanding. **Satan's kingdom must go.** This means you have a lot of work to do and a short time in which to do it. **The ingathering is what the Feast of Tabernacles is all about: gathering the saints of יהוה together at the end of this civilization's rule.**

I have a "divine" number to reach in getting this job done. I am here to get the job done, and just bringing together My 144,000 is going to get it done. That is all it is going to take. When you join your mind with Me, you will understand what being **connected** is all about. The ingathering is for **this** day. Read Exodus, Chapter 34, verses 22-23:

22 *"And thou shalt observe the feast of weeks, of the firstfruits of wheat harvest, and the feast of ingathering at the year's end.*

23 *Thrice in the year shall all your men children appear before יהוה, the God of Israel."*

All My men children must appear before Me three times a year, by law--this is the law of יהוה. I know the women do not want to be left out, so they will be coming too. Once again you see the **wheat harvest** and the feast of ingathering. You know that within this Scripture lies the key to the Kingdom of Heaven being built: because the Kingdom of Heaven was compared to a man who sowed some seeds. The Kingdom of Heaven was also compared to wheat growing up with the tares, as in Matthew, Chapter 13, verses 24-30:

24 *"Another parable put he forth unto them, saying, The kingdom of heaven is likened unto a man which sowed good seed in his field:*

25 But while men slept, his enemy came and sowed tares among the wheat, and went his way.

26 But when the blade was sprung up, and brought forth fruit, then appeared the tares also.

27 So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares?

28 He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up?

29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them.

30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn."

In order for the Kingdom of Heaven to come into existence, the tares have to grow up with the wheat. And that is exactly what will happen at the time of the ingathering: It will happen among the firstfruits. This is what the firstfruits of the Feast of Weeks are all about: It celebrates all who have come to Me at this time. Then the ingathering will be when the mass of the 144,000 men come to Me, including the women.

Leviticus, Chapter 23, verses 34 and 36 says:

34 *"Speak unto the children of Israel, saying, The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto יהוה."*

36 *"... on the eighth day shall be an holy convocation unto you; ..."*

Seven days. The eighth day is a Holy Convocation. This is the law of יהוה. This is what you are required to do, and you are doing it. As you keep these feasts, you will see that you are blessed. The Nation of יהוה is obviously blessed above all other people, according to Deuteronomy, Chapter 7, verse 6:

"For thy art an holy people unto the LORD thy God, יהוה: the LORD thy God. יהוה, hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth."

Read Judges, Chapter 21, verse 19. This particular verse tells you that there is a feast of יהוה:

"Then they said. Behold, there is a feast of יהוה in Shiloh . . ."

Praise יהוה! The point is, this is whose feast? **This is the feast that belongs to יהוה.** Now what identifies you as "the people" is the fact that you keep His feast.

What identifies those who are claiming our culture and claiming our history is that they are not keeping it, especially when they keep it according to the lunar time as opposed to solar time. Those who claim your history and your culture do not keep the high holy days as ordered by the Torah. They go by the moon. יהוה told Israel to reckon time according to the sun, according to Genesis, Chapter 1, verse 16:

*"And יהוה made two great lights; the greater light to rule the day,
and the lesser light to rule the night: he made the stars also."*

To reckon time according to the sun carries a **spiritual** significance, because when you study the sun, you will find out that it is not just s-u-n but **S-o-n**.

S-u-n is just a symbol of the S-o-n. You are unable to look straight into the physical light rays of the sun; and in like manner, you cannot look straight at Me. I am too bright for you too. Just as you cannot curse at the sun and put it out, you can't curse Me and put Me out. You cannot stop anything I am doing. I have done everything I declared I would do, and I have accomplished what I please, as written in Isaiah, Chapter 55, verse 11:

*"So shall my word be that goeth forth out of my mouth: it shall not
return unto me void, but it shall accomplish that which I please, and*

it shall prosper in the thing whereto I sent it."

It doesn't matter who doesn't like it, and it doesn't matter who works against Me--I am still marching on to the tune that יהוה plays. **This is your example.** The Feast of Tabernacles is a feast of יהוה.

יהוה IS PRESENT ON THE EARTH WITH YOU. יהוה HIMSELF IS IN YOUR MIDST. Do you know how powerful it is to have the Creator of the universe appear on the Earth, walking and talking with you? and you can behold His glory? you can behold the glory of יהוה in His Son? Don't you know that this is a phenomenal time to live in? Praise יהוה!

You don't have to wish you were back 1,900 years ago. You don't have to wish you were with Adam to see him walk and talk with יהוה. And if you can believe that which you have never seen and say you believe in יהוה whom you have never seen, how are you going to turn around and discount Me whom you see? That is irrational to believe in something you cannot see, cannot prove--you just believe it. And you now have this same God, this same Man, this same Divine Mind with you today.

Challenge what I teach. Go find something superior to what I teach. You cannot just claim it to be superior. You have to **know** what I teach to compare it. You cannot compare what I teach with anything else unless you are first the master of what I teach. Then you also have to become the master of the other teachings that you want to compare with My teachings. This is real.

I have mastered all religions. I have mastered all of them. I know the ins and the outs of every single one of them. No exception. I know every “-ism” on the planet Earth. I know all of the “-ists.” I know all of the “-ists” and all of the “-isms.” So I am qualified to compare and make a choice. How could I be intelligent and choose a lesser god to one that is supreme?

I studied all the gods, and in all My studies the One that was withheld from Me was יהוה. I didn't have to be confused because יהוה was totally out of the picture. I know the name, and the religion, and the tenets, and the laws of every religion. I have all of their books right now in My library. I have read every single one of them from cover to cover. I did a statistical and comparative analysis of all of them, and then יהוה entered My mind. I was raised up, and then I discovered יהוה is God over all: He's superior over all of them. So what was the logical thing for Me to do? The

logical thing for Me to do was to switch over from all of that which was inferior to that which is **superior**. This is logical.

It was incredible for Me to discover that **I am יהוה, the Superior One**. This is truly incredible. I glorify My Father, and I am not ashamed to shed tears of joy about My Father's name, because **I HAVE COME IN HIS NAME. I HAVE COME IN THE GLORY OF HIS NAME. I HAVE COME IN THE PROTECTION OF HIS NAME. I HAVE COME IN THE WISDOM, KNOWLEDGE, AND UNDERSTANDING OF HIS NAME. I HAVE COME IN THE DELIVERANCE OF HIS NAME. I HAVE COME IN THE POWER OF HIS NAME. I HAVE COME WITH ALL THAT HE HAS: ALL THAT MY FATHER HAS OF WISDOM, KNOWLEDGE, AND UNDERSTANDING IS MINE, WHICH MAKES ME יהוה: WHEN ALL THAT IS HIS IS MINE, THEN I AM יהוה: I AM.**

Chapter Seventeen

It's A Mind Thing

It's a mind thing. Nothing is important but the mind, and **I AM HERE TO TAKE YOUR MIND FROM POVERTY TO RICHES, FROM INFERIORITY TO SUPERIORITY.** I am here to take your mind from a lack of confidence to nothing but confidence. I am here to take your mind from being a devil to being a god. Praise יהוה! And until I come into your life, you are nothing but an angel of Satan. Until you "receive" יהוה and "receive" Me, you are an agent of the devil himself. That means you oppose יהוה. You oppose and don't know why. You say you believe in the Bible. You "say" you do. All religions say they do. Now you either do or you are a liar.

If your religion requires you to believe in the Holy Bible, then you can't be a hypocrite about it. The Bible is not about many gods, though it acknowledges that

there are many gods, according to 1 Corinthians, Chapter 8, verses 5-6:

5 "For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,)

6 But to us, there is but one God, יהוה, the Father, of whom are all things, and we in him; and one Lord, יהוה בן יהוה, by whom are all things, and we by him."

THE HOLY BIBLE IS ONLY ABOUT ONE GOD--THE GOD OF ISRAEL,
according to Deuteronomy, Chapter 6, verse 4, which reads:

"Hear, O Israel: The LORD our God, יהוה, is one LORD":

THE WHOLE BIBLE IS ABOUT THE GOD OF ISRAEL! THE BIBLE IS ABOUT THE GOD OF THE HEBREWS. It is not about the god of Pharaoh. It is not about the god of the false prophets. **IT IS ABOUT THE GOD OF THE HEBREWS!**

I know what religions teach. They all teach the Bible is holy. If the Bible is holy, then the God of holiness is יהוה, because **THE NAME OF THE GOD OF THE BIBLE IS יהוה**. If the Bible is holy, then the Author has to be holy also. So if your religion requires you to believe in the Bible, then your religion is requiring

you to believe in the Author of the Book. His name is יהוה. Oh, yes! You can't get away from Me.

THE MOMENT YOU BELIEVE IN יהוה, THEN YOU HAVE TO GO BY WHAT HE SAYS, BECAUSE HE IS THE GIVER OF ALL THE LAW. He wrote it with His own finger, as you read earlier in Exodus, Chapter 31, verse 18. The Holy Bible is the oldest recorded religious Book. I don't care what they say about the *Vedas*. I don't care how many years they claim it is . . . 35,000 or whatever-
-the Holy Bible precedes every book, because I can take you back through infinity with the Holy Bible. I can take you wherever you can go. Whatever you can come up with, I can show you in the Holy Bible what you are talking about. And then I can predate what you are talking about with the Holy Bible. **I know because I was there.**

All religions are bound to the Earth. I said **all religions are bound to this Earth.** This means that they have a beginning, and this also means that the men of religions are limited to a beginning, which in turn sets them up for an ending. All things that have a beginning also have an ending. **I HAVE NO BEGINNING, AND I HAVE, THEREFORE, NO ENDING. I HAVE ALWAYS BEEN; THEREFORE, I SHALL ALWAYS BE.** This means that **I EXISTED OUTSIDE**

THE EARTH. This also means **BEFORE EVER THE EARTH WAS, I AM**, as written in Proverbs, Chapter 8, verses 22-30:

22 *“יהוה” possessed me in the beginning of his way, before his works of old.*

23 *I was set up from everlasting, from the beginning, or ever the earth was.*

24 *When there were no depths, I was brought forth; when there were no fountains abounding with water.*

25 *Before the mountains were settled, before the hills was I brought forth:*

26 *While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world.*

27 *When he prepared the heavens, I was there: when he set a compass upon the face of the depth:*

28 *When he established the clouds above: when he strengthened the fountains of the deep:*

29 *When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the foundations of the earth:*

30 *Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him”;*

This means before religion began on the Earth, I already was: My laws already existed. I used the laws I had already created to create the Earth. **I AM THE ONE WHO STOOD OUTSIDE OF TIME, SET THE EARTH INTO CREATION, SET THE SUN IN ITS MOTION, AND PUT ALL THE OTHER PLANETS AROUND IT--THIS PARTICULAR GALAXY--AS WELL AS ALL THE OTHER GALAXIES. I SET TIME IN MOTION. BEFORE ME, THERE WAS NO TIME.**

You may be the original man, but I am the **Originator**. You cannot come up with anything to top what I am saying. You definitely cannot top anything I am saying. You can be illogical, but you cannot top what I am saying. And when you deal with Me "logically," you just have to accept what I am saying. **There can be no life without life: Life comes from life.** The fact that there is life on the planet means that life has always been. I AM LIFE! **I AM LIFE!** And since I am life, this means no one, nobody, and nothing can extinguish Me. No one or nothing can kill Me. I cannot die. **I cannot die!**

If you are a body watcher, then you are in trouble. **I AM THE CREATOR. I**

AM "THE." I am "**the**" particular One already spoken of. And that One in particular is already spoken of. **I AM SELF-SPOKEN.** I wanted to talk, so I created a body to talk in. I wanted to walk, so I created a body to walk in. I wanted to fly, so I created flying machines, and created one for Me to fly in. **Whatever I want, I "will" it into existence. I cannot be denied.**

You can go find your god and bring him to Me so he can challenge Me. Bring him! Go get your god! Get him! I challenge all religions of the Earth: go get your god, bring him to Me, and I will set him down, as did Elijah in 1 Kings, Chapter 18, verses 24 and 27:

24 "And call ye on the name of your gods, and I will call on the name of the LORD, יהוה: and the God that answereth by fire, let him be God. And all the people answered and said, It is well spoken."

27 "And it came to pass at noon, that Elijah mocked them, and said, Cry aloud: for he is a god; either he is talking, or he is pursuing, or he is in a journey, or peradventure he sleepeth, and must be awaked."

I have some questions for him. Do you know where your god is? If your god is not יהוה, do you know where he is? Can you call him (your god) up and tell him what you want? Can you get your god on the main line? **THE GOD OF ISRAEL--YOU**

CAN GET HIM ON THE MAIN LINE, AND YOU CAN TELL HIM WHAT YOU WANT. AND BEFORE YOU SPEAK, I WILL ANSWER. Praise יהוה! WHILE YOU ARE YET CALLING MY NAME IN PRAYER, I HEAR YOU. I HAD ALREADY HEARD YOU BEFORE YOU EVEN OPENED UP YOUR MOUTH TO SAY, יהוה בן יהוה. RIGHT THEN, I HEARD YOU, as affirmed in Isaiah, Chapter 65, verse 24:

"And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear."

It doesn't matter from where you call Me on the planet Earth, as long as you face the East, My ear is continually tuned to the East, as noted in 2 Chronicles, Chapter 6 verses 34-35:

34 "If thy people go out to war against their enemies by the way that thou shalt send them, and they pray unto thee toward this city which thou hast chosen, and the house which I have built for thy name;

35 Then hear thou from the heavens their prayers and their supplication, and maintain their cause."

So from wherever you call, I hear you. While you are yet speaking to Me, I will answer, because **I AM THE LIVING, SOVEREIGN ONE. I CAN HEAR**

EVERYBODY AT ONCE. I CAN HEAR ALL YOUR DIVERSE QUESTIONS AT ONCE, AND ANSWER ALL OF THEM SIMULTANEOUSLY.

As Israel, you can produce your God. See how wonderful it is? All of Israel can produce their God. Judah, Yehudah can produce their God. But none of the other religions have produced their gods. They say they are waiting on him to come back; and then when I come, they don't recognize Me. **I AM HERE: THE ONE EVERYBODY IS LOOKING FOR.** And if you cannot see that I am the One you have been looking for all of your life, then you must be blind, and you need healing. Well, guess what? **I AM THE HEALER.** We used to sing that song. . . "I was blind, but now I see." You thought you saw before, but now you know you were blind.

I have the power to **transmute** Myself, to **transfigure** Myself into homes all over America and all over the Earth whenever I get ready. You can see Me, talk to Me, just like I am standing there. Some people have experienced Me doing this. They have experienced Me walking through the walls right into their rooms. Praise יהוה. That is why you had better get a clear understanding of what I am doing. This is not a figment of My imagination. It is a **reality** in your life. Yes, I'll walk right

through your walls, walk right into your bedroom, sit on your bed, and have a talk with you, and you will know that it is יהוה. And when you see Me, you will say, "Yes, that's Him." I look just like Myself.

You can't get no other god to do it. All your gods remain ghosts. This is what makes you so special. It is because there's a group of people born to **perceive** (to see) Me. Isn't that a blessing? Sometimes little babies also see Me. At a very young age, they make up their minds, "I want to be with יהוה בן יהוה." As soon as they find Me, "Ah! that's where I want to be."

WHAT I AM TEACHING IS NOT FOR EVERYBODY. IT IS FOR THE SAINTS OF יהוה. It has to be a thrill to see Me walk through your wall. And you are not afraid of Me when I do it. You are happy to see Me. I can walk right down the street: I can be in Miami, Florida, and walk the streets of New York with you, and you can "see" Me. You look around and say, "Yes, Yahweh"--and people will think you are nuts. They will. They will say, "That fool is talking to himself." You are talking to Me, I am talking to you, and at the same time I am carrying on other conversations with other people all over the country. I talk with people in England. I don't need a telephone. It is all about **MIND POWER**. I have it. And what I have

belongs to the 144,000.

Yes, you, too, can have it. Isn't that incredible? Yes, we can just look at each other and understand what the other is saying. I pick up thoughts anyway. I read thoughts in your mind. I pick up everything--out of town, in town, near Me, or away from Me. It doesn't matter. Oh, yes, I do! And you can't put Me on stage either, like, "יהוה בן יהוה", tell me what I'm thinking." You want to know what I am thinking? Read Luke, Chapter 4, verses 8-11:

8 *"And יהוה בן יהוה answered and said unto him, Get thee behind me, Satan: for it is written, Thou shalt worship the Lord thy God, יהוה, and him only shalt thou serve.*

9 *And he brought him to Jerusalem, and set him on a pinnacle of the temple, and said unto him, If thou be the Son of יהוה, cast thyself down from hence:*

10 *For it is written, He shall give his angels charge over thee, to keep thee:*

11 *And in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone."*

If I submit to that kind of request, then you would become god over Me. You can't tell Me what to do. Get behind Me, Satan. But if I do that, then you will want Me to

levitate. And if I levitate, then you will want Me to jump off a mountain. I heard “the angels will bear you up lest ye fall or stomp your foot on something.” I am not going through that. Don’t you understand the Son doesn’t have to go through that? Abraham didn’t challenge יהוה like that. He fixed Him some barbecue. I may be tough to handle, and I know I am hard to swallow, but that’s alright. **I am easy for those who love the Word.**

Chapter Eighteen

The Feasts Revitalize and Ignite Your All For יהוה

יהוה commanded all the men of Israel to assemble themselves at the feast in the seventh month, as recorded in 1 Kings, Chapter 8, verse 2:

"And all the men of Israel assembled themselves unto king Solomon at the feast in the month Ethanim, which is the seventh month."

יהוה gave the months **numbers**, except for Abib. Those who changed the calendar gave you January, February, March, April and May to throw you off from your salvation. The Feast of Tabernacles and the Holy Convocation (which is one day following Tabernacles) conclude all the feasts of the year. We have seven, and seven is the perfect number. So naturally, we have seven feasts beginning with Passover, Feast of Unleavened Bread, Feast of Weeks, Memorial Blowing of Trumpets, Day of

Atonement, the Feast of Tabernacles, and Holy Convocation--seven perfect feasts.

Each of the major feasts ignites and revitalizes your respect for יהוה. Each of the feasts revitalizes and ignites your all for יהוה. Each one of the feasts is designed to revitalize your reverence for יהוה. The feasts are designed to do all of these things. Since all religions "say" they believe in the Holy Bible, then they have to keep these feasts.

If you believe in the Holy Bible, then you must also make a joyful noise unto יהוה, according to Psalm, Chapter 100, verses 1-5:

1 "Make a joyful noise unto יהוה, all ye lands.

2 Serve יהוה with gladness: come before his presence with singing.

3 Know ye that יהוה he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture.

4 Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.

5 For יהוה is good; his mercy is everlasting; and his truth endureth to all generations."

You cannot enter into the presence of יהוה with one of those forlorn looks of

distress: A look like--"It's hell in my life." Some people are taught not to smile. Do you know how ugly you look when you don't ever smile? It takes a lot of energy to feel joy, and somebody taught you not to show it. I can't follow that, it's a strain on My brain. I mean, I am feeling good, and I can't say I feel good? I have to be able to express My joy: If something tastes good, then I will say, "It tastes good." If something looks good, I will say, "This looks good." If something feels good, I have to say, "This feels good." If something smells good, I will say, "This smells good." Then I end up saying this is just good, as in Genesis, Chapter 1, verse 31:

"And יהוה saw every thing that he had made, and, behold, it was very good. . . ."

Feeling good makes you smile. Why have all these beautiful, wonderful senses and you can't acknowledge when you sense pleasure? What a cramp in your lifestyle.

It is kind of like having security guards: You know, everybody just looks so mean and ugly. While everybody is having a ball, they have this ugly look. They don't have to look ugly. It is okay to smile. It is alright not to worry and it is alright to be happy. That is why people write songs about smiling and being happy, so people can feel relieved--they don't really have to worry, and that it's okay to be

happy. Isn't that something--someone has to sing a song and tell you to release that pitiful thing you are carrying around? You are carrying all these burdens around like, "Oh, if I don't have something to worry about . . ." Let Me tell you what I have heard all My life: "See, if you get too happy, you must be getting ready to die!" Have you ever heard that before?

Black people are scared to be too happy because they are scared they are going to die! You know, you start getting real happy, everything is working fine, all about your life is positive and beautiful, and then fear overtakes you. "Oh, oh! My time must be up." That's a horrible way to live. You may have lived like that. "Oh, oh! I'm getting too happy now." You get a mate and you are having a good time and you are just getting along and your life is going fine, and then you get scared. "Oh, oh, I guess we're getting ready to face a divorce soon. Yeah, I know something's wrong. You are probably doing something wrong--fixin' to break my heart." Then you hire a detective and get your heart broken. You should just leave it alone and be happy. יהוה is Wonderful! Wonderful! Wonderful! Wonderful!

Read 1 Kings, Chapter 8, verse 2, again:

*"And all the men of Israel assembled themselves unto king Solomon
at the feast in the month Ethanim, which is the seventh month."*

This is another reminder of the seventh month. In order for you to keep this feast, you have to know when the first month is. And the first month is not January. As we read in Daniel, Chapter 7, verse 25, January was put together by those who thought to speak **great** words against the Most High, יהוה, and who had in their minds to change the times--the calendars--and the laws. Why? So you, the original timekeeper, would not know what time it is. Therefore, not knowing what time it is, is not to know the beginning of your time to rule, and the end of the other man's rule. When you say, "Well, I must keep the seventh month." The first thing you are required to do is to dig and study and find out what is the right month, because you must keep this law, not in the sixth month, and not in the eighth month, but in the seventh month. And you know your mind is real dark about how to prove the first month.

The harvesting cycle begins with Passover and Feast of Unleavened Bread. You set your mind in the right orbit that Passover and Feast of Unleavened Bread is the beginning of the harvesting of the people to יהוה. This is when you begin

gathering them together. This cycle is consummated completely with the Feast of Tabernacles. This is a **DIVINE** thing in motion.

The Feast of Weeks concludes the cycle which began at Passover. And the Feast of Tabernacles concludes the cycle which began at the Feast of Weeks. All these feasts are dealing with the harvest: The gathering of the people together. The Feast of Tabernacles serves as a vehicle for distinctive aspects of Israel's covenant faith in יהוה and is, therefore, the medium of expressing gratification which emanates from יהוה. The Feast of Tabernacles is the medium of expressing homage to יהוה. The Feast of Tabernacles is a vehicle for expressing edification, glory, and honor to יהוה.

The Feast of Tabernacles is also a period which brings Israel together in unity; symbolically together in one place; spiritually together as one in mind. All the men of Israel must gather three times a year. You can never forget your family. **AS ISRAEL, YOU WOULD NEVER THINK OF COMING TO A CITY AND NOT STAYING AT THE SAME PLACE WHERE יהוה CHOOSES TO PLACE HIS NAME. TOTALLY UNTHINKABLE. IT IS CALLED FAMILY. YOU ARE JUST GOING TO DO WHAT ALL OTHER FAMILIES DO: ALL THE**

**OTHER FAMILIES SUPPORT THEIR OWN. YOU ARE ISRAEL, AND ALL
OF ISRAEL WILL SUPPORT ISRAEL. YOU CANNOT SUPPORT
SOMEONE ELSE AND BE ISRAEL TOO.**

Chapter Nineteen

You Must Show Love

I will show mercy to the thousands of them that love Me and keep My commandments, according to Exodus, Chapter 20, verse 6, which reads:

"And shewing mercy unto thousands of them that love me, and keep my commandments."

What a blessing. You want mercy? It doesn't matter if you are among thousands that are looking for mercy. **IF YOU LOVE ME AND KEEP MY COMMANDMENTS, I WILL GIVE YOU MERCY.** John, Chapter 14, verse 15, reads:

"If ye love me, keep my commandments."

Exodus, Chapter 21, verse 5 tells you:

"And if the servant shall plainly say, I love my master, my wife, and

my children; I will not go out free”:

Leviticus, Chapter 19, verse 18 also reads:

“Thou shalt not avenge, nor bear any grudge against the children of thy people, but thou shalt love thy neighbour as thyself: I am יהוה.”

You are to love one another. Now this is important because in America you have been taught to hate one another.

And even when you come to יהוה, you still sometimes express hatred for one another. Though you are sympathetic toward your Hebrew brothers' and sisters' condition, yet you sometimes express hatred toward them, and it is known by calling them derogatory names. You must undo that hatred. You are full of hatred for your Hebrew brothers and sisters. This means you are full of hatred for yourself as well. Leviticus 19:18 told you that you don't know יהוה. This is why, at the end of the verse, I had to remind you who is talking and who is giving you the command: **“Behold, I, יהוה, am speaking to you.”** This means you have to really come into the knowledge of יהוה.

You need My book, *From Poverty to Riches*. You can't live without this book:

You just "think" you are alive. I am telling you, you cannot live without My book, *From Poverty to Riches*. Without this book, you are dead to the knowledge of the name יהוה. You may have read a little bit here and a little bit there, but I have given you more knowledge in this one book than you are ever going to search out on your own. I verify where it is from. This makes Me the world's greatest Author and Publisher on Earth, because I have caused the knowledge of the **name** to be published, as I promised in Deuteronomy, Chapter 32, verses 2-3.

2 *"My doctrine shall drop as the rain, my speech shall distil as the dew, as the small rain upon the tender herb, and as the showers upon the grass:*

3 *Because I will publish the name of יהוה: ascribe ye greatness unto our God, יהוה."*

I am keeping My promise. I am keeping My vow.

First Kings, Chapter 10, verses 1 and 24, says that Solomon was famous concerning the name, יהוה:

1 *"And when the queen of Sheba heard of the fame of Solomon concerning the name of יהוה, she came to prove him with hard questions."*

24 *"And all the earth sought to Solomon, to hear his wisdom, which יהוה had put in his heart."*

Although the Bible says King Solomon was wise concerning the **NAME** of יהוה, yet there is no knowledge from King Solomon in the Bible of the **NAME**! The Bible completely eliminates the **NAME**, and just refers to יהוה as the "**NAME**." Solomon was famous concerning the knowledge of the **NAME**, but no knowledge of the name is written. This proves a greater than Solomon is here, because I am publishing **knowledge** of the **NAME**! This proves that Solomon did not reveal the knowledge of the **NAME** as I am doing, because it doesn't exist in anything that is written. Glory!

Now what did you just learn in Leviticus, Chapter 19, verse 18? You learned that you must **love** your people--Israel. **YOU ARE ISRAEL**. You must learn to love your Hebrew brothers and sisters. It is a law of יהוה: You must love your neighbor--your Hebrew brothers and sisters. This means that **YOU HAVE TO LEARN HOW TO LOVE YOUR INDIVIDUAL SELF**. For how can you love your neighbor as yourself when you hate yourself?

Leviticus, Chapter 19, verse 34, tells you:

"But the stranger that dwelleth with you shall be unto you as one born among you, and thou shalt love him as thyself; for ye were strangers in the land of Egypt: I am the LORD your God, יהוה."

I have to tell you again who I am. I have to tell you again who is teaching you this.

I AM TEACHING YOU THIS. Who am I? **I AM יהוה.** What am I teaching you?

I am teaching you that not only must you love your neighbor as yourself--and not only must you love your people, but you must also love the **stranger** that chooses to live among you. Don't be so callous or so possessive about your love: "I love my Master.

I love my wife. I love my children." Then you know, you want to sit back on it . . . superiority comes in: "I should be ready for Heaven now because I love my master."

Who is your Master? "Well, whoever my master is. It could be יהוה; it could be the one I work for. I love my master. I love my wife, I love my children. That's the way it ought to be."

But look at what you are being told to do: You must also love the **stranger** that is within your gates. Some people will say, "Well, I was taught in the church to love everybody." Yes, you were taught in the church to say this, but you didn't love everybody. That is a fact. But you can look at the 400,000 churches in America--with 400,000 preachers--and you will find that they still hate one another, and don't

love themselves. This is why they are trying to destroy the things that יהוה is personally doing for you.

I will show mercy unto you if you love Me and keep My commandments, as written in Deuteronomy, Chapter 5, verse 10:

"And shewing mercy unto thousands of them that love me and keep my commandments."

The test is not "I love יהוה," because you can teach a bird to say, "I love יהוה." So saying "I love יהוה" is not the test. The test is--"**keep My commandments.**" They are easy to know; therefore, they are easy to keep. First John, Chapter 5, verse 3, says:

"For this is the love of יהוה, that we keep his commandments: and his commandments are not grievous."

MY COMMANDMENTS ARE NOT GRIEVOUS. THE LAWS OF יהוה ARE NOT GRIEVOUS: THEY DO NOT CAUSE GRIEF.

The laws of יהוה are not difficult, and they are not upsetting. The laws of יהוה do not go against the grain. You don't have to swim upstream to deal with the

laws, you can get in the laws and just go downstream. They will even keep you afloat. If you listen to those who don't love יהוה, they will tell you, "It is hard to follow יהוה. Keeping the laws of יהוה is hard." I have heard people say this ever since I have come to teach. Along the way, there has always been someone around who would say that keeping and following the laws of יהוה is hard. Have you heard people say this before? It is only hard to follow יהוה if you love the ways of the heathen. But if you are not in love with the ways of the heathen, following יהוה is easy. So now quit saying that following יהוה is hard, because the law and the Word say that the laws of יהוה are not griveous.

Chapter Twenty

יהוה בן יהוה Has Set His Love Upon You

יהוה בן יהוה has set His love upon you, according to Deuteronomy, Chapter

7, verse 7:

“יהוה did not set his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people”:

Now do not get excited because someone else has thousands and tens of thousands of followers. Do not get excited because someone else can fill large auditoriums and arenas. Do not get excited that the chosen of יהוה cannot fill an arena. The chosen of יהוה are the fewest in number. יהוה has not set His love upon you because you are the greatest in the land. In fact, you are looked upon as the least in the land. And the Scripture says that יהוה chose you because you were and you still are one of the

fewest of all people. This makes you somewhat peculiar, as described in Deuteronomy, Chapter 14, verse 2:

"For thou art an holy people unto the LORD thy God, יהוה, and יהוה hath chosen thee to be a peculiar people unto himself, above all the nations that are upon the earth."

This also makes you kind of unique to have the Creator choose you, and you are one of the fewest.

There is something unique about you that when I called, you responded. This is why I chose you out of all the millions of people. **The joy is one God, one mind, one love, and one action.** It is just a joy to know you are chosen. How do you know when you are chosen? Did you choose? **IF YOU CHOSE TO RECEIVE ME, THEN YOU ARE CHOSEN. IF YOU LOVE THE LAW, AND YOU LOVE THE TEACHINGS OF יהוה, YOU ARE CHOSEN. WHEN YOU HEAR A NEW REVELATION WHICH BRINGS JOY AND REJOICING TO YOUR SOUL AND IT MAKES YOU ALIVE--THEN YOU ARE CHOSEN.** It is easy to find out about this; and remember, **"I" SET MY LOVE UPON YOU.**

Chapter Twenty-One

Your Love for יהוה Will Defeat Your Enemies

We are reminded how much to love יהוה in Deuteronomy, Chapter 6, verse 5,
which reads:

*"And thou shalt love the LORD thy God, יהוה, with all thine heart,
and with all thy soul, and with all thy might."*

I declare to you that if you love יהוה with all your soul, with all your heart, with all your mind, and with all your might, then you do not have to worry about anything else. You do not have to worry about what is going to happen in your life. You do not have to worry about what your enemies think about you. You do not have to worry about what your enemies might do to you. It is like having a "force field" around you.

When you love יהוה with all your mind, heart, strength, soul, body, and might, the enemy is already defeated before he heads in your direction. He has to learn that he is helpless against anybody who loves יהוה with his all. And if you love יהוה with your all, then you do not have any fear either, because perfect love will cast out all fear, according to 1 John, Chapter 4, verse 18:

"There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love."

So all you need is **PERFECT LOVE** for יהוה. This is why I can say you do not need a gun for this. Some people "think" the only way to protect themselves from their enemies is with weapons formed by the hands of man. It is kind of beautiful to come into the knowledge of יהוה and understand that you can put your trust in Him. No matter who the enemy is, how powerful he looks, and what he says or does, you know you can rely on יהוה to deliver you.

Joseph was thrown in jail because he was a man of integrity and refused to bow to the lust of a woman. Because he refused to bow, he was thrown in jail; but he was not forgotten. Genesis, Chapter 39, verses 12, 19-21 verifies this, and it reads:

12 *"And she caught him by his garment, saying, Lie with me: and he left his garment in her hand, and fled, and got him out."*

19 *"And it came to pass, when his master heard the words of his wife, which she spake unto him, saying, After this manner did thy servant to me; that his wrath was kindled."*

20 *And Joseph's master took him, and put him into the prison, a place where the king's prisoners were bound: and he was there in the prison."*

21 *But יהוה was with Joseph, and shewed him mercy, and gave him favour in the sight of the keeper of the prison."*

Daniel refused to bow to the image of the beast. He kept right on praying.

Daniel was thrown in the lion's den, but יהוה did not forget him either, as written in

Daniel, Chapter 6, verses 7, 11, 13, 16, 20, 22:

7 *"All the presidents of the kingdom, the governors, and the princes, the counsellors, and the captains, have consulted together to establish a royal statute, and to make a firm decree, that whosoever shall ask a petition of any God or man for thirty days, save of thee, O king, he shall be cast into the den of lions."*

11 *"Then these men assembled, and found Daniel praying and making supplication before his God, יהוה."*

13 *"Then answered they and said before the king, That Daniel, which is of the children of the captivity of Judah, regardeth not thee, O king,*

nor the decree that thou hast signed, but maketh his petition three times a day."

16 "Then the king commanded, and they brought Daniel, and cast him into the den of lions. Now the king spake and said unto Daniel, Thy God, יהוה, whom thou servest continually, he will deliver thee."

20 "And when he came to the den, he cried with a lamentable voice unto Daniel: and the king spake and said to Daniel, O Daniel, servant of the living God, יהוה, is thy God, whom thou servest continually, able to deliver thee from the lions?"

22 My God, יהוה, hath sent his angel, and hath shut the lions' mouths, that they have not hurt me: forasmuch as before him innocency was found in me; and also before thee, O king, have I done no hurt."

Shadrach, Meshach, and Abednego were thrown in a fiery furnace, but יהוה did not forget them. He was right in there with them keeping the heat of the flames away, as verified in Daniel, Chapter 3, verses 14-15, 17-18, 27:

14 "Nebuchadnezzar spake and said unto them, Is it true, O Shadrach, Meshach, and Abednego, do not ye serve my gods, nor worship the golden image which I have set up?

15 Now if ye be ready that at what time ye hear the sound of the cornet, flute, harp, sackbut, psaltery, and dulcimer, and all kinds of musick, ye fall down and worship the image which I have made; well: but if ye worship not, ye shall be cast the same hour into the midst of

a burning fiery furnace; and who is that God, יהוה, that shall deliver you out of my hands?"

17 "If it be so, our God, יהוה, whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king.

18 But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up."

21 "Then these men were bound in their coats, their hosen, and their hats, and their other garments, and were cast into the midst of the burning fiery furnace."

25 "He answered and said, Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of יהוה, יהוה בן יהוה."

27 "And the princes, governors, and captains, and the king's counsellors, being gathered together, saw these men, upon whose bodies the fire had no power, nor was an hair of their head singed, neither were their coats changed, nor the smell of fire had passed on them."

You may look like you have no hope. It may look to you like you will never escape the power of the devil, but I am here to tell you that **YOU ARE NOT FORGOTTEN**. As long as you have the strength to endure until the end, you are going to be alright, as expressed in Matthew, Chapter 24, verse 13 and Ecclesiastes,

Chapter 9, verse 11:

13 "But he that shall endure unto the end, the same shall be saved."

11 "... the race is not to the swift, nor the battle to the strong, ..."

Thousands of people that have come to Me have learned the Scriptures quickly, and they were able to repeat the Scriptures quickly. They could give you a Scripture any where in the Bible in three seconds (I used to time them. In three seconds, they could tell you where everything was.) You talk about running swiftly, they ran faster than anyone else could run, but they are not in the race today. I saw some come and they stood up strong, and they told everybody: "I'll never leave; I'm never going nowhere! I'm strong, I'll run this race because I'm strong." Today, they are gone. They are out of the race today. Yes, they are not in the race with יהוה now. Their "swift" is gone; their "strong" is gone. But there is one fellow that is going to win the race: endurance. Can you endure? Do you have staying power?

The ones who are going to live in Heaven with יהוה are the ones who have the strength and the faith to do and to be: The ones who endure until the end: those who say, "I'm going to stay to see what the end is going to be. You can't make me leave

before the end. Man, I got to see the end of this thing. Praise יהוה. That's why a cloud can't turn me around. Tribulation can't turn me around. People casting my name out as evil can't turn me around. People getting down on my case can't turn me around. People telling lies on me can't turn me around. People looking at me mean and saying bad things about me, calling me names, can't turn me around. I'm going to stay and see what the end is going to be! I just want to say, If Mama doesn't want to go, just don't hinder me. If Papa doesn't want to go, just don't hinder me. My children--if they don't want to go, just don't hinder me. If my biological sisters and brothers don't want to go, just don't hinder me. If my relatives and friends don't want to go, just don't hinder me, 'cause I'm going to stay. I'm going in. You may not want to go, but I'm on my way!"

It is something to love יהוה with your **all**. It is exciting! Deuteronomy, Chapter 7, verse 13 tells you:

"And he will love thee, and bless thee, and multiply thee: he will also bless the fruit of thy womb, and the fruit of thy land, thy corn, and thy wine, and thine oil, the increase of thy kine, and the flocks of thy sheep, in the land which he sware unto thy fathers to give thee."

Now these are a lot of blessings that follow the love of יהוה. יהוה will love you, and

because He loves you, יהוה will bless you. I have to go with a Man like this, don't you? My people love the enemies who curse them. My people love people who curse them and hurt them every day. But here is a Man, יהוה בן יהוה, who loves you. You have not done anything in particular to cause Him to love you

יהוה has come in your midst to love you, to save you, and you don't even know Him. You have been living a life of sin, but you have a Man, יהוה בן יהוה, who loves you. Because He loves you, He will bless you. While the other people out there who look like you are being cut off through birth control (murdering their babies, which cuts themselves off), He will be multiplying you.

Their children are not coming into the world. They are dying before they can even be born. But here is a Man who loves you; and because He loves you, He will bless you and multiply your children. Those who follow My teachings are having children right and left. Well, if things continue this way, those who follow My teachings will soon be the only population in America.

There were only eight people left after the flood. Think about it. Those who love יהוה are going to be fruitful and multiply and have plenty of children. Those

who hate יהוה are going along with birth control pills. Those who do not love יהוה are going along with contraceptives, IUDs. They are going along with whatever the enemy puts in front of them because they want to have a “good time,” according to the enemy. And when you look at the “good time” that the enemy promotes, it is all death. All that the enemy promotes as “good time” is death: like smoking cigarettes. He shows you people “coming on up” to some cigarettes. Some people will “walk a mile” for a cigarette. Other people “would rather fight than switch” from cigarettes. They promote cigarettes in wide open spaces with people riding on a horse out in the country smoking cigarettes. It is cool. They even named cigarettes Kool. Cigarettes cause death, but they are promoted as something great.

The enemy of יהוה promotes gambling as though it is fun, but you have one person out of ten million that can win something. Nine hundred ninety-nine thousand nine hundred and ninety-nine lose every single day. That is death to your pocket book.

They promote drinking strong drinks as fun, as having a “good time.” They even have places for people to drink, which they call fun. They can only have fun there at night. Question: Why do people love darkness? They love darkness because

their deeds are evil, according to John, Chapter 3, verse 19:

"And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil."

So they go to a night club. They do not go to a day club. Fun is only at a night club. And then in the club, they just don't go there when night comes, it looks like night inside all the time. And everybody in there is looking for fun. Everybody is stumbling around all in the dark, walking on people's feet, bumping all up against one another, and they call that fun, especially when a male bumps up against a female: That was really fun, "Let me just walk back that way again." Then you also have men having fun bumping all up against men and women against women. Nobody knows what's going on. Everybody is having fun--they think. Death is in the night clubs. People get shot and killed recklessly in night clubs all over this country. The drinks are death. I do not need to name all the things that the heathens call fun. I have just shown you that it is all death and destruction.

But here is a Man who loves you, and because He loves you, He will bless you and multiply the fruit of your womb. What does your womb carry? Your womb carries children. The enemy of יהוה teaches you to hate having children, and you

have that preconceived idea in your head from Satan. "Well, how many children you want?" "Well, I want one." You never want more than two, right? "Two is enough. My mamma had eight, but I'm only having two."

You do not care anything about what יהוה wants you to have. He did not write two on a womb. You would think that a surgeon could open someone up and look in there and say, "Yep, she's only going to have two." יהוה has already written it down: You have read it: Because יהוה loves you, He will bless your womb. He will bless the womb and what the womb carries in it. Therefore, having children in יהוה is a blessing. It does not do you any good to wish you could have a child. It is all up to יהוה. So when your womb can open up and have one, it is a blessing from יהוה.

Chapter Twenty-Two

יהוה Is Ready to Bless the Fruit of Your Land

As you read in Deuteronomy, Chapter 7, verse 13, because יהוה loves you, He will bless the fruit of **your land**. Your land--**YOUR LAND**. יהוה will bless the fruit of **your land**. And you have just awakened to the fact that you are without control of your land. Here is a Man who loves you and is ready to bless the fruit of your land, and you are without the “consciousness” of your land. When you become “conscious” of יהוה, you become “conscious” of the fact that you have land, but you do not have control of your land. This proves a mighty statement.

Now since יהוה is ready to bless the fruit of your land, and you are now resurrected without the control of your land, look what יהוה is about to do for you. What is He about to do? He is about to give you land. It is yours, and you will have

control over it. That tells you why your enemy is after Me, why he is trying to stop Me. Look what I am waking you up to: Your land. The people who have control over your land don't ever want you to wake up to the knowledge that this is your land, because the moment you wake up to the knowledge that this is your land, you are going to want it. Oh, yes, you will surely want what is yours.

I came to you teaching about your land, as described in Genesis, Chapter 28, verse 4 and Deuteronomy, Chapter 4, verse 1:

4 "... that thou mayest inherit the land wherein thou art a stranger,
..."

1 "Now therefore hearken, O Israel, unto the statutes and unto the judgments, which I teach you, for to do them, that ye may live, and go in and possess the land which יהוה, the God of your fathers, giveth you."

I AM HERE TO WAKE UP THE PEOPLE TO WHOM THE LAND BELONGS. It won't do Me any good to take 25-30 of you to your land when there are 144,000 that must wake up before you can go. First things first for Me. I am tired of being in this land under the control of another, but there is no need to march and demonstrate and boycott about it. That is what the blind leadership is doing.

Chapter Twenty-Three

You Must Have Holiness To Be Free

The tabernacle was the sanctuary used by the Israelites during the Exodus. And the sanctuary of the Temple of יהוה is the Holy of Holies. **The Exodus was not a past experience alone: It is a present reality. You are now at this moment exiting the American mind-set. HOLINESS IS THE REQUIREMENT OF YOUR FREEDOM. YOU CAN NEVER BE FREE WITHOUT HOLINESS.** There is no way. Simply no way!

To exit America is to enter into the **Tabernacle** of יהוה. No other tabernacle is going to save you, protect you, give you freedom, justice, nor everlasting life. Believe Me, **ALL NATIONS THAT HAVE PARTAKEN IN THE WICKEDNESS OF AMERICA MUST NOW MAKE A CHOICE BETWEEN THE PRINCIPLES OF AMERICA OR THE PRINCIPLES OF יהוה.** They must

make a choice, and the choice is the mind-set of America--which represents a lot of people on this Earth--or the mind-set of יהוה. Our present day tabernacle is the Holy of Holies. If you do not know who the Holy of Holies is, if you do not know who the Ark of the Covenant is, and if you do not know who the Tabernacle of יהוה is, let Me tell you: all of these names refer to the Son of יהוה: יהוה בן יהוה.

I am here to give you the element of moral character which you must have in order to continue to exist in America. **THERE IS NO WAY FOR YOU TO CONTINUE TO EXIST IN AMERICA WITHOUT MORAL CHARACTER.**

I read an article in the newspaper where the author said, "Morality has ceased to be the order of the day in America. As a result, nothing but degeneracy has taken place: pure moral decay over the 'entire' society. All of the fabric of America is gone because children have not been taught **morality**." This is what he said. It is not that we need him to verify what יהוה is saying, it is just the fact that there are those who can see it. And I have read articles from other newspapers throughout other parts of the country and absolutely nothing has changed in America. **Absolutely nothing.**

So if people simply write about the problem--the lack of morality--and nothing changes, obviously they are not the ones born to change it. Isn't that real? Quite obviously, they are not. Yet, on the other hand, I am actually bringing about character reaffirmation. So I am not simply saying this is what is needed in America, I am doing something about it.

The children that are in The University of יהודה were previously and thoroughly exposed to an **immoral** school setting. Even if they had wanted to do better, there were no role models. They could not go and group themselves with other **moral** children. They had no way of knowing them. In fact, peer pressure told them "Don't think about trying to find anybody good in school, just stick with yourself." And the pressure was always on them to be other than good--always, continually, every day, all day. And when they got home, they had the same pressure from television. Whomever they chose to be around, the same thing happened.

I have demonstrated that I have the solution simply by establishing The University of יהודה where nothing but **moral** character is not only taught but also required. And what is even more important is, it is not forced on the students. The students require it, they desire it, and they want it. I have established a policy to

encourage those who do not want a “moral” character to go back where immorality is. Isn't that great? So what happens is I have a school full of children who want the **good** life.

But back to the point of strength. I have developed a role model for America in The University of יהוה that says, you can have a moral school setting. There are children who were born to יהוה and who are growing up in The University of יהוה; so the results are astonishing, and will only get better. There can only be a greater youth coming forth. While other people are worried about their schools going down and they cannot do anything to change them, The University of יהוה is going up; and everything that is required to make it do so is being done.

Chapter Twenty-Four

The Will of יהוה Is Received Through יהוה בן יהוה

Historically, the tabernacle was the place where יהוה, the God of Israel, revealed Himself and dwelt among Israel. **I AM THE MEDIUM THROUGH WHICH YOU** receive the instructions. **I AM THE MEDIUM THROUGH WHICH YOU RECEIVE THE WILL OF יהוה**. I reveal the words of יהוה to you: this is what I do.

John, Chapter 16, verse 13, describes My job among you, and it reads:

"Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come."

This is My work among you. I am doing a good job of this. I am the **Tabernacle**. I

repeat to you that I am also the **Ark of the Covenant** and the **Holy of Holies**, living in the flesh among you. John, Chapter 1, verse 14, says, I am dwelling among you in the flesh:

"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."

Anyone who wants to deny that I am in the flesh has to be blind. Every spirit that confesseth **NOT** that **יהוה בן יהוה** is come in the flesh is **NOT** of **יהוה**, according to 1 John, Chapter 4, verse 3:

"And every spirit that confesseth not that יהוה בן יהוה is come in the flesh is not of יהוה: and this is that spirit of antichrist, whereof ye have heard that it should come; and even now already is it in the world."

All of the high holy days, sometimes called festivals, serve as illustrations of how the **covenant** has operated throughout history. Each event with which the high holy days are associated is therefore constructed in terms of a reciprocal relationship between **יהוה** and the people of the Earth: His relationship with Israel first, and then the people of the Earth. This is the way it works: I have come to Israel first, and then to the other nations.

As Judah begins to praise their Creator, יהוה, then other nations will begin to praise יהוה as well. They will not praise יהוה until Judah does. Other nations of the Earth will not confess the name יהוה until Judah does. The other nations' knees will not bow to יהוה until Judah's knees bow. Other nations will not glorify יהוה until Judah glorifies Him. Other nations will not give praises and thanks to יהוה until Judah gives praises and thanks to יהוה. Other nations will never enter into His courts with thanksgiving and into His gates with praises until Judah enters into His courts with thanksgiving and into His gates with praises. Other nations will never make a joyful noise unto יהוה until Judah makes a joyful noise unto יהוה. Then all the lands will clap their hands because Judah is clapping their hands. All the people of the Earth will seek יהוה as Judah seeks יהוה. If you can understand what I have just said, then you understand clearly that Judah is the leader of the world.

Any people who are the first to lead others to the glory of יהוה, they themselves become glorified in and by יהוה. Isn't that something to think about? And when you take on the righteousness of יהוה, you will be exalted high above all nations on the Earth, according to Proverbs, Chapter 14, verse 34:

"Righteousness exalteth a nation: . . ."

This is all it takes. This little simple prescription: **Be right, be good, be honest, be upright, be honorable, and be straight-forward.** This is easy. It is an easy life; and evenmore, it is a happy life.

The righteous are responsible for the Earth praising יהוה. This is your responsibility; and then the Earth will follow. It's just like you created the "high five." The whole world runs around doing the "high five." They can't speak English, but they do that. Why? Because you are doing it. You did the twist. Next thing you know, the whole world was breaking their backs twisting. Why? **BECAUSE ALL NATIONS OF THE EARTH KNOW THAT JUDAH IS THE LEADER.** So just as they follow you in foolishness, they will also follow you in righteousness. You take drugs: the world takes drugs, because they want whatever you want. They know who you are. They say, "There must be something in it, because Judah is doing it." The young people have forgotten that Judah lost their minds. So, as a result, they have also lost their minds.

The Feast of Tabernacles carries a particular meaning for The Nation of יהוה,

which deals with universal and practical expressions of commitment: Your commitment is to the Omnipotent Creator, יהוה. It is all about **your** commitment. However, all nations are going to be required to come and worship the King of Israel, יהוה בן יהוה, during the Feast of Tabernacles, as written in Zechariah, Chapter 14, verse 16:

"And it shall come to pass, that everyone that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD, יהוה, of hosts, and to keep the feast of tabernacles."

Now think about this. This just doesn't seem feasible. When you look at the condition the so-called Black man is in in America, how in the world can all nations be required to do anything he does, right? Look at his pitiful condition. I don't really have to call your attention to it too strongly, do I? You see it every day, probably driving through your city. The so-called Black man is devastated. Even you have to admit he is dead--obviously, a destroyed people.

The talk is that Black men are becoming an endangered species. He is not only endangered, but he is also going to be totally destroyed unless he comes to יהוה. He is already destroyed. There is nothing left for him now but the second death. The

first death has already taken him out. And yet the whole world is going to have to come and worship the King, יהוה בן יהוה. The FBI and the government and all kinds of enemies are working day and night trying to figure out how to keep Me from raising you up to praise יהוה instead of them. They understand that when I move you from **poverty** to **riches** that I will have moved you from **DARKNESS** to **LIGHT**.

The government of America understands better than you where I am moving when I teach you how to move from poverty to riches. And you wonder why they want to stop it? They know that there will be people coming to Me who want to learn how to get out from under their control and be under the control of יהוה. This is where I am going to move you. I am going to be moving you from under the control of those who oppress you. This is upsetting to them. They understand that when I make you rich, and the way I make you rich, then they have just lost control of you. You become a power, and you also come into power. As family, who can deny you? You can be denied as an individual, but you cannot be denied as family.

I am talking about where the power is. All nations are going to have to worship the King of Israel. Can you believe that? It just doesn't look like it. It doesn't. Look at the world. It doesn't look like all nations are going to have to

worship Me. And I have the nerve to say it out loud. I am not coming around the corner about it. I am speaking head up, wide open, and it doesn't look like anything can make this happen. But I remember coming to Miami all by Myself and it didn't look like I would ever get anybody. My, how things have changed!

All nations shall come and worship the King, according to Zechariah, Chapter 14, verses 16-19:

16 "And it shall come to pass, that everyone that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD, יהוה, of hosts, and to keep the feast of tabernacles.

17 And it shall be, that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, the LORD, יהוה, of hosts, even upon them shall be no rain.

18 And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the LORD, יהוה, will smite the heathen that come not up to keep the feast of tabernacles.

19 This shall be the punishment of Egypt [America], and the punishment of all nations that come not up to keep the feast of tabernacles."

How many nations can escape this directive? **None--ALL NATIONS MUST**

COME. Now this means that something great has to take place, right? Something miraculous is going to have to happen for **all** nations to be involved in this. And it says something about everyone that is left. If you don't understand the mystery, look in the Middle East. It is not going to be a whole lot of folks left! But of all the nations that are left--after Armageddon--shall go up. Armageddon is promised, so it has to come, as written in Revelation, Chapter 16, verses 16-21:

16 "And he gathered them together into a place called in the Hebrew tongue Armageddon.

17 And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done.

18 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great.

19 And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before יהוה, to give unto her the cup of the wine of the fierceness of his wrath.

20 And every island fled away, and the mountains were not found.

21 And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed יהוה because of

the plague of the hail; for the plague thereof was exceeding great."

It is going to be like the Bible says: And the Bible tells us clearly what is going to happen to their eyes and their tongues and the flesh on their bodies in Zechariah, Chapter 14, verse 12:

"And this shall be the plague wherewith יהוה will smite all the people that have fought against Jerusalem; Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes, and their tongue shall consume away in their mouth."

While they stand up on their feet; before their bones can hit the ground, their eyes will be gone, their tongues will be gone, the flesh on their bodies will be gone. Of all of them that are left, I think they will probably be glad to come and worship **Me--the King of Israel**. And there is a reason why this is going to happen.

Chapter Twenty-Five

The Purpose of the Feasts of יהוה

The interrelation of the festivals of יהוה is most important in understanding the meaning of each of them: They are interrelated. Each prescribed feast carries its own distinct meaning, though each culminates with the purpose of bringing man, especially Israel, into a closer relationship with יהוה. Each feast also causes you to remember all of the miracles that took place at the hand of יהוה: the miraculous things which יהוה had done for you in times past. The feasts remind you of the miraculous things יהוה is doing for you right now. In each instance where your enemy comes up against you, יהוה always reaches in, as He promised, to protect you: His will is never frustrated on behalf of you.

All of the feasts keep you "conscious" of your obligations to the will of יהוה.

Keeping His **WILL** will ensure your future with יהוה. **THERE IS NO FUTURE WITHOUT יהוה**. You know that. You know your pitiful condition in America without יהוה. The whole time you have been in America has been a pitiful time. But you are still living in America, and your condition has changed: You are still living in America, and you are coming into the knowledge of יהוה. You are receiving the knowledge of יהוה and making up your own mind to live the laws of יהוה; as a result, your situation and your circumstances are changing for the better.

As you begin to put יהוה first in your life, your life begins to increase on the positive side in every aspect that you can think of. Thus, you become a witness that it is impossible to follow יהוה and not be blessed. You become a witness that the blessings of the Lord, יהוה, do make you rich, and He adds no sorrow with it. You begin to see Proverbs, Chapter 10, verse 22 become real in your life, and it reads:

"The blessing of the LORD, יהוה, it maketh rich, and he addeth no sorrow with it."

Praise יהוה!

So the Feast of Tabernacles grants you the opportunity to give back to יהוה

that which He has blessed you with. In His mercy, He does not require you to give all back--just a portion. And as you give a portion of it back, He adds to your blessings. **The Feast of Tabernacles is a time to pay tribute to יהוה, not only for what He has done for you in the past, but also to ensure that the same abundant blessings occur the following year, and the year after, and throughout your life.**

Chapter Twenty-Six

יהוה Is the Agent of Nature

יהוה is the **AGENT OF NATURE**. Therefore, as the Agent of nature, יהוה cooperates in all activities and, therefore, is entitled to share a part of what He blesses you with. It just shows appreciation. This is what it is. יהוה simply blesses you by your showing Him, “יהוה, I appreciate the blessings You have given me.” That’s just common sense, in My opinion. Someone who does not have to prepare a meal for you and he does--common courtesy is to say, “Thank you.” This is etiquette: “Thank you.” Someone comes up and gives you a good blessing--what do you say? “Thank you.” So, “thank you” has been prescribed by יהוה as a tenth and a freewill offering, as described in Malachi, Chapter 3, verses 7-10:

7 “Even from the days of your fathers ye are gone away from mine ordinances, and have not kept them. Return unto me, and I will return unto you, saith the LORD, יהוה, of hosts. But ye said, Wherein

shall we return?

8 Will a man rob יהוה? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings.

9 Ye are cursed with a curse: for ye have robbed me, even this whole nation.

10 Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD, יהוה of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

This means that certain portions of your crops, your livestock, and all of your firstfruits should be rendered to יהוה as concrete retributions for the help that יהוה has given you.

You may not know it at this moment, but the day is coming when the whole world must pay tribute to יהוה. A sign of this was when all nations surrounding King Solomon's kingdom brought tribute to him in 1 Kings, Chapter 10, verses 24-25:

24 "And all the earth sought to Solomon, to hear his wisdom, which יהוה had put in his heart.

25 And they brought every man his present, vessels of silver, and vessels of gold, and garments, and armour, and spices, horses, and mules, a rate year by year."

No exceptions. And he had a peaceful kingdom, as recorded in 1 Kings, Chapter 4, verse 24:

"For he had dominion over all the region on this side the river, from Tiphseh even to Azzah, over all the kings on this side the river: and he had peace on all sides round about him."

His kingdom was not based on war. They all brought tribute because he was **WISE** concerning the name. This must happen again, but it is going to be forever this time.

Ultimately, the world will come to understand and gain knowledge of יהוה. This is what I am publishing. All of My works which are listed in *The Wonderful World of יהוה* catalog are filling the Earth with the knowledge of the name, יהוה, and declared in Isaiah, Chapter 11, verse 9:

". . . for the earth shall be full of the knowledge of יהוה, as the waters cover the sea."

So, as a result, they must pay tribute to יהוה for His unselfish and eleemosynary donations to all men. יהוה **IS THE GIVER OF LIFE ITSELF**. This is enough for all men to give. You must come to know that the Tabernacle of יהוה is with men. But the Tabernacle of יהוה is not with all men: It is with **The Nation of יהוה**, the

tribe of **Judah**, according to Revelation, Chapter 21, verse 3, which reads:

"And I heard a great voice out of heaven saying, Behold, the tabernacle of יהוה is with men, and he will dwell with them, and they shall be his people, and יהוה himself shall be with them, and be their God."

Do you understand? Did anything in there shock you a little bit? יהוה **HIMSELF** shall be far away from you? No! With you! יהוה **HIMSELF** shall be with you, and shall be just another man? No! Your God! This means that those with whom יהוה dwells understand that He is יהוה. This is why it is so important to Me that only those who "believe" in יהוה remain in The University of יהוה. Those are the only ones, because if your children are in The University of יהוה not believing in יהוה, then how can יהוה dwell with them?

יהוה DWELLS WITH THOSE WHO ARE NOT ONLY "CONSCIOUS" OF HIM BUT ALSO THOSE WHO "RECEIVE" HIM. AND THE PROOF OF "RECEIVING" יהוה IS WHEN YOU LIVE ACCORDING TO HIS WILL, NOT "YOUR" WILL: IT MEANS YOU RENOUNCE YOUR OWN WILL IN ALL THINGS WHEN IT COMES TO יהוה. Praise יהוה. Then the prayer becomes real: It is not my will, יהוה, but Thy will--Your will be done in the Earth, just like

it is in Heaven, as written in Matthew, Chapter 6, verse 10:

"Thy kingdom come. Thy will be done in earth, as it is in heaven."

Not my will, but Thine. Those are the ones who יהוה is going to live with and dwell with. Those who believe like this.

It will not matter who does not believe like this. He will not be dwelling with them. Those who do not accept יהוה will be suffering all these plagues that you read about in the Bible. So naturally, **NEW JERUSALEM WILL BE WHERE יהוה DWELLS WITH THOSE WHO BELIEVE AND ACCEPT AND RECEIVE AND LIVE ACCORDING TO HIS WILL.** What a wonderful piece of knowledge to know that **that** day is here; and there are those who are upset that it is here. That is not relevant either. Those who don't like it are inconsequential. Our strength comes from those who do like it.

It is not important how many students are not in The University of יהוה. What is important is how many are in The University of יהוה, because they are the ones who are receiving direct blessings from the teachings of יהוה. They are the ones who are receiving the blessings of יהוה because they are the ones who receive: simply

because they “receive” Me. And just think, the Creator of Heaven promised to be here on Earth with you and to be your Sovereign Protector, your “Divine” Guide.

Chapter Twenty-Seven

יהוה בן יהוה The Secret Things of

THE TABERNACLE OF יהוה IS WITH THE NATION OF יהוה, THE TRIBE OF JUDAH: those who accept the challenge of living up to the attributes of the name of יהוה. The principles of יהוה are being established among the elect, the chosen: those who choose to serve and work for יהוה. That is who this is for. **THE PRINCIPLES OF יהוה ARE BEING ESTABLISHED THROUGH THE ELECT, THE CHOSEN.** Among this select group, the chosen ones, will be the element of communication by which יהוה will be revealed. Deuteronomy, Chapter 29, verse 29 reads:

"The secret things belong unto the LORD our God, יהוה: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law."

Now stop for a moment and think, consider: **THE SECRET THINGS OF יהוה ARE GOING TO BE REVEALED TO YOU.** The “secret” things of creation of the Creator belong unto יהוה, who is your Father. I want to repeat this several times until it sinks in. **THE “SECRET” THINGS BELONG TO YOUR FATHER, יהוה.** By now, you should have an appreciation for that which is secret. This is directed to you if you have a keen appreciation for things secret. There is a very, very, very fine point being drawn here, but those secrets of יהוה that belong to יהוה--once He reveals them to you, the chosen--they become your private property: Your personal, private possessions that are to be secret with you. יהוה DOES NOT REVEAL HIS SECRETS TO YOU FOR YOU TO REVEAL THEM TO SOMEONE ELSE. Well, this is why יהוה says . . . to the elect: Everyone is not “elect.” They have bodies but they are just not “elect.” They do not have the mind to understand that which is secret from that which is not.

I want to emphasize that the knowledge you receive at the feasts belongs to those who attend. If other nations want it, they have to come to the King, worship the King, and let the King give it to them. It is not your job to give it to them. It belongs to you and to your children forever. So that means even your children have to learn

that this wisdom is theirs.

Those who are not of the **elect** cannot be in on the “secret” things of יהוה because they will violate the boundaries of the secret. Instead of letting the secret stay within, they will feel compelled to go and tell someone. You may think people with the same color as you, are your friends. You may believe in the skin-color game. There are so many who are still sick with that. You think everybody with the same color as you is your brother. So you want to help your brother because you “think” he is your brother. **Being of the same skin color does not qualify someone to be your brother.** That kind of thinking will get you killed.

יהוה is powerful. He is using nature to shake things up all over the Earth. He is just warming up different parts of the country because He is going to shake things up: He has something in store for the whole Earth. יהוה always does things that man cannot explain--His secrets. These are “His” secrets. O glory, יהוה. Do you understand the mystery? **ALL THESE SECRETS THAT ARE BEING REVEALED TO YOU BELONG ONLY TO YOU AND YOUR CHILDREN FOREVER.** These are the people who will qualify to be called into the tabernacle of יהוה, being the only people capable of “receiving” the secrets of the “Divine”

Mind of יהוה, and the secrets of the foundations of the universe. I have all these secrets. **I HAVE THE SECRETS OF THE FOUNDATIONS OF THE UNIVERSE, THE GALAXIES--TO ALL THAT EXISTS, WHICH INCLUDES THE EARTH, AND IT ALL COMES FROM THE "DIVINE" MIND OF יהוה.**

Chapter Twenty-Eight

Judah Played the Harlot

How do you defend yourself? I asked this very provocative, thought-provoking, rhetorical question to one of My very good minds in the Nation of יְהוּדָה. I asked, How is it that I was born in America like you without any knowledge of how to fight for or defend our nation and to defend the cause of יְהוּדָה, and yet out strategize the whole government? I was born in a country where they have had the knowledge of how to subdue us for over 435 years, and the government of America has come against Me and, yet, I am able to outwit, outmaneuver, and demote them on all occasions. And no matter what they try to do, I am able to circumvent them. How can you account for that when I am born through the seed of Abraham just like you?

I have not had any training called "devil fighting." I have not had any training

on how to fight the devil and win. And yet, when the devil rises up against Me, only the "Divine" Mind of יהוה can outmaneuver His opponents. The whole war room, the whole State Department, the whole of what they call the "injustice" department, and the Pentagon--the whole wicked "injustice" department--paid people to lie against Me. They offered them money to lie against Me in order to make a case against Me. No matter what the enemy of יהוה tries to do to Me, יהוה sits in Heaven, laughs at them, and holds them in derision, according to Psalm, Chapter 2, verse 4:

"He that sitteth in the heavens shall laugh: יהוה shall have them in derision."

Imagine having the Man with you who has the capacity to reveal to you the very "Divine" Mind of יהוה. Imagine having the One dwelling with you who is able and has the capacity to reveal to you the very foundations of the universe. I have challenged all the nations of the Earth that if they can find the foundations of the Earth, I will cease to be the God of Israel. Read about this in Jeremiah, Chapter 31, verse 37, which says:

"Thus saith יהוה; If heaven above can be measured, and the

foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith יהוה."

Israel has not been very good. Israel has been a bad, bad people. The nations of the Earth are saying to יהוה: "As bad as Israel has been, how dare You come back to redeem them, יהוה." The nations are angry, they are upset with יהוה. "How can You come back and get Israel to reform them as evil as they are, יהוה? Come on!" Jeremiah, Chapter 3, verse 8 will put fear in you if you are smart, because Israel is guilty:

"And I saw, when for all the causes whereby backsliding Israel committed adultery I had put her away, and given her a bill of divorce; yet her treacherous sister Judah feared not, but went and played the harlot also."

Judah is just not scared to be a whore in the sight of יהוה. Yes, Judah was a whore: "Hey, יהוה, I'm a whore, hey! What! So? I'm just a whore, you know. Alright, יהוה, I'm just a whore without fear." Quite awesome! Judah doesn't have any fear! I find that incredible. I do not know what you think. Judah says, "Hey, I'm not scared to be no whore. Hey, it's all about my thrill. It's fun being a whore. Shoot, good God Almighty." This is tied up to one little area of Judah's body. Judah played the whore. You read it for yourself. I can dramatize it: I can take it on and

on. I can go with it for a long period of time, but these are just the facts.

So, here is what the nations are looking at. They say, "Look at this whore. You got nerve, You got nerve, יהוה. You had already divorced the whore. You told the whore, 'Look, I want a divorce. I don't want to be with you no more. You are just a no good whore. I want a divorce.'" Judah loves being a whore. Judah says, "Divorce me! Divorce me!" Judah is an adulterous whore too, right? The adulterous whore says, "Hey, it's good being a whore. It's soooo sweet!" She has no fear at all. יהוה said, "Okay, I'll divorce you then, whore." He gave it to her too. The whore didn't even care, she went right on whoring. "You divorced me, so I'm just a whore. You know, I'll just keep on doing what I've been doing. I'm just a whore anyway."

יהוה gave her just a little piece of paper and went on. Then the nations said, "יהוה, but Judah is a whore, they have never feared You--have no fear of You." When the whore hears the Word, the whore is very conscious. But the desire of whoredom is so strong, it is all tied up and symbolized in the woman. "I just don't care 'bout nothing. It's what I want to do, when I want to do it. I'm getting ready to do it. I have 500 reasons why I want to whore."

So the nations of the Earth have observed Judah as a whore, and יהוה divorced her. They have said, “יהוה, How in the world can You forgive Your wife of adultery? Doesn’t the law say death to an adulterous whore? You have let the whore live? Now You have come back to get her? You said You were coming back to get this whore.” So, יהוה said, “Okay, okay, I will tell you what. I’ll give all you nations a challenge: If you can measure My Heavens that I created, I will cast off all the seed of Israel for all that they have done.”

Do you now see why the opposer of יהוה is trying to get out in space? He wants to measure My Heaven. See why he put out this powerful telescope that is supposed to look through almost all kinds of galaxies? Do you see why? This devil is trying to measure My Heaven. This is what that is all about. What do you think he is going out there for? He is going out there trying to measure up to the challenge. He is creating every kind of instrument he can on Earth trying to find the foundations down beneath the water. He figures it is hidden in the ocean, maybe on the South Pole, Arctic, the North Pole, Antarctica, or the South Pole. He is searching diligently--24 hours a day. All the nations are united together trying to find the foundations of the Earth. They are getting off the planet, trying to measure the

Heaven because I said if you can do it, I will cast off all of the seed of all Israel (as you just read in Jeremiah, Chapter 31, verse 37), not just Judah--the whore. Now that says that יהוה has a deep, abiding love for His adulterous whore Judah, doesn't it? Most people would never understand love like this, would they?

I am going to show you why I am back redeeming Judah, the harlot. Ezekiel, Chapter 36, verses 21-23, tells you why, and it reads:

21 "But I had pity for mine holy name, which the house of Israel had profaned among the heathen, whither they went.

22 Therefore say unto the house of Israel, Thus saith יהוה; I do not this for your sakes, O house of Israel, but for mine holy name's sake, which ye have profaned among the heathen, whither ye went.

23 And I will sanctify my great name, which was profaned among the heathen, which ye have profaned in the midst of them; and the heathen shall know that I am יהוה, saith יהוה, when I shall be sanctified in you before their eyes."

I think the Word explains itself beautifully. I do not think I have to really, really, really go into this one. I think you understand that the work I am doing among you today is not for your sake, because you are not worthy--period. It is definitely not for your sake, but rather for **MY HOLY NAME'S SAKE**.
