About the Author

יהוה בן יהוה (YAHWEH BEN YAHWEH) was born October 27, 1935, in Kingsfisher, Oklahoma.

He received a Bachelor's Degree from Phillips University, Enid, Oklahoma; a Master's Degree in Economics from Atlanta University, Atlanta, Georgia; and studied law at Oklahoma University.

יהוה בן יהוה (YAHWEH BEN YAHWEH) was a tactical instructor while serving in the United States Air Force. He received an honorable discharge.

יהוה בן יהוה (YAHWEH BEN YAHWEH) came to Miami, Florida, alone in 1979 to become the Spiritual Leader and Founder of The Nation of יהוה (YAHWEH). Although He took a vow of poverty that same year, within 7 years He guided the Nation and those who followed His teachings and principles to amass an economic empire in Miami and throughout the United States worth over \$250 million.

Under His direction, the Nation of יהוה (YAHWEH) has grown to encompass disciples, followers, and supporters in over 1,300 cities within the United States and 16 foreign countries: such as, Ghana, Nigeria, Great Britain, Canada, and the Caribbean. The University of יהוה (YAHWEH) for which He established the curriculum, and for which He has received great acclaim in educational excellence, currently has

locations in both Miami, Florida and Atlanta, Georgia.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is bringing about changes in the lives of individuals by causing them to take a different approach to life. This approach is based on the Scripture which reads, "It is more blessed to give than to receive."

יהוה בן יהוה (YAHWEH BEN YAHWEH) is here giving. That which He is giving cannot be measured in terms of monetary wealth. יהוה בן יהוה (YAHWEH BEN YAHWEH) is giving the world the keys to success in life—politically, economically, educationally, socially, and spiritually.

Dedication

This book is dedicated to the spiritual resurrection of the righteous people of the Earth and to the establishment of the Kingdom of Shalom--the Kingdom of God, יהוה.

Acknowledgments

I will forever thank My Father, יהוה, for the dedicated people whose tireless efforts have contributed toward the completion of this book.

"The Lord, יהוה, gave the word: great was the company of those that published it" (Psalm 68:11).

May יהוה keep and guide you. Always remember that loves you and so do I, יהוה בן יהוה.

Introduction

והוה Is Your God

יהוה is your God. He is great, good, terrible and black. That should make all Black people in America happy.

Why doesn't knowing that יהוה is great, good, terrible and black make Black people of America jump up and shout, since they say they are Black? When you mention that יהוה is great, good, terrible, and black, and that He is the Creator of all things, then Black people act like they are not Black anymore. Is it because our people have thought that black is a curse? Well, you are in for a shock.

The Creator of all things is black. I am His black Son. And I am happy about it. Now that should give you joy to know that I am His Son. See what kind of chance

you have? There is hope for you after all. You should really rejoice, knowing that I am the Creator's Son. The only way you cannot rejoice is that you do not understand your relationship to Me.

Some of My people are so worried about My relationship with My Father that they fail to consider their relationship with Me. THERE IS A RELATIONSHIP BETWEEN YOU AND ME. I was born; you were born. There is a relationship. Do you wonder where I was born? I was born in America. Where were you born? You were born in America too. I said there is a relationship. I was segregated; you were segregated. I have been oppressed by other people; you have been oppressed. And I will wager you the truth against a lie, that the same man that oppressed Me also oppressed you. I told you we have a relationship. There is just one difference between all that we have in common—and we have everything in common—and that is I know who My Father is, and I call My Father by name. I have a mother as well, which means that I came out of a womb. You also came out of a womb. I am telling you—there is a connection between us.

All My life, people have had the power to put Me in jail. Have you ever had

that experience? I buy property and there are people who do not look like Me who can tax it away from Me. They just come up with a thing called "imminent domain" where they just take it. Oh, I said we have a connection.

I am connected to My Father, יהוה, and He is the Creator of all things. יהוה created the Heavens and the Earth. That is My Father. Now if I can be born and He is My Father, then who is your Father? What is the difference? I know Mine. That is what makes us different. I know, and I am here to introduce you to your Father. MY FATHER IS YOUR FATHER. So why aren't you saying you are His son or His daughter? You must not know it.

Now there was a time in My life when I was dead to the knowledge that is My God, and I was also dead to the knowledge that I am a Hebrew Israelite chosen to rule forever. There was a time when I did not know that. I was absolutely dead. I am talking about deader than you are, and deader than you have ever been. Can you imagine Me being dumber than you? That is dumb, isn't it? Can you think about some of the dumb mistakes you have made? Have you ever made a dumb mistake and you admitted it? The difference between your dumbness and Mine is that I was

dumber than you--if you can imagine such. I was dumber than the dumbest one among you.

Furthermore, I was also blinder than the blindest one among you. No one was as blind as I, or as dumb as I. As a matter of fact, I was the dumbest person to have ever come to the planet. I was dumber than anyone who looks like Me. It has to make you laugh to just think, "You mean that someone was dumber than I?" Yes, I was. Do you know what the difference is? The difference is, something happened to Me one day, and no man on the planet can take credit for what happened to Me. I was raised from being dumber than you to the state of Godhood. No man looked at Me and said, "You look like somebody who ought to be raised." I looked at how dumb I was, and how dumb everybody around Me was--all of My people--and I recognized that that was a pitiful position to be in, so I decided to become SELF-RAISED: I just raised Myself. And since nobody could teach Me how not to be dumb, I decided to teach Myself. THEREFORE, I AM SELF-TAUGHT AND I AM SELF-RAISED.

I was bound. I asked bishops and deacons and preachers and all kinds of

leaders to "unbind Me." I asked teachers, people who had Ph.D.'s, and every type of leader there was. I asked them poignantly, "Would you please unbind Me? I am bound, and I want to be set free." I decided that there were none among My people who could unbind themselves or cut their own bonds or free themselves. There was no man that could set Me free. So, I decided to set Myself free. Praise יהוה.

I have watched My people march and demonstrate trying to get independence. I had already asked them to make Me independent, but nobody did; nobody could. I have watched them march and beg another nation of people to make them independent, and the other nation has not. Since they are begging someone else to make them independent, it means that they cannot make themselves independent. Therefore, I decided to make Myself independent. So I am SELF-INDEPENDENT.

I looked into the minds of My people and I saw the darkness. I did not see the light in any one of My people's minds. And I knew that My darkness was greater than all of theirs. So when I asked them for light, I received none. I only saw the blind leading the blind. Since all that I saw in My mind was darkness, and all I saw in My people's minds was darkness, I decided to become **SELF-LUMINOUS**. No

one on the Earth can deny that I am luminated. No one can deny that I am luminous.

No one can deny that I am educated. No one can deny that I am independent and self-sufficient.

No one can deny My spirituality. No one can deny My works and My accomplishments. No one can deny that I am working miracles that no one else has been able to work in our community. No one can deny it! Hallelu יהורה. NO ONE CAN DENY THAT I AM THE GREAT I AM. No one can deny that I am the Son of יהורה. I am giving you the evidence of the One who is responsible for what I am, who I am, how I am, and why I am. No one can deny that I am a faithful Witness of the name of My Father, יהורה. No one can deny that on all the works that I have accomplished, I have put up the name יהורה? All the miracles that I have worked,

The difference between Me and any other man that walks on the Earth is that man seeks to glorify himself; he seeks to have his own name glorified, but I alone seek only one Man's glory and glorification, and that is 'introduce Myself to you. MYSELF IS YOURSELF. The difference is, I know that.

And I also know that yourself is Myself. When you receive My Spirit, you will understand how important it is to keep the laws of יהוה: Keeping the laws of makes Myself yourself and yourself Myself. What a blessing it is to give honor to the One who created you.

Chapter 1

Men Seek To Solve Problems Without אורור

You may ask, What is wrong with the world today? It is that men are seeking to solve the world's problems without the Creator. I am demonstrating I have the solution to the world's problems by creating and founding The Nation of 'I am the Founder of The Nation of 'I am 'I, and that makes Me a unique Man. I am not building on the back of another man. No man came before Me in America and set something up, and when he died, I came and picked it up and tried to run with his thing. No, I am original; I am unique. You are watching Me overcome all (any and everything) that has ever been done among us. I am overcoming everything anybody has ever done on the planet.

You are coming into the knowledge of your history and your culture. Think about the Gentiles that came to America over 400 years ago. They came over on a few ships and landed some time in the winter. There were no heated buildings. There were no air conditioned buildings. There were no flushing toilets. There was no running water in America. When the settlers came, there were only forests and wilderness and woods. There were no cities and no streets. They called this the New World. They left countries where beautiful cities had been built, and came here to build a new world. If they had put their thumb out to hitchhike, they would have had to catch a mule. There were no automobiles. There were no stores. In order to eat, they had to grab it from the land. They had to plant it and wait till the next year, hoping that something would come up. And look what has happened in just a few years. In a few short hundred years, this land is full of cities. You have inherited cities and have turned them into ghettoes. They took woods and forests and turned them into cities. Then you turned the cities into ghettoes.

Other ethnic groups and nations, right now, call America the "land of opportunity." They came here with nothing as immigrants, set up businesses in your neighborhood, got rich out of your pocket, and built mansions among themselves in

other neighborhoods. What an insult. Something is wrong with you when people can come from another land, set up shop in <u>your</u> neighborhood and get rich out of your pocket, and you are unable to set up in your <u>own</u> neighborhood and get rich out of your <u>own</u> pocket. Something is terribly wrong with you.

You are under a severe curse, but it is not because you are Black. There is proof because there are people who are blacker than you who can come to America and get rich. For example, in Miami there are black people who call themselves Haitians, and they have Little Haiti. They shop in Little Haiti with Haitians. They have more businesses already than the so-called Black man of America who have been in America for over 400 years, and they just got here. The Haitians came over on boats with nothing, and took any kind of job--washing dishes, cutting lawns, anything; and they also slept 50 to a house. Now they own the whole neighborhood, and so-called Black men are still here living in the ghetto and, yet, do not own it. And even more, they want somebody else to clean up their ghetto.

If you make \$50, you move from your ghetto and turn the other man's neighborhood into a ghetto. "O יהוה בן יהוה, why do you want to talk about us like that?" I am not talking about you. Everybody knows this. It's just unpleasant to

think about it. I am here to say there is an answer: **KEEPING THE LAWS OF**יהוה בן יהוה בן יהוה בן יהוה בן יהוה is My Father.

Yes, and coming to know that, Yes, I am יהוה is My Father.

I also come with good news: I have come to give you the power to become the sons of יהוה, as written in John, Chapter 1, verse 12:

"But as many as received him, to them gave he power to become the sons of יהוה, even to them that believe on His name."

You should want to be like Me. I am everything you want to be that is good. Praise 'יהוה'!

The so-called Black man is saying, "We need control of our Black schools." Well, I built one, and we control it. We dictate the curriculum. We dictate the lesson plans. What have I proved? I have proved that we can control our <u>own</u> schools. So why do you not control your schools? Since you say you need to, why don't you?

I hope I shared enough light with you in My introduction to show that there is a need for יהוה. My people need somebody. How can you reject the Man who has given you a plan that works, and then you tell Me that you are intelligent? I am

community. I can show you the evidence that My plan works. I bought a hotel that was the <u>center</u> of drug activity. I am talking about where drugs were on the <u>whole</u> block and on <u>every</u> corner. I am talking about sure enough drugs. I drove through there several times and children were out playing. Old people were out walking. You could tell our property because it was all painted white, trimmed in black, and there was grass growing where none would grow before. And on our whole block, there were no drug dealers; there were no drug users. There was no evidence of them at all. It was like a ghost town for drug dealers. There were absolutely no drugs.

You could go just two blocks down in any direction and you would see it was pure hell: There was heavy traffic coming through. They were sitting on orange crates, standing under the trees; there was trash all around, and paper everywhere. You know what was under the paper and stuff. In spite of all of that, I created an oasis. I took every piece of drug property and proved that יהוה is God, that יהוה food, and that I HAVE THE ANSWER! Praise

I am proving you do not need a gun for this. I do not carry guns; My disciples do not carry guns. If I should visit your city, you will have to search for guns. Why?

Because there are people that look like us who do not believe in peace. Therefore, the power of good is greater than the power of one who wishes to be evil in our midst. When יהוה is in our midst, He is in control and so powerful that nobody wants to challenge that control.

יהוה is the answer. I have proved that I have power over drugs. I cleaned out several neighborhoods completely of drugs, and they remained drug-free for many years. The President established a billion dollars for just extra police. I said, give Me the billion dollars, you won't need police. I can do it without police. Why do you not hear about Me? Surely, they know about Me.

The government knew that I had created a drug-free society. I simply did not allow bad people to stay around Me. Indeed I had some bad people around Me, but I stopped letting bad people be around Me because bad people made things bad for everybody. So the way for you to have good is to get rid of the bad folks. If you want to be bad, then you must move on; but if you want to be good, change your address and let only good people live at your address: This is the address of good. Clearing our communities of drugs was done through the power of . It was done

through the knowledge of יהוה. וו was done through the Word of יהוה carried power and it was demonstrated: There is not one child on drugs in My school. Not one. There is something wrong outside of יהוה? What is wrong outside of יהוה?

Chapter 2

The Whole World Will Be Blessed in the Children of איהוה

The feasts are ordained by יהוה, and they are commemorated not by lunar calendar, but rather by solar time. Now you probably do not know any more about solar time than you know about יהוה. But your not knowing does not erase the reality of both. The rites and the ceremonies of the feasts are prescribed by the Word of יהוה, and they are exemplary of the love of יהוה.

The rites and ceremonies of the feasts, as prescribed by '', are exemplary of His compassion and charity for a people in whom the entire world is blessed. Now that may sound strange, and it certainly looks strange when you consider that this people constitute the so-called "Blacks of America." When you look at the condition

of the so-called "Black man" of America, you ask right away, How could anyone be blessed in them? Genesis, Chapter 12, verse 2, lets you know that you are blessed and how blessed you are:

"And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing":

I am the One speaking in this verse. The "I" in this verse is speaking to you.

יהוה did not tell early settlers, "Go to America and I will make you the rulers of the world." יהוה did not tell white people, "Go to America and I will make your name great." They got together and told themselves that. They also knew and found out that there were Indians here. Therefore, they had to subdue the owners of this land before they could take control of it. The founding fathers of America did not say, "We can't do it." While it is obvious that they conspired together in secret counsel, but, on the other hand, they pretended to be the Indians' friends. By the time the Indians became conscious of them having "forked" tongues, they had already been subdued.

By the time the Indians made up their minds that they needed to fight, it was

too late to fight, because there were already too many pioneers here with guns against their bows and arrows. They came in with a conspiracy of a superior position. So they conspired: while one group of settlers pretended to be the Indians' friends, another group of settlers killed the Indians. And then one set of settlers said, "See, that is just a bad pioneer, but don't you bother him, turn him over to us. You cannot try him: only we can try him. Turn him over to us: the founding fathers' laws will govern the pioneer."

So they brought the pioneer back to his own people who charged him, and sent the Indians home. And then they sent the same one charged over to another section to kill even more Indians somewhere else. One group played good, while the other group played bad. So every Indian knew some good pioneers. There was not an Indian that did not know some good pioneers. I don't know who took their country from them, but it must have been some bad settlers somewhere. I am trying to figure out where they were because all the Indians knew were good folks. It kind of reminds Me of Black people in America: Every Black man in America knows some good white folks. There is not a Black man yet who does not know some. I have been trying to figure out where the bad ones are.

My subject point here is that the founding fathers came to America with a plan to take America from the Indians, and they did. They went back to Africa, on the West Coast, where Hebrew Israelites had been banished and were living in exile, and ran down another game. They came among the Hebrew Israelites saying, "Shalom Aleichem!" They told them that they were going to a new world where they could make a million times more money than they could in Africa. They were gullible and, as a result, they got right on the ship. It was only in the last years that they were taken by force. The so-called Black man just got on the ship thinking they were going to get rich in the new world. When they got them out in the middle of the sea where they could not swim, the slave traders locked the hatch on them, and overpowered them with guns. Hebrew Israelites did not have guns.

Our forefathers were promised gold. And we, their descendants, have been here for over 434 years without gold and without a plan. However, the founding fathers worked their plan: they took America and caused the world to send their children to her to be educated. Moreover, you even turned your children over to them to be educated. After your children get their education, they come out looking for a job from the same people who educated them to look for a job, while they (educators)

continue in their rulership.

יהוה did not ordain the founding fathers of America to rule the world forever, yet they are ruling the world. They have been able to rule without יהוה. However, today, they are losing their rulership around the world. White people just got together and said, "Let us take advantage of these Black folks, Indians, and whoever." And what happened? They have been successful.

Since 'nin' did not ordain their rulership forever, then it cannot last. Aren't you glad that it has to come to an end? It has to come to an end! Now there are some Black folks who do not want to see it come to an end, and they will work day and night to keep you from getting up because it seems that your "up" will be their "down." Both cannot be up at the same time, when you are playing the skin-color game. You have studied enough history to know that the founding fathers just got together and decided to come here and rule--and they did.

I am come saying that I, יהוה בן יהוה, HAVE THE POWER, ALL BY MYSELF, TO MAKE YOU A GREAT NATION, as written in Genesis, Chapter 12, verse 2:

"And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing":

Not only do I have the power to make you a great nation, but I have already started doing it. I started all by Myself, but now I am not all by Myself: I am growing every day all over America. I am gaining all professionals: I am gaining the best of My people. All who are the best of My people are the ones who are coming to Me; that is who is joining on to Me. My Book, the Holy Bible (I wrote it) tells Me that I will find 144,000 men that have the best minds on the planet, and these 144,000 minds will join on to My Mind. They will connect their minds to My Mind to rule forever. They want to be this "great nation."

I am looking for the minds among My people that want to rule the Earth forever in righteousness: when there will be nothing but peace on the Earth forever.

I AM THE PRINCE OF PEACE. I am looking for 144,000 minds that want peace on the Earth forever: We can just sit around, or stand around, or run around, or whatever. We can just play to יהוה, sing to יהוה, praise יהוה, and glorify יהוה. We will no longer have to worry about our enemies. Praise

I am a "qualitative" God. That is the kind of God I am. Since I am a God of

"quality," then that means that I am <u>not</u> looking for bodies. I may have to teach one thousand just to get <u>one</u>, but I am willing to teach that thousand just to get that one. I may have to travel a thousand miles, go down in the valleys, and climb up mountains just to find one, but I am willing to do that--just to find one. And I am successful. No matter how many miles it requires Me to travel to find the 144,000, who are the elect of יהוה, who are the chosen of יהוה, who are the genius of יהוה, and who are the Godhead, I will do it! I am <u>born</u> to do it. I am looking for the <u>best</u> of all of our people. I am not worried about the mind that <u>cannot</u> see what I am doing, I am only looking for the mind that "can" see what I am doing. I am not worried about the mind that cannot comprehend where I am coming from, I am only looking for the mind that "can" visualize where I am going.

When I say I will <u>make</u> of you, Black man of America, a great nation, I am not worried about those who cannot see that. I am looking for the mind that "can" say, "That is all I am looking for. I am not worried about the mind that does not make a difference, I am looking for the mind that is ready to <u>make</u> the difference. I am not concerned about the mind that is poor and poverty stricken, I am looking for the mind that says, "I am ready to be rich." I am looking for a <u>peculiar</u>

people. When I say I will make of you a great nation, I am looking for the mind that says, "Form me, shape me!"

I said in Genesis, Chapter 12, verse 2, that I will also bless you. I am looking for the mind that says, "Bless me. You want to bless me, then bless me. I am tired of being cursed. Bless me!" I am not concerned about the mind that questions these principles and asks, "Is it me?" I am looking for the mind that says, "That is me! Bless me!" I am not concerned about the mind that asks, "Do I deserve this?" No! I am looking for the mind that says, "I deserve this!" I am not concerned about the mind that says, "I just want enough to get by." No! I am looking for the mind that says, "I want it all!" I am not looking for the mind that says, "I will be satisfied when I get enough for me." No! I am looking for the mind that says, "I will never be satisfied until I get enough for everybody." A smart man can see that when you get enough for everybody, you will have it all.

Genesis, Chapter 12, verse 2, says:

"And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing":

I am not looking for a mind that says, "I am satisfied with the name I have." If the name you have has failed to give it all to you, then you need a better name. If the name you have has failed to cause the world to bow at your feet, then you need a greater name. If you have a name that has failed to bring you rulership, then you need a greater name. I AM HERE TO MAKE YOUR NAME GREAT. I am looking for the mind that says, "MAKE MY NAME GREAT. I WANT A GREAT NAME, THAT IS WHAT I WANT!" I am not going to waste one minute of My time thinking of or talking to a mind that does not want this.

When I finish with you, not only will I make of you a great nation, not only will I bless you, not only will I make your name great, but I will also <u>make</u> "you" a blessing. You, yourself, will be a blessing to everybody on the planet. Praise הוה I am looking for the mind that will say, "Yes, I want to walk the planet as a blessing to everybody." That is the kind of mind I am looking for. If you do not want to be any of this, it is all right. Those who want this will rule over you.

If a few white people who are <u>not</u> ordained by יהוה can come and take a country, name it America, and then rule the world, then what can יהוה do with His

own family who are ordained that returns to Him? That is why יהוה allowed the white man to rule over you. He allowed this so that you could see that a people not ordained by יהוה can gain control and power, even over the children of יהוה when those children turn their backs on their God. Although the children of are chosen to rule the world forever, those who are not ordained by יהוה even rule over them. Now if an <u>unordained</u> people can rise up and rule over the Earth and over the children of יהוה, then what do you think יהוה can do when His family comes back home?

Chapter 3

144,000 Devotees of יהוה

I am not concerned about the mind that says, "No man is going to tell me what to do." You are already a liar. Somebody is telling you now what to do. So I am not looking for that rebellious mind that says, "I don't want nobody telling me what to do." I am looking for the mind that says, "Tell me, הוה", what you will have me to do, and I will do it!" I am not concerned about the mind that says, "I love this old world." I am looking for the mind that says, "I am tired of this old world, and I am ready for the 'new' world."

There are five hundred men in Washington, DC, running the world. I am promised 144,000 devotees of יהוה. If five hundred men can have the power you see

them exhibiting in Washington, DC, then imagine the power I will have when I get My 144,000.

My Bible tells Me that Satan's house divided against itself cannot stand, according to Luke, Chapter 11, verse 18:

"If Satan also be divided against himself, how shall his kingdom stand?..."

When I look at the White House, I see division. I do not see five hundred men together; but, rather, I see Democrats on one side and Republicans on the other. They barely get bills through Congress: One half fights for it, while the other half fights against it. Sometimes there is a split; and when this happens, the President vetoes or overrides it. Confusion! Even with half of them going one way and the other half another, they still rule the world.

I am looking for the 144,000 minds that are ready, willing, and able to say: "One God, one mind, one love, and one action!" Praise יהוה. Those that do not conform do not count. Those who submit to the will of יהוה are the ones that count, and I am promised 144,000. Are you one of them? Only you know. If you are one

of them, then you know it. I am looking for the mind that says, "I know I am a child of יהוה"." I am looking for the mind that can say to yourself and testify within yourself, "I know that I am a child of יהוה. I know it! I desire it!"

As written in Genesis, Chapter 12, verse 3, I am going to bless them that bless you, and it reads:

"And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."

So even if your enemies want to be blessed, I will bless your enemies if they bless you-- if you love Me. And if they know you are of יהוה, they will bless you.

I am blessed. People bless Me all the time. I will bless them that bless you. If you hook your mind up to My "divine" Mind, I will curse everybody that curses you. I have the power to do both. I have the power to bless, and I also have the power to curse. Now that makes Me a wonderful God. I will bless you, and I will also bless everybody that blesses you. Now isn't that a wonderful, wonderful Father to have? That is how much I love you. That is how I use My power. I will bless

<u>everybody</u> that blesses you. If they do not like you and they curse you, then I will curse them.

People that do not like Me will find it difficult to get along with you. That is true. How can two people walk together except they agree? How can two people unequally yoked prosper together? Husband and wife do not trust each other in anything. They both go to work and each has a separate bank account. If they have one bank account, one wants the right to write up all the money. The husband wants equal access to the wife's money. When they are both scheming, it is rough, isn't it?

It is hard to trust people outside of יהוה. They will take your possessions from you. They will take everything away from you because they are not bound by anything but themselves. You will end up in the poor house. People outside of the will of יהוה always want to get the advantage; they always seek a personal advantage over their brother. They want to get over on their own kind. They want to get overmake it off of you. Wicked people love to know a lot of good folks. That is who they borrow from. They will say, "I will pay you back on Friday." Friday never comes. Have you ever noticed how hard it is to get Friday to come around for people that owe you? Time seems to expand.

It is a blessing to come to know that you are the people chosen to bless all the people on the Earth. Isn't that something? You, the so-called Black people of America, are chosen by the Creator, יהוה, to bless all nations on the Earth. Now how can you bless other nations while your condition is cursed? The first thing you yourself need is a blessing. It is hard to bless somebody else when you are under a curse. That makes you say, "Hey, hey, you are in bad shape. I can do bad by myself. I don't need anybody to help me do bad. I can do bad alone." When a wicked person hears you say that, he will pretend he wants to help you do good. Oh, I know I am talking right. You have seen evidence of it yourself.

Would you like to be able to bless the whole Earth? Would you like to have the power and the wealth and everything it takes to bless the whole planet? Would you like to see peace all over the entire planet? Would you like to see joy and happiness all over the Earth? Would you like to see the day when there is no more hunger on the Earth, no more sorrow, no more wars on the planet? Guess whose problems have to be solved first? The so-called Black man's. Now do you understand why the world is in trouble? THE WORLD IS IN TROUBLE BECAUSE THE PEOPLE WHO ARE CHOSEN TO BLESS THE WORLD

ARE UNDER A CURSE. That is obvious to a fool. You may think, "Well, that was not obvious to me." Well, it was not always obvious to Me either. (Remember, I was worse off than you.) But I have come to see why the world is in trouble. It is because the people chosen to solve the problems are under a curse themselves.

You are chosen to bring Heaven on Earth. What do you need first? You need Heaven first. Before you can bring Heaven on Earth, you need Heaven. Are My people living in Heaven or hell? Hell. Hell is right here on Earth. Why is it hell on Earth? Hell is on Earth because My people are living in hell. How will the Earth change? The Earth will change when the people of 'הוה change. Simple. Now, you have to admit that when intelligent people hear this message, they will have to accept it, test it, and see if this will work. It is already working. If you cannot see it working, then you try it. You will find out that it will work for you too.

It took a lot of courage to leave a city, to cross three or four thousand miles of water, to come to America where there were no cities, and devote your entire life to building something up in a wilderness. If you had had a choice when you came to this land, after leaving your great cities in the East, and you had seen this wilderness here in the West, you would have said, "Hey, man, when is the ship going back? I am

catching this baby back. When is docking time? I am going back now!"

I am not inviting you to a wilderness. You are living in the greatest country on Earth; therefore, you have a chance to start with beautiful cities that have hotels, condominiums, highway systems, flight systems, immaculate transportation systems, and technology at its height already in them. You will get a chance to start off with all of this. All you have to do is just come up out of your mental grave: take hold of the teachings of הוה Let Me make you into a great nation. Allow Me to make your name great. Allow Me to bless you; and in turn, you will take over your ghetto. And when you take over your ghetto, then that means you will take over your cities. And when you take over your cities, that means you will take over the country. And when you take over the country, that means you will have your own ambassadors around the world--and you will take over the world: Then you will rule the world. It is just that easy.

Something is wrong with you when you get excited about an idea and then lose that excitement when it is time to make that idea real. I am looking for the mind that is ready to make it real. To make it real, you have to cut the TV off. To make it real, you have to put the drugs down. To make it real, you have to lay the cigarettes down.

To make it real, you have to put the parties down. To make it real, you have to stop stealing. To make it real, you have to stop lying. To make it real, you have to stop backbiting each other. To make it real, you have to stop gossiping. To make it real, you have to be real with each other and yourself. To make it real, you have to stop wasting time and start making time to make the difference.

Furthermore, to make it real, you have to stop talking and start walking. To make it real, you have to stop playing and start working. To make it real, you have to stop sitting down and start getting up. To make it real, you have to stop tearing down and start building. I am ready! I am looking for the mind that is ready. When it came to making a new world out of America, it was not about those who talked about it in England, it was about those that got on the Mayflower and made the trip. When the ship landed and they saw the wilderness, it was about those that got off and stayed to face the harsh conditions. I am ready!

Chapter 4

The Covenant

All of our feasts serve as illustrations of how the covenant has operated throughout history. THE covenant: A covenant means "an agreement." All of our feasts serve as illustrations of how "THE agreement" has operated throughout history. "THE agreement" means it took place between some individuals: There were two parties involved. That is what covenant means. Covenant means an agreement made between two: the two were Israel and "Covenant".

The **covenant** began in the garden of Eden. The covenant did not begin with Moses. Some may have thought the covenant started with Moses, while others may have thought it started with Abraham when he spoke about the 400 years in Genesis,

Chapter 15, verse 13:

"And he said, unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not their's, and shall serve them; and they shall afflict them four hundred years";

But, no, the covenant began in the garden between יהוה and Adam, as recorded in Genesis, Chapter 2, verse 15:

"And יהוה took the man, and put him into the garden of Eden to dress it and to keep it."

יהוה gave Adam the garden of Eden: Heaven on Earth. Eden means Heaven on Earth. There was an agreement that the Earth would remain Heaven for you forever as long as you would "dress" the garden and "keep" the laws of the garden, which would make the garden Heaven. That is what "dress it" and "keep it" mean. As long as Adam "dressed" it and "kept" it, it was Heaven--trouble free, no problems. And it was so powerful that Adam never knew death. There is no record of death. As long as Adam kept the laws of הוה ', there was no death in Eden. There was no hunger, no pain, and no sorrow, and Adam was able to walk and talk with "every evening in the cool of the evening. No matter how far יהוה went off into the universe or the galaxies, He got back in time to talk with Adam every evening. Now that is

some kind of personal God.

יהוה was going off into other galaxies doing work, but He would be back every day in the cool of the evening. That is some fast traveling, especially when you consider the reality that it takes today's scientists' little instruments twelve years to get from the Earth out to Neptune; and it takes four hours to get an image back from Neptune at the speed of light. That means when you consider that the Earth is 76 quintillion miles from the sun to the end of its light (I know because I have been there. The end of the light of the sun is 76 quintillion miles.), and when you get to 76 quintillion miles and go one more mile, you cannot see the sun. When you divide that by 186,000 miles per second, you can determine how many seconds, minutes, and hours it would take to get from the Earth at the speed of light to the end of where this light is. Now traveling at the speed of light, there is no way in the world מהוה can get way out there past that--especially the Orions and Pleiades, and do some work--and get back before the sun goes down, traveling at the speed of light. He could not get that done if the mother plane only moved at the speed of light. So that proves that I am not bound by the speed of light.

My power of thought is faster than anything you can measure. You cannot

even measure My thoughts because I can go to Pleiades and back before you can even think about it. I can be there and back before you think about it. I can go all the way out there and be back before your mind can consider I went out there and got back. That is the kind of God יהוה is. Isn't יהוה marvelous?

You have to admit that I have the power to make your name great. When I came to Miami by Myself no one knew Me, and now I am known all over the world.

I am getting to be more widely known every day! We are growing. What a blessing!

Now there was a covenant made between our fathers and יהוה. That means an agreement was made. That means that there is a reciprocal relationship between יהוה, His immediate family, and the people of the Earth. He did not leave the Earth out: it is just that the Earth will be blessed through you. It is the order: יהוה, His Anointed, and then the Earth. It is called theocracy: יהוה, His Son, four and twenty elders, Judah, the other 11 tribes, the 144,000, the 100 million, and then the millions-- that is the order and that is the way it is going to work. I am here establishing theocracy to work that way forever. That is how long this is going to last.

I am setting My house in order. I am structuring My house to function forever. If you do not understand, then you will have to get involved to understand. There is still a reciprocal relationship between הוהי and all the people of the Earth. Reciprocal means that it goes two ways. It means that made us a promise, and we made a promise. There is made us two promises, but we made a promise, and we made made הוהי a promise. הוה made us two promises, but we made הוהי one promise. He knew to make two, because He knew you. That is why הוה made two promises, because He knew you. You only made one. הוה gave you the opportunity. He said, "Here are My laws. Here is what I will do for you 'if' you will obey My laws. Do you want them?" And My people said, "Yes, I want them." Said, "Well, wait a minute now, before you get to hollering 'I want them,' I must also tell you what I am going to do to you if you do not keep them."

What is so beautiful about יהוה is that He keeps both promises, and we have proof that He has the power to keep both. The first promise of this agreement is found here in Deuteronomy, Chapter 28, verses 1 and 2, which reads:

I "And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, יהוה, to observe and to do all his

commandments which I command thee this day, that the LORD thy God, יהוה, will set thee on high above all nations of the Earth:

2 And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God, יהוה."

There is no blessing you can think of that will not <u>overtake</u> you. If you keep His laws you cannot outrun the blessings. Isn't that a wonderful God? That is **wonderful** of ', isn't it?

Now, if you want to know the blessings, let's go back and read Deuteronomy, Chapter 28, verses 3-14.

- 3 "Blessed shalt thou be in the city, and blessed shalt thou be in the field.
- 4 Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep.
- 5 Blessed shall be thy basket and thy store.
- 6 Blessed shalt thou be when thou comest in, and blessed shalt thou be when thou goest out.
- 7 יהוה shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and

flee before thee seven ways.

8 יהוה shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God, הוה, giveth thee.

9 יהוח shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the Lord thy God, יהוח, and walk in his ways.

10 And all people of the earth shall see that thou art called by the name of יהוה; and they shall be afraid of thee.

11 And יהוה shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which יהוה sware unto thy fathers to give thee.

12 יהוה shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.

13 And יהוה shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of יהוה thy God, which I command thee this day, to observe and to do them:

14 And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them."

Deuteronomy, Chapter 28, verse 15, tells you about the second promise of the agreement which reads:

"But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, 'הוה', to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee":

Now let us read about the curses in Deuteronomy, Chapter 28, verses 16-68:

- 16 "Cursed shalt thou be in the city, and cursed shalt thou be in the field.
- 17 Cursed shall be thy basket and thy store.
- 18 Cursed shall be the fruit of thy body, and the fruit of thy land, the increase of thy kine, and the flocks of thy sheep.
- 19 Cursed shalt thou be when thou comest in, and cursed shalt thou be when thou goest out.
- 20 הוה shall send upon thee cursing, vexation, and rebuke, in all that thou settest thine hand unto for to do, until thou be destroyed, and until thou perish quickly; because of the wickedness of thy doings, whereby thou hast forsaken me.
- 21 יהוה shall make the pestilence cleave unto thee, until he have consumed thee from off the land, whither thou goest to possess it.

- 22 יהוה shall smite thee with a consumption, and with a fever, and with an inflammation, and with an extreme burning, and with the sword, and with blasting, and with mildew; and they shall pursue thee until thou perish.
- 23 And thy heaven that is over thy head shall be brass, and the earth that is under thee shall be iron.
- 24 יהוה shall make the rain of thy land powder and dust: from heaven shall it come down upon thee, until thou be destroyed.
- 25 יהוה shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the earth.
- 26 And thy carcase shall be meat unto all fowls of the air, and unto the beasts of the earth, and no man shall fray them away.
- 27 יהוה will smite thee with the botch of Egypt, and with the emerods, and with the scab, and with the itch, whereof thou canst not be healed.
- 28 יהוה shall smite thee with madness, and blindness, and astonishment of heart:
- 29 And thou shalt grope at noonday, as the blind gropeth in darkness, and thou shalt not prosper in thy ways: and thou shalt be only oppressed and spoiled evermore, and no man shall save thee.
- 30 Thou shalt betroth a wife, and another man shall lie with her: thou shalt build an house, and thou shalt not dwell therein: thou shalt

plant a vineyard, and shalt not gather the grapes thereof.

- 31 Thine ox shall be slain before thine eyes, and thou shalt not eat thereof: thine ass shall be violently taken away from before thy face, and shall not be restored to thee: thy sheep shall be given unto thine enemies, and thou shalt have none to rescue them.
- 32 Thy sons and thy daughters shall be given unto another people, and thine eyes shall look, and fail with longing for them all the day long: and there shall be no might in thine hand.
- 33 The fruit of thy land, and all thy labours, shall a nation which thou knowest not eat up; and thou shalt be only oppressed and crushed alway:
- 34 So that thou shalt be mad for the sight of thine eyes which thou shalt see.
- 35 הוה shall smite thee in the knees, and in the legs, with a sore botch that cannot be healed, from the sole of thy foot unto the top of thy head.
- 36 יהוה shall bring thee, and thy king which thou shalt set over thee, unto a nation which neither thou nor thy fathers have known; and there shalt thou serve other gods, wood and stone.
- 37 And thou shalt become an astonishment, a proverb, and a byword, among all nations whither 'הוה' shall lead thee.
- 38 Thou shalt carry much seed out into the field, and shalt gather but little in; for the locust shall consume it.

- 39 Thou shalt plant vineyards, and dress them, but shalt neither drink of the wine, nor gather the grapes; for the worms shall eat them.
- 40 Thou shalt have olive trees throughout all thy coasts, but thou shalt not anoint thyself with the oil; for thine olive shall cast his fruit.
- 41 Thou shalt beget sons and daughters, but thou shalt not enjoy them; for they shall go into captivity.
- 42 All thy trees and fruit of thy land shall the locust consume.
- 43 The stranger that is within thee shall get up above thee very high; and thou shalt come down very low.
- 44 He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail.
- 45 Moreover all these curses shall come upon thee, and shall pursue thee, and overtake thee, till thou be destroyed; because thou hearkenedst not unto the voice of יהוה thy God, to keep his commandments and his statutes which he commanded thee:
- 46 And they shall be upon thee for a sign and for a wonder, and upon thy seed for ever.
- 47 Because thou servedst not יהוה thy God with joyfulness, and with gladness of heart, for the abundance of all things;
- 48 Therefore shalt thou serve thine enemies which הוה shall send against thee, in hunger, and in thirst, and in nakedness, and in want

of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee.

- יהוח shall bring a nation against thee from far, from the end of the earth, as swift as the eagle flieth; a nation whose tongue thou shalt not understand;
- 50 A nation of fierce countenance, which shall not regard the person of the old, nor shew favour to the young:
- 51 And he shall eat the fruit of thy cattle, and the fruit of thy land, until thou be destroyed: which also shall not leave thee either corn, wine, or oil, or the increase of thy kine, or flocks of thy sheep, until he have destroyed thee.
- 52 And he shall besiege thee in all thy gates, until thy high and fenced walls come down, wherein thou trustedst, throughout all thy land: and he shall besiege thee in all thy gates throughout all thy land, which יהוה thy God hath given thee.
- 33 And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which יהוה thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee:
- 54 So that the man that is tender among you, and very delicate, his eye shall be evil toward his brother, and toward the wife of his bosom, and toward the remnant of his children which he shall leave:
- 55 So that he will not give to any of them of the flesh of his children whom he shall eat: because he hath nothing left him in the siege, and

in the straitness, wherewith thine enemies shall distress thee in all thy gates.

- 56 The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter,
- 57 And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness, wherewith thine enemy shall distress thee in thy gates.
- 18 If thou wilt not observe to do all the words of this law that are written in this book, that thou mayest fear this glorious and fearful name, יהוה thy God;
- 159 Then יהוה will make thy plagues wonderful, and the plagues of thy seed, even great plagues, and of long continuance, and sore sicknesses, and of long continuance.
- 60 Moreover he will bring upon thee all the diseases of Egypt, which thou wast afraid of; and they shall cleave unto thee.
- 61 Also every sickness, and every plague, which is not written in the book of this law, them will יהוה bring upon thee, until thou be destroyed.
- 62 And ye shall be left few in number, whereas ye were as the stars of heaven for multitude; because thou wouldest not obey the voice of thy God.

- 63 And it shall come to pass, that as יהוה rejoiced over you to do you good, and to multiply you; so יהוה will rejoice over you to destroy you, and to bring you to nought; and ye shall be plucked from off the land whither thou goest to possess it.
- 64 And יהוה shall scatter thee among all people, from the one end of the earth even unto the other; and there thou shalt serve other gods, which neither thou nor thy fathers have known, even wood and stone.
- 65 And among these nations shalt thou find no ease, neither shall the sole of thy foot have rest: but הווה shall give thee there a trembling heart, and failing of eyes, and sorrow of mind:
- 66 And thy life shall hang in doubt before thee; and thou shalt fear day and night, and shalt have none assurance of thy life:
- 17 In the morning thou shalt say, Would יהוה it were even! and at even thou shalt say, Would יהוה it were morning! for the fear of thine heart wherewith thou shalt fear, and for the sight of thine eyes which thou shalt see.
- 68 And יהוה shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again: and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you."

There is a total of 52 curses for you. Those are more curses than I want to have anything to do with. Here is one thing about the agreement: There is no way for you

to get from under it. You are going to enjoy one of the two promises forever.

Deuteronomy, Chapter 28. Neither you nor your children, forever, will be able to escape this chapter--known to you or unknown to you; whether you are aware of it or unaware of it, you will still get these promises. It is horrible to get "beat up" with curses and don't know why you are getting "beat up." You lay up at home and holler, "Oh, Lord, why me? Oh, my God, what did I do to have to go through this? I am a good person and it seems like everybody wants to take advantage of me. All I did was good, and for my good I get beat up on and taken advantage of. Oh, Lordie, have mercy on me." The groaning gets so bad, you cannot interpret it. You just continue to groan about it. Yes, the Lord understands why you are suffering like that: He did it to you.

Chapter 5

You Made An Agreement: A Covenant

I want you to know who it is that is causing your hell in America. It is יהוה:

"What? You mean all the hell I am catching is from '?" Right! He promised you that He would let all these curses overtake you "if" you did not keep your part of the agreement. You made an agreement. You are saying, "I did not know יהוה how could I have made an agreement with Him?" Your fathers did. Don't be talking about you did not do it--"I did not know 'הוה '. How could I have done it?"

Deuteronomy, Chapter 5, verse 3, says:

"made **not** this covenant with our fathers, but with us, even us, who are all of us here alive <u>this</u> day."

Are you alive? Are you here? Are you in this day? Well, you made a covenant at Mount Horeb in Verse 2 which reads:

"The LORD our God, יהוה, made a covenant with us in Horeb."

That is where the location was. See what you did? "Boy, if I had known it was going to be this rough, I wouldn't have done that." Well, then you would have been among the other nations catching hell, because you would have been out of place. The only way the other families on the Earth can be blessed is for you to keep the laws of "Title" because it is in you that the families of the Earth are blessed.

Do you understand why all nations hate the so-called Black man of America? If you did not understand before, you understand now. See why they hate you? You are the reason why they are catching hell. Every chance they get they beat your head in, and that is also why they beat your "behind" too: "You got me catching hell, I'm not getting no blessings because of you, you nappy headed . . ." You will be hollering, "Oh, God! Oh, Lord!" He will beat you even worse then, because you don't know what name to call on. He will not beat you at all if you call on "."."

Deuteronomy, Chapter 28, verse 25, reads:

"inn" shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed into all the kingdoms of the Earth."

He scattered Israel all over the Earth--in every kingdom. I do not care where you go on the planet, you will see some of My people there. They look just like you and me. You go to South America, anywhere you go, you will see somebody who looks just like you: who acts like you, stupid just like you, and on the bottom just like you.

Would you agree that our children have been taken over by others?

Deuteronomy, Chapter 28, verse 32, tells us about this, and it reads:

"Thy sons and thy daughters shall be given unto another people, and thine eyes shall look, and fail with longing for them all the day long: and there shall be no might in thine hand."

No strength. You <u>talk</u> about getting together, but you cannot get together. Verse 41 reads:

"Thou shalt beget sons and daughters, but thou shalt not enjoy them; for they shall go into captivity."

Why? Because you did not keep your agreement: because you did not keep the

feasts; because you did not keep the laws, that is why. Have you ever wondered why the Japanese, the Koreans, the Cubans, and anybody else can come to America and get up high above you in your own neighborhood, and you are unable to do anything about it? Why is it you just go to them and go to their stores and spend every dime you can with them and won't spend anything with your own kind?

Have you ever wondered about that? They come to this country and get up high. You have been here all the time, and every effort is made to keep you low, as written in Deuteronomy, Chapter 28, verses 43-44:

43 "The stranger that is within thee [The stranger that's in your neighborhood--within your neighborhood, shall do what?]: shalt get up above thee very high; and thou shalt come down very low.

44 He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail."

No matter who comes to America, you will continue to be the tail. You are not satisfied until you are under the feet of your oppressor. Verse 45 tells you even more:

"Moreover all these curses shall come upon thee, and shall pursue thee, and overtake thee, till thou be destroyed; because thou hearkenedst not unto the voice of the LORD thy God, 'הוה', to keep his commandments and his statutes which he commanded thee."

You say, "I have beautiful business plans, beautiful ideas, and beautiful proposals. My ideas work for everybody else on the planet, and I know the ins and outs of everything. This just has to work; but yet, when I put it forth, for some reason it just does not seem to work." Would you like to know why you do not prosper? Well, I will show you. In Deuteronomy, Chapter 28, verse 29, you will see the word prosper, and it reads:

"And thou shalt grope at noonday, as the blind gropeth in darkness, and thou shalt not **prosper** in thy ways: and thou shalt be only oppressed and spoiled evermore, and no man shall save thee."

Do you understand this? You <u>cannot</u> **prosper**. יהוה said you <u>will not</u> be allowed to prosper: You will get up, but you will get knocked back down.

You work day and night, and when you look at your bank account at the end of your life, nothing is in it. The reason is, you did not keep the laws of יהוה. You did not keep your part of the agreement. יהוה said this would happen. He did not lie, did He? A Man that can bring curses upon you like this is the kind of Man you want to be on the "good side" of. You want to be able to be on the side of the good. You want to do this in the right way. You want to be able to do the right thing, because

here you see what happens when you do the wrong thing. This is rough, isn't it?

All of this is important, and Deuteronomy, Chapter 28, verse 58, tells us that it is all about the name. And it reads:

"If thou wilt not observe to do all the words of this law that are written in this book, that thou mayest fear this glorious and fearful name, THE LORD THY GOD, יהוה";

This means that you have enjoyed all these curses up to Verse 58 because you did not know the name. Now I am on the scene, alive in your face, teaching My people across America the name, יהוה. All over America, My disciples and I have testified to our neighbors, relatives, friends, and people in different cities all over America that 'is God.

My people are suffering from drug abuse, AIDS, and all kinds of diseases and plagues because they do not fear this glorious name. The name is both glorious and fearful. Meaning what? It is both a blessing and a curse. This name, יהוה your God, יהוה, will bless you "if" you receive His name and live according to His plan. HE WILL BLESS YOU.

I am your testimony. I am your witness. I am your example. I am blessed.
You cannot say I am not blessed: I look blessed, I dress blessed, and I feel blessed.
You can be blessed too.

you how to get it done. This is a secret formula. This is a secret recipe. I am also showing you how you lose everything you get your hands on, and how you will never get your hands on anything at all "if" you do not keep your agreement. The fact that I am keeping the laws of הוה Feast of Tabernacles, Passover, the Feast of Unleavened Bread; Feast of Weeks--is a sign to the world; and the fact that I am keeping the seventh day holy, and not the "named" day of the week, is also a sign to the world. Just keeping the seventh day holy by solar time tells the world that 'is here, alive, and among us today, ready to bless you.

If you do not keep your agreement, then Deuteronomy, Chapter 28, verse 59, tells you what יהוה will bring upon you. It reads:

"Then 'הורה' will make thy plagues wonderful, and the plagues of thy seed, even great plagues, and of long continuance, and sore sicknesses, and of long continuance."

This means that we have been here for over 434 years and we have not been well yet.

Read Verse 60:

"Moreover he will bring upon thee all the diseases of Egypt, . . . "

Now all of that took place back in Egypt, but you can look around and see the same thing going on in America right now. Read on:

"... which thou wast afraid of; and they shall cleave unto thee."

All the sicknesses are sticking to you. You have everything--high blood, low blood, and so on. It is rough to have high blood and low blood at the same time. You have high blood and no blood--low blood and no blood. They stick a needle in your arm and get nothing but air, because your veins have collapsed.

You have gout, tumors, cancer, cataracts of the eyes, and blindness; you look for a magic pill for everything. You have chlamydia, gonorrhea, and syphilis; your teeth and hair are falling out; you have bunions and corns, and you can hardly walk. You swell up all over--everything swells up. Your babies are born with big heads, with little bitty heads, called hydrocephalics and neocephalics. Some people have babies who are hypochondriacs. Some people have every disease there is, and then

they go out and <u>look</u> for some more. Some people have already had everything cut out. There is something wrong with your mouth: Sores break out on your lips, sores all in your eyes, sores in your throat. Some are bleeding in the stomach: ulcers and pain and gas. A number of people even have water on their brain. Everything imaginable, they have it.

Many have swine-itis. Others even have the swine flu. יהוה said that if you would not worship this glorious and fearful name, then you would get all the diseases that you are scared of. Do you know any diseases which you are scared of? Well, if you do not hurry up and serve הוה, you are going to get these. It is rough when you turn your back on הוה. Deuteronomy, Chapter 28, verse 61 says:

"Also every sickness, and every plague, which is not written in the book of this law, them will ring upon thee, until thou be destroyed."

So when you come to Me and say, "הוה בן יהוה לו ,I got some stuff the doctors do not know about." I will say, "Yes, it is right here in the Bible." said you would get these. They will have to make up a new name just for you. That is some kind of curse, isn't it? יהוה שוו will bring upon you unwritten diseases until you be destroyed.

is not a Man to play with. This is serious.

There are 60 million Blacks in America, but there will not be 60 million for long. I went around the country two years in a row Myself and testified that יהוה is God. We traveled all over the country in buses, and we walked throughout many cities. Even in areas where smart people would not walk, we walked there anyway, telling everybody that יהוה is God. Well, there are not going to be many left. Let us see why there will not be many left. Read Verse 62:

"And ye shall be left few in number, whereas ye were as the stars of heaven for multitude; because thou wouldest not obey the voice of the LORD thy God, יהוה."

I am here now. Well, My people are going to be few in number. Where are My people? They are trying to find Me: That is why they are all on drugs. Everybody who is taking drugs is trying to find Me. What is he trying to do? He is trying to get high. He wants to feel good, and he wants to have no trouble. So he gets high for just a few seconds, and then he has more trouble than he ever dreamed of. His trouble starts as soon as that high is gone. He will be forever chasing that high, when all he has to do is come to 'המה , and he will have an "eternal" high, and it will cost him no

pain.

Let us read Deuteronomy, Chapter 28, verse 63, and check this out, and it reads:

"And it shall come to pass, that as יהוה rejoiced over you to do you good, and to multiply you; so יהוה will rejoice over you to destroy you, and to bring you to nought: . . . "

Bring you to nothing--zero. Continue--

"... and ye shall be plucked from off the land whither thou goest to possess it."

Can you hear? Can you read? Do you understand? 'Tr' rejoices to do you good. He just enjoys it. If you do what? "Tr' you keep His laws. He said He is going to have a good time over you in your suffering too. When you say, "I do not want you, "Later for your laws. I am going to do my thing. You go Yahweh, and I will go my way." Do you think יהוה is going to say, "Oh, please, do not think like that about Me?" No, יהוה is not helpless. יהוה is very clear.

You are having a good time rejecting Me, and I am going to have a good time rejoicing when your calamity comes--when all these things come upon you. יהוה

said, I will have a good time rejoicing over you multiplying like the stars of heavens, having children that are good and happy.

Today, if you see a Black baby out in your community, you are lucky. You did not know that did you? There are those who are out to get you every way they can. They get you with birth control or foam; they scare you to death with AIDS. You are scared to have sex without a prophylactic. If you go without the prophylactic, you might get AIDS. So when you put on the prophylactic, there are no babies. That is the end of your future. You are working for nothing. You will have no kids to leave it to. Then if you have one or two kids and they get on drugs—that will wipe out everything you have left. Rough, isn't it?

יהוה said all these things would happen to you. Why? Because you turned your back on יהוה and you did not keep His law. They do not just get you through foam, they get you through suppositories, they get you through prophylactics, they get you through tubal ligations, vasectomies, IUDs, the pill, and diaphragms. When you take the pill, you start losing your hair, going blind, and your brain starts going crazy. You start losing fluids from different parts of your body: you start dripping and draining in various places, and you will be wondering why you are dripping and

draining: then you are going sterile. When you finally get ready to have a kid, you cannot have one.

In addition, you get breast cancer, and you have to have your breasts cut off because you took the pill. Why do you want to take the pill? Because you want to get around having what יהוה said to have, and when He said to have it. You want to try to beat יהוה at the game, so He cut you off. Do you understand what is going on? All these different health problems are designed to get you down to nothing unless you turn to 'הוה.'

Your enemies go into scientific laboratories, and they come up with a thousand different ways to help you to be reduced to nothing: They figure if they can get rid of every one, then they can come out from under the plague and maybe will accept them as His nation. That is why Satan's people are trying to get rid of you. They figure if they can kill off every single Black person, then will accept some other nation as His people--because we have been rebellious. You had better be glad I have come back for you, because you would be totally doomed.

Now have you ever wondered why you serve everything--why you believe in

all kinds of religions? You believe and serve other gods and that is why you are catching hell today. Deuteronomy, Chapter 28, verse 64:

"And הוה shall scatter thee among all people, from the one end of the earth even unto the other; and there thou shalt serve other gods, which neither thou nor thy fathers have known, even wood and stone."

These are statues. You know how you have been going for the statues, and how you have been pretending like they have power, and that St. Jude can save you. All Black people that believe in the stone are catching just as much hell as everyone else. Deuteronomy, Chapter 28, verse 65, describes the penalty of serving statues, and it reads:

"And among these nations shalt thou find no ease, ..."

No ease. It's just rough. Yes, and you're not going to find "no ease" either--none. Read on:

"... neither shall the sole of thy foot have rest: but in shall give thee there a trembling heart, and failing of eyes, and sorrow of mind":

And you wonder why they beat you and kill you all across America; why they beat

you with bats and shoot you down and run you down in gangs? Verse 66 gives you the answer:

"And thy life shall hang in doubt before thee; and thou shalt fear day and night, and shalt have none assurance of thy life":

Do you know that a Black man's life is in danger in America? Do you understand it is getting worse? Is it promised? Why is it like that for Black people? It is like that because you turned your back on הוה.

That is what Passover and Feast of Unleavened Bread is about. That is what the Feast of Weeks is about. These high holy days are commemorated to bring to your remembrance all of the conditions that are causing your suffering today, and what you can do to change your conditions. You have the power to change your individual condition from a curse to a blessing, and I am looking for the mind that is ready to be blessed!

Chapter 6

Repent and Return to הוה

Holiness is beautiful. Being holy is required in being a man. This is one of the principal duties that you learn: being holy and giving the glory that is due His name, as written in Psalm, Chapter 29, verse 2:

"Give unto הוה the glory due unto his name; worship יהוה in the beauty of holiness."

When you learn about the name, יהוה, you learn of your natural qualities. You learn the attributes that belong to you. יהוה, as the Agent of nature, cooperates in all human activity. You see that יהוה is certainly the Agent of nature when you watch His hurricanes and storms. יהוה the God of Israel, is terrible in the storm. Of course, the opponents of יהוה always like to give credit to anybody but יהוה, so they

call hurricanes by names like Hugo, Iris, Andrew, and so on, but the <u>name</u> is יהוה.

They try to make Him a hermaphrodite too. But it is still יהוה.

Now I am going to prove this to you. יהוה has His way in the storm, and יהוה is obviously angry with people all over the Earth. When He is angry with folks, He can wipe out whole islands. Anyone who goes through one of the storms of יהוה knows He is surely "terrible." He is not just great and good, according to Nahum, Chapter 1, verse 2:

"is jealous, and יהוה revengeth; יהוה revengeth, and is furious; יהוה will take vengeance on his adversaries, and he reserveth wrath for his enemies."

יהוה is also angry with the United States too. Any god in his right mind would have to be angry with America, a people who put drugs as a god instead of the Creator; a people who worship false snow--cocaine--instead of the natural snow: Putting drugs as a god instead of the Creator causes יהוה to rain fire and brimstone from Heaven. Brimstone is a rock, and when you set it on fire, it is called fire and brimstone. This is a description of crack: you set "crack" on fire. יהוה is using crack cocaine to destroy people who do not want to worship Him. And since the so-called

"Black man" of America are the children and family of הוה, then He is using these plagues to destroy Black people in America in a devastating manner.

Black people have no excuse for not knowing the name ההה because I went around personally two years in a row, and I went to every drug area in the city and every ghetto of this country and proclaimed the name הוה. I gave away free literature. And it was dangerous going to those areas. They were having gun fights, but we always went through with ease. We had to stand behind buildings a few times, but we made it. We know that יהוה is God. Their rejection of their own God, the God of Israel, has caused יהוה to bring a plague seven times worse than what they were suffering from at first, as foretold in Leviticus, Chapter 26, verse 21:

"And if ye walk contrary unto me, and will not hearken unto me; I will bring seven times more plagues upon you according to your sins."

יהוה will utterly and absolutely destroy all of our people until there are none, unless they repent and return to יהוה. Those who have accepted יהוה are the perfect example of salvation, for they suffer from none of these plagues--

absolutely none. There is no AIDS in The Nation of יהוה because The Nation of obeys the laws of the God of Israel which say, a man shall not lay with another man as if he is a woman, as written in Leviticus, Chapter 20, verse 13:

"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them."

Now let us continue with our proof of the anger of יהוה in Nahum, Chapter 1, verse 3:

"הוה is slow to anger, and great in power, and will not at all acquit the wicked: הוה hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet."

Just because יהוה lets you get away with the wickedness that you have done, it does not mean that He is not going to call you into account. He is slow to anger, which means that people can just do wicked, do wicked, do wicked, and it "seems" like they are never going to be called into account. A perfect example was Noah. Noah taught 120 years. He told the people, "הוה" is going to destroy you for your wickedness." They laughed at Noah, and they made fun of Noah. Even when it started raining, they said, "It always rains." That is the way people are today.

When you see the plagues of Egypt upon America, you will see the rulers calling out for their scientists and magicians to explain it away--to do a little magic. They will make such statement as--"Well, it is the greenhouse effect." The wicked want to hear that; they love to hear it being anything but המה: They want to be told anything so they can keep on doing what they are doing. Leviticus, Chapter 20, verse 13 says that "if a man lie with mankind as he lieth with a woman; they shall surely be put to death." But the scientists and magicians will tell you it is okay because we have some pills now that we are working on that can slow it (AIDS) down. You won't die from AIDS so fast, you can die more slowly. They do not take this as an opportunity to straighten up; rather, they take this as a license to continue.

That is the way it was in Egypt under Pharaoh when the frogs came up in abundance, which was a plague. Pharaoh called in his scientists and he called in his magicians. 'הוה had told him He was going to get them. Their magicians said, "Well, you see, there was an awful lot of animals that died this year and it caused a lot of different kinds of bugs and things to come up; the frogs had to have something to eat, so they saw there was a lot of extra food, and they laid a lot of extra eggs and, therefore, you had an abundance of frogs. No big deal." And the wicked said, "Oh,

yes! I can go on being wicked. It is not God after all. Who is this 'that we should listen?' Who is this God of Israel that we should listen?' Well, in the end as Pharaoh was sinking in the Red sea, he said, "I know who this God is: 'הוה," and then he drowned. It is a little late when the wicked ones find out.

It is important for us to understand יהוה is <u>slow</u> to anger, but that does not mean He is not going to get angry. Read Nahum, Chapter 1, verse 3, again:

"הוה' is slow to anger, and great in power, and will not at all acquit the wicked: . . . "

Do not worry about the wicked. הוה 'is not going to acquit the wicked. The wicked may shoot and kill you, and take himself to court, and hold himself not guilty. That is fine because יהוה is not going to acquit him. If you are wicked, you are in trouble with יהוה, and He is not going to let you get off. It is only a matter of time, according to Zechariah, Chapter 11, verse 5 and Nahum, Chapter 1, verse 3:

- 5 "Whose possessors slay them, and hold themselves not guilty: . . ."
- 3 " יהוה is slow to anger, and great in power, and will not at all acquit the wicked: . . ."

Chapter 7

The Knowledge of "THE" Ineffable Name Will Make You A New Person

Seeing us being raised from the dead is a sign of the reality that יהוה is here and He is among us. Any time you see people dressed in white, living right, and all around them people are living wrong, you know something has happened. When you come into the knowledge of the INEFFABLE name, and when you come into the knowledge of "THE," you become a new person. And the knowledge of "THE" excites you. Those without the knowledge of "THE" wonder why you are so excited. But that is a secret. יהוה said there is nothing hidden that will not be revealed. All secrets are to be made known to the children of 'his chosen, His elect. Now we

are witnesses to the revelation of "THE." Praise יהוה.

Those who are without the knowledge of "THE" are amazed at your excitement. But they do not have to stay amazed because they can be a part of this. One of the signs of your receiving this knowledge is in your actions; it is in your lifestyle; it is in your mind-set; it is in your accomplishments; it is revealed through your blessings; and it enables you to bless all the nations of the Earth. YOU ARE BORN TO BLESS ALL THE NATIONS OF THE PLANET EARTH. Right now, all who treat you good are blessed. You bless them. I said anyone that treats you good, I will bless them. You are going to see that I will bless the entire planet Earth for all who bless Me; and all who bless you, I will bless them. If anyone dares to curse you, I will also curse them.

I am bringing you into the knowledge of יהוה, and part of the knowledge includes this, and read carefully: יהוה, AS THE AGENT OF NATURE, COOPERATES IN ALL HUMAN ACTIVITIES AND, THEREFORE, IS ENTITLED TO A SHARE OF WHAT ISSUES FROM THEM. יהוה is entitled to a share of what He creates. Here comes man, who is not worthy of anything, but

they have the nerve to tax you out of existence. Imagine that: They go beyond God. They go all past what יהוה requires. יהוה ONLY REQUIRES TEN PERCENT, but these people will tax you 48 percent, 38 percent. That is a shame. That is wicked. They are a bunch of parasites.

People go out and work, and the wicked sit up in their offices and just write on a piece of paper that they are taking 38 percent from your labor. That is on the first shot. You think that is all? They tax your income, and then they tax the tax on the income. Evenmore, they tax the tax of the tax on the tax of the tax of the tax on the income. And they give you an "illusion" of, "Here is your check, and here is what we are going to 'allow' you to take home." They call it your "take-home" pay. And on your way home, you get taxed again: You stop at the service station to put some gas in your car and there is a gasoline tax. You are so tired of being taxed that you decide to buy a pack of cigarettes to relax, and they also tax your cigarettes. So you say, "Goodness! I will just go home and relax with a can of beer." They tax the beer. When you are ready to relax and eat some steak or something, they even tax the food.

They have already overtaxed the water by polluting it, so when you go to buy some water, they tax it too. You decide, "Well, I will go to my house and relax from

taxes." The house is taxed. When you get home, your wife taxes you: she taxes your nerves. Then you say, "Well, I will take a vacation and get away from it all." The ticket is taxed: airlines tax you. "Well, if I have to pay taxes on my house, I will go to a hotel." Lo and behold, they have a bed tax. Then there is a restaurant tax. They are so "tax crazy" that out front, when you are ready to go some where, they have a taxi. You become so paranoid that every time somebody knocks on your door, you think that it is the tax man.

Yes, Americans are really being taxed out of their existence. You work hard, you save up your money, and you leave it to your kids--guess what? There is an inheritance tax. It has already been taxed a million times. Then you say, "Well, I won't leave it to them as an inheritance, I will just give it to them." They say, "Oh, no, you won't--there is a gift tax." There is no end to it. And these people are not God. Look at how they tax you. When it is all said and done, you are lucky to have ten percent left for yourself. That is a fact. They reversed it: They take 90 percent. They must be giving you a message and telling you that you are god because that is all they give you is ten percent. That is what belongs to "O'--ten percent. So you must be god or something since that is all they let you have is ten percent. It is about

time you look through the taxes and figure out who you are. You have got to be gods.

That is the "divine" decree to give 10 percent to God, and that is what they do.

Certain portions of man's crops, livestock, and firstfruits should be rendered to יהוה as a concrete retribution for the help that יהוה gives to you, as written in Deuteronomy, Chapter 16, verses 15-17, which reads:

15 "Seven days shalt thou keep a solemn feast unto the LORD thy God, יהוה, in the place which יהוה shall choose: because the LORD thy God, יהוה, shall bless thee in all thine increase, and in all the works of thine hands, therefore thou shalt surely rejoice.

16 Three times in a year shall all thy males appear before the LORD thy God, יהוה, in the place which he shall choose; in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before יהוה empty:

17 Every man shall give as he is able, according to the blessings of the LORD thy God, יהוה, which He hath given thee."

These directions are clear. When you come into the knowledge of יהוה, and that יהוה is your God, then you will obey the will of your God. And in obeying the will of your God, you will follow these prescriptions and surely rejoice. AS YOU KEEP THE LAWS OF יהוה, YOU ARE BLESSED ABOVE ALL PEOPLE ON

THE EARTH, BECAUSE THAT IS HIS DECREE. The blessings of יהוה are designed to make you rich. Proverbs, Chapter 10, verse 22:

"The blessing of יהוה, it maketh rich, and he addeth no sorrow with it."

This is the way of יהוה: His desire is to make you rich. If you have submitted to the will of יהוה, that is exactly what He is doing. He is making you rich without apology, and there is no sorrow with it.

יהוה puts the difficulty in your face, and then He moves the difficulty. puts a problem in your face which seems very difficult, and then He solves the problem. יהוה makes your way difficult, and then יהוה eases the difficulty. יהוה puts an obstacle in front of you and it seems like surely this is the end, and then יהוה makes a way out of no way. So it is a blessing to know the will of . It is an even greater blessing to carry out that will.

The entire world <u>must</u> pay tribute to הוה for His unselfish and eleemosynary donations to all men: for יהוה is the giver of life. Unless all men come and worship the King of Israel, יהוה בן יהוה, they are not going to be blessed. On the other hand,

if they do not come and worship the King of Israel, יהוה בן יהוה, they will starve to death and die from much sickness, according to Zechariah, Chapter 14, verses 16-18:

16 "And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, יהוה בן יהוה ל of hosts, and to keep the feast of tabernacles.

17 And it shall be, that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, יהוה בן יהוה סל hosts, even upon them shall be no rain.

18 And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith יהוה will smite the heathen that come not up to keep the feast of tabernacles."

Read Verse 19 so you will understand why:

"This shall be the punishment of Egypt, and the punishment of all nations that come not up to keep the feast of tabernacles."

SO, I DO NOT CARE WHETHER YOU ARE A HINDU, A BUDDHIST, A MUSLIM, A CHRISTIAN, OR WHATEVER YOU SAY YOU ARE, YOU ARE GOING TO HAVE TO BOW TO THE KING OF ISRAEL, יהוה בן יהוה ליהוה בן יהוה בן יהוה בן יהוה בן יהוה בן יהוה בן יהוה ליהוה בן יהוה סר OF HOSTS. That is it. That is just the way it is. And I happen to be the King of Israel—and that is the way that

is.

Some real slick reporters came and interviewed Me, and they wanted to know, "Well, are you going back to Israel?" I answered, "Not any time soon." "Well, you know they are fighting over there, they may not want you to come in." I stated, "I am not worried about that. That is not the problem. I do not mind who wants to fight over Old Jerusalem, I am not concerned about who wants to die over Old Jerusalem, I am not about that, I am not about Old Jerusalem. Let Me tell you about the one that I am establishing: it is called 'NEW' JERUSALEM. That is what I am bringing: 'NEW' JERUSALEM. And where do you think New Jerusalem is? in the Middle East? It won't be new unless I go to the Middle East. UNDERSTAND THAT 'NEW' JERUSALEM IS WHERE EVER I CHOOSE TO PLACE MY NAME, AND I HAVE CHOSEN TO PLACE MY NAME IN AMERICA."

I will just clean up the farms here. I am not worried about the desert. I have been through the desert, forty years one time--that was enough for Me--in the days of Moses. You do not want to see a desert. The desert is rough. Have you ever just seen a picture of a desert? It is desolate. You think God is dumb enough to go set up

camp on a desert? I would not want to hang out with no God that says, "I will just hang out on the desert." Not Me--I am not a desert God. No, no! I would rather come into rulership in New Jerusalem where there is already pavement and highways that just need some redoing.

It is all about **NEW JERUSALEM** and where I choose to place My name. I said the entire world must pay tribute to הוה . Did I just prove My case? And you just read in Zechariah where it tells you to keep the Feast of Tabernacles. Isn't that beautiful? And all who do not come and worship the King of Israel, יהוה בן יהוה בן יהוה לוח get too much rain where they do not need it, and no rain where they need it--right here in America. There will always be plenty of food where I am. The righteous will never be forsaken nor will the seed of the righteous ever have to beg bread, as written in Psalm, Chapter 37, verse 25:

"I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread."

יהוה is the "eleemosynary God." He is the good God. He is the giving God.

That is who I am.

Chapter 8

The Feast of Tabernacles Has Historical Significance

The Feast of Tabernacles possesses both a seasonal significance and a historical significance. It carries both a universal meaning and a particular meaning for all the people of the Earth. Isn't that amazing that 'הוה' designed the Feast of Tabernacles for His children to keep forever, while at the same time it is designed to bless all the families of the Earth--all the nations of the Earth? Isn't that interesting? This eliminates all other nations from being jealous of us being chosen by 'הוה'.

Throughout history, they have been jealous of us: "Look at them, they are all rich, sophisticated, upright, upstanding, moral, and clean people. We cannot do

anything to them because יהוה has His arms wrapped around them, protecting them.

Look at them. He has them all fixed up in a city; they have all the gold and the silver and the jewels and the money."

They get jealous when you have all that rich stuff. "Hey, I hate those Jews, they have all the money." That is what people are saying on Earth. They try to run the Jews out of all the countries because they have all the money. "They have all the money." That is what they say. Well, they sure are going to have to get jealous of Me because I am going for all the money. And I do not want anybody following Me who does not want all the gold and silver. Do not come near Me with your poor self. I do not want a poor-minded person around Me. The poor cannot go to Heaven. Well, what about that Scripture that says, "Blessed are the poor and the meek for they shall inherit..." Yes, but you have to change. Did you read where you have to change? Yes, you shall inherit, but not because you stay poor.

Can you imagine how much hell it would be in Heaven with a bunch of poor folks in it? They would be walking up to the angels talking about, "Loan me ten dollars till Friday." No, do not come up to Me trying to borrow nothing! In order to

come into the Heaven of יהוה, you have to be rich. "Gosh, יהוה בן יהוה, I have never been rich in my life." That is why I have come to you: to help you to be rich. That is what I am here for: to make you rich. I did not come to take anything from you, and I never have. I have only come to give you an abundance of life, an abundance of wealth. That is all I have done; that is all I am doing. When you give Me your pennies, I give them back to you in dollars. The world is a witness. It is a miracle, and all the parasites are trying to take your wealth.

Are you ready for Heaven on Earth? Are you tired of wars, hell, and hunger? That is what I am here to bring: peace on Earth <u>forever</u>. You cannot have peace and be broke. There will not be any homeless folks living in My kingdom. You will be picking peanuts or something. You will not eat in the Kingdom of Heaven if you do not work.

The only Man My people will listen to is יהוה. They will stop and listen to according to Jeremiah, Chapter 24, verse 7.

"And I will give them an heart to know me, that I am 'in: and they shall be my people, and I will be their God: for they shall return unto me with their whole heart."

It is because יהוה is God--He is the Black man's God. He is your God. It is not important right now that He is the God of everybody, the point is He is your God. really is your God; and the God of Israel is the only God. That is what you have to know. Praise יהוה. I am the only One allowed to tell you and to teach you this. Nobody else is allowed to teach you.

America is designed for My coming. I would not come to any other country but America. Can you imagine Me coming to Tiananmen Square? I do not speak Chinese. I am not going over there to put up a Statue of Liberty. Not in China, I am not. It is already here. All you have to do is take advantage of the opportunity. The opportunity for you to be righteous is wide open here. There is no law in America that prevents you from being good. There is not one law on the books of America that will stop you from being upright, ethical, moral, honest, and honorable. There is nothing to prevent you from being an eminent person: A person of high repute. There are plenty of laws on the books against your being a criminal, and there ought to be because I sure have plenty of laws to teach you about not being a criminal.

The law of יהוה says, "Thou shalt not steal." That is clear. I would not need

prisons for thieves. I would solve that problem. The law of יהוה 'that I teach says, 'Thou shalt not kill,' then we would not have to worry about whether there are prisons for people who kill. There will not be any prisons under My rule. I would eliminate all prisons. I will never work and pay \$40,000 a year to keep some criminal alive in prison. The laws of יהוה 'are very clear about killers. The only people who do not want to see the laws of יהוה 'in effect—that would solve all crime—are those who get rich from criminals. The system of America is designed to get rich from all criminal activities. It is designed for criminals. The only ones that have rights are criminals. The victims of crimes presently do not have any rights.

There are opportunities in America for a crime-free society. Yes, there is opportunity. America is wide open for the opportunity for you to have pornography-wide open on every corner, and a whorehouse on every corner. That opportunity exists in America. If that is what the people want, they can all get together and vote it in. That is the way it is. That does not mean יהוה will condone it, and that it will last forever, but the point is you have that opportunity. You also have an opportunity in America to have no pornography at all.

You have an opportunity in America to be poor, and you have an opportunity to be rich. I love this opportunity here. You have to be crazy not to love this opportunity that is afforded to you in America. This is the world's greatest land of opportunity. Right here. I just love it. You have an opportunity to be good and nobody can stop you. You have an opportunity to own Miami, to own Dade County; you can own every square inch of it, if you want to. That is the opportunity. Ask the Cubans. They will tell you that they own Miami. When did they become the owners of it? In the last 20 years. They came off the boat from Cuba with nothing. But everybody came to America with nothing. Everybody who migrated to America—the land of the wilderness—was an immigrant, but it was an opportunity: The world's greatest experiment.

You have an opportunity to change your ghetto into Heaven. It does not have to stay a ghetto. You have the opportunity to change it. I changed it block by block to give you an example. I am an example. My people who do not know יהוה want to blame the President for not having anything. The Nation of יהוה has accomplished everything it has without any help from any President. Proving what? Proving that the opportunity is here in יהוה.

The Feast of Tabernacles is all about reminding you of your history, which is your past. And by studying your history, you can see the pitfalls of rejecting the laws of יהוה: you were cursed, put in slavery, and have suffered. When you return to the laws of יהוה, you will be blessed. So I invite you to the season of blessings. You no longer have to be cursed, you can be blessed. All you have to do is come into the knowledge of "THE."

Chapter 9

<u>Give Unto יהוה</u> the Glory Due His Name

We have a law telling us to give glory to the <u>name</u> יהוה which is written in Psalm, Chapter 29, verse 2, and it reads:

"Give unto יהוה the glory due unto his name; worship in the beauty of holiness."

Because your enemy substituted the word "LORD" in the place of יהוה, most people run around hollering, "Lord, have mercy." There are Lord Higginbottom, Lord Winston Churchill, and Lord Jack Ass. Which lord are you calling on? There are lords many according to 1 Corinthians, Chapter 8, verse 5:

"For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,)."

Lord is a <u>title</u>. The intellectuals have studied this to find out that "lord" is a <u>title</u>. So if you say "Lord, have mercy," you are not ever going to get any help. If there is any group of people on the planet that says "Lord, have mercy" as much as Black folks, if that were His <u>name</u>, then Black people would get more help than any body else on the Earth. The <u>names</u> you have called on for help have never helped you.

There is only one name that can help you: That name is יהוה. That is it. I don't care what god you call on, you get no help. But you can see that someone is helping Me. You have to admit it. Somebody is helping Me. I take the mystery out of it and tell you who. You don't have to wonder, "Well, who is it that's helping can be in the care what god you call on, you get no help. But you can see that someone is helping Me. I take the mystery out of it and tell you who. You don't have to wonder, "Well, who is it that's helping can be in the care what god you who: יהוה בן יהוה בן יהוה בן יהוה."

Chapter 10

You Must Qualify to Enter and Stay in the Kingdom of Heaven

I am come in the **name** of the Man helping Me. I am the Founder of The Nation of הוה. As written in Daniel, Chapter 2, verse 44,

"And in the days of these kings shall the God of Heaven set up a kingdom, which shall never be destroyed: . . ."

The Kingdom of Heaven has never been established; therefore, this is a prophecy until I come. I have established and am establishing a kingdom which shall never be destroyed. I am establishing structure, order, method, system, and discipline. It is infallible--it cannot fail.

In order to enter Heaven, you have to be worthy. You have to be superior.

You have to be eminent and of high repute. Yes, you do! You cannot enter Heaven and rule in any other way. You have to be holy! righteous! upright! honest! Yes, you do. Not just anybody can walk into The Kingdom of Heaven and stay. You have to qualify.

Read Daniel, Chapter 2, verse 44 again, and look at what I am doing:

"And in the days of these kings shall the God of Heaven . . ."

These kings are right now: the rulers. Do not wonder about if this is in the past: this is in the now. Am I doing this in the past or am I doing this now? I am doing it now. Are you a citizen in The Nation of יהוה? Well, you cannot change. Nobody that is not a citizen can change that fact. The Nation of יהוה exists. It does not have anything to do with what you "think" about it. It is independent of whatever you think.

You can go all over the country and talk against The Nation of 'Good', and it still exists. It is ever-increasing. I have structured it like that. And if you are born to be a part of it, you will become a part of it. I have "designed" this scientifically. I have an order, a system, and a method which are designed to screen out the miscreant

and the aberrant. I have <u>designed</u> a system where if you do not want to be good and be committed to being good and make a difference in goodness, you cannot come in. That is all to it! You know what is happening, but you just cannot do it. "Man, I don't want to be there right now." It would not do you any good to come in anyway because you are going to be put right out as soon as you begin to act bad. So you are right not to come until you want to be good, because I am building **The Kingdom of Good**.

You can talk against good all you want, but good is here now. There are good people here now who have joined together for the first time in history--for over 6,000 years: Good people who have banned together in the name of goodness. You have power now in goodness. No one can take it. No one can deny that I exist. Are you a part of The Kingdom of Goodness? If you do not want to be good, then try to stop it. Right now, as you read this book, I am busy searching out the good people on the planet. And <u>all</u> good people are coming to Me.

Now I know Satan comes too, but he just comes to bear witness: "Wow, yeah, there is a bunch of goodness going on." Right. Sure is. You cannot find anything wrong with goodness. You cannot. There is nothing wrong with goodness. Either

you just get with it or leave it alone. It is best to leave it alone. And if you do not leave it alone, it really does not matter. It does not make a difference what you do-one way or the other. GOODNESS IS HERE TO RULE.

I AM THE FOUNDER OF GOODNESS. I CREATED GOODNESS TO RULE OVER BAD. That is the way it is. I created the positive to rule over the negative. I made it like that. The positive force carries more power than the negative force. Both exist, but one is more powerful than the other. One can <u>subdue</u> the other.

Chapter 11

Good People Have Been Divided for Over 6,000 Years

The wicked (they represent the negative) have been ruling because the good people have been scattered from one another. Good people have been divided against one another all over the Earth. How can Satan rule except he first divides good people from one another? That is how he divides and conquers. He cannot conquer with good people joined together. They will win every time. For over 6,000 years, the good people have been divided.

Ever since Lucifer came in the Garden and talked to the Evites, the Adamic people have been divided. They were created to be a help meet to the Adamic

people. Adam was male and female, not a hermaphrodite but rather a nation of people. Adam was the people of יהוה, who were the children of יהוה. Adam was the son of יהוה. It was just put in a story form under a type. Adam was just a type, but Adam was also male and female from the beginning. Let Me prove My point. (Everything I say is in the Book. I COME IN THE VOLUME OF THE BOOK. I speak all 66 books from within Myself. Just by nature, I talk it. I cannot help Myself. Every word I utter, you can go to the Book and find it in there. I never speak foolishness; I always speak wisdom.) Genesis, Chapter 5, verse 2, reads:

"Male and female created He them; and blessed them, and called their name Adam, in the day when they were created."

That will get that. Them is plural; their is plural: "... blessed them, and called their name Adam. .." You are talking about male and female, husbands and wives: a nation of people who was called Adam.

Where did Eve come from? Eve or Evites were also a people taken from Adam. They came out of Adam. But in order for this to take place, 'הוה' had to put Adam to sleep. And when יהוה put Adam to sleep and created the Evites, something happened. They hid what happened all the way over in Matthew, Chapter 13, verse

25, and it reads:

"But while men slept . . ."

"While men slept" is when Adam went to sleep. Everything happened in the Garden. Whatever is going on in the world, it goes back to the Garden. That is why Adam slept. יהוה put him to sleep. The enemy did not put Adam to sleep.

After הוה put Adam to sleep and while men slept-- "... men..." These were men. Men means male or female--them. But while men slept,

"... his enemy came and sowed tares among the wheat, and went his way."

While Adam slept, יהוה made an inferior people out of him. And when Adam woke up, he named them Evites. Eve-ites are weak people: created from just one rib. They were unable to protect the organ of the law. When יהוה took the one rib from Adam, it did not leave him incapacitated. He still had the power to protect the vital organs of the law--by nature.

Evites are made up of one rib, so they have the <u>form</u> of godliness. But they cannot accept the **power** because they do not have the rib cage for it. They cannot

hold it. They can listen to it, they can talk about it, but they cannot keep it. They cannot protect it. So now while Adam slept, here comes a weak people that יהוה said are <u>designed</u> to just help you. They cannot dress and keep the Garden. They cannot be left in charge of the Garden because they are weak and gullible.

Back to Matthew, Chapter 13, verses 25-27:

25 "But while men slept, his enemy [Lucifer] came and sowed tares among the wheat, and went his way.

26 Bur when the blade was sprung up, and brought forth fruit, then appeared the tares also.

27 So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? . . . "

Did thou not sow Adam in the field? Where did these enemies come from? Verses 28 and 29 give you the answer:

28 "He said unto them, An enemy hath done this. The servants said unto him, Wilt thou then that we go and gather them up?

29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them."

When they asked, "Sir, where did they come from?" it shows they went to sleep. If

they had been awake, they would have known where they came from.

This is the condition of Black people today. They do not know how they got here; they do not know exactly where they came from. They just know they are over here, and they ask, "What happened to us? Why can't we work together? If the Black man could just get together, he would be the most powerful man . . ." Every Black man can say that. "If we could just cooperate together like everybody else, we would be the most powerful people." Right! You know it, but--all Black folks say that. Why do you not cooperate together? Our enemy warped your mind-set. He did this.

So the servant said unto him: "Do you want us to go and gather them up? We do not like the enemies now, somebody messed us up like this." He said, "No, no, do not gather up the tares, unless you root up the wheat also. You do not know the difference: they all look alike." What does that mean? That means that the Evites were taken from Adam, and they all look just alike. There will be two different kinds of people reading this book. Although some may look alike: and may even have the same skin color, but there will be two different mind-sets reading this book. I am calling for Adam for the second time, but Evites are reading this book too.

Everything you want to know is in the Bible, but you do not know how to find it, how to read it, how to put it together, because you went to sleep. Therefore, you do not know where it is. It takes One who was awake back then to know the whole story and to be able to put it together now. Not only have the good people been scattered, but **THE WORD** that will resurrect them is also scattered. It is all in the Book, so it takes somebody who was back there and saw it scattered and who knows the plan to be able to put it back together.

When the enemy scattered the good and scattered My message throughout all the Book, I was watching. I let Daniel watch it, and then I did not let him stay alive. I told him to close the Book, seal it up, till the end time--till I come. I am so powerful that when the learned man was given the Book, he said, "But I cannot understand it." He gave it to the unlearned man and he too said, "I cannot read it." Daniel said, "I do not know what it is about." Then I said, "You are not supposed to. Shut it up, seal it till I come," as written in Daniel, Chapter 12, verse 4:

"But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased." You can let everybody on the Earth have the Book; they cannot straighten it out. That is left up to Me. Only I can straighten it out. I AM HERE TO MAKE CROOKED THINGS STRAIGHT. Job, Chapter 1, verses 6-7:

6 "Now there was a day when the sons of יהוה came to present themselves before יהוה, and Satan came also among them.

7 And יהוה said unto Satan, Whence cometh thou? Then Satan answered יהוה, and said, From going to and fro in the earth, and from walking up and down in it."

Satan said from going to and fro, up and down. To and fro, up and down: That is the sign of the Cross.

You have been crossed up, double crossed, and crisscrossed.

Satan and his angels are among us, dressed in white, trying to pass off as one of us. The good sons are coming to Me to present themselves, but Satan is here also, and you, My children, cannot tell the difference because you have been blinded with

the skin-color game. You think that everyone Black like yourself is one of you. But Eve was different from Adam. Satan knew he could not go to Adam with his trick. He had to go to the weak people. The story is scattered all through the Book. Matthew, Chapter 13, verse 29, says no, do not gather up the tares because you do not know what you are looking at.

Job, Chapter 1, verse 6 says that only יהוה knows who Satan is. Satan looks just like the sons of יהוה do not know Satan from themselves. Some have on white and some do not have on white. So you do not know them. Right now, if I turned you loose to go and grab the tares and burn them up, you would be grabbing good folks. You would be paranoid. You would not know who to touch. You would be throwing the good out with the bad. I know that, so I told you what to do in Matthew, Chapter 13, verse 30:

"Let both grow together until the harvest":

The harvest is the Feast of Tabernacles or Feast of Weeks. Let them grow until the harvest. The harvest is coming. The ingathering is coming.

There is going to be a gathering together in the end, and I will gather all the

good people: there will be 144,000 good ones. There may be a million around, but there will only be 144,000 good ones. I am going to let them grow up together till the time of the harvest. And in the time of harvest, Matthew, Chapter 13, verse 30, tells you what I will say to the reapers--and I am the only One that can say--

"... Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn."

Why do I let them grow together? Why do I wait till the harvest? We are talking about wheat and tares. The tares will grow up looking just like the wheat until harvest time. Then a miracle takes place.

A transformation takes place at harvest time. A metamorphosis takes place at harvest time. The wheat develops a crown. This crown is a crown of glory. Everybody is waiting on their starry crown to be given to them. ONLY THE WHEAT CAN GET THE CROWN. Glory means you are crowned into righteousness. But first you have to grow up into righteousness. Why? Because you have not been taught righteousness. So you grow up right among the wicked. The wicked is right among you; is walking right along with you saying "הוה" is God."

The wicked is hollering, "הוה"." Satan is among us hollering, "הוה" is God. Yes!

Praise יהוה: "Sometimes the wicked ones holler Yahweh louder than anybody else:
"YAHWEH!!!" They almost break your ear drums hollering. But their works and
their deeds are not right. They are crowned into wickedness.

They love weak talking and all, but those who are crowned into **righteousness** will separate themselves and become distinguishable by their crown. What is in their head begins to show. The world can then see the difference between the wheat and the tare. It is a **mind** thing. It is something going on at the head. One develops a head, the other one cannot do that. After that happens, then I give orders. In the time of harvest, I am going to have some reapers, and they are going to obey My command. The reapers will obey the summons given. The reapers took a vow one day that they would obey all summons—do their orders.

The reapers will gather those tares. You have been working around them. You have been watching their work. You will bind them in bundles, bunches to burn them. That is hell fire. There is a lake of fire coming. All those wicked people will be gathered together and you will set them <u>outside</u> the congregation of the righteous and the upright; and then you will gather the wheat into My barn.

That is the parable of the wheat and the tares. And I could teach you a lot deeper into the garden, but you already have more knowledge about Adam and Eve than you have ever had in your life.

Chapter 12

The Feast of Booths: The Feast of Tabernacles

Now the Feast of Tabernacles is also called Feast of Booths. Job, Chapter 27, verse 18, reads:

"He buildeth his house as a moth, and as a booth that the keeper maketh."

That is a mystery to you. What does that have to do with the Feast of Tabernacles? What does that have to do with Me? Aren't you mystified? Do you feel like you are divine and can explain this? This is a mystery. You have to be astonished at this: at the Feast of Booths, you have somebody building a booth like a moth.

A booth is not even a house or a palace, it is a <u>temporary</u> shed. And here is somebody building his house on a "temporary" basis. Here is somebody building a "temporary" house, just like a moth--like the moths that eat your clothes up. They do not build a permanent home, they have a "temporary" house. Here is some kind of people building a "temporary" house that is not much better than a shed. That is like what the so-called Black people in America have been taught to do.

Everything My people do outside of יהוה is temporary. Look at our athletes: they get up, get paid a million dollars a year, and when their career ends, they have no money. They are broke. Their riches are temporary. Look at our musicians, entertainers: they get paid all kinds of money, big money, sometimes they have 20 or 30 people on their payroll. They have a 15-piece band, setup men, limousine drivers, and valets. I mean they really have things together, and they get treated like kings and the like. Some get called king: king of this, king of that--but it is a "temporary" house. Outside of יהוה they end up broke, because their enemy has something for them to help them stay on the road: A few little chemicals here and there. Even if they do not take the chemical stimulants, they have everybody around them who are on drugs. Next thing they know, they will be fighting and killing one

another. You cannot hold them together. It is a "temporary" shed.

All that you accomplish outside of הוה; ends up to be nothing. It won't last. You build up wealth, leave it to your children, and they dissipate it right away. They cannot wait to just throw away everything you suffered for. They cannot wait. And sometimes you only have one child, so you know he is going to throw it away. Temporary. The knowledge I have shared with you proves that this Book of the law is designed to make you prosperous and successful, as written in Joshua, Chapter 1, verse 8:

"This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success."

So the knowledge of Feast of Booths is <u>designed</u> to make you rich and successful.

Does that mean the wicked cannot get rich? No. Some of the rich are certainly wicked, but the rich man outside of 'no' has built a "temporary" shed.

Now let us prove it in Job, Chapter 27, verse 13, which reads:

"This is the portion of a wicked man with יהוה, and the heritage of

oppressors, which they shall receive of the Almighty."

You have oppressors. The wicked oppress you. This is the portion and the heritage of the oppressors which they shall receive of the Almighty. You have to admit white folks are rich from your slavery of over 310 long years. **Free labor.** Your ancestors labored from sun up to sun down for over 310 years--millions, and worked for hardly anything. You are even over worked and under paid right now.

You must admit that white folks have oppressed you? Do you admit that other nations have also oppressed you? Not only have white folks oppressed you, but black folks have also oppressed you too. Pharaoh was black. He oppressed you as a people, and 'filed him for it. Now you have the white man oppressing you. He should have learned something from the black one that oppressed you. Don't you see Haitians oppressing Haitians in Haiti? Those black devils among the Haitians are killing their own people. So running to a black country will not mean salvation for you, will it? It is dangerous to believe in the skin-color game.

If you do not believe that is right, just take a trip over to Ethiopia. They have been killing each other for over 15 years: all of them are Ethiopian. There are

Hebrews over there too. The ones you see on TV starving to death are Ethiopians. Do you want to live in Ethiopia? There are some Black people over there that will kill you. You wouldn't know which side to be on. There are two sides over there, and you do not believe in either side. Both sides are black. Therefore, it boils down to the fact that it is not about the color of your skin, it is about the "wicked" and the "righteous." That is what the subject is here.

This is the portion of a wicked man with ההוה, and the heritage of the oppressor. They are going to receive it from whom? The Almighty. The wicked man and our oppressor can have all the children they want but the number of their children is not going to help them against this sword. It does not make any difference what you think about this. You cannot stop this any more than you can stop Me from founding The Nation of יהוה. Job, Chapter 27, verse 14, reads:

"If his children be multiplied, it is for the sword: and his offspring shall not be satisfied with bread."

He never gets enough. Our oppressor never gets enough. You cannot satisfy him.

Those that remain of him shall be buried in death. I am talking about our wicked oppressors. Do you go along with what the Almighty wants to do? Are you against

what the Almighty has planned for our wicked oppressors? It is wise to be on the right side. Read Verses 15-17:

15 "Those that remain of him shall be buried in death: and his widows shall not weep.

16 Though he [our wicked oppressor] heap up silver as the dust, and prepare raiment [rich garments] as the clay;

17 He may prepare it, but the just shall put it on, and the innocent [who are ignorant] shall divide the silver [among themselves]."

Who are the just? The just are good people, honest people, upright people, and honorable people. That is who the "just" are. Are you a just person? See what is coming to you? All the wealth of America. I am here to give it to you. I am ready! Yes! "You are ready to give it to us? You mean you have it?" Yes! Can't you see it? The Almighty has already fixed it. It just looks like it is not yours. This is your heritage. This is your inheritance. I AM YOUR INHERITANCE. I AM "YOUR" INHERITANCE. I AM "YOUR" GIFT. I AM BORN THE ALMIGHTY GOD.

Chapter 13

How Can God Be Born?

Some say, "Well, I like what ההה בן יהוה is teaching, but He is saying He is God, and I do not quite understand that. I do not understand how God can be born. It is obvious He is born." YES, I WAS BORN. I WAS ALIVE BEFORE I GOT IN THE WOMB. That shows you how powerful I am. I CAN COME WHEN I GET READY AND TAKE UP A BODY WHENEVER I PLEASE. I was walking with Adam in the Garden. I walked with Enoch, and I took him on a long space trip. Read your Book, you will find out. I never let Enoch see death as recorded in Hebrews, Chapter 11, verse 5:

"By faith Enoch was translated that he should not see death; . . ."

I took Elijah too. He did not see death either--he's still alive. I took them way out there in order to bring them back when I got ready.

Here I am born out of a womb like you, and yet I am the Mighty God. That is who I am. I AM THE MIGHTY GOD-BORN. THE MIGHTY GOD! That is who I am! I am not interested in trying to convince you. If you do not believe the Word, it does not matter anyway. That is what I am giving you. I AM THE MIGHTY GOD-BORN! Isaiah, Chapter 9, verse 6, affirms who I am:

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace."

And watch My works in Verse 7:

"Of the increase of his government . . ."

My government, His government, not somebody else's; He has one of His own.

Continue:

"... and peace, there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even forever. The zeal of hosts

will perform this."

"Born." A Son born unto us. "Us" is a <u>peculiar</u> people. This "us" here is the ones who have the capacity and the propensity to accept the gift and to acknowledge that He is Almighty. If you can accept Me and receive Me as this Son, then you <u>will</u> receive the reward of what I have to teach you, which will make you the sons of God, and live <u>forever</u>. You are the wheat. If you can <u>receive</u> this and <u>receive</u> Me, then you are the wheat. If you cannot, that means you are the tare. Hang around till the day of harvest. The rebel is the one whose mind rebels against Me being the Mighty God, for whatever reason—whether it is jealousy or envy. He is upset because he was not the One chosen.

You did not have a problem as long as they told you the Son of God was white. You never raised a question. You sat yourself down in the church and had a white Jesus hanging up there on the wall and you never raised a question. So shut up now when I tell you who I am! "I find it hard to accept you, יהוה בן יהוה, as being the Son of God and, thus, God, because, יהוה בן יהוה, you were born of a woman." Go to the Book, you said Jesus was born. You were taught to believe in him, and you have never seen him; and the one that taught you to believe has never seen him either.

You would not recognize Jesus if your life depended on it. At least you can see Me, you can judge My works in the flesh. You can judge My works **now**!

All of My works are greater than anybody you call Jesus. You may say, "Well, Jesus, he raised two or three dead people." Look around, I am raising thousands that were dead. You may even say, "Well, Jesus healed a crazy man, he cast 3,000 devils out." There is nobody crazier than the Black man. Look! I am healing them. I am causing you to cast out tens of thousands of devils out of your mind and to take on a new mind. You may also say, "Jesus healed a crippled man." Who is more crippled than 60 million Black people in America who are unable to pick up their own bed and walk the road of independence and self-sufficiency? Yet, I have taken you, this same crippled man, and I am telling you to walk a new walk. What man has been more lame than the so-called Black man of America who has been born lame from the womb?

You may say, "Well, Jesus healed a blind man." I am healing thousands of blind folks. Who is blinder to the world of **REALITY** than the so-called Black man of America who takes his enemy for a friend and takes his friend for an enemy? Do not tell Me about somebody else. I am greater than all of them. You may say, "Well,

Solomon was the wisest king that ever lived." Right. Until I came. "BEHOLD! A

GREATER THAN SOLOMON IS HERE!" Hallelu יהוה!

Who is the greater physician: the man who can take a laser beam and cause a physically blind eye to see again? or the Man who can come to millions of mentally and spiritually blind people, cause them to see once again, cause them to be restored to a new people, cause them to walk the road of independence instead of being a slave, and cause them to transcend slavery to rulership? Who is the greater physician? I can go on and on. You have to deal with My works.

For which one of My works do you seek to condemn Me? I have taken a destroyed people and restored them. I have taken a people who had been divided against themselves, but now have unity among themselves. That is a miracle. Hallelu 'ס רוור 'You may not believe My words, but you have to believe My works. I have taken a people who had forgotten their God, but now their memory has been restored to their rightful Father. I have taken a people who had been without mercy, but with My coming, they now have mercy. A people who before My coming had no hope, but are now full of hope. A people who before My coming had been miseducated, but

now they are being properly educated. A people who before My coming had lacked knowledge--destroyed for the lack of knowledge--but today are now able to stand before the world and testify to the truth.

The world does not deny what I teach. Go back and read everything they have written to cast doubt surrounding Me. It is just doubt that surrounds Me, but they never deny that I am the Son of הוה. I am telling you to go find it. You cannot find anywhere that they have denied I am the Son of יהוה. You cannot read that from anybody. I do not care who My enemy is, they do not tell you I am not the Son of יהוה. They cannot prove that.

The mere fact that I have come and I am proclaiming the name יהוה, which was INEFFABLE and unknown, proves who I am, and proves My authenticity. The work that I am doing, I tell you in whose name I am doing it. It is all from the Bible. That is all you are reading is Bible, Bible, Bible, Bible. So if you do not like Me, you do not like God, because this is the Word of God that I am sharing with you. I am just alive in the flesh, calling your attention to the Word, and it is up to you to live the Word! Praise

Before I came to you, you did not know the Feast of Tabernacles belonged to you. You did not know that you had the world's greatest holiday. You did not know that you had the world's greatest "holy" day. You did not know this was your history and your celebration. When some of My disciples told their employers they were going to the Feast of Tabernacles, they said, "Really? Where is that? Is that in Miami? Oh, You are Yahweh. Oh, interesting." That is what they said. "Oh, that is very interesting. Ah, tell me more." Why were they asked to tell them more? Because their employers wanted to see what they knew.

Yesterday, you were blind to this. Today, your eyes are open to the fact that the Feast of Tabernacles is yours. It belongs to you. It is <u>designed</u> to <u>bless</u> you. It is <u>designed</u> to make you prosper. If you are chosen to <u>receive</u> this message, then you <u>are</u> "receiving" it.

Chapter 14

Metamorphosis of the So-Called Black Man

The so-called Black man of America is The Nation of 'הוה,', The Nation of Israel, the Tribe of Judah, the children of Jacob. You are learning your "true" history, the world's best kept secret, and that יהוה is God. The Feast of Tabernacles is a celebration that you can be especially proud of because for over four hundred years you had no knowledge of your God, יהוה Eight hundred million Catholics know that יהוה is the name of God. I have proof and evidence of cathedrals and important buildings over the Earth with the name in or on them.

As a people, you have been kept blind, deaf, dumb, ignorant, and dead to the

knowledge of your "true" history. You are the most peculiar people in America: all groups of people who have immigrated to America know the land from whence they came--all but the so-called Black man of America. Today, he is going through a metamorphosis. However, I am happy that he is now closer to home than ever.

The so-called Black man of America has come a long way because he started off as Colored, and then he found out he did not speak coloredese, neither did he have a colored name. He looked at the map and could not find coloredland. For some strange reason he then became a Negro. Then he found out that he did not speak negroese, because I asked that question, "Do you speak negroese?" Nobody did. Surely somebody still speaks the language. I could not find anybody that had a Negro name.

I found out that in Spanish *negro* means black, and that there's a whole bunch who are Black folks, but they are not us. They do not call themselves *negro*. I wondered why we did. I also found out that there was no Negroland either.

So then you went through another metamorphosis and we became Black. Just straight up and down Black: From Colored to Negro to Black. Nobody spoke

blackese, nobody had a black name, nobody could find blackland on the map. The Black folks said, "Well, we are in a corner again. What shall I become now?" Then you began to be Afro-American, trying to be like other folks--like Cuban-American, Japanese-American, French-American, and Chinese-American. But nobody spoke Afro. We could not find Afro land and nobody had an Afro name. Other folks had a name to go with their language they were speaking, like Japanese--Kawasaki. So now, you just went on to another big step: You dropped Afro and became African-American. Well, I am happy to see you closer to home.

You still have the same problem because nobody in Africa speaks African. I wrote a book entitled *You Are Not A Nigger*, but then neither are you Negro. Furthermore, you are neither Colored nor African. But then, neither are you Haitian. I have a book for all of you. You are not a Haitian either, because you do not speak Haitian, you do not have a Haitian name. Neither are you Jamaican. Nobody has a Jamaican name. You do not speak Jamaican. Well, there is a land called Jamaica. Yes, but it is ruled by somebody else, and Jamaicans did not name it that; and it does not belong to Jamaicans anyway. I know your history, and it belongs to the Indians. The slave traders dropped you off over there and you started messing up with all

those Indian women and got all those different colors and stuff going on, but that is not you.

So I have not finished writing My book yet, but you are not Hispanic and you're not Spanish either. You may speak Spanish, but you are not Spanish. That is not your history. You who come out of Spain, you were not living over there; you were living over here in the islands, in South America. I know who you are, but first I have to clear up who this so-called Black man is. You are not a nigger. Why do you call yourself that when you are not that? You are learning the truth about what is yours.

Chapter 15

Wisdom That Is Not of This World

My job is to raise up the most down trodden, the most rejected, and the most despised people on the planet. I have come first to the so-called Black man of America. I have also come to bless all the other nations on the Earth, so they do not have to be jealous. But I must work the miracle of picking up a man who lives in the ghetto--though he does not own the ghetto--and make him the owner. So when My enemy throws a brick at Me, I just take it and build. Ecclesiastes, Chapter 3, verse 3, tells you--that there is. . .

"... a time to break down, and a time to build up";

When My enemy throws a brick at Me, I take it and build a house.

My people are in the dark, and are blind, deaf, dumb, and ignorant; therefore, they do not know what to do with a brick. But if they follow Me, they will collect bricks; and instead of throwing the bricks at somebody, they will use the bricks to build The Kingdom of Heaven. Praise יהוה.

It takes wisdom, not of this world, to be able to take a brick that someone throws at you and build The Kingdom of Heaven; to build a house that shall never be destroyed. Keep your eyes on Me and you will watch Me work these miracles. I have some witnesses. Hallelu ''הוה'. You do not have to be on the outside of this, you can be on the inside. The power of the brick is that it holds a lot of weight.

Various nations have various holidays. You do not have to be jealous of the holidays of other nations. You have several. You have at least three high holy days: Passover and the Feast of Unleavened Bread go together; you have the Feast of Weeks, and you have the celebration called the Feast of Tabernacles. These holidays are given to you, the so-called Black man of America, by the Creator. You will be blessed, and all of your dreams will come true when you keep the laws of הוה. The whole Earth is suffering because of not keeping the laws of.

Chapter 25, verse 14:

"The secret of 'הוה' is with them that fear him; and he will shew them his covenant."

The secret of יהוה 'is not with everybody. People that do not fear יהוה 'do not know the secrets of יהוה '; therefore, they look at Me and wonder what is the source of My success. And when I say to them, "הוה"," they say, "Yes, I know, but what is the 1, 2, 3 of it?" They are so used to step 1, step 2--a logical progression. What is the source of your success? What makes it work? And I say, "הוה, יהוה, יהוה, יהוה '." I only have to say that once. Those who fear יהוה do not ask. They know that for Me to have built up My community--in Miami and across America--as other nationalities come to America and build up their communities, I am a Miracle Worker because no one else has done what I have done. Every where I had bought property that was drug infested, I made it drug free.

My disciples have never carried weapons. I forbid My disciples to carry weapons. Anyone that carries a weapon is not Mine. We do not need a weapon. So what is the story? The story is I know the secret, and the secret is with them that fear

Psalm, Chapter 29, verse 2 tells you to give glory due to His name:

"Give unto יהוה the glory due unto his name; worship in the beauty of holiness."

Chapter 16

All Nations Must Keep the Feast of Tabernacles

All nations must keep the Feast of Tabernacles, as commanded in Zechariah, Chapter 14, verse 16:

"And it shall come to pass, that every one that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, 'הוה' of hosts, and to keep the feast of tabernacles."

No nation on the Earth is allowed to <u>not</u> keep the Feast of Tabernacles. Now that means that a lot of nations have their own religion. But what I am saying here is that I do not care what their religion may be, they <u>must</u> keep the Feast of Tabernacles.

I am a nation without weapons saying, "You must keep the Feast of Tabernacles." And I am not going to pick up any, and I am saying, "ALL OF YOU MUST KEEP THE FEAST OF TABERNACLES REGARDLESS OF YOUR NATIONALITY." I HAVE THE POWER TO BACK UP WHAT I AM SAYING. Read Verse 17:

"And it shall be"

It may not be now, but it <u>shall</u> be. It may not be today, but it <u>will be</u> tomorrow. Yesterday you were not saying יהוה; today you are. That means a change came between yesterday and today, so there will be another change between today and tomorrow. It <u>shall</u> be. Just like all nations follow you when you give a "high five" in your blind state--and all nations say "que paso?--(what's happening?)" after the ignorant that are dead--then what do you think they are going to do when you wake up? It shall be. Read what shall be:

"... that whoso will not come up of all the families of the earth unto Jerusalem to worship the King, הוה of hosts, even upon them shall be no rain."

No rain is called My "backup" if you do not come and see Me at the place

where I choose to place My name. Rain can be devastating, and it is even more devastating when you do not get any of it. Too much of it is devastating, but not any is the worst devastation there can be. What does no rain mean? No rain means drought! What does drought mean? Drought means no water, no food. If you want to eat, then you must come and see Me. That is all it takes. Now do not forget that, because it is going to heat up for you. There are a lot of folks over there in Egypt who do not believe like this, but let us see what is going to happen to them. Zechariah, Chapter 14, verse 18:

"And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith יהוה will smite the heathen that come not up to keep the feast of tabernacles."

Egypt is going to be punished: That comes with what they believe in doesn't it? Now what about the rest of the nations of the Earth? Read Verse 19:

"This shall be the punishment of Egypt, and the punishment of all nations that come not up to keep the feast of tabernacles."

That is how important the Feast of Tabernacles is. Now before all the other nations can be required to keep the Feast of Tabernacles, My job is to raise up the ones to whom the Feast of Tabernacles is given, and that is the so-called Black man of

America. It is given to you.

All the other nations are waiting on you to wake up. They look at you and they shake their heads. They are not allowed to help you because that is not their job. They know that it is not their job. Their job is not to come and play Messiah to you. So they just come to the land of opportunity. Where is the land of opportunity? It is where Judah is. Where is the world's greatest land of opportunity? It is where the children of יהוה live. All nations that come where the children of יהוה live. All nations that come where the children of יהוה live know that one day you are going to be awakened by the Messiah; and that when the Messiah raises you up, then all of them will be blessed through your awakening. It is all about Zechariah, Chapter 14, verse 9, which reads:

"And יהוה shall be king over all the earth: in that day shall there be one LORD, and his name one."

It shall be! And you know a lot of names, but I am telling you now all of them are going to go. There is only going to be one. You will call on that one name or you will not get rain. You will not have to do a rain dance. A tom-tom won't get it. IT IS ABOUT CALLING ON THE NAME

The Feast of Tabernacles celebration requires travel to the place where יהוה chooses to place His name. I have chosen to place My name in America, and that is where it is.

Chapter 17

יהוה בן יהוה Owns the Whole Planet Earth

I OWN THE WHOLE PLANET EARTH. The cattle on a thousand hills belong to Me, and all the people on it belong to Me, according to Psalm, Chapter 50, verse 10:

"For every beast of the forest is mine, and the cattle upon a thousand hills."

And I am a Good Man, so I am looking for good people. And the good people of the Earth, regardless of their nationality, are the majority on the Earth. IT IS THE WICKED MAN THAT HAS DIVIDED YOU ONE FROM ANOTHER THAT HAS ENABLED HIM TO RULE ON THE PLANET FOR OVER 6,000 YEARS,

BUT HIS 6,000 YEARS OF RULERSHIP IS UP BECAUSE I AM HERE NOW!

That is what the coming of the Messiah is all about: It is to unite the good people of the whole Earth in every country.

I am looking for the good man and the good woman who believe in good and are tired of wickedness and robbery and theft and drugs and evil and lying and cheating and exploitation. Are you tired of the wickedness of wicked rulers? Are you tired of seeing carnage and destruction with weapons and men with *de facto* governments? I am bringing an end to *de facto* government. Praise

ONLY ONE MAN DESERVES TO RULE THE PLANET, AND THAT IS
THE MAN THAT MADE IT, THE MAN THAT CREATED IT. HE IS THE
ONLY MAN THAT DESERVES TO RULE THE EARTH. HE HAS THE KEY
AND THE PLAN FOR PEACE ON EARTH FOREVER, AND I AM HERE TO
INSTALL HIS RULERSHIP. Praise יהוה! The only people that are angry with Me
are those who are trying to rule in the place of יהוה? They are jealous of the rulership
of יהוה), so they are trying to rule in His place. WELL, THEIR TIME IS UP NOW.
I hope they had a ball. I hope they have enjoyed themselves because

NOW TO TAKE OVER HIS PLACE. Praise יהוה!

I love all good men. I do not care what language they speak or what part of the Earth they were born, I love every good man on the planet. I did not say I like you. I "love" you. I am committed to you, and as we come together, the wicked man will flee. He cannot stay in the same place where the people of good are. That is what "Star Wars" was all about. The movie showed that there is a dark side, and that there is a light side. I represent the light side. That is why all judges wear black robes. They are in mourning. Yes. That is why their judgments are wicked. It has to be a wicked man to rule against הוה and who tries to take the children who are the property of הוה. That is evil and wicked. I am not going to stand for it. SO I AM GOING TO REPLACE HIS BLACK ROBES WITH WHITE ROBES.

When you go before a man with a black robe on, you had better hope he is on the fix or something. You will need a lot of money to fix his mind because you're not going to get justice. You get <u>black</u> justice. Nobody can see it. When you do something in pitch black dark, you can't tell what's going on unless lights are on in there. You cannot see any justice in somebody in a black robe. People have worn

black robes all over the Earth and people are mourning. People are unhappy. People are sad. There are wars everywhere. Destruction is everywhere. I have shown everybody that I have a power greater than any man can face, and that is <u>nature</u>. Do not tell Me I cannot put the Devil on the run. I told them on the television program, West 57th Street, "If you mess with Me, I'll show you that 'controls nature."

The observance of the Feast of Tabernacles sets a precedence to the entire world and transmits an "ensign" that indeed Judah, the chief ruler, is beginning to regain world rulership. This represents that the Son of יהוה is on the scene--not coming back, but is ON THE SCENE--and is resurrecting the chosen of יהוה. I am resurrecting a people whom the world has written off, and has tried to get rid of by using every game in the world.

It is a miracle to see a little Black baby any where in America today. You are lucky to see any child less than school age. A woman's husband dropped his sperm in an embryo and they took it and put it in a dish and froze it in a little tube. A judge said that the sperm in the embryo in that tube is a child. Life took place at conception. Now since the judge said that and admitted that that little sperm in the

embryo that is connected together is a child, then what is abortion but murder of our entire race--an entire nation of people? There are ignorant, dumb, stupid Black women who are murdering their unborn children because their enemy or oppressor does not want to see them alive to rule the world. They--the enemy or oppressor--are busy having babies themselves in test tubes like rats, while at the same time they kill two million unborn Black babies every year through abortion--with their complicity! The murderers are not being called to trial, but 'is going to call them to trial.

They have killed over 20 million of our unborn children in the last ten years through abortion while every other nation in America is busy having children. They have cut you off with rubbers, foam, IUDs, suppositories, tubal ligations, hysterectomies, pills (that causes your hair to fall out and cancer to take over your body), and so on. Then they fill your community with drugs, and they have almost a million of your young men in prison. While they fill your community with drugs, they put your young men in prison so they cannot father babies. All birth control clinics are in the Black neighborhoods and near Black schools. That is to try to keep Moses from being born. I have news for you: MOSES IS HERE. THE MAN CHILD IS HERE!

Chapter 18

Let Us Not Forget "Our" Past

The Feast of Tabernacles deals with remembering our past. We are the only people in America that say words like, "Let us forget the past, start with now." And yet My people can tell all about European history, Anglo Saxon history. They can tell you all about the history of the Americas and American history. But when asked about their own history, they want to say, "Let us forget the past."

The Jews have a movie on every single month about the Holocaust in some form. "Remember the Holocaust! Remember the Holocaust! Six million Jews were killed by Hitler in Germany, never again!" Well, I am here to tell you that **ninety-six**

million Black people lost their lives during the slave trade. One hundred million of us were captured from Africa as Hebrew Israelites. Ninety-six million of us died on the way. Only four million of us made it to America. And since we were brought here to America, they have hanged us on trees. They have also cooked us like hot dogs on a stick. They have hanged us, burned us, murdered us, and abused us all over America. And I am here to say, "NEVER AGAIN!"

If the Jews can say remember the Holocaust; and America can say remember the Alamo and remember Pearl Harbor and World War I and World War II; and if America can say remember the American Civil War and the war between America and England, 1776, and whatever, and all those kinds of actions—if they can say remember, remember, remember, then shut up when I start telling My people to remember! Do not forget! Do not forget! Don't tell Me I am teaching hate unless all the people who remember their past are also teaching hate. They call it history. Well, I am not teaching hate, I am teaching history!

The federal government judged our whole nation guilty for what one wicked person did in opposition to what I teach. They found us guilty, and they said that all

of us had to pay a million dollars for the acts of somebody who "said" he believed in ההוה. He proved by His works that He did not believe in ההוה. As a result, he turned and spoke against Me. They used a man like that to make a judgment of a million dollars against us and to take away our properties in Miami. The federal government claimed that all of us from all over America were guilty, and that we and our children had to pay a million dollars for the acts of one. Since the government said that all of us were guilty for the acts of one, then I hold all of them guilty for the killing of Abel. I hold them all "guilty!" Praise

It is their judgment, and they shall have to live by it. Since they held all of us guilty for the acts of one from among us, then all of them are guilty for the millions of Indians they killed in America. Then they are all guilty for the millions of Mexicans they killed while taking California and Louisiana and Texas. Then, too, they are all guilty for all the Chinese they killed during the Chinese War. Even more, they are all guilty for the Japanese they killed in Japan. They are all guilty for the Koreans they killed in Korea. They are all guilty for the people they killed in Africa. They are all guilty, and they must all pay, as I am paying. Praise יהוה says in His Holy Word, the Bible, in Matthew, Chapter 7, verses 1-2:

- 1 "Judge not, that ye be not judged.
- 2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again."

I did not create the judgment, America made it. You read about it.

Everybody with an ounce of brains knows that it is a criminal thing to charge all people for the acts of one man. There is not a nationality on the planet that wants to be held guilty for the acts of one. How could the world sit back and be quiet when the wicked had charged our whole nation guilty, and we had to pay a million dollars for the acts of a wicked man, and then had to give our productivity to non-producing drug addicts and drug dealers? They were not tenants, they were wicked drug dealers, drug users. How could any man have stood by and watched such a wicked judgment as that go down?

Now you know the truth of how logic works. If it is logical that all of us from around America had to pay out a million dollars or several million dollars for the acts of one, then America has a lot to pay for, doesn't she? Praise יהוה. What makes Me unique--and I am not afraid to say it--is that all nations are afraid of America, but I am not. You can tell I am not. In her face, I am not. I am either the craziest Man you

have ever seen or I know somebody. I know somebody: HIS NAME IS יהוה. This means that America had better be glad I am the Prince of Peace. You had better pray and thank יהוה that I AM THE PRINCE OF PEACE. I WANT PEACE ON EARTH, AND GOODWILL TOWARD MEN. Aren't you glad?

The first part of the Feast of Tabernacles is to remember. So now sixty million Black people in America are beginning to **remember** is their God. So that means you cannot tell which ones are remembering because most of My followers do not wear white. But I am here to spread love, peace, and harmony, and all it takes are men of good will to stand together. And not one shot will have to be fired.

I refuse to let all My followers wear white. I am teaching them to not wear white--be smart. Wherever you are, there are some Yahweh people in there too: We are sitting next to the most powerful people in this country: in the hospitals, in the school system, and the like. They look just like all the rest of the Black people. It is real easy for us to look like them. We just do not wear white. We dress like everybody else--go get our hair all "done up." Yes, we are all over the country. It is so beautiful. It is fascinating. I am international! And you are in something big!

Chapter 19

יהוה בן יהוה Will Separate the Wheat From the Tares

The King James version of the Bible contains our history from Genesis through Revelation. The so-called Blacks of America have an identity just as all other people of the Earth have identities. The Blacks of America were brought from the western shores of Africa, and were Hebrew Israelites then as we are this day.

There are two tribes of Israel in America: Judah and Benjamin. Ten of the tribes are still in Africa until this day. I AM THE ONE PROMISED TO BE BORN FROM AMONG OUR PEOPLE TO UNITE US ALL. My first job is to reach Judah. Judah is chosen to be the ruler of the Earth forever under the laws of

יהוה, according to 1 Chronicles, Chapter 28, verse 4:

"Howbeit 'הוה the God of Israel chose me before all the house of my father to be king over Israel for ever: for he hath chosen Judah to be the ruler; and of the house of Judah, the house of my father; and among the sons of my father he liked me to make me king over all Israel":

Benjamin, too, is here among you--Judah, and is reclaiming his heritage. WHAT DISTINGUISHES JUDAH FROM BENJAMIN IS THAT JUDAH IS BORN TO RULE BY HIS GENES AND CHROMOSOMES AND WILL ACCEPT THE CHALLENGE. JUDAH IS THE ONE CHOSEN TO BE THE RULER, SO IT IS IN YOUR GENES AND CHROMOSOMES TO HEAR MY VOICE AND TO HEAR MY CALL. Benjamin comes also because he, too, will rule with you; but he does not want the responsibility of rulership, and that is alright with you because you accept the responsibility. That is what distinguishes Judah from Benjamin. YOU ARE GOING TO RULE OVER ALL NATIONS.

No matter who is ruling today, no matter how powerful they may look to you,

I am here to raise you from the bottom to the top. And it is not a temporary work--it
is permanent. There is a reason why you, the so-called Blacks of America, have been

persecuted and treated evil over these last four hundred years. The reason is not because other nations are more powerful than you, but it is because you became weak when you turned from the laws of הוה. Whenever there are problems in the so-called Black communities of America, the reason for these problems is that you have not accepted the laws of יהוה to live by. When you accept the laws of and begin to live by them, you are blessed. The world has to admit that you are blessed. You are becoming all of those things that Black people can be proud of. Regardless of what My enemies may say against Me or around Me, I am still accomplishing a miraculous work in founding The Nation of יהוה.

How do you know when one is a <u>member</u> of The Nation of יהוה or a <u>part</u> of The Nation of יהוה? It certainly is not because one wears white. Like everything on the planet, there are those who will mimic you, imitate you, put on clothes to look like you; however, the clothes do not make the man. Your CHARACTER determines who you are. THOSE WHO ARE PART OF THE NATION OF ARE THOSE WHO KEEP THE LAW. And the only way you can know whether they are living as a part of The Nation of יהוה is to know the law yourself, and then you can see clearly who is real and who is phony. I have let both come, but one day I will

finish separating the two. Praise יהוה.

I am born to separate the wheat from the tare, the good from the bad, the right from the wrong. I am building The Kingdom of Good, and all good people are welcome. Bad people may come, but they will not be able to stay. And it will only be a matter of time before all bad people will take leave from among the good, and one day soon, it will be permanent.

Chapter 20

The World Refuses to Accept that "I Am" Is in the World

Satan was given 6,000 years to rule the Earth, and I intend to cut that short. Praise יהוה. The people in the days of Noah had been taught for one hundred and twenty years that the flood was coming and they did not believe it. When it finally came, they still did not believe it, and they said, "So, it is raining. It always rains, but it always stops. No big deal."

When הוה told Noah to go in the day before and close up the ark, everybody laughed because there was not a cloud in sight; neither was there a river, a lake, nor an ocean in sight. The ark was built inland on high ground. So you know everybody

laughed: "Look at that fool building an ark. Water is nowhere near and he is talking about we are going to drown. Man, shoot." But the Bible says that it began to rain one day after Noah went in, and it did not stop until forty days and forty nights were finished. And by that time, the only thing living was inside the ark except some real healthy fish. The flood was so terrible that it even killed fish.

I am here to warn you that as it was in the days of Noah, so shall it be in this day. Matthew, Chapter 24, verses 37-39, tells us:

- 37 "But as the days of Noah were, so shall also the coming of the Son of man be.
- 38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark,
- 39 And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be."

Now that means people today will be like people were then. We just read how people were: They were partying: going to parties, eating, drinking until they were drunk; having plenty of sex--free sex, married sex, every kind of sex. They were also marrying, giving in marriage, and doing wicked, right up until the day that Noah

entered the ark. And so shall it be when the Son of Man comes. I am the Son of Man, and I am a Man. People today have the same problem with Me being the Son of Man as they had with Noah being the son of יהוה or a messenger of יהוה or a servant of יהוה or a servant of יהוה or a servant of יהוה They had a problem with him (Noah), or they would have listened.

The fact that they did not listen did not stop him from being a servant. And because people today do not listen to Me will not stop Me from being the Son of . It is all a matter of who believes in good, who believes in the Creator, who believes that the Creator has power, and who rejects that the Creator has power. Some will say, "Well, I do not know You, and how can I be sure?" If the Book says everybody would know Me, then you are okay. If you do not know Me and the Book says everybody would know, you are safe. John, Chapter 1, verse 10, tells you if everybody would know Me or not. It reads:

"He was in the world, and the world was made by him and the world knew him not."

I AM THE SON OF MAN, AND I MADE THE WORLD. YOU ARE READING A BOOK WRITTEN BY THE MAN WHO MADE THE WORLD.

I MADE THE WHOLE WORLD. "I" did. Now let us be logical. If your wicked mind tells you that I could not possibly have made the world because I was born into the world, then you have to give up the man nineteen hundred years ago, because until My coming you say that you believed somebody nineteen hundred years ago was born as the Son of God. Do you want to say הוה cannot do it twice? Let us be logical. You say that you believe the man nineteen hundred years ago was the Son of God: He was born. You believe it today, and you were not there. But My Book tells Me do not worry about it, because although I am in the world and the world was made by Me, the world does not know Me. The Book says that that is the way it would be.

And then, read Verse 11:

"He came unto his own, and his own received him not."

I have come to My own people. That is My whole purpose for coming to the world is to come to you--My people. But My own people refuse to receive Me, as a people, as a whole--though I am in the world and I made the world. The world has been deceived by Satan not to know Me when I come. People have told you--"He is

coming back. He is coming back." What is the problem with My people? Are they looking for somebody with blonde hair and blue eyes? It would be alright then. Is that it? Any blonde haired, blue eyed would be alright; any one of them: As long as he has blonde hair, blue eyes. If he stood up and said he is the Son, it would be alright. What a brain washing. What deception.

I challenge you to go to your library. I challenge you to go to a book publishing company. I challenge you to go. I want you to go to a Christian book store and pull out all the different Bibles published by different companies (Make sure you get Bibles published by different companies.) and then compare the pictures of the one they say is the Son: every picture is different. Every one of them look different. Now let us be logical about this thing. If they have a picture of him, then how can all the pictures be different and it be the same man? I am speaking to the logical person. If you are <u>illogical</u>, then I do not care what you think anyway, because you are impossible. I AM NOT COMING TO AN EMOTIONAL PEOPLE, I AM COMING TO INTELLECTUAL PEOPLE. I AM COMING TO PEOPLE WHO CAN REASON, WHO ARE NOT AFRAID TO ASK QUESTIONS.

Some of My people have trouble when I say, "הוה" is great, good, terrible and Black! He is almighty!" They have trouble with that. But if I said He is great, good, terrible and White--everything would be alright! Let us be logical. You cannot shut down on Me and say you are logical. If you are logical, you have to keep your mind open, because I am asking penetrating questions. It is just logical. Here is the logical response. When I come and announce the **true** color of God, it is in conflict with the picture that is up in your church. But if you take a picture of the pictures in the churches, all of them are different. So how can it be the same man when all of the pictures are different? I have gone around to all the churches, so I know. I have compared the pictures, so I know. If you do it for yourself, then you, too, will see.

"Oh, what is wrong with You, יהוה בן יהוה? You believe in Black supremacy?" Let us be logical. What is wrong with you? You believe in White supremacy? I know My answer to whether I believe in Black supremacy or not will be shocking to you. No. I do not believe in Black supremacy, though God is Black. But neither do I believe in White supremacy. Even if you do, I do not. But I do believe in supremacy! I believe in being supreme!

I teach My disciples and followers to be superior. You <u>must</u> be superior because ההוה is SUPREME, and to be His children requires you to be superior like He is. "There ain't nobody perfect." Well, if you want to go to Heaven you had better hurry up and get to be perfect. You are going straight to hell unless you hurry up and turn perfect. You cannot be just <u>almost</u> perfect. You are going to have to be PERFECT, because the man you say you believe in said it nineteen hundred years ago. If He did not say it, I am saying it. I wrote it. YOU ARE DOOMED TO HELL UNLESS YOU ARE PERFECT, Matthew, Chapter 5, verse 48, tells you to-

"Be ye therefore perfect, even as your Father which is in heaven is perfect."

Your father is not the man you think is your father. Some of My people do not know who to think their father is anyway--never saw him to know whether he was good or bad. But your true Father is ', He is in Heaven, and He is perfect. You are required to be just like Him. You just read it. Let us be logical.

I am in the world, the world was made by Me, and the world does not know

Me. The world is hearing about Me, but the world does not know Me. They have

seen Me on television, but they do not know Me. They have heard all kinds of things

in the streets about Me, but they do not know Me. I have come to My own people, but My own people have not received Me. John, Chapter 1, verse 12:

"But as many as received him, to them gave he power to become the sons of יהוה, even to them that believe on his name."

You have to believe on the name of the Father, and the Father's name is יהוה.

Now you have to go look this name up yourself in your dictionary: Y-A-H-W-E-H, and find out for yourself. Then you will know that His name is not the same name as the man nineteen hundred years ago. When you look up Y-A-H-W-E-H, you will see that that is the name of the GOD OF ISRAEL. Look it up in the encyclopedias: you will find the same. If you look it up in Bible dictionaries—the same: GOD OF ISRAEL. SO EVER SINCE ISRAEL WAS, יהוה WAS THEIR GOD.

Now when Moses came, he said he came in the <u>name</u> of the God of Abraham, Isaac, and Jacob. So do not tell Me about somebody nineteen hundred years ago. I appeared to Abraham, and I appeared to Isaac. And I also came in the flesh and appeared to Jacob. I appeared to all three. This is <u>before</u> the time of nineteen hundred years ago. Let us be logical and deal with this. 'c existed and made appearances before anybody nineteen hundred years ago. Read Exodus, Chapter 6,

verse 3:

"And I appeared unto Abraham, unto Isaac, and unto Jacob: by the name of הווה Almighty, but by my name Jehovah was I not known to them."

So you can hang up that Jehovah's Witness business. Abraham, Isaac, and Jacob did not know no Jehovah. In fact, no god by the name of Jehovah exists.

According to the Guinness Book of World Records, 1993 Edition, page 387, the letter "J" did not come into existence until about 1630. Go to the library and look it up for yourself. The etymology also affirms that the letter "J" is less than six hundred years old. So there is no Jesus nor Jehovah. There was no one by the name of John, Joshua, Jeremiah, nor Job. None of those names existed then. If you go running back into history trying to find somebody whose name was Jeremiah, Joshua, and Job—you would be lost. John never did exist by that name. This letter just came into existence. The pronunciation just came into existence also. Do not believe Me. You have to do your own research. If you do not research this, then you will just continue to be all mixed up. I don't want you to believe Me because I said it. Everything I say, challenge Me! Let us be logical about this thing. Let us be

reasonable. You have to be a student to follow Me. You cannot be dumb and follow Me. You have to be re-educated because you have been <u>miseducated</u>. If you had been properly educated, then you would <u>know</u> Me.

Can you imagine your God coming to you and you do not know what He looks like? Can you imagine your Father coming to see you, and to bless you with life eternal and to make you rich and prosperous and successful and you don't know Him when He comes? Can you imagine your Father coming to set you free from all of your enemies, to make you the ruler of the Earth forever, and you do not know Him when He comes? He comes with an inheritance for you, and you do not know Him when He comes? It takes an awful lot of love on the part of a Father to help you to know Him just so He can bless you.

Chapter 21

We Must Remember יהוה

Some people have said, "Well, You come to Your own people and Your own people don't receive You, so You should be finished." No, no, I'm not. I'm not defeated. Let Me show you, I'm not defeated. Read John, Chapter 1, verse 12, again:

"But as many as received him, to them gave he power to become the sons of יהוה, even to them that believe on his name";

You can become a son of יהוה.

You don't have to be jealous of Me because I am. I am just the first One given the power to give you the power. That's the way 'הוה' does things. He is so powerful that He does not take an army of people. He does not need a university. He does not

need a public school system. He does not need a university system in this country or any other country to get the whole world to bow to His will. All He needs is one Man. That is how powerful He is. He is One, so He just sends one.

Now it comes down to a simple test of "But as many ..." You get it? "But as many as receive Me ..." My own people may not, but as many of My people that receive Me . . . IT IS TO THOSE THAT "RECEIVE" ME AND "BELIEVE" ON MY NAME THAT I WILL GIVE THE POWER TO BECOME THE SONS OF יהוה.

Those who do not receive Me do not deserve the power to become anything but a crack addict, dopehead, prostitute, and slave; furthermore, they deserve to be on the bottom of civilization. If you don't receive Me, then you deserve to be that way because the Creator of the Heavens and Earth raised Me up from among you to cause you to return to Him, to worship His name, and to glorify His name. And as many as receive Me, that is what they will do. They will praise 'יהוה'! So you can't deny it. Let's be logical. As many as RECEIVE Me, praise the name of 'יהוה'; therefore, I am successful!

I started out all alone, all by Myself, in Miami, Florida. I personally walked the streets of Miami and just handed out the Word: Lessons One and Two. People tore it up, balled it up, lit it with cigarette lighters and all. And all I did was shed tears and just kept on passing out the Word. Now I am all over America; I am in the islands, and I am in Africa. Even more, the whole world is talking about Me--from Russia to China to India. I am causing this to happen. That shows you how powerful I am.

I am so busy raising you up to be superior until I don't talk about the devil much anymore. I have not changed My mind about him. The only time I will change My mind about the devil is when he stops being one. When he stops being wicked, I will stop being upset with him. When the devil stops being evil, I will stop being angry with him. Right now, I'm angry with the wicked every day, as written in Psalm, Chapter 7, verse 11:

"יהוה judgeth the righteous, and יהוה is angry with the wicked every day."

Who is the devil? White man, yellow man, brown man, red man, and Black man. All that do not like יהוה are devils. Anybody that is against is a devil.

Look it up. Look up Satan in your dictionary. Let's reason together. Don't be emotional about this, but rather look it up in the dictionary. Satan by definition is "one who is opposed to "one who is opposed to the will of God. That is what a devil is. So it does not matter what your skin color is. If you do not like the laws of , then you are against Him. If you do not like the laws of man. You would rather make a man your god.

Whoever you vote for just isn't God, but you want to put your hope in men that are not God. That is why you have trouble. If you put your trust in יהוה, then you will not have any problems. Men try to give The Nation of יהוה problems but we overcome them. No matter what they bring against us, we will overcome it. The whole government is against Me. I am still overcoming them. The government can't win against Me. My Father said so. Praise יהוה יהוה said He will contend with any man that contends with Me, and will consume anybody that messes with Me. Read about this in Isaiah, Chapter 49, verse 25:

"But thus saith 'הוה, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children."

I told everybody on West 57th Street, "Mess with Me and המוח will send nature after you." I will send hurricanes Hugo and Andrew, Donna, Iris, Shelley, Kelly, and Terry, and whoever after you. There is nothing you can do about it. After Andrew, in the headlines of the newspaper, it stated that it looked like the end of the world. That was just a preview, that is all it was. It was just a "warning" that the end of the world you know is here. I AM HERE ESTABLISHING A BRAND NEW WORLD.

My name is יהוה בן יהוה. That means that I AM GOD IN THE FLESH AS THE SON. Now if you are illogical, you will say, "What?" Well, let's go back to John. John was an incredible man, wasn't he? My Book shows Me John was "the man," not who you "thought" was the man. John baptized your man. You have to study what all that means. John, Chapter 1, verse 14, reads:

"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."

That is what I am. I AM FULL OF GRACE AND I AM FULL OF TRUTH. You cannot go and find anything contrary to what I am teaching you. All that you have

read thus far is in the Bible. Now let us be logical.

If the Word could become flesh nineteen hundred years ago, then how can you logically deny the power of this same Word being flesh today? I am not talking about your emotions. I know you are on an emotional trip right now. You are really suffering emotionally, but we are talking intellectually, logically. How can you say that I can not be in the flesh today when you say someone came in the flesh nineteen hundred years ago and you have not seen him yet? You have got to be reasonable. You can see Me. You can question Me. You can trace down what I am doing. You can check out My works against anybody's nineteen hundred years ago or any other time up until now. I am greater than everybody who has ever been and ever will be: ever was, is, or ever will be.

A man's character is determined by his name. My name is 'NO'.

THERE IS NO NAME TO EQUAL THIS NAME. There is a large number of men running around with the name Jesus. They call them Jesus. Half the Mexicans and Cubans have that name. They are all running around with the name Jesus. Who are you looking for? Well, he must already be here because Jesus is all over the place.

THERE IS ONLY ONE יהוה בן יהוה ON THE PLANET. There will never be another one. There is only room on the planet for One. And when you read of the work that the Son of יהוה will be required to do, then it is already too late for another one to come. What is he going to do? Duplicate what I am doing?

The purpose of the Son is to glorify the Father, and I am already glorifying the name of יהוה all over the planet. So how can somebody come after Me and do a better job than I am doing when I have the planet saying יהוה? When I came to Miami, there was no one saying יהוה. You were not going anywhere to sit up and hear about יהוה But now from all over the country, all over the world, people are coming to hear about יהוה name that I am proclaiming and glorifying. When you study and learn about this name, you will begin to say, Praise !

Can you imagine Me on international TV--live? All the satellites would fall out of the sky. All the generators that operate television would all of a sudden go dead. Everybody's television screen would have snow on it. They wouldn't dare let Me ask logical questions to the world "live," because I am full of grace and truth, and My enemy knows that the truth will make you free, John, Chapter 8, verse 32, and it

reads:

"And ye shall know the truth, and the truth shall make you free."

And though he does not want Me to tell the truth, I am still telling it. He does not want you to hear the truth but you are still hearing it. I am getting the job done; and before I am finished, the whole world will be <u>full</u> of the knowledge of . Oh, yes. It may not be full yet, but it will be. Isaiah, Chapter 11, verse 9, verifies this:

"They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of יהוה, as the waters cover the sea."

I made the world, I am in the world, but the world does not know Me. Look what I have come to do. I am come to make sure they do know Me. That is how powerful I am. The whole world does not know Me, but I am going to make sure that the world is full of the knowledge of 'Good Not just hear My name, but be full of the knowledge. That makes Me some kind of Man. That ought to tell you something. And we are all one too. Oh, yes, we are. All who receive Me are one. Now all of those hanging around and have white on are not necessarily one with Me, but ALL OF THOSE THAT "RECEIVE" ME ARE ONE WITH ME.

Whatever I speak, whatever I command is carried out. It will be obeyed. Do you want proof? The proof is our motto which is: One God, one mind, one love, and one action. We are all for one and one for all. And we want for our brothers and sisters, what we want for ourselves. What about soup? If I have a bowl of soup, you may have half of my bowl of soup.

I have power. And no other leader you know has it. That makes Me the most powerful Man, period. I AM THE MOST POWERFUL MAN ON EARTH, IN THE UNIVERSE.

Although there are other countries who have huge armies, I can stop every one of their armies. I can send a plague. I can send a fog in and stop every military aircraft from taking off. It can't even take off without My will. I am talking about Don't tell Me what יהוה can't do. If your god cannot do that, then you had better switch to יהוה does all these things. I HAVE THE POWER TO CONTROL WEATHER. I don't care whether you believe it or not. His name is Profile.

Nobody has ever had power like this among our people.

You submit to the will of יהוה because you are intellectual. People join all

other religions out of emotionalism, but I don't want emotional people following Me. I want you to be emotional about what you believe in, but I am looking for intellectual people. I am looking for people who can reason. I am looking for the superior mind, the mind that doubts and questions everything, and then comes to a conclusion and lives with it. I have had enough of dumb people being around Me. I don't want anybody dumb around Me. I want you, when you give your tithes, to know what you are doing. You know why you are giving the tenth. You understand the blessing of the tenth. You understand that it is a blessing to give a tenth to the Creator, יהוה. Oh, that is power. I know it. We freely volunteer to go all over the country. I said I will not stop until the whole world is FULL of the knowledge of

I am here to let you know that you are of הוה, little children, according to 1 John, Chapter 4, verse 4:

"Ye are of יהוה, little children, and have overcome them: because greater is he that is in you, than he that is in the world."

You that have "received" Me have overcome the wicked of the world. Why? Because greater is הוה that is in you than he, the devil, that is in the world. That is

why you are being blessed above all people, because יהוה is greater in you than the devil is in the world.

The wicked are of the world; therefore, they speak of the world and the world hears them because the world is wicked, as written in 1 John, Chapter 4, verse 5:

"They are of the world: therefore speak they of the world, and the world heareth them."

Those who follow ההה 'are of ההה', and he that knows ההה', knows you. He that is not of יהוה will not hear us. Hereby know you the spirit of truth from the spirit of error. That means pure and simple that if your mind, your heart, your genes and your chromosomes rebel against the truth of יהוה, you are of the world, and you are suffering from a spirit of error. But every one of you that receive My message from is of the family of יהוה You, in fact, are the children of יהוה. That is what the Feast of Tabernacles is all about: to cause you to remember that.

Genesis, Chapter 33, verse 17, tells us the following:

"And Jacob journeyed to Succoth, and built him an house, and made booths for his cattle: therefore the name of the place is called Succoth." And here we see Jacob built booths for his cattle, which means that when Israel came out of Egypt under Moses, because of their rebellion, they were forced to live in shelters that were only fit for cattle. They were forced to live in shelters that were fit for beasts. That is the price they had to pay for forty long years in the wilderness. They had to live in booths that were only fit for animals.

And wherever God's children are that have rebelled against Him, you will find them living in housing that is only fit for animals. And when you travel throughout America, the wealthiest country on Earth, there is a certain group of people that live in large sections of every city called ghettos, and their housing is only fit for animals. Some of their houses are dirtier that what an animal would tolerate. I have watched birds: the mother and father birds would fly into the nests where their babies would be and pick up the droppings from the bird babies and fly off with them and drop them on the ground. They would refuse to let that waste stay in the nest.

We have God's children living in America who refuse to clean their houses.

Children of God living in conditions worse than what animals would live in. Booths

-- little booths. My people live in <u>little</u> booths. They call them apartments but they are booths. By <u>definition</u>, they are <u>booths</u>. Dirty booths. Filthy booths. Booths fit

for cattle. Some booths <u>unfit</u> for cattle. That is a terrible way to live. Do you know why you are living in the ghettos all across America? You are living in the ghettos all across America because you turned your back on your God, הוה. He said you would be cursed like this if you turned your back on Him. That is what the Feast of Tabernacles is all about. Remembering! Remembering!

Chapter 22

It Is Important to Know the Correct Time

THERE WILL BE NO PEACE IN THE MIDDLE EAST OR ON THE EARTH UNTIL WE ARE RESTORED AS THE NATION OF . Read

Psalm, Chapter 25, verse 14:

"The secret of הוה is with them that fear him; and he will shew them his covenant."

Praise יהוה! Psalm, Chapter 29, verse 2, reads:

"Give unto יהוה the glory due unto his name; worship in the beauty of holiness."

Leviticus, Chapter 23, verse 34, reads:

"Speak unto the children of Israel, saying, The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto יהוה."

Here is a commandment given to the children of Israel to keep the Feast of Tabernacles in the seventh month.

The enemies changed the times so you could not keep the Feast of Tabernacles without הוה coming to teach you the time. Daniel, Chapter 7, verse 25, tells us:

"And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time."

So here is our enemy--the wicked one, Satan, the opposer of יהוה --speaking great words against יהוה, who is the most High. And the whole strategy of Satan is to wear out the saints of יהוה, the most High--wear them out; and change the times--the calendar. Why would he want to change the calendar and the times? The answer is clear here in Leviticus, Chapter 23, verse 34: It is so you would not know when the seventh month is.

The seventh month begins with the first month that מורה gave, which is the month of Abib. If you do not know that Satan, the devil, the opposer of יהוה, then you do not know what time it is, and that makes it impossible for you to keep His commandment. You must be logical about this thing.

Deuteronomy, Chapter 16, verse 1, tells us about the month of Abib:

"Observe the month of Abib, and keep the passover unto the LORD thy God, יהוה: for in the month of Abib the LORD thy God, יהוה, brought thee forth out of Egypt by night."

Now here we have the law of Passover, another commandment saying, "Keep the month of Abib." So the children of Israel have forgotten who they are: ALL SO-CALLED BLACK PEOPLE OF AMERICA ARE THE CHILDREN OF ISRAEL. You are Israel! You are who יהוה is talking to here. And He tells you to keep the Passover in the month of Abib; you have never heard of Abib. You have heard of January, February, March, April, May, June, July, August, September, October, November, and December, but you have never heard about Abib. How can you keep Passover when the month of Abib no longer exists in your mind? said

to keep it in the month of Abib. So what is the profound question? When is the month of Abib? If you do not know when the month of Abib is, then you cannot do what He told you to do, when He ordered you to do it.

Now you can understand why Satan, who hates יהוה, changed the laws and the times of יהוה. He did this so the children of יהוה could not keep His word, could not keep His commandments, could not keep His laws, could not keep His requirements, could not keep His statutes, could not keep His judgments. Why? Because your enemy knows when you do not keep the laws of your Father, יהוה, you are going to be in trouble; you are going to suffer. Your house will be in disarray. Your family will be destroyed. Your neighborhoods and communities will be wracked with destruction and evil. You will be full of plagues. You will lose your children: You will have no control over them. They will grow up and tell you they will do what they want to do. All because Satan, the enemy, changed the times and the seasons.

Satan has you believing January is the first month of the year. It may be the first month of <u>his</u> year, but it is not the first month of the year of יהוה. Who are you going to go with? Are you going to go with the Creator's month? or are you going

to go with His enemy's month? The devil's month, the month of the enemy of יהוה, is January. Then he has you celebrating the first day of January as Happy New Year.

Oh, you have to think about these things. You have to be logical about these things.

Here you are saying, "Happy New Year" and you do not know what time it is. Why do you say "Happy New Year" in the first place? Why do you do it? It is really because you do not know any better. Somebody taught you that. The same people that put you in slavery taught you "Happy New Year"; and the same people that put you in slavery did not teach you the month of Abib, because יהוה said to keep this law forever. So don't tell Me nothing about somebody had the authority to change it. He said to keep this law forever!

 last supper. The Book said <u>Passover</u>. So, how are you <u>not</u> going to keep it, when he kept it? Come on now, let us be reasonable about this. He kept it in its due season and at the right time. Now here you come hollering "Happy New Year." He would not know what you are talking about.

I want to see you escape this one. You cannot tell Me you love the man 1,900 years ago and do not follow him. You said you follow him--you follow in the foot steps of Christ. Well, Matthew, Chapter 26, verse 17, reads:

"Now the first day of the feast of unleavened bread the disciples came to Jesus, saying unto him, Where wilt thou that we prepare for thee to eat the passover?"

Passover is in the month of Abib, and it says He kept it on the <u>first</u> day. They came to him on the first day. That meant they knew when the first day was. It did not say they came to him on January 1 or something; it said the **first** day. They knew when the first day. They knew when the first day was. Do you know? Without Me, do you know? Were you taught? You are hollering Happy New Year, and that is not the first day. You can't be following the man 1,900 years ago (which is a short time ago), not to think about following

what Moses laid down. You can't even follow the man you "claim" you know, because you don't know anything about him. You did not know he kept Passover. If you did know it, then you would be keeping it.

Again in Leviticus, Chapter 23, verse 34, I am required to speak unto the children of Israel. Why? Because the children of Israel have forgotten. Otherwise, I would not have to speak to you. Speak to the children of Israel saying the fifteenth day of this seventh month. Why do I have to tell the children of Israel the day and the month? Obviously, it has been changed, and Israel does not know it has been changed. This makes you a breaker of the law; this makes you a transgressor of the law: Which means you are in trouble. Deuteronomy, Chapter 28, verse 15, tells you what happens when you break the law:

"But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, יהוה, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee":

As you read earlier in Deuteronomy, Chapter 28, verses 16-19, you will be cursed in the city, cursed on your farm. Your grocery baskets will be cursed. Your stores will be cursed--if you own one. The fruit of your body--your children--will be

cursed. Your land will be cursed. Your cattle will be cursed. Your sheep will be cursed; any kind of flock you have, or if you used to have flock, you won't have any. You will be cursed when you come into the world, and you will be cursed when you go out: People will curse you in your casket. Then there are over 40 more verses of curses that you are under because you are not keeping the law.

Now back to Leviticus, Chapter 23, verse 34. So now the question is, when is the seventh month, since your God told you to keep it? You have to learn when it is in order to keep it. You cannot keep it when you want to. You have to keep it when He said to keep it. To obey יהוה is do what He tells you and when He tells you to do it. That is the way it works. But the enemy, your enemy, changed the calendar. gave you solar time; your enemy put you on the moon. They call it moon time-lunar time. Solar time and lunar time are two entirely different times, two entirely different symbols, two entirely different substances, two entirely different reactions, actions, characters, compositions, make-ups, influences, and differences.

You cannot say, "Well, what difference does it make, whether it is Abib or January?" The difference is, either you obey your God or you disobey Him. Saying

you do not know is <u>not</u> an excuse. When you do not know, you are cursed. Everything you do is a curse. It is really true. There is <u>no</u> excuse for <u>not</u> knowing, according to Luke, Chapter 12, verses 47-48, which reads:

47 "And that servant, which knew his lord's will, and prepared not himself, neither did according to His will, shall be beaten with many stripes.

48 But he that knew not, and did commit things worthy of stripes, shall be beaten with few stripes. For unto whomsoever much is given, of him shall be much required: and to whom men have committed much, of him they will ask the more."

Not knowing the law, and thereby not keeping the law, you get a good beating. The common denominator is--you get a beating. If you know the month of Abib and do not keep the law, you will be beaten severely, a long time. But the fact that you are now born in America, up from slaves--and were not allowed to read for over 300 years-- you cannot keep the laws of your Father. Satan was able to change everything in the books, so now that you are born on the Earth, you do not know what time it is or how to find out what time it is; therefore, you cannot keep the law of your Father. As a result, He is going to beat your behind real good. That is what is happening to Black people in America right now. I do not have to draw you out a long picture of

how much suffering Black people are going through in America. You are already aware of how dangerous, dirty, and filthy it is where some of them live: all these things are happening because Black people do not know what time it is. The only way they can know what time it is, is through יהוה And not knowing יהוה does not excuse them.

Chapter 23

Israel: The Only Children of יהוה

How do you act now that you are finding out about יהוה? Now that you are hearing about הוה, what are you doing about it? Are you studying to find out more about Do you go get your encyclopedia and your dictionaries and look up this name and learn about Him? Do your research and find out whether or not this name belongs to you? Have you ever sought to find out if you are Israel, the children of ??

You say you are a child of God. Have you ever heard your parents and grandparents say that they are "a child of God?" Have you ever heard them say that?

Well, do you not know what "a child of God" is? "A child of God" is a child of Israel. ONLY ISRAEL ARE THE CHILDREN OF יהוה.

So what were your parents and grandparents trying to tell you? They were trying to tell you that you are a Hebrew Israelite, one of the children of Israel, one of the children of Israel, one of the children of Israel. GENTILES AND OTHER NATIONS ARE NOT THE CHILDREN OF GOD. The Bible says they can only be saved through Israel. They can only be spiritual children. They are not the "real" children. They can only become children through adoption. You should have learned that in The New Testament. The New Testament is all about Gentiles trying to be saved. If you did not learn that in church, I do not know what you went to church for. I guess it was to hear the choir, or maybe it was to hear the preacher. Maybe that was it. Maybe you went because your momma took you and your grandma took you. Maybe you went to church because after they quit taking you, they still made you go. Maybe that is why you went.

You could not wait to take a part of the money they gave you for the offering.

You were glad when they quit taking you, because you had to put the money in the

plate when they took you. Now, you know what you did with that offering when they quit taking you: You stopped at the local store. Yes, we all did it. "The preacher won't get this, Jack. Whatever the Lord gets today, the preacher is going to give it to Him because I'm sure not. I am going to the store." You walked up there and put a penny in the collection plate and kept nine cents for yourself. You made sure you got change before you went to church. Momma gave you a quarter, you got change, put a penny in, and kept twenty-four cents for yourself. Yes, you did. You put your hand deep in the plate, like you really gave something.

Well, I am proving My case very well. The month of Abib begins in the month of March; in fact, near the end of March at that--on a very specific day. You don't know how to go about finding out what I just said. Yet, you are required to know or get beaten up. Who is going to beat you? הוה Himself is going to beat you, and He will use other nations to whip up on you too. It is a punishment because you will not keep the law. He put you under a curse. Do you have to be under the curse? Do My people have to stay under it? No! I AM HERE TEACHING YOU HOW NOT TO SUFFER FROM THESE CURSES.

The wicked kill you all day long and hold themselves not guilty. It's just that simple. You do not know how to hold yourself not guilty. Right or wrong? You do not know how to hold yourself "not guilty." He kills all over America, he takes himself to court--if you can get him in there, and if you can succeed in getting him in there--they just hold themselves **not guilty**. Zechariah, Chapter 11, verse 5 affirms this, read:

"Whose possessors slay them, and hold themselves not guilty: and they that sell them say, Blessed be יהוה; for I am rich: and their own shepherds pity them not."

Everybody can see them shoot someone down on TV, the man is handcuffed--Bamm! They say, "Justifiable homicide." What does that mean? That means that they are justified in killing you? They are justified in killing you because they know that you are a law breaker. Not only do you break their laws; but most of all, you also break your Father's laws. So they know you are going to break theirs. Therefore, they get you out front: Every time you break a law, they know it is just a matter of time before they are going to get you. They already know you are going to fall when you go for Satan and his ways.

יהוה told you, "Learn not the way of the heathen." That is what יהוה said, "Learn not the way of the heathen." You have never known who the heathen is. If you do not know these things, you will suffer. If you know it and do not do it, then you will suffer even worse. Read Jeremiah, Chapter 10, verse 2:

"Thus saith 'in, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them."

Every time a strange light takes off in the heavens they are dismayed.

All the customs of the people are vain, according to Jeremiah, Chapter 10, verses 3-4:

- 3 "For the customs of the people are vain: for one cutteth a tree out of the forest, the work of the hands of the workman, with the ax.
- 4 They deck it with silver and with gold; they fasten it with nails and with hammers, that it move not."

What is that? That is a Christmas tree, and the Bible says that it is all in <u>vain</u>. Christmas does you no good. Your momma spent all her money on the Christmas lie. It is nothing but a lie. I should not have to spend one minute telling you Christmas

need a public school system. He does not need a university system in this country or any other country to get the whole world to bow to His will. All He needs is one Man. That is how powerful He is. He is One, so He just sends one.

Now it comes down to a simple test of "But as many ..." You get it? "But as many as receive Me ..." My own people may not, but as many of My people that receive Me . . . IT IS TO THOSE THAT "RECEIVE" ME AND "BELIEVE" ON MY NAME THAT I WILL GIVE THE POWER TO BECOME THE SONS OF יהוה.

Those who do not receive Me do not deserve the power to become anything but a crack addict, dopehead, prostitute, and slave; furthermore, they deserve to be on the bottom of civilization. If you don't receive Me, then you deserve to be that way because the Creator of the Heavens and Earth raised Me up from among you to cause you to return to Him, to worship His name, and to glorify His name. And as many as receive Me, that is what they will do. They will praise יהוה! So you can't deny it. Let's be logical. As many as RECEIVE Me, praise the name of יהוה; therefore, I am successful!

I started out all alone, all by Myself, in Miami, Florida. I personally walked the streets of Miami and just handed out the Word: Lessons One and Two. People tore it up, balled it up, lit it with cigarette lighters and all. And all I did was shed tears and just kept on passing out the Word. Now I am all over America; I am in the islands, and I am in Africa. Even more, the whole world is talking about Me--from Russia to China to India. I am causing this to happen. That shows you how powerful I am.

I am so busy raising you up to be superior until I don't talk about the devil much anymore. I have not changed My mind about him. The only time I will change My mind about the devil is when he stops being one. When he stops being wicked, I will stop being upset with him. When the devil stops being evil, I will stop being angry with him. Right now, I'm angry with the wicked every day, as written in Psalm, Chapter 7, verse 11:

"יהוה judgeth the righteous, and יהוה is angry with the wicked every day."

Who is the devil? White man, yellow man, brown man, red man, and Black man. All that do not like יהוה are devils. Anybody that is against is a devil.

Look it up. Look up Satan in your dictionary. Let's reason together. Don't be emotional about this, but rather look it up in the dictionary. Satan by definition is "one who is opposed to "one who is opposed to the will of God. That is what a devil is. So it does not matter what your skin color is. If you do not like the laws of , then you are against Him. If you do not like the laws of man. You would rather make a man your god.

Whoever you vote for just isn't God, but you want to put your hope in men that are not God. That is why you have trouble. If you put your trust in יהוה, then you will not have any problems. Men try to give The Nation of יהוה problems but we overcome them. No matter what they bring against us, we will overcome it. The whole government is against Me. I am still overcoming them. The government can't win against Me. My Father said so. Praise יהוה יהוה said He will contend with any man that contends with Me, and will consume anybody that messes with Me. Read about this in Isaiah, Chapter 49, verse 25:

"But thus saith 'הוה, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children."

I told everybody on West 57th Street, "Mess with Me and המוח will send nature after you." I will send hurricanes Hugo and Andrew, Donna, Iris, Shelley, Kelly, and Terry, and whoever after you. There is nothing you can do about it. After Andrew, in the headlines of the newspaper, it stated that it looked like the end of the world. That was just a preview, that is all it was. It was just a "warning" that the end of the world you know is here. I AM HERE ESTABLISHING A BRAND NEW WORLD.

My name is יהוה בן יהוה. That means that I AM GOD IN THE FLESH AS THE SON. Now if you are illogical, you will say, "What?" Well, let's go back to John. John was an incredible man, wasn't he? My Book shows Me John was "the man," not who you "thought" was the man. John baptized your man. You have to study what all that means. John, Chapter 1, verse 14, reads:

"And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."

That is what I am. I AM FULL OF GRACE AND I AM FULL OF TRUTH. You cannot go and find anything contrary to what I am teaching you. All that you have

read thus far is in the Bible. Now let us be logical.

If the Word could become flesh nineteen hundred years ago, then how can you logically deny the power of this same Word being flesh today? I am not talking about your emotions. I know you are on an emotional trip right now. You are really suffering emotionally, but we are talking intellectually, logically. How can you say that I can not be in the flesh today when you say someone came in the flesh nineteen hundred years ago and you have not seen him yet? You have got to be reasonable. You can see Me. You can question Me. You can trace down what I am doing. You can check out My works against anybody's nineteen hundred years ago or any other time up until now. I am greater than everybody who has ever been and ever will be: ever was, is, or ever will be.

A man's character is determined by his name. My name is 'NO'.

THERE IS NO NAME TO EQUAL THIS NAME. There is a large number of men running around with the name Jesus. They call them Jesus. Half the Mexicans and Cubans have that name. They are all running around with the name Jesus. Who are you looking for? Well, he must already be here because Jesus is all over the place.

THERE IS ONLY ONE יהוה בן יהוה ON THE PLANET. There will never be another one. There is only room on the planet for One. And when you read of the work that the Son of יהוה will be required to do, then it is already too late for another one to come. What is he going to do? Duplicate what I am doing?

The purpose of the Son is to glorify the Father, and I am already glorifying the name of יהוה all over the planet. So how can somebody come after Me and do a better job than I am doing when I have the planet saying יהוה? When I came to Miami, there was no one saying יהוה. You were not going anywhere to sit up and hear about יהוה But now from all over the country, all over the world, people are coming to hear about יהוה name that I am proclaiming and glorifying. When you study and learn about this name, you will begin to say, Praise !

Can you imagine Me on international TV--live? All the satellites would fall out of the sky. All the generators that operate television would all of a sudden go dead. Everybody's television screen would have snow on it. They wouldn't dare let Me ask logical questions to the world "live," because I am full of grace and truth, and My enemy knows that the truth will make you free, John, Chapter 8, verse 32, and it

reads:

"And ye shall know the truth, and the truth shall make you free."

And though he does not want Me to tell the truth, I am still telling it. He does not want you to hear the truth but you are still hearing it. I am getting the job done; and before I am finished, the whole world will be <u>full</u> of the knowledge of . Oh, yes. It may not be full yet, but it will be. Isaiah, Chapter 11, verse 9, verifies this:

"They shall not hurt nor destroy in all my holy mountain: for the earth shall be full of the knowledge of יהוה, as the waters cover the sea."

I made the world, I am in the world, but the world does not know Me. Look what I have come to do. I am come to make sure they do know Me. That is how powerful I am. The whole world does not know Me, but I am going to make sure that the world is full of the knowledge of 'Good Not just hear My name, but be full of the knowledge. That makes Me some kind of Man. That ought to tell you something. And we are all one too. Oh, yes, we are. All who receive Me are one. Now all of those hanging around and have white on are not necessarily one with Me, but ALL OF THOSE THAT "RECEIVE" ME ARE ONE WITH ME.

Whatever I speak, whatever I command is carried out. It will be obeyed. Do you want proof? The proof is our motto which is: One God, one mind, one love, and one action. We are all for one and one for all. And we want for our brothers and sisters, what we want for ourselves. What about soup? If I have a bowl of soup, you may have half of my bowl of soup.

I have power. And no other leader you know has it. That makes Me the most powerful Man, period. I AM THE MOST POWERFUL MAN ON EARTH, IN THE UNIVERSE.

Although there are other countries who have huge armies, I can stop every one of their armies. I can send a plague. I can send a fog in and stop every military aircraft from taking off. It can't even take off without My will. I am talking about Don't tell Me what יהוה can't do. If your god cannot do that, then you had better switch to יהוה does all these things. I HAVE THE POWER TO CONTROL WEATHER. I don't care whether you believe it or not. His name is Profile.

Nobody has ever had power like this among our people.

You submit to the will of יהוה because you are intellectual. People join all

other religions out of emotionalism, but I don't want emotional people following Me. I want you to be emotional about what you believe in, but I am looking for intellectual people. I am looking for people who can reason. I am looking for the superior mind, the mind that doubts and questions everything, and then comes to a conclusion and lives with it. I have had enough of dumb people being around Me. I don't want anybody dumb around Me. I want you, when you give your tithes, to know what you are doing. You know why you are giving the tenth. You understand the blessing of the tenth. You understand that it is a blessing to give a tenth to the Creator, יהוה. Oh, that is power. I know it. We freely volunteer to go all over the country. I said I will not stop until the whole world is FULL of the knowledge of

I am here to let you know that you are of הוה, little children, according to 1
John, Chapter 4, verse 4:

"Ye are of יהוה, little children, and have overcome them: because greater is he that is in you, than he that is in the world."

You that have "received" Me have overcome the wicked of the world. Why? Because greater is הוה that is in you than he, the devil, that is in the world. That is

why you are being blessed above all people, because יהוה is greater in you than the devil is in the world.

The wicked are of the world; therefore, they speak of the world and the world hears them because the world is wicked, as written in 1 John, Chapter 4, verse 5:

"They are of the world: therefore speak they of the world, and the world heareth them."

Those who follow ההה 'are of ההה', and he that knows ההה', knows you. He that is not of יהוה will not hear us. Hereby know you the spirit of truth from the spirit of error. That means pure and simple that if your mind, your heart, your genes and your chromosomes rebel against the truth of יהוה, you are of the world, and you are suffering from a spirit of error. But every one of you that receive My message from is of the family of יהוה You, in fact, are the children of יהוה. That is what the Feast of Tabernacles is all about: to cause you to remember that.

Genesis, Chapter 33, verse 17, tells us the following:

"And Jacob journeyed to Succoth, and built him an house, and made booths for his cattle: therefore the name of the place is called Succoth." And here we see Jacob built booths for his cattle, which means that when Israel came out of Egypt under Moses, because of their rebellion, they were forced to live in shelters that were only fit for cattle. They were forced to live in shelters that were fit for beasts. That is the price they had to pay for forty long years in the wilderness. They had to live in booths that were only fit for animals.

And wherever God's children are that have rebelled against Him, you will find them living in housing that is only fit for animals. And when you travel throughout America, the wealthiest country on Earth, there is a certain group of people that live in large sections of every city called ghettos, and their housing is only fit for animals. Some of their houses are dirtier that what an animal would tolerate. I have watched birds: the mother and father birds would fly into the nests where their babies would be and pick up the droppings from the bird babies and fly off with them and drop them on the ground. They would refuse to let that waste stay in the nest.

We have God's children living in America who refuse to clean their houses.

Children of God living in conditions worse than what animals would live in. Booths

-- little booths. My people live in <u>little</u> booths. They call them apartments but they are booths. By <u>definition</u>, they are <u>booths</u>. Dirty booths. Filthy booths. Booths fit

for cattle. Some booths <u>unfit</u> for cattle. That is a terrible way to live. Do you know why you are living in the ghettos all across America? You are living in the ghettos all across America because you turned your back on your God, הוה. He said you would be cursed like this if you turned your back on Him. That is what the Feast of Tabernacles is all about. Remembering! Remembering!

Chapter 22

It Is Important to Know the Correct Time

THERE WILL BE NO PEACE IN THE MIDDLE EAST OR ON THE EARTH UNTIL WE ARE RESTORED AS THE NATION OF . Read

Psalm, Chapter 25, verse 14:

"The secret of הוה is with them that fear him; and he will shew them his covenant."

Praise יהוה! Psalm, Chapter 29, verse 2, reads:

"Give unto יהוה the glory due unto his name; worship in the beauty of holiness."

Leviticus, Chapter 23, verse 34, reads:

"Speak unto the children of Israel, saying, The fifteenth day of this seventh month shall be the feast of tabernacles for seven days unto יהוה."

Here is a commandment given to the children of Israel to keep the Feast of Tabernacles in the seventh month.

The enemies changed the times so you could not keep the Feast of Tabernacles without הוה coming to teach you the time. Daniel, Chapter 7, verse 25, tells us:

"And he shall speak great words against the most High, and shall wear out the saints of the most High, and think to change times and laws: and they shall be given into his hand until a time and times and the dividing of time."

So here is our enemy--the wicked one, Satan, the opposer of יהוה --speaking great words against יהוה, who is the most High. And the whole strategy of Satan is to wear out the saints of יהוה, the most High--wear them out; and change the times--the calendar. Why would he want to change the calendar and the times? The answer is clear here in Leviticus, Chapter 23, verse 34: It is so you would not know when the seventh month is.

The seventh month begins with the first month that מורה gave, which is the month of Abib. If you do not know that Satan, the devil, the opposer of יהוה, then you do not know what time it is, and that makes it impossible for you to keep His commandment. You must be logical about this thing.

Deuteronomy, Chapter 16, verse 1, tells us about the month of Abib:

"Observe the month of Abib, and keep the passover unto the LORD thy God, יהוה: for in the month of Abib the LORD thy God, יהוה, brought thee forth out of Egypt by night."

Now here we have the law of Passover, another commandment saying, "Keep the month of Abib." So the children of Israel have forgotten who they are: ALL SO-CALLED BLACK PEOPLE OF AMERICA ARE THE CHILDREN OF ISRAEL. You are Israel! You are who יהוה is talking to here. And He tells you to keep the Passover in the month of Abib; you have never heard of Abib. You have heard of January, February, March, April, May, June, July, August, September, October, November, and December, but you have never heard about Abib. How can you keep Passover when the month of Abib no longer exists in your mind? said

to keep it in the month of Abib. So what is the profound question? When is the month of Abib? If you do not know when the month of Abib is, then you cannot do what He told you to do, when He ordered you to do it.

Now you can understand why Satan, who hates יהוה, changed the laws and the times of יהוה. He did this so the children of יהוה could not keep His word, could not keep His commandments, could not keep His laws, could not keep His requirements, could not keep His statutes, could not keep His judgments. Why? Because your enemy knows when you do not keep the laws of your Father, יהוה, you are going to be in trouble; you are going to suffer. Your house will be in disarray. Your family will be destroyed. Your neighborhoods and communities will be wracked with destruction and evil. You will be full of plagues. You will lose your children: You will have no control over them. They will grow up and tell you they will do what they want to do. All because Satan, the enemy, changed the times and the seasons.

Satan has you believing January is the first month of the year. It may be the first month of <u>his</u> year, but it is not the first month of the year of יהוה. Who are you going to go with? Are you going to go with the Creator's month? or are you going

to go with His enemy's month? The devil's month, the month of the enemy of יהוה, is January. Then he has you celebrating the first day of January as Happy New Year.

Oh, you have to think about these things. You have to be logical about these things.

Here you are saying, "Happy New Year" and you do not know what time it is. Why do you say "Happy New Year" in the first place? Why do you do it? It is really because you do not know any better. Somebody taught you that. The same people that put you in slavery taught you "Happy New Year"; and the same people that put you in slavery did not teach you the month of Abib, because יהוה said to keep this law forever. So don't tell Me nothing about somebody had the authority to change it. He said to keep this law forever!

 last supper. The Book said <u>Passover</u>. So, how are you <u>not</u> going to keep it, when he kept it? Come on now, let us be reasonable about this. He kept it in its due season and at the right time. Now here you come hollering "Happy New Year." He would not know what you are talking about.

I want to see you escape this one. You cannot tell Me you love the man 1,900 years ago and do not follow him. You said you follow him--you follow in the foot steps of Christ. Well, Matthew, Chapter 26, verse 17, reads:

"Now the first day of the feast of unleavened bread the disciples came to Jesus, saying unto him, Where wilt thou that we prepare for thee to eat the passover?"

Passover is in the month of Abib, and it says He kept it on the <u>first</u> day. They came to him on the first day. That meant they knew when the first day was. It did not say they came to him on January 1 or something; it said the **first** day. They knew when the first day. They knew when the first day was. Do you know? Without Me, do you know? Were you taught? You are hollering Happy New Year, and that is not the first day. You can't be following the man 1,900 years ago (which is a short time ago), not to think about following

what Moses laid down. You can't even follow the man you "claim" you know, because you don't know anything about him. You did not know he kept Passover. If you did know it, then you would be keeping it.

Again in Leviticus, Chapter 23, verse 34, I am required to speak unto the children of Israel. Why? Because the children of Israel have forgotten. Otherwise, I would not have to speak to you. Speak to the children of Israel saying the fifteenth day of this seventh month. Why do I have to tell the children of Israel the day and the month? Obviously, it has been changed, and Israel does not know it has been changed. This makes you a breaker of the law; this makes you a transgressor of the law: Which means you are in trouble. Deuteronomy, Chapter 28, verse 15, tells you what happens when you break the law:

"But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, 'הוה', to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee":

As you read earlier in Deuteronomy, Chapter 28, verses 16-19, you will be cursed in the city, cursed on your farm. Your grocery baskets will be cursed. Your stores will be cursed--if you own one. The fruit of your body--your children--will be

cursed. Your land will be cursed. Your cattle will be cursed. Your sheep will be cursed; any kind of flock you have, or if you used to have flock, you won't have any. You will be cursed when you come into the world, and you will be cursed when you go out: People will curse you in your casket. Then there are over 40 more verses of curses that you are under because you are not keeping the law.

Now back to Leviticus, Chapter 23, verse 34. So now the question is, when is the seventh month, since your God told you to keep it? You have to learn when it is in order to keep it. You cannot keep it when you want to. You have to keep it when He said to keep it. To obey יהוה is do what He tells you and when He tells you to do it. That is the way it works. But the enemy, your enemy, changed the calendar. gave you solar time; your enemy put you on the moon. They call it moon time-lunar time. Solar time and lunar time are two entirely different times, two entirely different symbols, two entirely different substances, two entirely different reactions, actions, characters, compositions, make-ups, influences, and differences.

You cannot say, "Well, what difference does it make, whether it is Abib or January?" The difference is, either you obey your God or you disobey Him. Saying

you do not know is <u>not</u> an excuse. When you do not know, you are cursed. Everything you do is a curse. It is really true. There is <u>no</u> excuse for <u>not</u> knowing, according to Luke, Chapter 12, verses 47-48, which reads:

47 "And that servant, which knew his lord's will, and prepared not himself, neither did according to His will, shall be beaten with many stripes.

48 But he that knew not, and did commit things worthy of stripes, shall be beaten with few stripes. For unto whomsoever much is given, of him shall be much required: and to whom men have committed much, of him they will ask the more."

Not knowing the law, and thereby not keeping the law, you get a good beating. The common denominator is--you get a beating. If you know the month of Abib and do not keep the law, you will be beaten severely, a long time. But the fact that you are now born in America, up from slaves--and were not allowed to read for over 300 years-- you cannot keep the laws of your Father. Satan was able to change everything in the books, so now that you are born on the Earth, you do not know what time it is or how to find out what time it is; therefore, you cannot keep the law of your Father. As a result, He is going to beat your behind real good. That is what is happening to Black people in America right now. I do not have to draw you out a long picture of

how much suffering Black people are going through in America. You are already aware of how dangerous, dirty, and filthy it is where some of them live: all these things are happening because Black people do not know what time it is. The only way they can know what time it is, is through יהוה And not knowing יהוה does not excuse them.

Chapter 23

Israel: The Only Children of יהוה

How do you act now that you are finding out about יהוה? Now that you are hearing about הוה, what are you doing about it? Are you studying to find out more about Do you go get your encyclopedia and your dictionaries and look up this name and learn about Him? Do your research and find out whether or not this name belongs to you? Have you ever sought to find out if you are Israel, the children of ??

You say you are a child of God. Have you ever heard your parents and grandparents say that they are "a child of God?" Have you ever heard them say that?

Well, do you not know what "a child of God" is? "A child of God" is a child of Israel. ONLY ISRAEL ARE THE CHILDREN OF יהוה.

So what were your parents and grandparents trying to tell you? They were trying to tell you that you are a Hebrew Israelite, one of the children of Israel, one of the children of Israel, one of the children of Israel. GENTILES AND OTHER NATIONS ARE NOT THE CHILDREN OF GOD. The Bible says they can only be saved through Israel. They can only be spiritual children. They are not the "real" children. They can only become children through adoption. You should have learned that in The New Testament. The New Testament is all about Gentiles trying to be saved. If you did not learn that in church, I do not know what you went to church for. I guess it was to hear the choir, or maybe it was to hear the preacher. Maybe that was it. Maybe you went because your momma took you and your grandma took you. Maybe you went to church because after they quit taking you, they still made you go. Maybe that is why you went.

You could not wait to take a part of the money they gave you for the offering.

You were glad when they quit taking you, because you had to put the money in the

plate when they took you. Now, you know what you did with that offering when they quit taking you: You stopped at the local store. Yes, we all did it. "The preacher won't get this, Jack. Whatever the Lord gets today, the preacher is going to give it to Him because I'm sure not. I am going to the store." You walked up there and put a penny in the collection plate and kept nine cents for yourself. You made sure you got change before you went to church. Momma gave you a quarter, you got change, put a penny in, and kept twenty-four cents for yourself. Yes, you did. You put your hand deep in the plate, like you really gave something.

Well, I am proving My case very well. The month of Abib begins in the month of March; in fact, near the end of March at that--on a very specific day. You don't know how to go about finding out what I just said. Yet, you are required to know or get beaten up. Who is going to beat you? הוה Himself is going to beat you, and He will use other nations to whip up on you too. It is a punishment because you will not keep the law. He put you under a curse. Do you have to be under the curse? Do My people have to stay under it? No! I AM HERE TEACHING YOU HOW NOT TO SUFFER FROM THESE CURSES.

The wicked kill you all day long and hold themselves not guilty. It's just that simple. You do not know how to hold yourself not guilty. Right or wrong? You do not know how to hold yourself "not guilty." He kills all over America, he takes himself to court--if you can get him in there, and if you can succeed in getting him in there--they just hold themselves **not guilty**. Zechariah, Chapter 11, verse 5 affirms this, read:

"Whose possessors slay them, and hold themselves not guilty: and they that sell them say, Blessed be יהוה; for I am rich: and their own shepherds pity them not."

Everybody can see them shoot someone down on TV, the man is handcuffed--Bamm! They say, "Justifiable homicide." What does that mean? That means that they are justified in killing you? They are justified in killing you because they know that you are a law breaker. Not only do you break their laws; but most of all, you also break your Father's laws. So they know you are going to break theirs. Therefore, they get you out front: Every time you break a law, they know it is just a matter of time before they are going to get you. They already know you are going to fall when you go for Satan and his ways.

יהוה told you, "Learn not the way of the heathen." That is what יהוה said, "Learn not the way of the heathen." You have never known who the heathen is. If you do not know these things, you will suffer. If you know it and do not do it, then you will suffer even worse. Read Jeremiah, Chapter 10, verse 2:

"Thus saith 'in, Learn not the way of the heathen, and be not dismayed at the signs of heaven; for the heathen are dismayed at them."

Every time a strange light takes off in the heavens they are dismayed.

All the customs of the people are vain, according to Jeremiah, Chapter 10, verses 3-4:

- 3 "For the customs of the people are vain: for one cutteth a tree out of the forest, the work of the hands of the workman, with the ax.
- 4 They deck it with silver and with gold; they fasten it with nails and with hammers, that it move not."

What is that? That is a Christmas tree, and the Bible says that it is all in <u>vain</u>. Christmas does you no good. Your momma spent all her money on the Christmas lie. It is nothing but a lie. I should not have to spend one minute telling you Christmas

is a lie. Now they are saying "they have taken Christ out of Christmas." Christ never was in it. The Bible says it is <u>all</u> vain. It is a custom of man. It is the way of the heathen.

They tell you that Christmas is December 25th, and they lie and say that it is the birth day of Christ; and that's a lie too, isn't it? The Bible says it is a custom of man and it is all vain. So, it is not the right time of the birth of the Savior; therefore, it is also one great big, old fat lie. Yes, it is a big old, fat lie. You cannot think Santa Claus without thinking fat lie. Who do you call the fat lie? Santa Claus. Here you are a little, small kid in your innocence, "Here comes Rudolph the red nosed reindeer, with the pretty little red nose. Rudolph the red nosed reindeer. Come on Vixen, come on . . ." You know the names, and you actually believed that they were flying in the sky. You went for it.

Here they teach you a lie. They teach you to love a lie with gifts: bribe your dumb self with gifts to accept a lie. You say, "I don't care what you say, bring me the presents." Why? Because you love materialism, and they taught you to love a lie. In your face, you know a reindeer was not prancing up no where. They had you tying up a sock around the table because you didn't have a chimney. They said this big fat

man was coming down a chimney. Now you know he would have gotten stuck. You haven't seen a chimney yet that some big, fat boy could come running down through.

Now you know good and well there were not enough presents on a little, old sled to go to everybody in your town. Some had a family too big for the sled any way. That is right. Some had more kids in the house than Santa Claus could possibly have presents for on a sled. Some come from big families: There would be 25 to 30 people in the house. Most families did not have a chimney in the ghetto--so that meant that Santa Claus could not come down a chimney at their house. Be logical now. This is not an emotional trip. Let us deal with the reality.

I am talking about ending the curse you are under. Now you don't have to keep suffering. All you have to do is turn to יהוה. I am speaking to you, as one of the children of Israel--children of . The fifteenth day of the seventh month is the Feast of Tabernacles for seven days. The last part of September is the seventh month, and there are 30 days in every single month of the calendar set by יהוה. Every single month has 30 days: Twelve months with 30 days each.

The enemy's calendar has 28--sometimes 29, 30 and 31, and then he leaps a

year. He is so messed up, he just leaps on past time and calls it leap year. Because you are blind to the time, you do not think that is important. You just woke up one day and they told you the lunar calendar was the calendar, and that January was "Happy New Year," and you said, Okay.

You go out to a night club looking for a mistletoe or something to get up under, and kiss any thing near you. It is the way of the heathen. What was the purpose of the mistletoe? You would stand under the mistletoe--and everybody could not stand under the mistletoe-and you just kissed any one who was near you--wherever you were. Happy New Year! Was it always the one you came with? Wasn't that really the fun part? not knowing exactly who it was? The closer you got to midnight, the more you had to go to the powder room? You came with John, but that was Jerry you kissed. What does that teach? Happy New Year teaches promiscuousness: Public sex. Something that should have been reserved for the bedroom was done in the public. You were taught loose morals. What a terrible way to grow up in lies. Merry Christmas! "I do not feel very merry right now." You were upset because your husband was with Mary. Just a whole stack of lies.

Another lie is Halloween, with ghosts, goblins, druids; poisoned apples,

poisoned candies, false faces. You went out in the dark in a disguise with a mask on to hide your true identity. All kinds of wicked stuff went through your head when you thought nobody knew who you were. You said things you would not have said ordinarily behind that disguise. Yes, you put it on hoping nobody would know who you were so you could get away with stuff. It went through your head. "Boy, I am in a disguise now, nobody is going to know who I am or what I am fixin' to do." Halloween. What a way to live.

Well, I hope you want to study about time now. Do you understand it is important to know about the **right** time? Numbers, Chapter 24, verse 5, says:

"How goodly are thy tents, O Jacob, and thy tabernacles, O Israel!"

Here it is telling you that Tabernacles is a good time. How "goodly" are your Tabernacles, O Israel? Now, first, this requires you to know that you are **Israel**, the children of יהוה. The knowledge of your being Israel was cut off from you, as written in Psalm, Chapter 83, verses 1-5:

1 "Keep not thou silence, O יהוה: hold not thy peace, and be not still. O יהוה.

- 2 For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head.
- 3 They have taken crafty counsel against thy people, and consulted against thy hidden ones.
- 4 They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.
- 5 For they have consulted together with one consent: they are confederate against thee."

This prevented you from keeping the Feast of Tabernacles, which also prevented you from knowing a "true" goodly time. Tabernacles is a season when you could have a goodly time without using drugs or drinking alcohol or doing anything wicked. It is just a high, pure, "goodly" time.

Those who are against you cut you off from the memory that you are Israel. YOU ARE OF THE NATION OF ISRAEL. The only people on the Earth cut off from this knowledge are the so-called Black man of America. Therefore, you have forgotten the Feast of Tabernacles, and that means you have forgotten how to have a "good time." Therefore, you go looking for parties for a "good time." Everybody at the party is looking for a "good time" and, as a result, nobody at the party is having

a "good time."

Have you ever gone to a party looking for a "good time?" Were you disappointed? Everybody was disappointed. Have you ever gone to a party and saw people pretending to be having a good time? Do you know what I am talking about? You saw all this, and called that fun? Now, you just found out what a "goodly" time is: A "GOODLY" TIME IS WHEN YOU KEEP THE LAWS OF אונה AND YOU KEEP THE FEAST OF TABERNACLES. The Scripture says that is a goodly time. Now that you have returned to keeping the laws of יהוה 'Yes, you do not know what a goodly time is until you start keeping the laws of יהוה 'Yes, you do not know what a goodly time is until you start keeping the laws of 'Chapter 16, verses 13-14:

13 "Thou shalt observe the feast of tabernacles seven days, after that thou hast gathered in thy corn and thy wine:

14 And thou shalt rejoice in thy feast, ..."

This is a **rejoicing** time!

Chapter 24

<u>You Forgot Egypt</u> So You Had to Suffer America

Well, you just found out what a "goodly" time is: It is when you keep the laws of מהוה and you keep the Feast of Tabernacles. It says that is a "goodly" time. So if you have returned to keeping the laws of יהוה, you are having a goodly time! Praise יהוה! Yes, you do not know what a "goodly" time is until you start keeping the laws of יהוה.

As you just read in Deuteronomy, Chapter 16, verses 13-14, this is a rejoicing time. But in Verse 12 it says,

"And thou shalt remember that thou wast a bondman in Egypt: and

thou shalt observe and do these statutes."

And this is not all you need to remember. You have been in bondage twice. You need to **remember** that you were not only a bondman in Egypt but that you were also a bondman in America. Forgetting that you were a bondman means that you will repeat the process. So, evidently, you forgot you were a bondman in Egypt, so you have repeated the process in America.

Yes, you were in bondage before in Egypt, but that was not the end of it, according to Deuteronomy, Chapter 28, verse 68:

"And 'nin' shall bring thee into Egypt again with ships, by the way whereof I spake unto thee, Thou shalt see it no more again: and there ye shall be sold unto your enemies for bondmen and bondwomen, and no man shall buy you."

No man will buy you back but Me. It said you would be sold "again" in ships. The children of Israel were never sold in Egypt in ships, because they were already over there. The children of Israel came--walked--into Egypt, according to Exodus, Chapter 1, verse 1:

"Now these are the names of the children of Israel, which came into Egypt; . . ."

The children of Israel did not go into Egypt by ship, they walked in. Neither did the children of Israel leave Egypt by ship, parted the Red sea. They walked across the bottom of the Red sea, as written in Exodus, Chapter 14, verse 29:

"But the children of Israel walked upon dry land in the midst of the sea; . . ."

Then they also walked in the desert for forty years, as recorded in Joshua, Chapter 5, verse 6:

"For the children of Israel walked forty years in the wilderness, ..."

So the only people that have been brought from Egypt in ships are the so-called Black man of America. And you were sold to your enemies as recorded in Judges, Chapter 2, verse 14:

"And the anger of 'הוה was hot against Israel, and he delivered them into the hands of spoilers that spoiled them, and he sold them into the hands of their enemies round about, so that they could not any longer stand before their enemies."

They have been your enemies ever since you have been here. They have not changed from being your enemies. Some people do not like to hear it, but you had better hear

it. If you go walking through some neighborhoods, then you will soon find out that you still have some enemies. They don't even know your name, and you have never done anything to them, but they are still your enemies. I am sure you are not brave enough to walk through certain neighborhoods, even though everything is supposed to be alright. It is not alright. And your thinking it is alright is a tragedy.

Your enemies brought you into slavery and have sold you. And ever since you have been here, they have used and abused you. They pretended to free you in 1865: They took the shackles off your ankles and put <u>double</u> shackles on your brain. As a result, you have been mentally and spiritually shackled ever since. Moreover, you are worse off now than ever, because you have gone through over thirty years of actually "thinking" you are equal. You have sat in schools with the children of the same people who wrote the textbooks before you got there. And they have also written the same textbooks that you have been reading for over thirty years. Their textbooks are all designed to make you look for a job and to be a servant--never to <u>create</u> a job.

Because I am come among you doing a good work of creating jobs across America for our people, our same enemies are trying to cut you off from Me and Me off from you. Why? Because they do not really want you to have anything. And anyone who sets up a role model of excellence, they are against that. Why are they against that? Are they against that because they brought you to America to be made equal to them? No! That is <u>not</u> why they brought you here. If you think they are going to be happy watching their ex-slaves sitting equal to them, then they will give you a few more thoughts to consider.

You, My people, who thought the war was over and that there were only a few little brush fires to put out have discovered that the war is more intense now than ever. Everything you thought you had gained has been reversed. You call it turning the clock back. In actuality, the clock was never turned forward. You were blind to the time: You suffered from an illusion and a delusion. And right now, you have kids thirty years old who do not know Martin Luther King. They ask, "Martin who?" People think that they are working in certain corporations because they have earned it. It is their merit. You know, "I went to college. I am here because of my abilities. Nobody gave me anything. I earned this, darling--really did. Don't ask me for any money. I am not giving you . . . nothing. I don't live around you people."

White folks know how to make you remember one another. It's called you do not have a Voting Rights Bill anymore. And even more, they did not pass the Civil

Rights Bill for you again. They have taken that too. You have not had that since 1984. Set asides are gone, and now even affirmative action is gone. You have marched on Washington again and again, and it is still gone. They are glad to see you march. They make money off of you marching. The money that you spend marching, you could produce a few "Blackillacs." Oh, you call them Cadillacs. You could produce a "Blackillac." Now you can logically follow what I am saying, but you know you cannot get the so-called Black man to do any of that.

Black people are still in the ghetto fussing, cussing, standing on the corner, sitting on crates, fighting over a little piece of turf, selling some funny little stuff in some funny looking little bags, and on their way to jail. It is only a matter of time. The Japanese are buying up the country, and you have not awakened to buy a thing yet. But יהוה בן יהוה בן יהוה לו is awake, praise יהוה לו sawake, praise awake.

It is crazy to let all of these nations come to America and buy up everything. Where are we going to stay? Well, we are going to make sure we stay somewhere. It must be earth-shaking. I must shake the government up something horribly, because whatever they say or do it does not stop Me, it does not deter Me, it does not

slow Me down. I just keep right on getting up. Praise יהוה.

I work day and night to prove to My people in America that you can get rich being good. You do not have to be bad to get rich, because if you are bad and get a lot of money, your enemies have the same trap to take it from you. The Nation of has spread out across the country doing good and nobody can stop us from doing good. You have the opportunity in America to do good: You are free to do good. That is the one thing you are free to do.

Where in the world did the Japanese get \$3 billion to pay cash for a movie house? They put their money together. Why is it that our people do not put their money together? The so-called Black man of America has hundreds of thousands of leaders--more leaders than anybody on Earth. Whole countries only have one leader. Yet you have a leader on almost every block. A TV crew can go to any block in town and find a leader. He would be right on TV tonight: "Local Black leader said" You have never seen this person before in your life.

And if My enemies want to discredit My work, they will go throughout the city to find one person that will say something negative. The TV camera is full of hours

one that will say something **bad** about what I am doing, and they keep on going until they find one that will say something **bad** about what I am doing. Guess who gets on TV--the thousands that said good? No, the **one** that said <u>bad</u>. He becomes a star for a day--only <u>one</u> day. Those are the tricks you live under.

Deuteronomy, Chapter 16, verse 1, says, "Observe the month of Abib." Before My coming, you did not know that Abib existed or when it was. In Numbers, Chapter 24, verse 5, you read that it is a "goodly" feast; in Deuteronomy, Chapter 16, verse 13, you also found out that you should observe the Feast of Tabernacles seven days; and in Verse 14, that you should **rejoice**. Now read Verses 16-17:

16 "Three times in a year shall all thy males appear before the LORD thy God, הוה, in the place which he shall choose; in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before הוה empty:

17 Every man shall give as he is able, according to the blessing of the LORD thy God, יהוה, which he hath given thee."

Here we see, and we just read earlier, that if you know this law and have read this law and refuse to obey this law, you will be beaten with many stripes. That means you will be punished in many ways.

Now who taught you to forget this law? Your enemies taught you. They gave you their laws which they changed from the laws of יהוה. Subsequently, they have you celebrating January as the first month of the year, when יהוה said Abib is the first month of the year. Abib does not fall in January. So now, here you have a whole nation of people who belong to יהוה, breaking His laws. You read also in Deuteronomy, Chapter 28, that you would be placed under curses if you failed to keep the laws of יהוה. Furthermore, יהוה said that if you do not know the law, you cannot keep it, but you will still be beaten and punished. Now what is the opposite of a curse? The opposite of a curse is a blessing. Therefore, have a "goodly" time.

Chapter 25

We Must Put יהוה First

I have taught how to put יהוה 'first: You give a tenth to יהוה 'first, and then you pay yourself a tenth. First, you take care of your spiritual family; then you take care of your earthly family; after that, you let your enemies fight over whatever is left. But when you fail to keep the laws of יהוה, money comes through your hands, but it all goes out. You don't know where your money went. You don't know how much money you have made in the last ten years, because you have never paid yourself. You have received money, but you have never paid yourself. And when you don't love יהוה and fear יהוה 'and keep His commandments, you will never pay yourself.

You have found out that getting a check is not your pay. That is the

opportunity for you to receive pay. The only way you are going to receive pay is after somebody gives you a check. You are now free to do with it what you want: You can throw it away, you can buy junk; you can cash it or do not cash it. You can do whatever you want. You can be foolish or you can follow the laws of יהוה? Will make you rich because every time you get a check, you will pay yourself out of it before you pay anybody. Don't you think you deserve first place? You work for it? You cannot make yourself first? You won't even pay yourself first? If you forget ', you just won't do it.

You may put something in a savings account, but you are going to get it out. It drives you crazy to have some money in a savings account. It bugs you out of your mind. You see a car and you just got to have it. You start finding the down payment by what you have saved. Now you no longer want to save, you want to put enough money up to put down on that car. When you put it down, that means you put it away from yourself. All that you had worked to save is in the pocket of the other man and you have some rusting bolts that are steadily depreciating and going to nothing. It is a cancer to your pocketbook.

Now you have become a slave to your car. You are taking better care of your car than you are taking care of your children: "I got to have my car now; got to get around. Kid need some milk. Hey, baby, you know . . . hey, that's cool about the baby, but see my car has a flat tire." You know what he is going to fix first. Feed the baby or fix the flat? That is something else when you love a car more than you love your family. When you buy the car, you are on a five-year plan. It used to be a twenty-four month plan. Then it went to a thirty-six, then a forty-eight month plan. Today, it is a sixty-month. Some have a seven-year plan. For Mercedes Benzes and those types of cars, they get up to a ten-year plan: Saying they ride longer and last longer. So you can get it for ten years. It is not worth two cents in ten years. The way some people drive, it is not worth two cents in two years. Am I saying you should not have a car? No. I am saying you have to put הוה first in order to pay yourself <u>first</u>. And it is no need to pay yourself if you are going to take it out.

Well, you may not have learned that, but there are some who follow Me who have learned it, and they are in the process of doing something about it. As a result, they will never be broke again for the rest of their lives. Praise יהוה. I am the only Man alive that teaches you to take the little bit you have and make something out of

it. This is called common sense teachings, divine teachings, and righteous teachings. No other teacher does it. I am the only One who teaches His followers how to be rich. Whatever you put before Me, I will take it and make you rich with it. People who do not know Me hear all kinds of funny stories because their enemy does not want them to hook on to Me and get rich. Isn't that the funniest thing you have ever heard? But then you should know your enemy by now--but My people do not.

My people still believe in the newspapers, the radio and television, and they still believe milk comes from the grocery store. Yes, more than half of the children who go to school believe that milk comes from the supermarket. Milk comes from a cow, and yet they do not know it. My people think butter comes from Little Black Sambo running from a tiger around a tree. That is what I was taught. What a shame. Any time you think that is the way you get butter, you are in bad shape.

But here you have three great holidays every year to keep, and you do not have to appear empty. All it requires is for you to put הוה first, and then yourself. Oh, yes, it is real.

Chapter 26

יהוה בן יהוה Has the Solution to the Problems of the Whole World

Every man that follows Me is able. Cain killed Abel but I resurrected Able. Praise יהוה. To keep you ignorant, they misspelled Abel in the Bible. In the Bible, Abel is spelled A-B-E-L, but I have resurrected A-B-L-E. That is his real name. You are now able, capable, competent, shrewd, adroit, clever, proficient, prosperous, successful, sagacious, and erudite employers. Oh, yes, you are all of that. YOU ARE ABLE. WITHOUT יהוה, YOU ARE UNABLE.

You are at the bottom of the pit in America without, sitting around and

watching all these immigrants come to this country with nothing, pool their pennies together, and get rich. Have you looked at the ghetto lately? Do you know how poor people are who live in the ghetto? And yet people come to America, get off the boat, set up shop in the ghetto, and within three or four years they are living in a million-dollar mansion. You have been in the ghetto for over four hundred thirty-four years, and you are unable to get a thing without 'C'.

I have the answer to all the problems of the world. I have the solution to all the problems of the world. So I have the key. I have the solution. What is the solution? The solution is the perfect laws of morality according to יהוה. The first thing I did when I came was I went throughout the drug areas and everywhere else, and educated all the brothers to who יהוה is. I did this all over America.

I educated all of our people about who יהוה is: He is great, good, terrible, and Black. HE IS THE MIGHTY GOD. So I have the respect from everybody. It is the Word. I am proving that the Word of יהוה has all power. Here I am come producing these our holy feasts three times in a year where you have peace and love and joy; and where you learn how to have a perfect life and a perfect family and a

beautiful community. You know the enemy is upset about this but that is tough, because I am steadily adding members: people who want to be good. To follow Me, you do not have to put on white because most of My followers do not wear white anyway. They are too smart for that. Every single day I am adding to the numbers. Glory! O Hallelu, יהוה! I love you. It has been a pleasure sharing with you.

I am going to bless	I am setting
Lam greater	I am sharing with you

I am so busy raising you 165	I came 2, 9, 38, 63, 119, 121, 169, 214
I am so powerful102	I can send a plague171
I am still accomplishing	I can show
I am structuring	I can stop
I am successful 23, 164	I can straighten 103
I am teaching history144	I challenge you
I am telling you who92	I choose to place My name 80, 81, 133
I am the Founder of Goodness96	I cleaned out14
I am the Founder of The Nation 9, 93	I come
I am the Mighty God116	I command 40-42, 171, 183
I am the most powerful Man 171	I created
I am the One promised149	I created goodness96
I am the One speaking	I created the positive96
I am the only One	I decided
I am the Prince of Peace 22, 147	I deserve this24
I am the Son	I desire
I am unique	I do believe in supremacy
I am willing	I dress blessed57
I am your example57	I drove
I am your inheritance114	I gave away free literature69
I am your testimony57	I give orders
I am your witness57	I have
I appeared to Abraham 160	25, 29, 32, 37, 38, 51, 56, 76, 80,
I appeared to Isaac	85, 93-95, 111, 117-120, 123, 125-129,
I believe in being supreme 158	132, 135, 140, 141, 151, 156, 158, 160,
I belong	165, 169-172, 174, 183, 209, 213, 214
I bought	I have chosen

I have chosen to place My name 80, 135	I represent the light side
I have come to My own people 156, 160	I start telling My people 144
I have established93	I started out all alone
I have not changed My mind 165	I stopped
I have power	I took Elijah116
I have proof and evidence 123	I walked with Enoch
I have structured94	I was 2-4, 32, 102, 115, 156, 212
I have the power 22, 29, 38, 132, 171	I was born 2, 115, 156
I have to teach you	I was walking with Adam115
I have "designed"94	I went to every drug area in the city 69
I hold all of them guilty	I will bless
I know	I will bless thee
95, 104, 125, 126, 129, 147, 158, 168, 172	I will curse
I know My answer	I will do it
I know somebody147	I will finish separating the two 152
I know the secret	I will gather all the good people 105
I look blessed	I will save thy children
I looked	I will send hurricanes
I love all good	identities
I made it96	ignorant 123, 128, 132, 141, 213
I made it drug free	illogical
I made the world 155, 156, 170	imitate you
I may have	immigrants
I never speak foolishness98	incapacitated99
I own the whole planet	independence
I personally walked	independent
I recognized4	Indians
